The regular monthly meeting of the Plummer P. T. A. was held Monday evening, March 11. The program is as follows: Community singing, directed by Mr. Lobas accompanied by Miss Gjesdal; Two selections by the Rhythm Band of the third and fourth grades directed by Miss Aker; Three selections by the Glee Club from the fifth and sixth grades under the direction of Miss Ferrell; a piano solo by Clarice Medchill; a piano solo by James Pahlen; a book report by Muriel Sorenson, "Canterbury Pilgrim"; Two selections by a high school quartet accompanied by Miss Gjesdal. After the regular program four films were shown. They were: "Weather Forecasting," "Crystallization," "The Puritan Village."

The NYA floor refinishing project will be resumed on Friday afternoon so that the floors that were not refinished during the Christmas holidays will be completed during the Easter vacation.

Mr. Knutson and Mr. Lofte of the State Highway Patrol called at the school on Monday afternoon and conferred with Superintendent Berger concerning the organization of a school patrol. The arrangements for organization will be taken care of some time during the spring months. Situated as the Plummer school is on a through highway, this will be an added protection to the children of the school.

First to Adopt Christianity

The Armenians, whose church was founded by St. Gregory in 301 A. D., claim the distinction of being the first nation to adopt Christianity as a whole people. The Armenian Apostolic church is the American branch of the Church of Armenia. Its first parish in the United States was founded in Worcester, Mass., in 1889. The liturgy of the church has been virtually unchanged since it was founded in the Fourth century.

CITY'S FIN[illegible] REPORT FOR 193[illegible] IS COMPLETED

Municipal Power Plant Reports Record Earnings of $74,656.29

SEWAGE PLANT RAISES CASH OUTLAY IN 1939

Total Disbursements for the Past Year Aggregate $347,978.35

A detailed picture of finances of all departments of the city government for 1939 is given in the annual report of City Clerk P. G. Pederson, completed this week. Copies of the report are available for inspection by interested taxpayers at his office in the Auditorium.

Total receipts and disbursements for the year were swelled by money received and spent in connection with the construction of the new sewage disposal plant at a cost in excess of $130,000. Included in receipts were general funds, $133,319.31; electric light department, $130,630.40; and water works department, $21,142.53; or a total of $285,092.24. Disbursements included general funds $253,006.26; and public utilities, $94,973.09; or a total of $347,978.35.

Outstanding feature of the report is the record earnings of $74,656.29 of the electric light department in 1939. In spite of substantially reduced rates in effect last year, profits increased due to the large gain in volume and to the increased output of current by the water turbines with a resultant saving in fuel oil costs. After allowing $27,633.24 for interest at the rate of five per cent on the plant investment of $472,664.76, the utility still showed a net profit of $51,028.05.

Mr. Pederson's report showed that the earnings of $74,656.29 and the depreciation fund of $13,152.69, or a total of $87,808.97, were utilized as follows: Bonds retired, $23,000; reinvested in plant in extensions or additions, $9,928.02; reflected in increase in current assets, $1,166.32; and transferred to the city current expense fund to meet general operating expenses of the city, $54,725.78.

It was revealed that the plant produced in 1939 a total of 3,857,830 kilowatts, of which 2,864,591 kilowatts was represented by customers' billings; 285,983 kilowatts for free service for street lights, etc.; and 388,116 kilowatts used by equipment in the power plant. Total energy accounted for was 3,538,690 kilowatts, leaving 318,840 kilowatts, or 8.2 per cent unaccounted for due to line, transformer, meter and ground losses.

Major items of disbursements from the city's general funds in 1939 included current expense fund, $54,905.25; poor fund, $9,020.52; Auditorium fund, $5,367.29; library fund, $5,409.16; park fund, $5,562; sewage plant, $132,059.21; Paving Improvement No. 1, $13,262.85; and permanent improvement fund, $20,449.14; the last item including sidewalk, curb and gutter construction, $7,106.21; sewer construction, $9,462.98; with land acquisitions utilizing the remainder of the fund.

The current expense fund disbursements of $54,905.25, when broken down, reveal that the major items were police department salaries and expenses, $7,971.12; salaries of city officials, $4,550; fire department, $6,969.21, and street department expenses, $17,493.34; in addition to a variety of smaller items in other classifications.

The city's bonded debt was shown to be $231,000 at the end of the year, in addition to which there were outstanding warrants amounting to $13,011.35. The city treasury began the year with a cash balance of $63,655.75.

Gustafsons Take Over Studebaker Agency Here

C. Gustafson & Son, local automobile and farm implement dealers, have taken over the Thief River Falls agency for Studebaker automobiles, C. D. Gustafson, manager, announced today. The Studebaker line is headed by the Champion model, which has won a wide reputation for its economy and other desirable features. Mr. Gustafson stated that the company will continue as in the past its agency for the Nash line of cars.

Prowler Co-Captains Get District Trophy

It was a proud moment for Wayne Bredeson, left, and Robert Kielty, co-captains of the Prowler quint, when Supt. Morris Bye presented to them Friday evening in the presence of 2,000 fans the trophy signifying that their team had won the District 31 basketball championship by defeating Warren in the final game 46-19. It was the fourth successive year that the district title had been won by the Thief River Falls school.

HOLD EXAMS HERE FOR ENUMERATORS FOR 1940 CENSUS

133 to be Appointed for Entire District After Tests This Week

With approximately fifty enumerators to be appointed shortly in connection with the 1940 population census in Pennington, Marshall and Red Lake counties, more than three times that number of applicants from the three counties took preliminary tests in the Civic and Commerce association rooms Tuesday under the supervision of H. O. Chommie, district supervisor.

Examinations for enumerators in Roseau, Kittson and Lake of the Woods counties were held Wednesday in Roseau, while tests are being given today in Bemidji for Beltrami and Clearwater counties.

Following the appointment of enumerators, they will attend a short school of instruction before starting the population count April 2. About 15 are to be named for Pennington county, 26 for Marshall, 11 for Red Lake and 133 for the entire district.

LEADERS MEET TO PLAN 4-H EVENTS IN COMING WEEKS

Annual 4-H Club Banquet Is Scheduled to be Held April 17th

Thirty junior and adult leaders representing the 4-H clubs of Pennington county met during the past week for instruction and to determine county 4-H policies. Miss Anne Thorbeck, district club agent, was present to give project instruction.

A committee composed of Mrs. R. F. Hayes, Mrs. S. O. Prestegaard, Mrs. A. W. Oakl, Joyce Meyers, and Elfie Hanson were chosen to meet with the agricultural committee of the Civic and Commerce association to arrange for the annual club banquet, which will be held on April 17.

The following committee will make arrangements for a county-wide one-act play and music festival: Mrs. Axel Engelstad, Mrs. J. A. Erickson, Carole Hicks, Harry Solberg and Roger Anderson.

Gustavus Adolphus Choir to Appear Here March 31

The choir of Gustavus Adolphus college at St. Peter will appear in a concert in the municipal Auditorium Sunday evening, March 31, it was announced today by Rev. Charles W. Erickson, in charge of local arrangements. Among the members of the choir are Douglas Larson of St. Hilaire and Mary Jane Johnson of the Hazel community.

Coach Bierman Will Speak in City Monday

Bernie Bierman, University of Minnesota football coach, will come to Thief River Falls next Monday, March 25, and that evening at 8 o'clock will give a talk and show motion pictures of the 1939 Gopher team in action at the Lincoln high school auditorium. His appearance here is sponsored jointly by the Civic and Commerce association and the high school athletic association, with Roy Oen chairman of a committee in charge of arrangements. A concert by the Lincoln high school band at 7:30 will precede the program.

Coach Bierman, who may be accompanied by Dallas Ward, freshman football coach, will be the honor guest at a dinner arranged by the Civic and Commerce association to be served in the Pine Cafe of the Palm Garden cafe Monday evening at 6:30.

Athletic coaches and students from high schools in this section of the state have been invited to be present for the evening program in the Lincoln school auditorium.

A distinguished coaching record based on intelligent football strategy and the ability to impart that knowledge of football into the squads of college and University athletes that he has coached have brought Coach Bierman renown in the field of athletics.

Bierman's lifetime coaching record of 116 wins and 26 losses and the consecutive win record of the University of Minnesota teams under his direction have served to place him among the top ranking coaches in the nation today.

LOCAL PWA JOBS PROVIDE PAYROLL OF $116,202.52

Three Projects Supply Much Employment Here in the Past Year

With a total of 4750 payroll items listed, PWA projects carried to completion in Thief River Falls during the past year provided an aggregate of 140,626 hours of employment, with wage payments amounting to $116,202.52, it was announced by H. J. Scherer, PWA engineer-inspector on the local jobs, who left the city Monday on completion of his work here. The high school addition, he reported, created 91,576 hours of work with a total payroll of $77,960.06. Next in size was the sewage disposal plant project, which supplied 38,851 hours of work and a payroll aggregating $23,336.46. The third project, construction of an addition to Oakland Park sanatorium, provided 17,196 hours of employment and a payroll amounting to $14,885.

Lincoln Debaters Win 3-0 Regional Decision Over Mahnomen Tuesday

A Lincoln high school debate team composed of Doris Hostvet and James Borreson Tuesday evening at the Lincoln school won a three to nothing decision over Mahnomen in regional competition. The local pair upheld the negative side of the question: Resolved, That the federal government should own and operate the railroads. Judges were Dr. Philip Sauer, Dr. Harold Hagg and Professor A. C. Clark, all of Bemidji state teachers college. The Thief River Falls debaters next will uphold the negative side in an interregional debate with the winner in Region 7, still to be determined.

Twins occur about once every 100 births.

Prowlers, Bemidji in Region Finals Today

After trailing 14-8 at half-time, the Lincoln high school Prowlers came back in the second half to register a 28-24 victory over a stubborn Roseau team Wednesday night in the first round of the Region 8 basketball tournament in the Bemidji teachers college gymnasium.

By virtue of their hard-won victory, the Thief River Falls quint this evening will tackle the Bemidji high school team, which worked its way into the finals by defeating Twin Valley's highly touted quint by the decisive score of 45 to 28.

Bob Kielty, Prowler guard, had a good night Wednesday, accounting for a total of 15 points, including five field goals and five free throws. George Norlin paced the Roseau quint, netting five field goals and two free throws. Rygh and Gunderson of Roseau were ejected from the game on personals late in the third quarter.

With Tony Hubbard, Jack Johnson and George Thorbrugger leading the attack, the Bemidji Lumberjacks defeated a bulky and rangy Twin Valley team in the final game of the evening.

The winner of tonight's game between the Prowlers and Bemidji will represent Region 8 in the state tournament late next week in the St. Paul Auditorium. The winner in this region will compete in the first round at St. Paul against Breckenridge, which

MRS. A. M. SENSTAD, COUNTY AUDITOR'S WIFE, SUCCUMBS

Funeral Rites Conducted Tuesday from Trinity Lutheran Church

Mrs. A. M. Senstad, wife of the Pennington County auditor, died in a local hospital Sunday. She was 47 years of age.

O. Louise Larson was born January 5, 1893, in LaCrosse, Wis., where she was reared and attended school. She was graduated from the LaCrosse high school and LaCrosse State Teachers college and taught school in Houston, Minnesota, and LaCrosse until her marriage to Arthur M. Senstad on August 23, 1922. Since that time she had lived in Thief River Falls.

She is survived by her husband and three children, Paul Donald, Jean Louise, and Ruth Anne, all of this city. Also surviving are her mother, Mrs. Daniel Larson, and four sisters and three brothers, Mrs. Carl Anderson, Mrs. R. R. Skemp, Miss Marie Larson, Walter, George and Joe Larson, all of LaCrosse, Wisconsin, and Mrs. C. P. Osldick of Minneapolis. Her father and one sister preceded her in death.

Funeral rites were conducted Tuesday afternoon from Trinity Lutheran church, Rev. R. M. Fjelstad officiating, and interment was made in Greenwood cemetery.

To Speak Here Monday

CALL FOR BIDS ON IMPROVEMENT OF ROAD TO STEINER

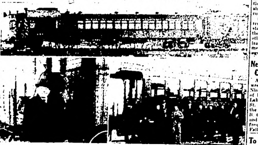
7.1 Miles on T. H. 32 North from Thief River Falls to be Rebuilt

The Minnesota highway department this week called for bids on gravel base and bituminous treatment of 7.1 miles on Highway 32, extending from Thief River Falls to one-half mile north of Steiner. The project involves 37,310 tons of gravel, 110,000 gallons of bituminous material and 4126 tons of mineral aggregate. This section of the highway at present is in poor condition. The local work is one of $500,000 worth of new state construction projects, the first major jobs of the 1940 construction season, on which bids will be opened April 5. Included are 13 projects in ten counties, involving 26 miles of grading, 30 miles of surfacing and $168,000 in bridges. Most of the other jobs are in Southern Minnesota.

Athletic Association Annual Meeting April 9

The annual meeting of the Thief River Falls Athletic association, scheduled for Monday evening, April 1, has been postponed to Tuesday, April 9, Ole Engelstad, secretary, stated today. Three directors will be elected, the terms of Mr. Engelstad, Melvin Peterson and Archie Henarol expiring at that time.

Electric Line Ends Quarter Century of Service Last Friday



Shown at top is the Electric Line train which Friday completed its last run from Goodridge to Thief River Falls previous to its abandonment due to lack of business after having operated between the two communities during the past quarter century. John Ward had the distinction of being the last passenger to buy a ticket for the final run.

At lower left appears J. C. Zavoral, genial conductor with a record of fifteen years of service on the line. Traveling 73 miles a day, Mr. Zavoral computed that during his period of service he had covered a total of 341,640 miles, all within Pennington county. Nels Klopp has served as engineer on the train during the greater part of the past ten years.

The group that made the last run, shown at lower right, include, left to right, Mr. Zavoral, Hedda Larson, Miss Lucia Worral, Leroy L. Walker, Miss Velma Vikingson, John Ward, a school teacher of the Mavie vicinity, Miss Betsy Legvold, Miss Gunda Engen and L. E. Shrinker, auditor.

RITES ON GOOD FRIDAY USHER IN EASTERTIDE

Three Churches Will Join in Services at Municipal Auditorium

STORES TO BE CLOSED DURING HOURS OF 1-3

Festival Services Planned in Churches Here for Easter Sunday

As a prelude to the Easter festival to be observed Sunday, March 24, by residents of this and other communities thruout the world, three local churches will conduct annual joint Good Friday services in the municipal Auditorium Friday afternoon at 1:30. The cooperating churches are the Trinity, Zion and First Lutheran churches.

Thief River Falls stores will remain closed from 1 to 3 o'clock Friday afternoon to make it possible for all to attend the services, which in previous years have attracted capacity audiences to the Auditorium.

The theme of the services will be "The Message of the Cross", with each of the three pastors discussing one phase. Rev. E. L. Tungseth will give "A Message Concerning Sin"; Rev. Charles W. Erickson will give "A Message of Love"; and Rev. R. M. Fjelstad will give "A Message of Power". Each congregation will supply a musical selection.

Festival Easter services are scheduled in local churches Sunday, including Trinity church at 10:30 in the morning; Zion church, sunrise services at 7 o'clock in the morning, followed by morning services at 10:30; First Lutheran church, sunrise services at 6 o'clock in the morning; Scandinavian Evangelical Free church, at 11 in the morning and 7:45 in the evening; St. Johns Lutheran church, 10:30 in the morning; and First Baptist church, morning and evening; and Community Methodist church, sunrise services at 6:30 a. m., followed by services at 10:55.

CHRISTOFFERSON REELECTED YOUNG REPUBLICAN HEAD

Annual Meeting of Pennington Co. Organization Held Thursday

Alvin Christofferson was reelected chairman of the Pennington county Young Republican league at the annual meeting held last Thursday evening in the district court room. Edward Korstad was named vice chairman to succeed Bob Peterson; Mrs. Glen Anderson, chairwoman; Richard G. Mabey, secretary; and James C. Newland, treasurer.

Delegates named to the district Young Republican convention, which convenes in Bemidji Saturday, March 23, were Mr. Christofferson, Lester Ihle, Mrs. Glen Anderson, Ed Korstad, Ted Kusmak, Richard Mabey, Earl Turnwall and Walter Ekeren; while all but the last three were selected as delegates to the state convention to be held in April. Ted Kusmak of Goodridge was appointed membership and publicity chairman of the county unit.

Honor Newfolden Pair on Golden Wedding Day

In the presence of a gathering of 200 friends and relatives Sunday at the Mission church in Newfolden, Mr. and Mrs. Nils M. Anderson, residents of that community the past half-century, celebrated their golden wedding anniversary. They were married in Warren in 1890, and have since resided on their farm one-half mile east of Newfolden.

Mr. Anderson came to this country in 1880 from Skane, Sweden, later filing on his present homestead, while Mrs. Anderson, also a native of Skane, arrived in the United States with her parents in 1881. Both are enjoying good health. Present for the occasion were their children, Mrs. Henry Aas of Oslo, Mrs. Gotfrid Olson of Newfolden, and sons Eddie and Nurance at home.

Reverend Myhre was in charge of the exercises at the church, which was decorated with golden streamers. He opened the program with a Scripture reading and prayer, and spoke in behalf of the community in behalf of the community, while Rev. G. T. Ronholm delivered a sermon befitting the occasion. Musical numbers included solos by Mrs. Korsmo Myhre, Mr. Gudim, Mr. Solyst and Axel Anderson.

Following the benediction by Reverend Ronholm, an excellent lunch was served in the church, and a purse of money was presented to Mr. and Mrs. Anderson by Reverend Myhre in behalf of their friends.

Among those present from Thief River Falls were Mr. and Mrs. C. E. Hellquist and Peter Benson.

First Pro Baseball Player

The Sporting News Record Book says that Alfred J. Reach of Brooklyn was the first professional player, being engaged to play for the Philadelphia Athletics in 1867. The first complete professional team was the famous Cincinnati Red Stockings of 1869, 10 men drawing $9,300.

HAZEL

Edna Helmer, senior at Plummer high school, came Saturday to spend her Easter vacation with her parents, Mr. and Mrs. Albert Helmer. Miss Helmer visited Saturday with Doris Wassli at the Frank Peterson home. Miss Wassli had returned to Peterson's Friday after a short vacation at her home near Thief River Falls.

Mesdames Adrian Anderson and Ole Odegaard attended the funeral services for Mrs. Gabriel Peterson Saturday at St. Hilaire. They also visited at the Harry Winter home.

Roderick Johnson who is attending school at St. Peter is spending his vacation at his home here.

Mr. and Mrs. Archie LaCoursiere and children of Oklee were Sunday visitors at the Herman Sandberg home.

Hazel Depot Removed

The Soo Depot at Hazel is being dismantled this week. Thursday of last week the part of the building used as a freight warehouse was hauled away by truck. Some difficulty was experienced in keeping the building balanced on the trailer. Several men are now working at razing the remainder of the depot which consists of the office and waiting room as well as the four living rooms on the second floor. The depot which has been a landmark in Hazel since 1904 was replaced Saturday by a low, much smaller building brought here on a flat car. The old depot is being moved to Newfolden, where it will be used for two residences.

Arthur Anderson and Sofus Bjertness of Grygla were here on Sunday to spend the day at Adrian Andersons.

Mrs. Hans Fredrickson passed away Monday afternoon after suffering a fractured hip from a fall last week.

Little Ruby Alberg is spending her Easter vacation with her aunt, Anna Alberg in Thief River Falls.

Sunday visitors at Frank Peterson's were Mr. and Mrs. Richard Peterson and children, Mr. and Mrs. W. E. Roese and son, Orville all of Plummer.

The Hazel W. C. T. U. met on Tuesday of last week at the Ole Odegaard home.

Carol Sandberg and Kenneth Wedul are expectantly looking forward to starting school next Monday at the Hazel school.

The Wyandotte group of the "Feeding the Family" Project met Tuesday at the Clarence Roese home for an organization meeting.

Visitors at Ole Odegaard's Sunday were Mrs. Efteland, Mrs. Hanson, Mrs. O. Vigness and son Clifford, Mr. and Mrs. Morris Odegaard and family all of Thief River Falls.

TOWN CHAIRMEN FORMING GROUPS FOR HOME PROJECT

Leaders to Receive First Lessons at Meetings April 23-25

This week township chairmen are organizing groups of women for the home project of "Feeding the Family." At the present time it appears that there will be the required number of groups for the project. State requirements are that there must be at least 21 groups with a total of 300 or more individuals enrolled.

Group enrollments will be reported to the county extension office by March 22. The county report of organization must be in the state office by March 29. Additional enrollments may be taken after these dates, however.

The first lesson will be given to the leaders at three training meetings on April 23, 24, and 25.

Any group wishing to be included for the study of "Feeding the Family" should contact the township chairman, Mrs. A. T. Dahlstrom, county home chairman, or Howard E. Grow, county agent.

Funeral Saturday for Mrs. Hans Fredrickson, Pioneer of Smiley

Funeral services will be held Saturday, March 23, for Mrs. Hans Fredrickson of Smiley township, who passed away Monday at the age of 80 years. Rev. R. M. Fjelstad will officiate at the services, which will be held from the Fredrickson home at 1 p. m. and from St. Pauli church at 2 p. m. Burial will be in the church cemetery.

Mrs. Mary Fredrickson had been a resident of Smiley township since her marriage in St. Hilaire in 1886. She came to America in that year from Hadland, Norway, where she was born May 28, 1859.

She is survived by her husband, and two brothers and three sisters, Mrs. Oscar E. Walden of Minneapolis, Mrs. Bert Warner of Enderlin, N. D., Mrs. James T. Sykes of this city, Henry Fredrickson of San Francisco, and John Fredrickson of Thief River Falls. One son Fred preceded her in death.

Mud Lake Refuge Holds Open House This Week

Open house will be held for all visitors who wish to inspect the Mud Lake migratory waterfowl refuge during National Wildlife Restoration Week, March 17 to 23, according to Refuge Manager Carl H. Vogen. "We are joining the nation in dedicating this week particularly to wildlife," said Vogen, "so that Americans will unite to restore and preserve this great national resource for future generations."

Organizations, private groups, or individuals who want to visit the refuge to see what the Federal government is doing to conserve the various species of animals may arrange to tour the area by calling Vogen at the refuge, thru the Holt central.

The Mud Lake refuge is one of 266 national wildlife refuges administered by the biological survey. The areas, aggregating more than 13½ million acres, are located from Puerto Rico to Alaska and Maine to Hawaii.

"This extensive refuge system," said Vogen, "has been developed to provide nesting grounds within the breeding range of the birds, nesting areas along the flyways so that sufficient food and rest may be obtained during migrations, and to provide adequate territory within the wintering range during the months the bird populations are concentrated in the South."

The Mud Lake refuge, which was established in 1937, is a 60,217 acre area established primarily for wild ducks and geese, shore-birds, song-birds, as well as other forms of wildlife that may use the sanctuary.

On the refuge, the duck is the most important species protected on the area. Latest figures show that there were 175,000 ducks within refuge boundaries. Last fall, a total of 500,000 migratory waterfowl of various species were seen on the sanctuary.

Primarily a nesting area, the refuge recorded a total of 176,000 birds of all kinds and 82 mammals last year. Among these were 175,000 ducks, 500 geese, 500 grouse, 75 deer and 7 moose.

Since the refuge has been acquired, many improvements have been made to make the area suitable for wildlife. Roads have been constructed, cover plants planted, food plants raised, dikes and dams constructed, and water areas improved.

Much of this work has been done by CCC forces. Last year the CCC and other agencies contributed several million dollars for projects designed to improve many of refuges in the Federal system.

Since the restoration of the Mud Lake refuge area, the migratory waterfowl species, as well as other species, have increased in numbers from almost zero to its present large populations.

Anton Kotlan, Jr., of Mavie Is Dead; Funeral Held Monday

Anton Kotlan, Jr., of Mavie, passed away in a local hospital Wednesday, March 13. Funeral rites were held Monday morning from St. Bernard's Catholic church and interment was made in St. Bernard's cemetery. Rev. A. I. Merth officiated.

Mr. Kotlan was born August 10, 1887, in Paduca, Mich. He had made his home in the Mavie community for the past 45 years.

He was married December 30, 1910, at Mavie to Anna Stein, who survives his death, together with two sons and five daughters, David, Doris, Evelyn, Eva, Ardith, Darlin and Dennis, all at home. Also surviving are his father Anton, Sr., of Terrebonne, three brothers and four sisters, Mrs. Arthur Burns of Milwaukee, Wisc., Ed, also of Milwaukee, Andrew of Eldridge, Calif., John of Superior, Mrs. Charles Ptacek of Hutchinson, Mrs. George Gagnon of Terrebonne and Mrs. Jack Houfek of this city. His mother and one brother are dead.

REV. FJELSTAD ASSISTS IN REV. DAHLE PASTORATE

REPORTS ON SOILS SURVEY RELEASED FOR MARSHALL CO.

Makes Recommendations as to Use of Land in Each Township

Details of a land use survey made in Marshall county in 1939 by a large committee of farmers and businessmen under the auspices of the Minnesota extension service are disclosed in a report released this week by Roy Wiseth of Goodridge, member of the state land use planning committee. The report covers each township in the county, and goes into much detail.

Referring to the Mud lake area in the eastern part of the county, the report says in part, "The area adjacent to the Mud lake reserve, consisting roughly of the north part of Grand Plain and the west part of Eckvoll townships, and which is entirely, or nearly so, tax-forfeited or delinquent, should be designated as non-agricultural land and set aside as a dry land game preserve, provided that the level of Mud lake at its outlet shall not be raised nor any dams constructed which would raise the water level in Mud lake or its adjacent areas; moreover, no portion of this shall be made subject to flood thru building of dams."

A minority report signed by seven members of the committee recommended. "The area referred to above should be considered agricultural land if drainage is provided. This land should be open for sale as such. If used as a dry land game preserve it would constitute a fire hazard. If classified as non-agricultural it would cut the taxable land area of Eckvoll township to nearly one-half, thereby impairing township government."

County Farmers Receive Pointers on Pastures at Meeting Here Wednesday

Thirty-five Pennington county farmers were told Wednesday by R. F. Crim, extension agronomist, that acres of land in good pasture return more profit than any other acres on the farm. Mr. Crim stated further that a pasture is no better than anything else unless it provides feed for livestock all through the summer. He recommended a three-point pasture program. The three points were a permanent pasture, which should be grazed in two week intervals; a good rotation pasture, of bromus, alfalfa and timothy, or bromus, reed canary, timothy, and alsike; and a supplemental pasture of second cutting of bromus and alfalfa, when other pastures are short in July and August.

TUNGSETH TELLS OF CONFERENCE IN WASHINGTON

Sees Hope for Early Action on Red Lake-Clearwater Rivers Project

Senator E. L. Tungseth and Rep. J. O. Melby, representing the recently organized Red Lake River Flood Control association, and Paul A. Lundgren, acting for the older Red Lake River Development association, returned over the week-end from Washington, D. C., where they attended the National Rivers and Harbors congress. Following his return Senator Tungseth issued the following statement:

"Because of the delegation attending from here, the Red Lake and Clearwater projects received much attention by the National Rivers and Harbors Congress. It also received favorable support by the Tri-State officials as well as by E. V. Willard of the state conservation department. Captain Moreland of the St. Paul district offices of the U. S. Engineers also attended the Congress and reported on the progress of the surveys to date. Henry Holt of Grand Forks and Dean Holm, St. Paul, president and secretary respectively of the Tri-State waters commission gave the Red Lake and Clearwater river project their wholehearted support.

"As soon as the survey report is completed and sent in to Washington, it is certain that the National Rivers and Harbors Congress will advance this dual project to the endorsed class, which will give it the highest possible rating and recommendation. It will then be in position to be authorized by U. S. Congress and to obtain the necessary appropriation. The earliest such action by U. S. Congress can be obtained will be at the 1941 session."

Rites March 27th for George Senum, Silverton Farmer

Funeral rites will be held next Wednesday, March 27, at 2 p. m. from Bethlehem church for George Senum of Silverton township, who died at his home Monday. Burial will be in the church cemetery.

Mr. Senum was born January 20, 1883, in Norway. At an early age, he came to the United States and in 1917 he was married at Strandquist to Jennie Holmstrom, and immediately they established their home on a farm in Silverton township, where Mr. Senum resided until his death.

Surviving relatives include his widow; six daughters, Mrs. Thomas Mason of Chicago, Mrs. Harold Walker of San Francisco, and Violet, Evelyn, Lorraine, and Delores, all of Thief River Falls; and four sons Edward of Pontiac, Mich., and Lawrence, Earl, and Wilfred, all of Thief River Falls. Other survivors include three brothers, Ole of Minneapolis, Tom of Pontiac, and Gunder of Thief River Falls; three sisters, Mrs. Thelma Elsdon and Miss Annie Senum both of San Francisco, and Mrs. Sam. Groven of Thief River Falls; also one grandson. His parents, three brothers, and two sisters preceded him in death.

Edith Linea Carlson, Daughter of Frank Carlson, Died Mar. 13

Miss Edith Linea Carlson, 24 years of age, daughter of Frank Carlson of this city and the late Mrs. Carlson, died at Faribault Wednesday, March 13.

Funeral services were held Saturday afternoon from the Larson Funeral chapel in this city, Rev. Chas. W. Erickson officiating, and interment was in Greenwood cemetery.

Miss Carlson was born December 29, 1915, in Thief River Falls, where she had lived all her life. She is survived by her father, a brother Ted, both of this city, and a sister, Mrs. Donald Beales of St. Paul. Her mother died February 26th.

Turkey Raisers Invited to Free Health Clinic and Educational Event

Turkey raisers in this community are invited to attend the educational program and free health clinic to be held from 10:30 a. m. to 5:00 p. m. on Thursday, March 28, at the Sons of Norway Hall.

Dr. Salsburg dealers from this territory will also attend. Those turkey raisers having disease problems in their flocks are invited to bring specimens for free, post-mortem examination and diagnosis.

Professor O. J. Weisner, widely known poultry authority, for 12 years extension specialist with the South Dakota State College, and Dr. H. M. Lightbody, graduate doctor of veterinary medicine of the Iowa State College, will preside over the meeting and endeavor to help turkey men meet the problem of effective disease control.

Local Men Return from Session of Rivers and Harbors Meet at Capital

A session of the National Rivers and Harbors Congress held in Washington, D. C., last week, was attended by three representatives of this community, Paul A. Lundgren appearing in behalf of the Red Lake River Development Association and Senator E. L. Tungseth and Representative J. O. Melby of Oklee representing the Red Lake River Flood Control Association. Because the report on the survey recently made on proposed projects along the Red Lake River and its tributaries had not been completed, the status of these projects remains unchanged. The report probably will not be made public until October.

Local Order of DeMolay Will Mark Anniversary

C. C. GROUP SEEKS EARLIER DRIVE ON TREE WORMS HERE

Committee Named to Confer with City Council as to Spraying

At the Civic and Commerce association luncheon last Thursday, County Agent Howard Grow called attention to the imminent arrival of spring and to the advisability of making earlier arrangements this year for the spraying of trees in the city to combat the expected invasion of worms that destroy the leaves. Named on a committee to confer with the city council were Mr. Grow, Dr. O. F. Mellby and Alf Berry.

Roy Oen announced that arrangements had been completed for the appearance of Bernard Bierman, University of Minnesota football coach, at a dinner meeting sponsored by the association for next Monday evening, to be followed by the showing of Gopher football pictures in the Lincoln high school auditorium.

After a brief discussion of the possibility of obtaining local distribution of federal surplus commodity stamps, the matter was referred to the merchants committee for investigation.

Official Paper of Pennington County and City of Thief River Falls

We will not enter into the argument as to whether this is the first or the second day of spring. All that concerns us is that according to the calendar spring is now here. It may take a little time for the weather to adjust itself to this fact but after the fine treatment we have received during the winter months we certainly are not going to complain now if the weather does continue to be a little unseasonable for a few weeks.

If you want returns on the Thief River Falls-Bemidji basketball game tonight phone 16—that's us. The prospects are not too encouraging. The Prowlers are the underdogs. One advantage of having poor prospects is that if you lose you are not terribly dissapointed and if you win, the victory gives you a real thrill. We hope we will be able to thrill you tonight when we give you the final returns. Incidentally, if the Prowlers do win tonight it will mean four times straight in the state tournament for Thief River Falls. That probably would establish a new record.

Another "tempest in a teapot" has resulted from remarks made by the American minister to Canada concerning our country's neutrality. Evidently the things he said, and the manner in which he said them, were undiplomatic. A diplomat should be, above all things, diplomatic.

ONE PERFECT MAN

(Fergus Falls Journal)

Frank Kent, well known columnist suggests that the Democrats could and probably would deprive the Republicans of all their best issues for the coming campaign if it were not for one man—Roosevelt. Mr. Kent goes on to say that the revelation of the Smith Congressional Committee show that the National Labor Board is unfair, unjust and onesided and the Democrats as well as the Republicans in congress would like to amend the law but Roosevelt says no. Mr. Kent continues:

"The attitude of Mr. Roosevelt in this as in other matters, is that new deal laws and new deal boards must not be changed except as suggested by himself. Disclosures that the acts are faulty and the administrative agencies inefficient and biased are taken as personal reflections upon him and any effort to amend or change is resisted. Those who propose such things are regarded as either ignorant or unworthily inspired, or both.

"The idea with which the President seems imbued is that to agree to amend or change any new deal law or board either means admitting a mistake or retreating from a policy. Both are abhorrent to his nature. In seven years he has not been able to bring himself to admit a single error, however glaring, or abandon one policy no matter how completely flopped."

Mr. Roosevelt said at the opening of his administration that if he made any mistakes, he would be the first to admit them.

That was seven years ago and he has never admitted one yet.

Among recent finds of the archeologists have been prehistoric skeletons with the backs broken. There were taxpayers in those days also.—San Francisco Chronicle.

When you are so devoted to doing what is right that you press straight on to that and disregard what men are saying about you, there is the triumph of moral courage.—Phillips Brooks.

WHAT IS COMMUNISM?

(Dr. V. O. Watts in Northfield News)

Many well-meaning persons say, "Communism may not be practical but it is a noble ideal."

We might also say, "Communism is practical but it is a false ideal."

For "communism" has several meanings.

It may mean, for example, that one voluntarily works for the common good and asks for himself only what he needs for maintaining his efficiency as a worker.

This ideal has been set forth by great moral teachers. It is a way of life which has always been more or less followed by good men and women. It is the general rule among happy families. It is seen in the practices of hospitality and philanthropy. *It is the way of business in so far as men devote their lives and their fortunes to productive enterprise and public service rather than to self-indulgence.*

Moreover, such communism may be as freely practiced in the United States as anywhere in the world. What other nation has seen more devoted parents, more private philanthropy, more public-spirited leadership, more loyal workers, or more abstemious businessmen?

Communism as a form of social organization may also be practiced in the United States as long as it remains voluntary. In fact the American people have been especially generous toward communistic societies, like those of the Shakers and Amana, and scores or hundreds of such experiments have resulted. It has been stipulated only that the members shall at all times be free to withdraw from such enterprises—as they are from a capitalistic enterprise.

But such voluntary communism is not the communism of Karl Marx, Lenin, Trotsky, Stalin or Earl Browder. Marxian Communism is a coercive political program. It proposes to force men to practice communism by means of the policeman's club and the soldier's bayonet. It begins by stealing property and ends by enslaving the minds and bodies of all the people.

Now this coercive communism is "practical" in the sense that it can be put into effect, either by degrees or all at once. It is not, however, a praiseworthy ideal, since it can only result in degenerate institutions and a degenerate people.

For, no matter how lofty the initial aims, moral degeneration always goes along with attempts to rule our fellowmen by whips, clubs or machine guns.

THE SEX CRIME LAW

(St. Paul Dispatch)

The unanimous decision of the United States supreme court upholding the constitutionality of the Minnesota psychopathic personality law leads the way for other states to adopt legislation for the better control of this unfortunate but dangerous type of individual. Much credit for this noteworthy legislation is due St. Paul's city and county authorities and the committee to which Governor Stassen entrusted the job of preparing an act that would help safeguard society and protect these people from themselves without taking from them any of their constitutional rights. The act provides that sex criminals are to be regarded as psychopathic personalities and treated after the manner of insane persons. A long list of case histories in local court records showed the need of the legislation. Sex criminals after serving brief sentences were turned back upon society with no special safeguards either for themselves or possible victims. The law contemplates the segregation of these individuals as long as is necessary and also provides for such treatment as psychiatrists may prescribe. It regards the problem of the sex criminal as one for consideration by the best medical authorities rather than one of punishment for a willful crime. The Minnesota legislature is entitled to congratulations on this decision. It has successfully started the pioneering in a field of social contact that has been too long neglected.

As showing that there are always frontiers for industrial and other development in this country, Bruce Barton, New York congressman, says that over one-half the people who visited the New York world's fair last summer make their living in industries that were largely unknown to the people who visited the Chicago world's fair in 1893. Those who think that frontiers are a matter of prairies, mountains and forests evidently are short on imagination—and chemistry. The next fifty years are likely to witness even more surprising developments in job creating activities than the past fifty years. The surface has hardly been scratched as yet in the field of air travel, air-conditioning, refrigeration, food processing, silk substitutes, electrical machinery and appliances, road making, streamlined trains, radio and housing to meet low cost needs. If we ever get out of this depression, there are not men and women enough in America to do the work that will have to be done.—Long Prairie Leader.

To Discuss Farm Water Systems Here March 28

Norton C. Ives, extension agricultural engineer from University Farm, will discuss farm water systems at a meeting in Thief River Falls, on Thursday, March 28, announces Howard E. Grow, county agent. The farm women of the county have asked that this topic be discussed because many of them carry more than a barrel of water every day. This is a big chore and if it can be lightened it will make life much easier. All of the details have not been completed, but every farm woman will receive information about the meeting before that time.

The City Council of the City of Thief River Falls, Minnesota, met in regular session in the Council Chambers in the Auditorium and Municipal Building on March 12, 1940; the meeting was called to order at eight o'clock P. M. with all members present excepting Alderman Sande.

Monthly reports of the City Clerk, Municipal Judge, Manager of Sports Arena, Dairy Inspector, quarterly report of Fire Department and yearly report of Secretary of Fire Department Relief Association were presented, accepted and ordered filed.

A communication from the Park Board regarding adjustment of salary of one of Park employees by reason of a part of his salary being paid by the National Youth Administration was presented and read. Alderman Myhrum introduced a resolution decreasing the city's share of such salary beginning with the month of March and moved adoption of the resolution. The motion was seconded by Alderman Salveson and the resolution was on roll call passed and adopted.

E. J. Barzen of Math Barzen Company appeared before the Council with regard to the possibility of repairing their brick and tile seed plant building recently damaged by fire and the matter was referred to a committee of the Council for investigation.

Application for building permit was presented by A. C. John, business building to be erected on the West 30 feet of Lots 1 & 2, Block 36, of the original townsite, estimated cost $4,[illegible]. Motion was made by Alderman Salveson that the same be approved and granted which motion was seconded by Alderman Myhrum and adopted.

Applications for license renewals were presented as follows: H. J. Olsen, taxi, operating 1 Chevrolet sedan and O. H. Nelson, refreshment, 115 5th St. West. Motion was made by Alderman Baker that issuance of license be approved. The motion was seconded by Alderman Kinghorn and unanimously adopted.

Permission was requested by Elmer C. Johnson to use certain streets of the city for the moving of two buildings thru the city, moving the same in on Highway No. 59, along Johnson Street to Atlantic Avenue, thence north to Eighth Street, west to Main Avenue and thence north on Highway 32. Motion was made by Alderman Kinghorn that such permit be granted subject to the filing by the applicant of a public liability bond in the amount of $[illegible] acceptable to the City Attorney. The motion was seconded by Alderman Baker and adopted.

A letter from the Fire Underwriter's Inspection Bureau, dated Feb. 27, 1940 was presented and read, the same being in response to a request by the Council for recommendation of that Bureau with the regard to the probable purchase of additional fire fighting equipment and its effect on the present insurance rates. The recommendations as outlined were discussed and laid over for further consideration.

Application for a reduction in assessed value of personal property was presented by Merle Lindberg, 1011 Arnold Ave. No. and application for abatement of accumulated taxes against Lot 7, Block 8, Oakland Addition, by Carl M. Rolland. The same were on motion referred to the Tax Committee.

W. P. A. Project proposal for improvement of streets, curb and gutter construction, grading, oiling of streets, installing manholes, catch basins, street light and wiring, removal of old trees and planting new, was presented. Sponsor's Funds $[illegible] and Federal Funds $[illegible]. Motion was made by Alderman Myhrum that the proper officers of the city be instructed and authorized to execute the same on behalf of the city for presentation to the Public Works Administration.

Alderman Kinghorn moved that the proper officers of the city be authorized and instructed to execute and present to the Works Progress Administration a proposal for federal funds to aid in the remodeling of buildings and homes within the city and other routine under the supervision of the City Assessor in connection with assessment of property for the year 1940. The motion was seconded by Alderman Myhrum and adopted.

Bond of Thief River Falls Times, Inc. in the amount of $[illegible] as official paper of the city, with National Surety Corporation as surety was presented and being approved as to form and execution by the City Attorney it was moved, seconded and carried that the same be accepted and filed.

[illegible]

Alderman Kinghorn moved that the proposed ordinance repealing Ordinance No. 197, an ordinance regulating and licensing the business of barbering in the city, be given its third and final reading. The motion was carried whereupon the proposed ordinance was read and adopted by unanimous vote.

Alderman Baker introduced a resolution providing for the issuance of a warrant to the Clerk of District Court in the amount of $[illegible] for purchase of certain lots in Porter's Addition Park Improvement Project and moved adoption of the resolution. The motion was seconded by Alderman Kinghorn and adopted.

Alderman Salveson introduced a resolution providing for payment of current bills against the city and moved its adoption. The motion was seconded by Alderman Baker and adopted.

On motion made and carried the meeting was declared adjourned to Tuesday, March 26th at eight o'clock P. M.

EMIL GREHSTEIN,
President of the Council.

In the midst of pleasure we are blue,
A smile on our faces and a heart-ache
Always thinking sister dear of you.
A loving daughter, true and kind,
What a beautiful memory she left behind,
Upright and beautiful in all her ways,
Wonderful character to the end of her days.

Sadly missed by her parents and sisters, Mr. and Mrs. Joseph Vakoch and family. 12c

Prowlers Win District Title 4th Year in Row

Pounding the Pirates and the Ponies into the floor with high-scoring second-half basketball, the Prowlers, with scores of 47 to 20, over Crookston in the semi-finals Thursday night, and 46 to 19, over Warren in the finals Friday, retained the 31st district basketball championship in the tournament conducted here last week. A stubborn Crookston team out-fought an East Grand Forks squad to win a 20 to 19 victory for third place, in a game played as a preliminary to the championship game Friday night before a crowd of 2000 fans that packed the spacious Lincoln gym.

Pacing the Prowlers to their fourth straight district title were the veterans Wayne Bredeson and Bob Kielty. In the semi-final against Crookston, Wayne collected 19 points, on 8 field goals and 3 free throws, while Bob was credited with 8 points, all on field goals. In the finals Bob was high point man, with 13 points, followed by Wayne with 11 points. Eddie Flasch, the Prowlers diminutive right forward, was hampered by a bruised leg, but in spite of the injury Eddie broke through the Pirate and the Pony defenses to garner 16 points in the two games.

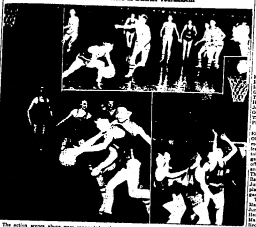
Action Shots of Prowlers in District Tournament



The action scenes above were snapped by the Times photographer at the District 31 basketball tournament in the Lincoln high school gymnasium late last week. In the view at top, Ed. Flasch, speedy Prowler forward, is shown working the ball past Adler Strandquist, Warren center, and at left he is catching the ball in a lively tussle. At lower right Silas Kompelien, No. 10, is sinking a shot in the basket, while Flasch watches intently.

SPORTS Tid-Bits

By Huck Olson

Without any 'backing and filling', and without any weasel words, the Prowlers, tonight, will beat the Bemidji Lumberjacks, 36 to 31. Buck Robbins claims that this year's Bemidji team is the best that he has had since 1936, since his state champions of 1936. But in spite of Buck's contentions, and maybe the Lumberjacks are that good, the Prowlers should paste a defeat on them this evening.

Gil Mickelson was elected captain of next year's Ohio State basketball team. And about Gil, it is rumored that a Ohio State coed is teaching him a southern accent. Will have to ask him when he comes home if it is true what they say about Dixie.

Louie Benson, attending Gustavus Adolphus college, is here to spend his Easter vacation. Louie just completed the season's competition with the Gusty swimming team, and won first place in the diving event in the state meet held last Saturday. And now he is out for baseball, and on the varsity squad, labeled as one of Bump Gabrielson's pitchers. While Louie has the stuff to be a successful college pitcher, he would rather play the outfield, or catch, so that he would be in the line-up regularly. He doesn't care so much for this once in every three game stuff, that college pitchers usually have as their routine.

I've been having the 'heat' puffed at me because of the selection that sent Plummer's Maurice Page into an all-district guard position instead of Owen Albertson of Crookston. Frankly, there wasn't much to choose between the two. Albertson was perhaps the more polished player, and over a season's play he would probably prove to be the more valuable; but these selections were based solely on performances during the tournament. Those fans who witnessed the Plummer vs. Climax game will not soon forget those long shots that Page popped into the basket during Plummer's 4th quarter rally. And against the Prowlers the next night he pumped a couple of long distance shots into the net.

Of the four district semi-finalists, Warren appears to have the best prospects for next year, losing only Adler Strandquist, their center, and Warren Sandberg, their reserve center, from their ten-man tournament squad. Crookston and East Grand Forks lose five men each, while the Prowlers have seven of their 'first ten' who finish high school basketball this year. Wayne Bredeson, Bob Kielty, Len Furuseth, Loren Jung, Bill Claffy, Si Kompelien, and Allen Conner, are the Seniors on the Prowler squad.

Whenever the high school 'pep' program is in need of talent they should call on Bones Stadum, Roy Lee, LaRue Andy Anderson, and Nicky Carlson. These boys can sing, and dance, and play games, and as a quartette they would make any pep-fest a success. And, of course, the boys are capable public speakers, with Andy perhaps being the most effective, having a sad and tragic tone in his voice.

Clarence Offerdahl, of the Hartz team, is all set for the diamond-ball season. He has Allen Ness to pitch shut-out ball, and Carlo Columbo to hit the home-runs. He's going to enjoy this season very much—or so he thinks.

WOMAN'S CAMP TO OPEN AT CROOKSTON JUNE 17

The fifteenth annual women's camp will be held at the Northwest School of Agriculture at Crookston, June 17-20 according to the announcement of the camp issued by Registrar J. W. Milnar. Specialists in the fields of Home Economics and handicraft are being booked now for this camp for farm and urban women which annually attracts an attendance of 150 campers.

EASTER SCHOOL VACATION STARTS THIS AFTERNOON

Easter vacation in the public schools of the city will start following the afternoon session today and will continue until Monday morning, April 1, Supt. Morris Bye announced today.

MINNESOTA HISTORICAL SOCIETY

200 ASSEMBLE AT RED LAKE CO. CO-OP ELECTRIC SESSION

Stephen Singer, Goodridge, Reelected Secretary-Treasurer

The Red Lake County Electric Co-operative association held its annual meeting in Red Lake Falls last Wednesday afternoon with 200 farmer stockholders in attendance, with a large delegation from Pennington county as well as from Red Lake county, says the Red Lake Falls Gazette.

The nominating committee had previously named 16 candidates for the eight positions of directors. Eight of the 16 were members of the old board and with one exception these were returned to office.

When the votes were counted the following were declared elected: Carl Swanson, 131 votes; Jos. Ste Marie, 117; E. E. Hill, 110; Stephen Singer, 102; Jos. F. Skala, 102; George Remick, 95; S. E. Hunt, of Thief River Falls, 79; and Wilfred Brunelle, 73. Of these Singer and Hunt live in Pennington county, and Swanson, the living just over the line in Red Lake county is accredited to the Pennington county branch of the set-up.

Others receiving votes were as follows: C. W. Beyer, 70; Matt Gerardy, 65; Mons Engelstad, 61; Helmer Flatad, 49; Victor Medchill 56; John Newland, 48; Thos. Hart, 55 and Palmer Wold, 32.

The directors met after the stockholders' meeting and re-elected the following officers: President, E. E. Hill; vice president, Carl Swanson; secretary-treasurer, Stephen Singer.

The principal speaker at the stockholders' meeting was Andrew Freeman, project superintendent of the REA at Grand Forks, who gave a lengthy dissertation on the history, problems and future of rural electrification in the Grand Forks area to which this Red Lake project now belongs by virtue of arrangements for power with the Nodak Rural Co-operative which is to build a power plant at Grand Forks.

C. B. Moore, engineer with Ellerbe & Co., St. Paul, project engineers spoke on various phases of the project.

RITES HELD FOR BROTHER OF CLARENCE REINSCHMIDT

Six brothers were pallbearers when funeral services were held Saturday at three p. m. at the Stenshoel Funeral chapel in Crookston for Jacob Fredrick Reinschmidt, who died on Wednesday evening at his home near Gonvick. The rites were conducted by the Rev. E. A. Schuett. The pallbearers were Clarence Reinschmidt of Thief River Falls, Frank, Ott, Ed, August and Oscar Reinschmidt, all of Crookston.

CARLIE JOHNSON FIRST TO REPORT ARRIVAL OF CROW

Carlie Johnson is the first to report to the Times the arrival of the first crows of the season. He states he saw two of the birds last Friday, and adds that he saw a gopher the same day.

HIGH COURT RULES OUT SUIT TO TEST JOB RISK STATUTE

Employers of Less Than Eight in Small Towns Will Remain Exempt

The Minnesota supreme court, in a unanimous decision handed down last Friday, reversed a district court decision and ordered dismissal of a suit questioning the constitutionality of a provision of the 1939 law that exempts employers with less than eight employees and doing business in the smaller towns, from the payment of contributions to the state's unemployment compensation fund. The effect of the decision is to establish the exemption in the status it had before the suit was started.

The case was started when an employee of an ice company in Red Wing asked that the "10,000 population" exemption be declared unconstitutional. The district court upheld that contention, but the high court held the case had been improperly brought, because the plaintiff was not unemployed, had no claim for benefits and therefore, was not entitled to institute the action in the first place. The court followed a well established rule that it cannot give advisory opinions in anticipation of an event that may happen in the future.

The exemption, effective Jan. 1, 1940, applies to an estimated 16,000 small employers doing business in all cities, towns, villages and boroughs in the state except Austin, Albert Lea, Brainerd, Duluth, Faribault, Hibbing, Mankato, Minneapolis, Rochester, So. St. Paul, St. Paul, St. Cloud, Virginia and Winona. The small employers listed in the towns above are not exempt under the "10,000 population" exemption.

Patrol Assists 2548 Motorists; Jails 415

The Minnesota highway patrol gave aid to 2,548 motorists during February, of which 906 required help with minor adjustments or repairs to their cars and 202 had to be pulled out of ditches.

During the same month, Chief Elden Rowe reported to Highway Commissioner M. J. Hoffmann, patrolmen made 415 arrests for traffic law violations and issued written warnings to 1,603 motorists who had committed minor infractions, a repetition of which will result in arrest.

Of those arrested, 20 were for driving while drunk, 58 for careless driving, 73 for going through a stop sign, 20 for improper passing, and 74 for excessive speed. Another 57 motorists were arrested for driving with dangerously improper equipment, such as faulty lights and brakes, and 858 "must repair" tags for illegal equipment were issued.

SLOWLY RECOVERING

Jean Smith, 11-year-old Minneapolis girl shown in her hospital bed, is slowly recovering from the coma into which she fell after a tobogganing accident February 8. Two weeks ago she was able to take food by herself, then she began to whisper, and now she can say some words aloud, although she cannot yet form complete sentences. She received a brain injury when the toboggan on which she was riding hit a tree.

Dale Carnegie, Widely Known Speaker, to Talk at Grand Forks Mar. 27

Dale Carnegie, traveler, writer, radio commentator, columnist and founder of Carnegie Institute will lecture in Grand Forks on Wednesday, March 27. He will give two lectures during his visit—one at 4 P. M. on the University Campus for students only and one at 8 p. m. in the High School Auditorium.

Tickets for the evening lecture will be seventy-five cents plus tax if purchased before the night of the lecture. The price of admission at the box office will be one dollar plus tax. A minimum number of seats in the last few rows of the main floor and balcony will be sold as rush seats at fifty cents plus tax if purchased in advance and at seventy-five cents plus tax at the box office. Mail orders should be addressed to Bob Charlesworth, P. O. Box 567, Grand Forks, N. D.

Apparently the fact that Carnegie's book "How to Win Friends and Influence People" is over three years old makes no difference in his popularity as a lecturer for on his fall tour committee chairmen in all but five of the cities visited reported the largest paid attendance in the history of the city.

Brome Grass Fine for Pasture and Hay Crop, Says "U" Farm Expert

Brome grass has moved up into the first-class ranks both as pasture and as a hay crop, says H. K. Schultz, agronomist at University Farm, St. Paul. In its favor he lists drouth resistance, winter hardiness, and the fact that it is a long-lived perennial with creeping underground root stocks. This last advantage makes the crop soil binding and resistant to tramping by animals.

Highly nutritious and palatable, Brome grass makes one of the earliest pastures in the spring, ready one or two weeks before timothy, and will carry out in the fall as well as any other grass. Being a tall plant, it works in well with alfalfa for hay.

Seed Brome 15 to 20 pounds to the acre. Because of the lightness of the seed, it should not be seeded with other small grasses, but if sown separately will mix well with any combination of legumes or grasses, emphasizes Schultz.

HOLT

Mrs. Fred Peterson, Miss Fern Peterson and Mrs. Eddy Henning visited at the Clarence Doran home at Gatzke on Saturday. Mrs. Fred Peterson and Mrs. Doran are sisters.

Elling Waagdahl spent Sunday at Viking at the T. R. Davis home visiting with his daughter Betty Elaine Waagdahl.

The Melvin Bottom home was the scene of a birthday party for Corrine and Culver Bottom on Tuesday afternoon. Miss Corrine was two years old that day and Culver was four on Friday. An enjoyable time was had by all after which Mrs. Bottom served a sumptuous lunch. The honor guests received many lovely gifts in memory of the occasion.

Mrs. Clarence Doran and Patricia of Grygla spent Sunday here at the home of her parents, Mr. and Mrs. C. O. Sanstued and with other relatives.

Little Mitzi Hall had the misfortune of falling backwards down the stairs at her home on Sunday. She was taken to a doctor in Thief River Falls but luckily no bones were broken only a severe bruise on the shoulder and head. Mitzi will do down again this week for a checkup.

Born to Mr. and Mrs. Delmar Hagen of Gatzke on March 7th, a boy. Mrs. Hagen was formerly Eunice Johnson of Holt.

Mr. and Mrs. Lewis Alby and family spent Saturday at Thief River Falls. Little Miss Darlene stayed for a visit with her grandparents, Mr. and Mrs. O. A. Thompson.

Mr. and Mrs. John Bakke of Newfolden spent Sunday at the John Hall home. Miss Gladys Bakke remained for a weeks visit.

Miss Sylvia Hannonerness was given a birthday party at the Russel Tagert home Saturday evening. She was fifteen years old. A good time was had by all present.

The following were entertained at a whist party at the Russell Nelson home on Saturday evening, Mr. and Mrs. Ronald Schulthrop and Mr. and Mrs. Salo of Thief River Falls and Mr. and Mrs. Clarence Hall. Mrs. Nelson served a delicious lunch at the close of the evening.

Mr. and Mrs. H. Hanson had the misfortune of losing their farm home early Monday morning when it burned to the ground. With the help of the neighbors most of the furniture was saved. They are now staying with the Alby's.

Mr. and Mrs. Emil Salo of Thief River Falls and Mr. and Mrs. Russell Nelson and family visited at the O. B. Hall home Saturday afternoon.

Miss Thelma Brattell Weds

Miss Thelma Brattell was married to Frances Spokley from Nielsville last Saturday March 16 at 3 o'clock. Rev. Moen of Crookston performed the ceremony at the parsonage in Crookston.

Witnesses were Miss Juni Brattell, sister of the bride and Alfred Hanson of Nielsville.

The bride wore a gown of light blue silk with navy blue accessories. The bridesmaid was attired in a rose gown with [illegible] accessories.

Also present at the wedding were Miss Betty Brattell and Mr. Bert Gampt of Grand Fork.

Mr. and Mrs. Francis Spokley are visiting at the [illegible] Brattell home until this week Wednesday when they will go to Nielsville to their home there on a farm. Friends join in wishing Mr. and Mrs. Francis Spokley the best that life affords for their future.

Miscellaneous Shower

Misses Margaret Lokvold and Dora Johnson were hostesses at a shower given at the Ole Brattell home in honor of Mr. and Mrs. Francis Spokley of Nielsville. Everyone brought lunch and the honored guests received many beautiful gifts for their home.

Silver Wedding Observed

The silver wedding of Mr. and Mrs. Thor Myrom was celebrated last Sunday at their home. Host and Hostess were Mrs. K. O. Eklum and Mr. Bjorgo Homme. The following program was given: devotions and a short talk by Rev. Anderson; a song, "Silver Threads Among the Gold" by Marion and Blanche Howland and Darlene Ness, a Norwegian poem to the bride and groom by Ole Undal; presentation of the beautiful set of silver and a sum of money from friends and neighbors.

Land O'Lakes Meeting

Mr. and Mrs. [illegible] Magnuson [illegible] Magnuson [illegible] delegate from Grygla Creamery, [illegible] of Fourtown creamery [illegible] Mathews, delegate [illegible] creamery all went [illegible] the annual Convention of the Land O'Lakes Creameries, held on March 13, 14 and 15.

Mr. Sandberg and Mr. Magnuson [illegible] traveling bag [illegible] at the meeting for [illegible] There were only about [illegible] out in the whole state.

John Brandt [illegible] opened on the meeting [illegible] Wednesday with an address [illegible].

[illegible] by the [illegible] Hutchinson. He [illegible] the large creamery [illegible] and the person [illegible] between the operator [illegible] Wm. J. Murphy, Dairy Commissioner of North Dakota [illegible] the creameries [illegible] He said that most [illegible] for about four or twelve years [illegible] affiliated with the Land O'Lakes. J. J. Dies, Deputy Commissioner, Department of Agriculture, Dairy and Food spoke on the "Marketing of Farm products." He [illegible] advance in quality of farm products and the per capita consumption. Carl F. Bergquist [illegible] of the Creamery Operator and Manager. [illegible] reviewed the [illegible] of buying cream. He [illegible] that the cash price [illegible] equal the [illegible] settlement [illegible] Ralph S. Hoadley, Food Stamp Community Commission, spoke on a method of eliminating surplus. People on direct relief, W.P.A. etc. would be given stamps with which they could buy any commodity declared to be in surplus. When the surplus goes down to normal level then the commodity would be removed from the list of surplus and thereafter could not be bought with stamps.

On Thursday Dean W. C. Coffey of the University of Minnesota made an address in which he stressed the value of education from surroundings and environment. He showed how college work could be very useful on a farm. Governor Harold E. Stassen was to speak but was unable to come. Edgar A. Guest, "Poet and Philosopher" talked very interestingly for close to an hour. His philosophy is of a nature that is extremely fascinating. He is to become a part of the Land O'Lakes program on WCCO at 10:15 p. m. after April first. The crowd was then shown movies that were taken by Anton Chivel, a research man for the Twin City Milk Producers Association. They showed colored moving pictures of Agricultural Activities in Scandinavian Countries, Germany and France.

Next was a talk by Chief Dragswolf, head of Gros Ventre tribe on Berthold Reservation, and interpreter. Chief Dragswolf is 77 years old and he said that at the picnic that the Land O'Lakes had at Van Hook, he noticed how really a great leader or chief John Brandt was and so he wanted to bestow upon him the name of Yellow Buffalo. He explained how Yellow Buffalo was the name of a very great leader about 150 years ago and that he hesitated about bestowing this name on anyone until he came in contact with John Brandt. Chief Dragswolf was dressed in a buckskin suit, had long braided hair and was in full regalia. When giving John Brandt the name of Yellow Buffalo they put on their Tribal Ceremony and Mr. Brandt wound up with feathers and all.

Some of the outstanding entertainment numbers included The Four Marinas aged about from 8 to 10. They played and sang and were called upon again and again. Patsy Benton, about five, sang and tap danced. She sang, "Oh, Johnny, Oh", especially to John Brandt. Mrs. Thuler led the community singing, often and capably.

The election of officers resulted in nearly all of the old directors being re-elected.

Children Good Help

Thanks to the school children's good work and the cooperation of the community the Parent-Teachers Association received a new [illegible] through an increased attendance and a different type of program. President Mrs. Doran began the evening with an opening song by all. Secretary C. Lillevold read the minutes of the last meeting and the minutes of the last Executive board meeting. Treasurer Mrs. H. Bush read the treasurer's report. Mr. Doran reported that the buying committee that purchased four clamps or fasteners for the swings, a number of children's magazines, a number of new balls, etc.

The delegate to the Crookston school of instruction next gave brief summaries of various topics taken up at the school. Mr. Doran [illegible] with a few words on the trip and then told of the objectives of the parent-Teachers. A song [illegible] Mrs. F. Brown then took up the discussion of by-laws, Mrs. C. Lunde told about the National Parent Teachers Association and what their purpose was and the advantages of belonging to the National. Mrs. Armstrong spoke on the duties of officers and committees, conducting a meeting and displayed and told about the Manual, the last information and guide book for a parents-Teachers organization to follow. Mrs. E. Hyland spoke on many, many types of educational programs for Parent-Teacher meetings. The manual has seventy-one different types of suggestions outlined and also tells where the material is available.

A few questions reviewing the important points finished up this part of the work.

The tickets of the lower and upper rooms were counted and it was found that Mrs. Lillevolds, lower grades, room won the picture. The Parent Teachers purchased "The Gleaners" by Jean Francois Millet and is giving that to the room that gets the largest number of people to attend the P. T. A. meeting for one month. The race will be on again next month and then perhaps Mr. Dorans room can win it for a month.

A short entertainment program was given as follows: Carl Sundberg played several numbers on his accordion. Songs by Miss Edna Hesse accompanied by Miss Ruth Walle, monologue, "Dippy Dial's Difficulties" by George Holbrook and piano solo by Miss Ruth Walle.

Two relays, passing a match box on your nose and "In and out the elastic" finished the evenings program. Captains for the relay were Mr. Doran and O. Flodeland. The latter's side won both races, and were rewarded with a match and some elastic bands each. Lunch was served by Miss C. Lillevold, Mrs. C. Lunde, Mrs. Alfred Swanberg and Mrs. John Stewart.

One of the farms sold in competition with the resettlement farms situated north of Grygla was bought by Henning Nygaard from Dr. J. E. McCoy for $1500 on long time payment.

Miss Jeanette Blaine spent the first part of her Easter vacation visiting with Delores Dahl.

Both rooms at the school enjoyed an Easter party given by their teachers. The time was spent playing games and eating Easter eggs.

The school board met last Friday after school with the teachers. Both teachers were rehired at a $15 per year raise in salary and the janitor's work done by Mr. Doran was also raised $15 for the year.

The executive board of the Parent Teachers Association and the program committee for the coming P. T. A. meeting met and decided not to give a program at the Community club at Goodridge, March 29 on account of most members had too full a program ahead already. They however will gladly give a program there at some future date.

The Easter program of the Sunday school of the Grygla Lutheran Church will be given at 8:00 p. m. on Easter Sunday in connection with the Easter services. A collection will be taken for the Sunday school.

THE RECORD . . . . Facts That Concern You — No. [illegible] of a Series

"THANKS FOR A LOVELY EVENING..."

A new kind of beer retailing is bringing wholesome recreation to millions of Americans!

America's new kind of beer retailer wants to sell good beer, of course... but he is also keenly aware of his social responsibilities to the community. He *makes sure* that his place is clean and inviting—and scrupulously free of anti-social influences of any kind.

The Brewing Industry wants *all* of beer's retailers to be of this type. We do *not* want any other kind. And we are taking *action* to eliminate any abuses in beer retailing that may occur.

We have instituted a new plan... now in effect in a few states and being extended as rapidly as possible... to protect your right to drink good beer in decent surroundings. May we tell you about it... in an interesting *free* booklet? Write: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

DAIRY PRODUCTS ADVERTISING TO START NEXT FALL

State Dairymen Contributing to Fund Aggregating $100,000

Minnesota will raise $100,000 for its share in the national program to advertise dairy products. Eighty-five per cent of the plants, which handle 85 per cent of the butterfat in the state of Minnesota, have been cooperating by making a one-cent deduction on the price paid to producers on each 20 pounds of butterfat delivered to them since August 1, 1939, says County Agent Howard E. Grow.

There are a few plants yet that are not cooperating and these should be urged to do so by their patrons, says Mr. Grow. It is costing each producer only about 10 cents a cow per year, and if the advertising is successful it should return many times that amount. The success of the program would be reflected in increased consumption of all dairy products, which in turn should increase the yearly income of butterfat producers.

This money is being sent to the Minnesota Dairy Industry committee. This committee was organized and incorporated by the dairy industry in the state and is directing the work of collecting the funds for and is promoting the advertising program in Minnesota. The committee expects to have a fund of $100,000 raised by the first of September, 1940.

It will cost about $500,000 to put on a broad national advertising program. Because of this, it is necessary that other states provide their share before any of Minnesota's contributions be used for advertising. Many other states have either collected the money or are in the process of collecting as in Minnesota.

Others are laying plans to collect in their respective states. Among these states are Iowa, Wisconsin, Washington, North and South Dakota, Nebraska, Montana, California, Oregon, and Kansas. Many of these states will be collecting their funds during this spring and summer, as in Wisconsin, where the entire fund will be collected during August and paid to their committee in September. The national fund will perhaps reach the $500,000 mark in September or October this fall. At this time the national program can be started.

Sportsmen's Show Opens in Minneapolis Mar. 23

Governor Harold E. Stassen and his official family have been invited to be the honored guests on the night of March 23, when the Seventh Annual Northwest Sportsmen open a nine-day tenure in the Minneapolis Auditorium. Officials of the game and fish division of the state conservation department have also been urged to attend the official opening of the sportsmen's show. Victor Johnson, director of the state tourist bureau, has already signified his intention of attending the opening and of being present daily to assist in the important work of promoting the outdoor advantages of the state.

WHEEL CHAIR BOWLER

Clem Jaunich, 31-year-old Delano man, is an accomplished bowler, although he is paralyzed from the waist down. Deprived of the use of his legs thirteen years ago because of an operation which took six vertebrae and a tumor from his back, Jaunich decided he wasn't whipped. Today he conducts his business from his car with a portable telephone he carries with him and plugs in whenever he needs it. Among other properties, he owns the Town Club at Delano, where he bowls twice a week. He has scored 159, and will challenge any wheel chair bowler to a tournament.

Shortage of Surveyors

There is a shortage of trained land surveyors for well-paid government jobs in South Africa. The job requires four years' university training. The shortage is all the more acute because government land surveyors can not be brought in from overseas.

Electronic Microscope

An electronic microscope has been invented which, without lenses, magnifies up to 20,400 times and gives 25 times the resolving power of the best conventional lens-type microscope. If this principle were applied to a telescope, it would have a power equivalent to that of one with a 2,000-inch diameter reflecting mirror.

LOCAL NEWS

Mr. and Mrs. Harold Johnson of Grand Forks were week-end guests at the Harry Roberts home.

Miss Mamie Wase of the local faculty will spend her Easter vacation at her home in Savannah, Missouri.

Miss Marion Parbst arrived this morning from Minneapolis, where she attends Augsburg college, to visit through the Easter holidays with her parents, Mr. and Mrs. O. C. Parbst.

Dr. and Mrs. G. W. Booren are expecting their son Douglas to arrive Friday from Chicago, where he is studying at the Northern Illinois College of Optometry. He will spend the Easter recess here.

Mrs. Palmer Anderson left Saturday night for Minneapolis for a brief visit with her sister. She will return today. During her absence, her parents, Mr. and Mrs. Carlson of Smiley, have been staying at the Anderson home.

Miss Violet Solmonson arrived last Thursday morning from Minneapolis to spend four months in this city. She is visiting at the home of her brother-in-law and sister, Mr. and Mrs. Wallace Corrtensen, and with her parents, Mr. and Mrs. J. E. Solmonson.

Jarvis Pinard and Walter Ekren left Sunday night on a brief motor trip to the twin cities.

Mrs. Hazel Halgrim, local librarian, will spend the week-end in St. Paul at a conference of the Minnesota Library Association executive board and council.

After a week's visit at the home of her parents, Mr. and Mrs. C. W. Mattson, Miss Imogene Mattson will return Saturday to Verdi, where she teaches.

Mr. and Mrs. Clarence Sande and Mr. and Mrs. Howard Christie returned Saturday from the twin cities, where the men attended the annual meeting of the Land O' Lakes last week.

Mrs. Oscar M. Johnson left Tuesday night for Minneapolis to visit over Easter with her husband who is at Asbury hospital recovering from an injury suffered recently while at work.

Mrs. Howard Gibson and daughter Lois of Detroit Lakes have arrived to spend the remainder of the week with Mrs. Bertha Gibson. Howard Gibson will join his family here for Easter Sunday.

Mr. and Mrs. L. C. Gaynor and daughter Alinbell of Cheyenne, Wyoming, and Mr. and Mrs. W. E. Gaynor of Milbank, S. D., were here last Friday and Saturday visiting with their sister, Mrs. Harry L. Schuster, who is ill.

Mr. and Mrs. William Borchert and family, accompanied by Mrs. Adeline Groven of Mentor, went on Friday to Moorhead, where they attended a vocal recital given by Miss Eleanor Borchert, who was presented in recital by the Concordia college of music, where she is a student of Miss Gertrude Roe. Miss Borchert will accompany the Concordia college choir on a concert tour to cities in Iowa, Nebraska, and Wisconsin during Easter. Irvin Borchert arrived home Wednesday from Concordia college to spend Easter at the Wm. Borchert home, and another son Irving, who is teaching at Lancaster, is arriving today to spend Easter with the Borcherts.

SMILEY

The town meeting was held at the Smiley Hall Tuesday afternoon. Forty one men were present. Frank Hardisty was elected town clerk succeeding Jim Thrige. Walter Lendobeja was re-elected supervisor for the next term, and Tobias Stene as Justice of the Peace. The Road and Bridge fund was set at $600; the revenue fund at $160; and the poor fund at $100. A motion was made and carried that each farmer is to cut the weeds on road ways surrounding his own farm or farms.

Mrs. Grace Cabot (Mc Crum) and her two sons Hugh and Allen arrived Sunday evening from their home in Baker, Oregon. Mrs. Cabot made the trip by car in four days, not counting the two days she and her sons spent at Billings, Mont., with her brother Harold McCrum, and his family. The Cabots will remain at the Will McCrum home for several months before returning to Baker. The two boys are attending the Smiley school during their stay here. They are also visiting at the Jim McCrum home.

Sherwin Ranum accompanied his sister and brother-in-law, Mr. and Mrs. Gilfred Sannes of Steiner on a trip to Fergus Falls Saturday. While there they will visit a few days at the home of Mr. Sannes' sister, Mrs. Harold Lykkett and her family.

Sincerest apologies from the writer of this column to those good folks whose names were unintentionally omitted from the guest list at the Walter Lendobeja party a week ago Saturday night. They were Mr. and Mrs. Ted Lendobeja and Gerhard Hanson, all of Kratka.

Jean Nelson had perfect attendance for the past six weeks at the Smiley school, Dist. 4.

Miss Anne Vaavik of Grand Forks spent the week-end at her parental home at the Ole J. Vaivik. Miss Vaivik is employed as a telephone operator in Grand Forks.

Feeding the Family

The new extension project is a revised order of the former Nutrition project some years ago. The purpose of all agriculture extension work such as these projects is really to reach all members of farm families with information in agriculture and economics for better farming and home making and with inspirations for better living, more education, more happiness, and better citizenship. There will be two groups in Smiley. One group will be on the north side of the river and the other on the south side, with only ten to fourteen women in each group. Each group will meet at the Smiley hall with only three meetings, one each month, beginning in April. Many helpful ideas will be brought forth and splendid menus and menu planning will also be offered together with a lot of economical recipes. Mrs. Freeman Allen, township chairman, will notify members when the meetings are to be held.

Clara Olson entertained a few friends at cards at her home Saturday evening. A lovely lunch was served. The guests were: Mr. and Mrs. Carl Lindholm, Mr. and Mrs. Al Kraemer, Mr. and Mrs. Herman Eide, Mr. and Mrs. Mark Olson and Orvin Olson.

Mr. and Mrs. Freeman Allen and Bernard Loefler spent Thursday evening at the Harry Allen home in St. Hilaire where they also visited Mr. Allen's sister from New York.

Oscar Vaivik left Monday to be employed near Fergus Falls. Oscar has spent the past couple of months at the home of his folks, Mr. and Mrs. Ole Vaivik.

"Helperettes"

In spite of the snowstorm that threatened to keep all comers away Wednesday from the Carl Lindholm home, there managed to be seven members there. The group embroidered their names on woolen pieces and presented them to Mrs. Lindholm for her "Friendship" quilt. Those who were unable to be there are requested to work on their pieces at home and give them to Mrs. Lindholm at the next meeting which will be at the N. N. Olson home, Wednesday afternoon, April 10 with Clara Olson as hostess. Miss Olson has a special design for her "Friendship" quilt and will give each member a pattern with which to cut a pastel colored cotton piece for the name to be embroidered upon. A new member was admitted into the happy circle of Helperettes and she is Mrs. Al Kraemer. This makes a total membership of eleven happy-go-lucky women!

Visitors at the Freeman Allen home Sunday were Mr. and Mrs. Arnold Kornpp and daughters of Thief River Falls and Mrs. Jim McCrum.

RIVER FALLS

Mrs. G. H. Peterson Passes

One of the saddest sudden deaths in this community occurred Tuesday, March 12th, when Mrs. Gutrall Peterson passed away at her home in River Falls township. Mrs. Peterson was a patient at Thief River Falls for some time. She was taken home Tuesday and a few hours later death suddenly followed. She is survived by her husband, 3 sons, Melford and Dale at home and Joe in Iowa and one daughter, Mrs. Ray Johannsck of Red Lake county. Funeral services were conducted Saturday, March 16th by Rev. M. L. Dahle at the Norwegian Lutheran church at St. Hilaire of which she was a member. Interment was made in the cemetery east of St. Hilaire. Mr. Peterson was unable to attend the funeral due to a stroke which he received on Tuesday evening following Mrs. Peterson's death. He is paralyzed on his right side and is now bedridden. He is able to talk and is not effected by it in his mind. Mrs. Ray Johnnack also was unable to attend the funeral due to giving birth to a son at the hospital in Thief River Falls on Tuesday, March 12. Pallbearers for Mrs. Peterson were: Paul Anderson, Bernt Walseth, K. T. Dalager, Henry Borstad, William Rinkenberger and Leonard Erickson. We all wish a quick recovery for Mr. Peterson and sympathy for the Peterson family.

Leonard Yonke is being employed at the Heeman Jepson home, while the Jepson Brothers are visiting in Minneapolis.

Mrs. Otto Johnson accompanied by Norman Bergh, and Oscar Hauge of St. Hilaire and Ed Houske of Rocksbury motored to Bemidji on Sunday where they visited at the Joe Hauge home. They were accompanied home by Mrs. R. L. Hauge where she will stay with her daughter Mrs. Otto Johnson. Mrs. Hauge has been visiting at the Joe Hauge home for three weeks.

Mr. and Mrs. Ole Berglund and children of Thief River Falls were Sunday evening visitors at the August Swenson home.

Paul and Robert Jepson, Donald Johnson and Stanley Bothman returned home Tuesday after visiting at the homes of Mr. and Mrs. Melford Klingensmith and also with Miss Helen Johnson who is taking up nursing training. The Jepson boys are brothers of Mrs. Klingensmith and Donald Johnson is a brother of Miss Johnson.

Joe Soderberg and daughter Angus visited Sunday at the home of Mr. and Mrs. Gerald Stephens.

A meadow lark was reported seen and heard last week by people of this community. Crows also have been seen. One crow has been reported of being here all winter.

How can we afford to make such a value bargain offer? How can we afford to practically give away a medium-size package of Dreft?
Simple enough. We're positive that once you try Dreft and actually see for yourself how wonderful this patented new suds is for washing all your fine fabrics, you'll never again use anything else! That's why we can afford to make this special offer!
Think of it! Dreft is so different, it offers 3 advantages not even the finest soap flakes can give:
1. SUDS THAT NEVER LEAVE "SCUM" ... [illegible]
2. SUDS OF NON-ALKALINE MILDNESS... giving you complete protection against wash-fading caused by alkali!
3. RICH SUDS IN HARDEST WATER... five times more suds than any soap you ever used!
That's the best news ever for your silk stockings, fine woolens, printed silks and rayons! And don't forget—Dreft is just as grand for dishwashing, too! You'll say it's a downright miracle the way Dreft-washed glasses and dishes dry radiantly, sparkling clean—without touching a towel to them! And remember ... this means your dishwashing work is cut in half.
Act Now to Avoid Disappointment!
Sooner or later—like most smart women—you'll want to try Dreft. So why wait? Why not do it now—this money-saving way! Get a large-size package of Dreft from your dealer today—and for only one little penny more, receive a medium-size package of Dreft! Better hurry—your dealer's supply is limited! Do it today! L. O' L. CONDUCTS ANNUAL MEETING IN MINNEAPOLIS

Stuart McLeod Is Reelected Second Vice President of Co-op Group

Two new directors of Land O' Lakes Creameries, Inc., were elected Friday and 21 others were reelected at the closing session of its annual meeting in Minneapolis, at which reports showed that earnings of the co-operative in 1939 increased $711,552 compared with 1938.

New directors are J. P. Johnson, Princeton, Minn., and Allen H. Fahland, Glen Falls, Wis.

Re-elected directors include John Brandt, Land O'Lakes president, Litchfield; Frank W. White, Marshall, secretary; V. Lockwood, Motley; Stuart McLeod, Thief River Falls, second vice president; Archie J. Brovold, Teerick, Wis., first vice president; Fred W. Huntzicker, Greenwood, Wis.; Dan Danielson, Viborg, S. D., and A. J. Sandness, LaMoure, N. D.

Emil O. Johnson, treasurer, reported that net income last year amounted to $310,862, compared with a net loss of $100,698 in 1938.

John Brandt in his annual address to the delegates, urged that the government stop borrowing and do away with unnecessary expenditures, as the most effective if not the only way to solve America's pressing economic problems. Balancing the national budget, he said, is the paramount political issue of today.

Traffic Race

In congested down-town Baltimore, a race was held between a taxicab, a bicycle, a runner, a horse and wagon, a street car, a private automobile, a walker and a bus. The taxicab won, but the horse beat the street car and private automobile, while the walker came in a full minute ahead of the bus.

She will graduate this spring with better than average grades, her professors say. Her chief interest is metallography, or the study of the relations of metallic properties.

University Gifts Total $550,000 for 1938-1939 for Variety of Purposes

Gifts to the University of Minnesota, coming largely from educational foundations, have been running at a rate of $550,000.00 for the past two years, it was shown by a report from the president's office to the Board of Regents at its March meeting. While this is but a fraction of the amounts received in gifts by a small group of endowed universities, including Harvard, Yale, Columbia and Chicago, it is a precedent that is looked to by the university to provide increasing amounts in future years as increasing prosperity brings about a return of the practice of giving to education. Minnesota's best decade in the matter of gifts was the "twenties" when prosperity made almost universal the practice of giving from large incomes. During that decade the university received total gifts of $9,695,000 out of a total of all gifts from the university's establishment thru 1939 of $13,639,741.

71 Pct. of Pedestrians Hit in Traffic Guilty of Breaking State Law

When a pedestrian becomes involved in a traffic mishap he can usually blame himself for having literally walked into trouble. Such is the inescapable conclusion of experts of the state highway department, based on figures compiled by the department's accident reporting and analysis bureau.

Last year 1,613 pedestrians were involved in 1,520 traffic accidents which resulted in 172 pedestrians being killed and 1,441 injured. Large as was this toll it still is a decrease from the 1938 totals of 181 pedestrian accident deaths and 1,576 personal injuries.

"Jaywalking and other forms of traffic law violation by pedestrians", said W. F. Rosenwald, traffic engineer, "accounted for 69 deaths and 305 cases of injury. Jaywalkers alone were involved in 597 accidents, with death resulting in 45 instances. Walking on the wrong side of the road (with traffic, instead of against it) accounted for 15 accidents, two of them fatal."

Holding true in pedestrian accidents as well as in other types of traffic mishaps is one outstanding fact: the law breaker is the one most frequently involved and most often the victim. In the case of pedestrians, of the 1,520 reported accidents, law violations were indicated in 1,083 instances, or 71% accounting for 11[illegible] deaths. Accidents in which there was no violation shown on the part of the pedestrian resulted in only 48 deaths.

"While drinking drivers are killing drivers," said Mr. Rosenwald, "drinking pedestrians are in the front ranks of the suicide squad. Pedestrians who were obviously drunk were victims in 1[illegible]2 mishaps, 21 dying from injuries sustained. Others, who had "had a drink" figured in 63 accidents, with death resulting in 16 instances. Liquor was a factor in 13.3% of all pedestrian accidents and 26.7% of all fatal pedestrian accidents occurred when the victim had been drinking".

HOFFMAN DECREES HANDS-OFF POLICY ON GAS TAX ISSUE

State Road Chief Refuses to Become Embroiled in Controversy

M. J. Hoffman, state highway commissioner, has announced a complete "hands off" policy so far as the highway department is concerned, in any dispute over gasoline tax rates or other sources of trunk highway revenues.

Declaring that all such issues must be decided by the people who use the highways and pay for their improvement, Commissioner Hoffman said:

"Since assuming my present assignment in the highway department, I have consistently taken the attitude that it is not the function of the commissioner or of the department of highways to campaign for additional highway revenues.

"Under the law, the commissioner of highways is required to submit his recommendation for needed legislation to the governor of the state, who in turn forwards this report to the legislature.

"I most assuredly would not feel that I was performing my duty as a public servant were I to misrepresent, either to the public or to those fellow public servants who are charged with the responsibility for administering county road systems, the situation as it actually exists.

"The question of whether the pace of improvement of the trunk highway system should be speeded up or slowed down is a question solely to be decided by the people of Minnesota, through their duly elected representatives in the Legislature.

"The parallel question of whether trunk highway revenues, from any source, are to be increased or decreased, likewise is a question which rests entirely with the people of the state.

"As the agency of the state charged with the administration of the state highway system, the primary responsibility of the highway department is to administer and expend the funds provided by the Legislature, in such a manner as to make them accomplish the greatest possible measure of highway improvement and produce the greatest public benefit.

"However, I should most certainly feel derelict in my duty if I were to withold from the public factual information, in the possession of the department, which belongs to the public.

"I would not want to be criticised for being responsible for the public making its determination on any highway issue without its having been afforded full knowledge of the facts and the merits upon which that issue should properly be determined.

"I believe we must face the highway improvement problem openly, just as we must meet like problems concerning relief, schools and other functions of government which require large financial expenditures if we are to avail ourselves of the benefits they give in return.

"Then, whatever solution may be reached, pending later determinations of issues as they might arise, the wisdom of that solution will be more acceptable to all if we know that it has been reached by a majority of an informed citizenship, which in final analysis must pay the tolls for such improvements as the public may desire from time to time."

WYANDOTTE

Mrs. Julius Nelson was pleasantly surprised on the afternoon of March 15, when friends came to her home to help her celebrate her eighty-fifth birthday anniversary. The guests brought lunch which featured two birthday cakes, brought by Mrs. R. Rockwell and Mrs. Carl Gilbertson. Those who enjoyed the party were the honor guest, Mrs. Julius Nelson and Mrs. Nelson, her daughter Mrs. Ray Rockwell and granddaughter Marguerite, Mr. and Mrs. Alfred Helgerson and children, Mrs. Carl Gilbertson, Mrs. Frank Peterson and Mrs. J. Evenson.

Mrs. E. N. Evenson returned on Thursday from the hospital where she had been a patient since Monday.

Mr. and Mrs. Alfred Helgerson and children left on Monday for Balta, N. D., to attend the funeral of Mrs. Helgerson's mother, Mrs. T. H. Enebak who died there on Saturday of a chronic heart ailment. Hans Nyland and son Harvey of Thief River Falls are staying at the Helgerson home during their absence.

Willie Jorgenson who is employed on a farm near Rochester spent last week with his parents, Mr. and Mrs. J. C. Joorgenson. He returned Monday accompanied by his brother Earl who also will work there.

Mrs. Peder Kolseth, sons Carl and Elmer and Mary Gronka made a business trip to Little Falls last week end.

Ted Berg of Thief River Falls is at present employed at the John Ofstedal farm.

Mr. and Mrs. Selmer Tranby and two children of Bemidji spent Sunday at the Ole Tranby home.

David Haugen enjoyed a visit on Saturday evening from Mr. and Mrs. Chris Haugen and children and on Sunday afternoon from Mr. and Mrs. Harry Haugen and baby.

Easter vacation begins on Good Friday and continues until April first.

Six weeks reports have been given out. Honor seals have been awarded for attendance to Elmer Kolseth and Roy Tranby; spelling to Clarence Haugen, Kenneth Rockwell, Roy Tranby, Elmer Kolseth, Janet and Majorie Ofstedahl, Roy, Norma, Doris and Mary Jane Bruggeman. All received seals for library work, scholarship, citizenships and health habits. To date the eight pupils of the four upper grades have read and reported on a total of seventy four books. All the pupils of the lower grades have read five or more books each. Several of the pupils report having seen crows, blackbirds and robins. Mrs. Peterson brought her typewriter to school last week and the pupils all did a little amateur typing.

Last Saturday, Mrs. Peterson attended a Teachers Institute at Grygla. This institute was arranged jointly by the county superintendents of Marshall, Pennington and Beltrami county for the teachers of these three counties and was conducted by Miss Schow of the State Department of Education. Mrs. Peterson reports an exceptionally interesting and informative program.

Elofson of Thief River Falls, Mr. and Mrs. M. P. Marsten and Mr. and Mrs. Pete Lindquist and girls of Thief River Falls, and Mr. and Mrs. B. N. Thorstad, Beth, Mylis and Herbert. The evening was spent in games. Lunch was brought by the guests. Mrs. Bakke rec'd many beautiful gifts in remembrance of the day.

John Nelson of Roseau is visiting at the Tilda Nelson home.

Mr. and Mrs. Glenn Olson of Norden moved unto the Gordon Olson farm in Sanders last week.

Mrs. Alvina Anderson who formerly lived on the Gordon Olson farm moved unto a farm in Norden last week.

Mrs. John Severson, sons Lloyd and Bernie were business callers at Thief River Falls Saturday.

Elmer Wassen transacted business at Thief River Falls Saturday.

Messrs. Wm. Klappenbach and Archie Cameron were county seat callers Wednesday.

Mrs. F. M. Klein daughter Ruth, sons Rueben and Alfred and Mr. and Mrs. Forest Elofson of Thief River Falls were supper guests at the Jesse Bakke home Friday.

(Too Late for Last Week)

The members of the East Sanders club please take notice! the next meeting will be held March 29th at Daisy Dale school Dist. 194.

Mr. and Mrs. Joe Mosbeck entertained at an oyster supper Wednesday evening in honor of Miss Florence Kolden of Roseau.

Little Marie Cameron had a serious accident last week when she upset a skillet of hot lard, the contents burning her face. She received treatments each day at Thief River Falls.

Relatives of Mrs. Oscar Dahl (Amanda Yonke) received a message that her husband had passed away Feb. 14th at their home in the Hawaiian Islands.

Mrs. Harry Swenson, a former resident of Sanders is at present receiving treatment at a hospital in Minneapolis.

Mrs. Alice Stapleton of Thief River Falls visited at Daisy Dale school Thursday.

Misses Merlila, Mylis and Iva Thorstad helped Avis Mosbeck celebrate her 4th birthday Sunday.

Mr. and Mrs. Joe Mosbeck and family and Miss Elna Scholin attended the 4-H meeting at Rosewood Monday.

Daisy Dale School Notes

The honor pupils the past six weeks are Alvin Hoefer, Cleo Mosbeck and Iva Thorstad.

The two pupils winning the highest honor award scholarship for the half year was Iva Thorstad and Cleo Mosbeck.

The pupils winning in getting gold stars for being neither absent or late are Robert Dawes, Cleo Mosbeck and Vernon Wassen for the past six weeks.

Lyre Birds' Songs Beautiful

The lyre birds' songs are the most beautiful thing about them. Their color is a dingy brown and they only spread their peculiar tails when excited or during mating season. But when they decide to show off their tall tail feathers they do it in a big way. They rake up little mounds of sand on which to stand.

One way of keeping our feet on the ground

What a changed world it was for the first balloonist. He saw hills and valleys level out. He saw dark clouds serving a thrilling purpose when they reflected a gorgeous sunset. He got a new perspective.

Wise is the man who takes a broad view of today's events and keeps them always in true focus. He makes no mountain out of a rumor and sees no valley as deep as the despair of the pessimists. He is confident that he can take the hurdles as they come.

Such a man has the will to work—and the good judgment to relax when work is done. Moderate in all things, in his thoughts and in his activities, he is living—really living—with and for his family and among his friends. (He is unusual if he doesn't usually serve Budweiser.) He is, indeed, the backbone of America.

PROWLERS BO[illegible] TO BEMIDJI IN REGION FINALS

Defending Champions Lose by 25-23 Score Last Thursday Night

CONTEST WITNESSED BY CAPACITY CROWD

Roseau Defeats Twin Valley 28-26 in Consolation Contest

Relying on their long-shot offense the Lumberjacks of Bemidji high school won the 8th regional championship by defeating the defending title-holders, the Prowlers, in a blistering finals game played at Bemidji last Thursday night, by a narrow-margined 25 to 23 score.

The bitterly-fought game was played before a crowd that crammed every available space of the Bemidji Teachers College gymnasium. George Thorbrogger, Bemidji's stocky guard, opened the game's scoring with a field goal, but, on baskets by Wayne Bredeson and Bob Kielty, the Prowlers jumped into a 4 to 2 lead. Two Lumberjack free throws brought the score to a tie, and just as the period ended George Clausen dropped in a field goal to give Bemidji a 6 to 4 first quarter lead. Clausen, who has not been a high scorer during the regular season, became basket-wild in the second period, scoring three field goals and a free throw, and with Mayer's basket, bringing the Bemidji half-time total to 15 points, while the Prowlers, on Flasch's 5 points and Bredeson's free throw, had a 10 point first half total.

Opening the second half the Prowlers made their spurt, closing the Bemidji 5 point lead, and at one time trailing the Lumberjacks by a single point, 17 to 18; but here long shots by Bob Worth and Mayer pulled the Bemidji team up 22 points as the period ended. The fourth period had barely begun play when Thorbrogger popped in another long shot, to give the Lumberjacks a 7 point lead; but here the Prowlers took control of the game, driving into the Bemidji defense, sending Flasch around the guards for shots, with Jung getting a tip-in, and Furuseth a close-up shot, to cut the Bemidji margin to a bare two points as the game ended. Twice during the final minutes, the Prowlers accepted their option of taking the ball out of bounds, in the gamble for a field goal, instead of shooting for the three throws that had been awarded to them.

In an exciting consolation game, played as a preliminary to the championship game, the Roseau Cloverleafs defeated Twin Valley, by a 28 to 26 score, to win third place in the tournament.

SEEK REMOVAL OF MAGAZINE TRASH OFF NEWSSTANDS

Rev. A. I. Merth Heads Campaign in T. R. Falls Community

Endorsing the statement of J. Edgar Hoover, chief of the federal G-Men, who said, "There is no place in America for the filthy magazine. This trash must go", Rev. A. I. Merth, pastor of St. Bernard church, announced today that pastors are joining with other local agencies in a campaign to remove undesirable publications from Thief River Falls newsstands, as part of a campaign being conducted by the National Organization for Decent Literature. Reverend Merth, local director, stated that the drive is entirely non-sectarian, and he declared that there will be no suggestion of force or threat in seeking to gain the desired end.

How Big Is T. R. Falls? A Prize to You If You Make an Accurate Guess

With the 1940 census getting under way next week, there is much speculation locally as to what it will show the population of Thief River Falls to be. All are agreed that there has been a great increase over the 1930 figure of 4286, but the question is, how much? To give the good guessers an opportunity to cash in on their ability, the Times will conduct a guessing contest opening today and ending at 6 o'clock Saturday, April 6. To the person making the best guess will be awarded a cash prize of $5, which will be split in the event of a tie, while the next five closest guessers will receive a year's subscription to the Times. A blank to be filled out by contest entrants will be found elsewhere in this issue.

Testifying to the large number of followers of the University of Minnesota football team in this section of the state, approximately 900 persons assembled Monday evening in the Lincoln high school auditorium to hear a talk by Gopher Coach Bernie Bierman and to witness the showing of motion pictures of the eight games in which the Minnesota team participated last fall, Mr. Bierman supplying a running commentary on the various plays.

Preceding the high school program Coach Bierman and Freshman Coach Dallas Ward were honored guests at a dinner meeting of the Civic and Commerce association in the Pine Cave of the Palm Garden cafe. Other guests were members of the high school football and basketball teams, who were introduced by W. G. Claffy, faculty manager of athletics.

Frank A. Rinkel, president of the civic group, who presided, called on Roy Oen, former Gopher captain, to introduce Bierman and Ward after several vocal solos by Walter Ekeren, accompanied by H. F. Harrison. Bierman spoke briefly, citing the educational value of participating in athletics and saying that the same elements of success are needed as in other lines of endeavor.

Preceding the showing of the pictures, which attracted delegations from a number of northwest communities, Dallas Ward spoke briefly, praising the Lincoln basketball team for its achievements, as well as lauding the facilities for physical education provided by the local school system.

Coach Bierman, in his talk, accounted for the popularity of the sport of football by saying that it stresses teamwork and combines elements of all other types of athletic games. Participation in the sport, he stated, overcomes a tendency on the part of the players to become either too cocky or too easily discouraged. In closing he briefly reviewed the record of recent Gopher football teams, adding that, following the withdrawal of the University of Chicago from the Big Ten conference, there is even competition among the remaining nine teams. There are no setups on the Gopher schedule for the next three years, he said in conclusion.

CIVIC GROUP ACTS ON SEVERAL ITEMS AT LAST MEETING

Votes Support for Pennington County Booth at State Fair

At the luncheon meeting of the Civic and Commerce association last Thursday, it was announced that the date of the annual 4-H club banquet staged by the organization has been tentatively set at Wednesday, April 17. Arrangements for the event will be completed by the agriculture committee, of which Roy Oen is chairman.

County Attorney Paul Lundgren reported on the Rivers and Harbors Congress which he recently attended in Washington as a representative of the Red Lake River Development association, details of which were given in a previous issue of the Times.

The association went on record in favor of supporting a Pennington county booth at the Minnesota state fair this fall. County Agent Howard Grow reported that the division of forestry of the state department of conservation was prepared to cooperate in a city-wide tree-spraying program this spring, and an association committee was to confer on the matter with the city council Tuesday evening.

Acting favorably on a suggestion from the Northwest Sugar Beet association, a resolution was adopted asking that a public hearing be conducted previous to the passage of any federal legislation designed to restrict the acreage devoted to sugar beets.

Pennington County GOP Committee Meets Mar. 30

A meeting of the Pennington county Republican committee will be held Saturday afternoon, March 30, at 2 o'clock in the municipal court room in the Auditorium, Theodore Quale, county chairman, announced today. Preliminary plans will be discussed for the Ninth district convention to be held in this city in May, and other matters will come up for consideration.

Conservation Chief to Visit This Area May 6-9

Following receipt of word from Dr. W. L. Strunk, Minnesota commissioner of conservation, Walter Jung, president of the Pennington county Sportsmens club, stated today that Dr. Strunk and other officials will inspect projects in this section of the state May 6 to 9, and not in April, as announced last week.

Prowlers Will Witness State Cage Tournament

In spite of their defeat by the bare margin of two points in the regional basketball finals at Bemidji last Thursday evening, the Lincoln high school first string squad of ten members will witness the state tournament in St. Paul, starting today, altho the Prowlers will be on the sidelines for the first time in four years. Some of the players left yesterday, and the remainder left this morning thru arrangements made by the high school athletic association.

SEE ENROLLMENT OF 400 WOMEN IN HOME PROJECT

Leaders Will Receive First of Three Lessons Late in April

It is not surprising that the women of Pennington County selected "Feeding the Family" as the project which they desired this year when we see the interest that there is, as is shown by the large number of enrollments, comments County Agent Howard Grow. The minimum number of groups and individuals have been enrolled for some time and more are still requesting to be entered.

Apparently those three meals a day are of vital interest to the family, for their health depends on the adequacy of the foods chosen. Both men and women are interested because food selection involves those who produce the food as well as those who buy the groceries and prepare the meals.

The first of three lessons will not be given to the leaders until late in April. However, the organization must be completed long before that time. At the present time it appears as though there will be in the neighborhood of 400 women enrolled in about thirty groups.

Lincoln-Duluth Central Schools to Vie in Debate

The Lincoln high school debate team, regional champion, will compete against Duluth Central high school in an interregional debate, the date of which has not yet been set, it was announced this week. The two schools in previous years advanced twice to the interregional event, Duluth Central winning over the local school on both occasions.

Claffy Is in St. Paul for State Tournament

W. G. Claffy, Lincoln high school principal, left Tuesday for St. Paul, where, as a member of the board of the Minnesota State High School league, he will assist in handling arrangements for the state basketball tournament which gets under way today in the St. Paul Auditorium.

COUNCIL ACTS ON VARIETY OF ITEMS TUESDAY

Defers Action to Next Week on First Steps in Power Plant Project

TREE SPRAYING PLAN IS GIVEN APPROVAL

Mayor Asks Postponement of Further Street Oiling to Cut Taxes

After conferring with representatives of several engineering firms offering their services in connection with the projected enlargement of the facilities of the municipal power plant, the city council Tuesday evening deferred making a selection until after an adjourned meeting set for next Tuesday night.

Representatives of bond houses also were present to confer on the issuance of up to $150,000 in bonds to finance the project, but action to call for bids on the issue also was deferred.

At the request of Rev. A. I. Merth, local chairman of the National Organization for Decent Literature, the council gave its endorsement to a campaign to remove undesirable literature from local newsstands.

Dr. O. F. Mellby and Alf Berry appeared as a committee from the Civic and Commerce association to enlist the cooperation of the council in a city-wide tree-spraying program this spring, the sprayer and operators to be supplied by the state forestry division. The council acted favorably on their request to supply $100 and the services of six men to assist in the work.

Calling attention to the fact that taxes were assessed against the local golf course in 1935 and 1936 when the city held title to the property, Stanton R. Dahlen, president of the golf club, asked the cooperation of the council in having the taxes abated for the two years in question. Favorable action was taken.

Pointing out that the city's street oiling program in 1939 cost well over $4,000, Mayor W. W. Prichard advised against planning a similar program for the current year. He pointed out that with a steadily mounting tax levy for county purposes, every possible effort should be made to reduce the levy for city purposes for next year by as much as five mills.

Roy and Ernest Barzen of the Math Barzen company were present to ask for a renewal of the company's lease on the old mill property, stating their intention of erecting a fireproof structure on the foundation of the seed treating plant recently destroyed by fire. It was indicated that a ten-year lease with a renewal option would be agreeable, and City Attorney Theodore Quale was instructed to draw up a lease for submission to the council.

A permit was granted to Garfield Benson to construct a garage at a cost of $200 at the rear of his business block on Main av. N.

DR. A. E. JACOBSON EXPLAINS ROTARY CLUB OBJECTIVES

Says Purpose Is to Develop Individual Members as Units of Society

Dr. A. E. Jacobson addressed the Rotary club Tuesday noon at its luncheon in the Evelyn hotel, selecting for his topic, "What is Rotary?" He proceeded to answer the question from the standpoints of structure, socially, educationally, community service, business relations, inspirationally and from the aspect of the international organization.

Citing the work done by the local club in aiding the Boy Scouts, 4-H club work and other community activities, Dr. Jacobson stated, "The community service purpose of Rotary is to develop the individual member as a unit of society to work with others in the community interested in civic endeavors. The Rotary club as such should not be so much interested in sponsoring or directing any community enterprise, except where there is no other suitable organization to carry it on."

Dr. Jacobson stated that there are now approximately 5100 Rotary clubs throut the greater part of the world with a total membership of 180,000.

Red Lake Falls Blaze Causes $15,000 Damage Thursday

Fire Thursday at the Smith Paper Co. flax tow plant in Red Lake Falls, caused a loss of $15,000. The blaze destroyed 2,000 tons of stacked flax straw and one house and damaged other structures.

The picture shows the blaze eating its way into one of the huge straw piles. Stacks not damaged are shown on either side of the photo.

FOUR FARM SALES ARE SLATED FOR THE COMING WEEK

Spring Farm Auction Season Is Now Getting into Full Swing

Another sign of the advent of spring is found in the numerous farm auctions announced in this issue of the Times, no less than four sales being scheduled on successive days next week, in addition to several held last week.

A sale of cattle, sheep, horses and farm machinery will be held next Monday, April 1, by Signe Evenson 11 miles east on Highway 1 and two and one half miles south. On the following day, Tuesday, John P. Anderson will sell cattle, horses and machinery on his farm 4½ miles north and 2½ miles west of Mavie.

J. M. Theige will sell a large list of items, mainly farm machinery, Wednesday, April 3, on his farm east of this city in Section 9 of Smiley township. Thursday, April 4, 30 head of cattle and other items will be sold by the John P. Strobeck estate five miles southeast of the city on the Angle road.

GUSTAVUS CHOIR TO GIVE CONCERT HERE ON SUNDAY

First Lutheran Church Will Sponsor Appearance in Auditorium

The Gustavus Adolphus College Choir of St. Peter, one of the most distinguished Lutheran a cappella ensembles in America, is coming to Thief River Falls Sunday evening March 31 and will sing in the municipal Auditorium at 8:15.

This well known musical organization, called the "Cathedral Choir of the Augustana Synod", will sing under the direction of G. Adolph Nelson, brilliant composer conductor.

The itinerary this year includes appearances in Minneapolis, Cokato, Mankato, Willmar, Litchfield, Winthrop, Thief River Falls, Brainerd, Alexandria, St. Cloud, and several others.

The Choir is appearing under the sponsorship of the First Lutheran Church, whose pastor is Rev. Charles W. Erickson.

Masonic Past Masters Night Thursday, Apr. 4

Next Thursday evening, April 4, will be observed as Past Masters night by the local Masonic lodge, when third degree work will be exemplified, it was announced today. Past masters of the lodge will fill the various chairs, and invitations to be present have been extended to members of lodges in a large number of towns in this section of the state.

Biggest Mail Shipment, Weighing 2 Tons, Comes to Local Census Office

The biggest mail shipment ever to come to Thief River Falls consigned to one address, arrived recently in the form of approximately two tons of supplies for the district census office here, of which H. O. Chommie is supervisor. The shipment, comprising 51 wooden boxes weighing from 75 to 100 pounds each, consisted principally of portfolios for the population census enumerators, who will begin making their rounds next week.

SUBZERO WEATHER USHERS IN EASTER OBSERVANCE HERE

Large Gathering Present at Good Friday Services in Auditorium

Despite the fact that temperatures well below the zero mark ushered in what was reported to be the coldest Easter Sunday on record, local churches were well filled with worshippers who assembled at festival services to hear the retelling of the inspiring story of the resurrection of Christ.

The usual large attendance also was recorded at Good Friday services conducted in the Auditorium last Friday afternoon under the auspices of the Trinity, Zion and First Lutheran churches. Messages dealing with the Cross were delivered by Rev. R. M. Fjelstad, Rev. E. L. Tungseth and Rev. Charles W. Erickson, while each congregation supplied a musical selection.

Reverend Fjelstad was in charge of the services, while Mrs. Mildred Engen Hamilton served as pianist.

Three-Car Garage and Machinery Shed Razed on Christenson Farm

A blaze originating last Saturday noon in a three-car garage and machine shed on the Waldie Christenson farm destroyed the structure, altho most of the machinery stored in it was salvaged. Several members of the Thief River Falls fire department visited the scene, but the fire had made too much headway to be extinguished. The greater part of the loss is covered by insurance. The department also responded to two local calls Saturday when chimney fires broke out at the W. K. Knight residence on Conley Av. and the Mrs. C. Christenson home on Main av. S., no damage resulting in either case.

MUST HAVE 1940 PLATES ON CARS BY APRIL 1st

Local motorists are reminded by Secretary of State Mike Holm that they will be subject to arrest if they fail to have 1940 license attached to their cars by Monday, April 1.

REGIONAL DECLAM CONTEST SET FOR TUESDAY, APRIL 2

Region 8 Event Will be Held in Lincoln High School Auditorium

The Region 8 declamation contest will be conducted in the Lincoln high school auditorium next Tuesday, April 2, with 26 contestants from 20 communities participating, Supt. Morris Bye announced today. The event will open at 4 o'clock in the afternoon with oratorical declamation, in which there are nine contestants including James Borreson of this city.

Scheduled for Tuesday evening, beginning at 7:30, are original oratory with seven entrants; extemporaneous speaking with three contestants; and interpretative reading, with seven.

The following towns will be represented by students who won in their respective district competitions: Lancaster, Karlstad, Kennedy, Stephen, Indus, Blackduck, Walker, Park Rapids, Akeley, Mahnomen, Gonvick, Erskine, Fertile, Borup, McIntosh, Twin Valley, Crookston, St. Hilaire, Warren and Thief River Falls.

Mr. Bye stated that the admission fee for the evening program will be ten and 25 cents.

Shipstead Tells of WPA Sewer, Water Main Grant

The Works Progress administration has approved a grant of $135,485 to install and extend sanitary sewer and water mains in this city, the Times was advised in a telegram Wednesday from Senator Henrik Shipstead. This, however, City Clerk P. G. Pederson explained is a consolidation of smaller grants previously made, and much of the work, particularly sewer installation, was finished last fall and during the winter months. The remaining work consists largely of installing water mains.

Elks Lodge to Conduct Election This Evening

Successors to V. D. Borry, exalted ruler, and other officers will be named this evening when the annual election of the local Elks lodge is conducted in the lodge rooms. A Dutch lunch will be served at the close of the evening, Secretary O. C. Paulson announced.

Finnish Relief Carnival in Plummer Friday Night

A carnival will be held in the Plummer Auditorium Friday evening, March 29, beginning at 8 o'clock, with all proceeds of the event to be sent in to the Finnish relief fund. The program will include several talks in addition to bingo and other games, while lunch will be served by a group of Finnish Women. Admission to the program will be free, but there will be a 25c charge for dancing which will follow.

CENSUS COUNT OPENS IN AREA NEXT TUESDAY

15 Enumerators for Pennington County to be Named This Week

COUNT IN CITY WILL REQUIRE TWO WEEKS

School of Instruction Will be Conducted Today and Friday

The 1940 population census will get under way in Pennington county next Tuesday, April 2, when 15 enumerators will start the decennial count, District Supervisor H. O. Chommie announced today. In Marshall county there will be 28 enumerators, and in Red Lake county eleven.

Following the examinations held in this city last week for 150 candidates for posts as enumerators in the three counties, a school of instruction will be held in the Auditorium here today and Friday, following which the final selection will be made.

Pennington county residents who will attend the school of instruction include S. E. Hunt, Gilbert Scholin, Mae F. Connelly, Henry P. Storhaug, Orsal H. Halland, Arthur E. Berg, Catherine E. Laverson, John M. Hunt, Oron W. Brandon, A. C. Matheson, Melvin R. Anderson, Kenneth Halldin and Lloyd Mack, Thief River Falls.

Others from Pennington county are Gust A. Iverson, John Vraa, Einar Jensen and Harold Jorstad, Goodridge; William Jasperson, Plummer; Patrick Culkins, Iver H. Iverson and Lloyd R. Johnson, Hazel; Edwin J. Rustan, Oklee; Glenn Tess and Maurice O. Lillo, Trail; and A. W. Oshl, Mavie.

Red Lake county candidates include Mrs. Henry Hallstrom, Edward St. Yves, Therese Roy and Donald L. Holberg, Red Lake Falls; Wilfred Brunelle, Rt. 4, Crookston; Napoleon E. [illegible], Gotfred Husby, Axel Burman and Katherine H. Melby, Oklee; Walter Lonergan and Archie A. [illegible], Plummer; and Theodore [illegible] and Arthur Hamrum, Brooks.

Candidates from Eastern Marshall county include Reuben A. Haugen, Karl O. Hoff and Norman L. Johnson, Newfolden; Hans O. Hanson and Ruth Fricker, Holt; Chester S. Larsen, Rt. 2, city; Jacob Mork, Rt. 3, Goodridge; Otto Bohle, Mrs. George Armstrong and Alfred Swanberg, Grygla; John O. Pearson and John Luoto, Middle River; and Vaclav F. Kruta, Gatzke.

Mr. Chommie announced that the course of instruction will deal with the population, agriculture and housing census. Motion pictures will be shown illustrating the taking of the census and outlining the entire work of the enumerators. The keynote of the instructions is completeness and accuracy.

For census purposes the city of Thief River Falls has been divided into four districts, and, in common with all other communities of more than 2500 population, the count will be completed within two weeks, Mr. Chommie said, adding that one month's time is allowed in other areas for the count.

Mr. Chommie quoted a proclamation issued by President Roosevelt, in which he stated, "For the due protection of the rights and interests of persons furnishing information, every employe of the census bureau is prohibited, under heavy penalty, from disclosing any information which may thus come to his knowledge."

Wildlife Exhibit Will Remain Until Saturday

Acting favorably on numerous requests, the Pennington County Sportsmens club has made arrangements to keep its wildlife display in a window of the Montgomery Ward store intact until this week end to give everyone an opportunity to inspect the attractive exhibit. The sportsmens club will hold its next meeting Tuesday, April 2, at which time plans for a spring crow hunt will be discussed, Walter Jung, president said today.

TOWNSEND CLUB TO MEET NEXT SUNDAY AFTERNOON

The Townsend club will meet on Sunday afternoon, March 31, at 2 o'clock in the Civic and Commerce rooms with entrance on the north side of the Auditorium. Messages will be read from Dr. Francis E. Townsend, Washington, D. C.

Growing With Your Child

Institute of Child Welfare,
University of Minnesota

"WRINKLED AND GRAY AT 31"

"How old does a boy have to be before he's old enough to wait on himself?" writes a mother whose 15 year old, she says, "is almost as helpless as a 15-month old child." She goes on to say that she's growing old before her time, with the efforts she has to make to get him up and off in the morning, to see that he has his books and his lunch, and so on, that she's worn out with pushing and prodding.

It is easy to say that such a mother has only herself to blame. But however this bad program got started, it exists, and is a very real problem for her. How can she help the boy to form a new set of habits?

Of course she's got to change herself and expect a change in him to be brought about as a result. She has carried over from his infancy the attitude of expecting him to be dependent on her. Because it was once a pleasure to do things for him, she lost sight, somewhere, of the fact that it could be a much greater pleasure to see him acquiring the ability to stand on his own feet. She still finds pleasure in tucking him into bed every night, thus encouraging him to look to her, in a very childish way, to be the buffer between him and the world.

It will be a hard morning for her when she brings herself to tell him that she will call him just once, and then expect him to proceed under his own steam. She will suffer a good deal more than he, when he is late to school, or forgets his lunch, or rubbers. But a right about face of her behavior is about the only thing that will change conditions, at this late date. She will have to steel herself to taking the long view, instead of thinking merely in terms of the immediate present.

BIRTHS

To Mr. and Mrs. William Grundhaus, city, Mar. 21, a boy.

LIBRARY NOTES

Frequently at the public library a potential patron inquires as to the cost of a library card and what is required to become a member or "join the library".

The Carnegie Public Library is free to all residents of Pennington County. To become a regular borrower it is necessary for adults to fill out an application card giving address and references. Children must have the signature of parent or guardian. Identification cards are then issued which must be presented when the patron wishes to take out a book.

To those outside of the county, there is a fee of two dollars for one year, one dollar for six months and so on. The amount varies with the expiration date.

Mr. Lee Zimmerman director of Public Libraries has a timely article in the March number of Minnesota Libraries on censorship of books. "Grapes of Wrath" is used as a demonstration. He says:

"Ever since the printed word became a reality there have been attempts to suppress writings that offered the taste or the viewpoint of some people. Currently, suppression has reached a new high with the publication of John Steinbeck's Grapes of Wrath. Last fall three copies of this book were ordered burned by the library board of East St. Louis. The National Council of Censorship criticized the burning, in a telegram to the Board which stated that the act 'commits itself as a parallel to recent acts of totalitarian governments. Instead of burning the book, more copies should be made available for what your own librarian described as "the waiting list longer than for any other book in recent history."' The Board later rescinded its resolution which had aroused nationwide criticism.

The National Council also urged the City Library Committee of Camden, N. J., to lift its ban on Grapes of Wrath. In a telegram to the Committee, the Council stated 'The report that you have imposed a censorship on the novel, The Grapes of Wrath by failing to obtain copies for circulation despite wide demand, invites condemnation by all defenders of freedom of expression. Adult citizens in a democracy are entitled to free access to published works dealing with any subject, whether or not controversial.'

These incidents serve to focus attention anew on a growing tendency in this direction. It has been only recently that the Council of the American Library Association, mindful of the growing intolerance, suppression of free speech, and censorship affecting the rights of minorities and individuals, promulgated the Library's Bill of Rights.

No library board should arrogate to itself the right to censor the readings of others by suppressing books because they contain a point of view or form of language with which it disagrees.

Who is competent to say what is or what is not harmful reading for someone else? No two individuals think alike or react in the same way. While one reader may find a book thought-provoking and believe that it gives him a better understanding of the world in which he lives, another may find the same book only degrading and nasty. Surely, the worth or otherwise of a book, its beauty or vulgarity, its greatness or cheapness must always depend upon the mind which the reader brings to it.

There may be excellent and justifiable reasons for exercising supervision over adolescent readers. The public library has a responsibility for the immature reader of school age whose mind is still in the formative process, but the practice of suppression or censorship is indefensible in the selection of books for adult readers. It can be defended only in the case of salacious or pornographic books primarily written for that effect.

The public library as an educational institution supported by all the taxpayers has an obligation to make Grapes of Wrath available to its reading public in the same manner that it provides books for those who never rise above the reading level of the Harold Bell Wright type of book.

A book such as Grapes of Wrath should be considered for purchase solely on its merits. It should be evaluated in terms of its authorship, informative value, sincerity, social significance, literary merit, and its demand by the public. This book has been appraised by intelligent people everywhere a an impressive social document which depicts an unfortunate phase of American life. The personal biases of library boards or librarians should not play a part in excluding a book as important as this from library shelves because its frankness of speech may be offensive to some.

In those communities where small minorities or individuals bring pressure to bear upon library officials for the suppression of books and where narrowness of outlook tends to jeopardize the freedom of the public library, belongs to all the people and cannot be dictated to by individuals or special groups.

We have always boasted of the free public library as one of the most democratic institutions in American life. If we are to keep it so, it remains with us to be constantly vigilant and fearless in the face of any assaults that may be made against its freedom."

Monument to Flower

The only French monument to a flower stands in Toulouse, France, in honor of the chrysanthemum, and to its first French developer, Captain Bernet. Bernet was born there in 1776, fought through the Napoleonic wars and when he retired became an expert horticulturist.

LECTURES YOU HAVE BEEN WAITING FOR
For a short season they will be given weekly in
The Friendly Church
Corner First St. and Conley Ave., Thief River Falls
Sunday Night, March 31, 7:45 o'clock
TOPIC: "WILL COMMUNISM CONQUER THE WORLD OR WILL CHRISTIANITY HOLD ITS OWN?"
In the large religious circles of to-day there is real anxiety in regard to this matter. God has not left us in the dark, but has specifically stated in His Word what the result of the life and death struggle between Christianity and Bolshevism will be.
Come and Hear the Truth About This Important Theme!
Beautiful stereopticon pictures will be shown and questions answered before the lecture. Join in with us in singing the beautiful songs of Zion in our newly decorated church.
You are cordially invited! David Gulbrandson, Lecturer.

FINISH PLANS FOR PHOSPHATE TESTS IN PENNINGTON CO.

Each Farm to Get Average of More Than Three Tons of Fertilizer

Very good progress has been made with the program to test Phosphate fertilizer on ten farms in Pennington County this year, Howard E. Grow, county agent, said today.

Mr. Grow states that a complete cropping system has been set up for each farm to cover a five year period and also the plan for the use of fertilizer for the same period.

The requisition for the amount of fertilizer was submitted on March 16, and Mr. Grow reports that on March 25 he received the approval of 30.65 tons of calcium metaphosphate for the county for 1940. This will be an average of over three tons of fertilizer per farm.

The fertilizer to be supplied by the Tennessee Valley Authority will be 60 per cent phosphate. It will be applied at the rate of 65 pounds to 160 pounds per acre, depending upon the number of years before the land will be used for a soil depleting crop.

The fertilizer is being shipped from Alabama and will arrive before April 16.

Truck Accident Rate Lower Than Passenger Cars, Records Reveal

Passenger cars, constituting approximately 86 percent of the 875,000 motor vehicles registered in Minnesota, were involved in 85 percent of all traffic accidents reported to the state highway department last year.

Trucks and large tractor-trailer combinations make up 14 percent of the registered motor vehicles, but they were in only 11 percent of the accidents, indicating that truck drivers are—on the whole—better and more careful drivers than the average driver, according to W. F. Rosenwald, traffic engineer of the department.

Trucks, however, had a higher fatality rate than passenger cars, according to the figures. Of the 1,582 trucks involved in reported accidents, one out of every 18 was in a fatal accident. A total of 12,783 passenger cars were involved in accidents, but only one out of every 25 of these resulted in death.

Mrs. Ole Revdahl, Local Pioneer, Died Monday at age of 92

Funeral rites are being held this afternoon for Mrs. Ole R. Revdahl, resident of Thief River Falls for 38 years, who died at her home at 421 S. Tindolph Ave. Monday. Brief services at the Revedahl home at 1:30 o'clock will be followed at 2 p. m. by final rites from Zion Lutheran church. Rev. E. L. Tungseth will officiate and interment will be in Greenwood cemetery.

Mrs. Rasine Revdahl was 92 years of age at the time of her death. She was born March 7, 1848, in Trondhjem, Norway, where she grew to womanhood and was married on August 25, 1878, to Ole R. Revdahl. They came to the United States, to Hillsboro, N. D., in 1889, and later in the same year moved to Halstad. In 1891 they moved to Hendrum where they resided until 1902. Since that time Mrs. Revedahl had made her home in Thief River Falls. She was a member of Zion Lutheran church.

She is survived by her husband; three daughters, Mrs. Ed Ness, Mrs. Eline Haug, and Mrs. Bert Berg, all of this city; two sons Nels of this city and Richard of New York City; twelve grandchildren and seven great-grandchildren. One son preceded her in death.

Ole Aslakson Nystul, Marshall Co. Pioneer, Passed Away on Monday

Ole Aslakson Nystul, resident of Ekwall township, Marshall county, for the past 32 years, died at his home Monday. Funeral rites will be held this afternoon, at 1:30 from the Nystul home and 2 p. m. from St. Petri church near Grygla. Interment will be in St. Petri cemetery.

Mr. Nystul was born September 17, 1855, in Telemarken, Norway. There he grew to manhood and married Tone Kvalset on June 17, 1878. In October, 1904, he came with his family to the United States, and made his home in Leonard, N. D. In March, 1908, he moved to Ekwall township, where he had since resided.

He is survived by five sons and two daughters, Oliver, Aleck, both of Leonard, N. D.; Adolph of Fargo, John of Minneapolis, Hans of Goodridge, Ingeborg of China, and Mrs. Arthur Ulstad of Benson; 24 grandchildren, and two great-grandchildren.

Mrs. Martha Skramstad Dies at Her Home in Thief Lake Township

Mrs. Martha Skramstad, pioneer settler in Thief Lake township, died at her home Saturday. Funeral services were held Monday from the Skramstad home and from Thief Lake church, and interment was made in Thief Lake cemetery. Rev. E. O. Sabo of Mavie officiated.

Mrs. Skramstad was born in Omat, Norway, November 27, 1864. She was married there December 28, 1885, to Tollef Skramstad. They came to America and settled in Grant county, near Barrett. In 1895 they moved to Middle River, and since Mrs. Skramstad had made her home on a farm in Thief Lake township.

Surviving relatives include nine daughters and two sons, Amanda, Ragna and Olga of Duluth; Clara of St. Paul; Myrtle of Grand Forks; Petra and Dollie of Olympia, Wash.; Louis of Roseau; Julia of Baltimore, Md.; and Tena and Ella, both of Gatzke. Also surviving are two sisters, Lena Romung of Duluth, and Inga Swanson of Minneapolis; nineteen grandchildren and a great grandchild. Her husband, one brother and two sisters preceded her in death.

Syvert Johnson Rites Will Be Held Friday; Passed Away Saturday

Rites for Syvert Johnson, who passed away last Saturday at the Kore Hanson home in Reiner township, will be held Friday afternoon at one o'clock from Reiner church. Rev. Orthy of Grygla will officiate and interment will be in the church cemetery.

Mr. Johnson, born June 4, 1856, in Nordgrland, Norway, came to America 58 years ago. He had lived in Reiner township the past twenty-five years.

He is survived by one adopted son Theo. Johnson of Hatton, N. D. His wife and a son preceded him in death.

Brides Asked to Notify Social Security Board in Bemidji of New Name

Recent brides who obtained social security account cards before they were married were requested today by Frank H. Daly, manager of the Bemidji field office of the social security board, to send in their new names to prevent confusion in the keeping of their wage accounts for federal old age insurance.

A card for this purpose, designated as "Employee's request for change in records," is now available to the Bemidji office, located at 210 Beltrami Avenue. This card provides space both for the newly acquired name and that used in applying for an account number. Corrected account number cards will be sent to those who report their change of name.

The board explained that since wage accounts are kept in the name the worker gives the employer, individuals who change their legal names should correct their records to insure the accurate recording of their wages. Wage-information reports filed by employers and transmitted to the social security board indicate that many employees have gone to work on new jobs under their new names without notifying the Board of the change. This, it was explained, complicates the keeping of their accounts and might make it difficult to ascertain the full amount of the benefits to which they will ultimately be entitled.

Mint Oils Improved

World production of mint for oil is centered in northern Indiana and southern Michigan. Spearmint is used solely for chewing gum and toothpaste and is grown in only a ninth the volume of peppermint. Cultivated mints produce oil far superior to the oil from wild plants.

St. Olaf Choir to Sing in Minneapolis Sunday

The next home concert of the Minneapolis Symphony Orchestra will bring to Northrop Memorial Auditorium on the University of Minnesota campus Sunday, March 31, at 3:30 p. m., the famed St. Olaf Lutheran Choir under its noted director, Dr. F. Melius Christiansen.

The annual appearance of the Choir, which has just returned from a successful tour to the Pacific coast and back, with the orchestra has become the outstanding musical event each year in Minnesota. The enviable reputation enjoyed by each organization makes their appearance on the same concert stage a "natural".

The choir, of course, is the embodiment of the spirit of Dr. Christiansen. He has made the organization known from coast to coast as well as in the great musical centers of Europe. Many critics insist that it is one of the finest groups of its kind in the world.

New Buttermaker Named for Plummer Creamery

O. E. Wilson, president of the Plummer cooperative creamery, announced this week the appointment by the board of Gust Kraft to the post of buttermaker in the plant, succeeding Albert Martin, who resigned because of ill health after a long period of service. Mr. Kraft has been Mr. Martin's assistant in recent years.

TAX DISTRIBUTION OF $98,713 MADE IN MARSHALL CO.

Includes Tax Payments from November 1, 1939, to March 1

Distribution of $98,713.37 in tax money to various sub-divisions of government in Marshall county was completed last week in the office of Levi G. Johnson, county auditor, the distribution comprising the March settlement which includes tax payments from November 1, 1939 to March 1, 1940.

The regular 1940 distribution is $10,082.42 more than that which was distributed during the March settlement in 1939 when the total reached only $88,630.95, records in Mr. Johnson's office reveal. In addition to the regular distribution, a total of $866.03 from the sale of state lands was paid into the county treasury during the November-March period.

County government again received the largest portion of the distribution with a total of $34,659.78 going into its various funds while the school districts were a close second with a total of $30,202.09. The city and villages of the county received $8,859.87, state government $9,407.28 and townships $7,252.11. The county distribution also included a payment of $8,322.24 as interest and principal on state loans collected from the 1938 tax list and prior years.

Red Cross to Continue Finnish Relief Despite Ending of Hostilities

The American Red Cross will continue its relief operations in Finland until more normal peace-time conditions are restored, Chairman Norman H. Davis has announced.

This decision was made public following a trans-Atlantic telephone conversation with Dr. H. A. Spencer, U. S. Public Health Service physician on duty in Finland for the American Red Cross, and a conference here with Finnish Minister Procope.

Post-war relief operations started immediately, it was explained. Two large shipments of hospital supplies and blankets went forward from New York to meet urgent needs in the stricken country described to Mr. Davis by Dr. Spencer.

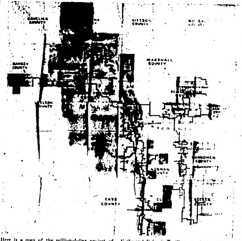
"Dr. Spencer told me," Chairman Davis said, "that in spite of the cessation of hostilities, Finland is haunted by many urgent relief needs. More than 200,000 Finns, who formerly lived in the territory annexed by Soviet Russia, will require help in finding new occupations and homes. In addition there are about 400,000 women and children urgently in need of assistance until they can be re-established in their homes.

"The Russo-Finnish peace treaty", he emphasized, "unfortunately does not put an end to the tragic suffering in Finland. We must continue to give them help. We already have made nine deliveries of relief supplies to Finland, chiefly comprising ambulances, hospital and medical supplies, blankets and warm clothing."

Meat Consumption

There are striking contrasts in meat consumption throughout the world. The peoples of New Zealand, Australia and Argentina lead with consumption well over 200 pounds per capita in each country. Canada, the United States and Great Britain consume about 140 pounds per capita. European countries in general consume less meat, Germany, for example, accounting for 110 pounds per capita and France for 90.

Projected Rural Electric Lines in Red River Valley



Here is a map of the million-dollar project of the Nodak Rural Electric Co-operative, Inc., designed to service with current for light and power several thousand farmers in a dozen counties along the Red River of the North. The Walsh county lines, centered around Grafton, are in operation, powered by the Grafton city plant. Contract is let for the lines between Grand Forks and Devils Lake and another contract for the lines between Grand Forks and Kelso in Traill county is expected to be let this spring. After completion of the lines, current is to be supplied by a proposed central generating plant in Grand Forks, with current being sold to several Minnesota counties indicated on the map. The system is being financed by the government's rural electrification administration at Washington.—Map supplied to the Times by the Grand Forks Herald.

GRYGLA

Gorgeous Church Wedding

Miss Irene Rafteseth became the bride of Mr. Russell Thieling at a double ring ceremony performed by Reverend Anderson in the Northwood Lutheran Church at 2 o'clock on Good Friday, March 22.

The church was beautifully decorated in pink and white by the brides classmates. An archway was made at the altar with pink and white crepe paper streamers which were fastened back with silver bows. Ferns and flowers completed the decorations.

To the strains of Lohengrins wedding march played by Miss Racheal Anderson, the bridal party entered. The bride was given in marriage by her step father Mr. John Rostvold witnessing the ceremony were Miss Faith Theiling and Mr. Heman Day.

The bride wore a lovely ivory satin gown, fashioned in princess lines and made with a train. She wore her mother's veil and wreath and carried a bouquet of Easter Lillies and ferns tied with white tulle.

The bridesmaid was attired in a floor length gown of dusty pink chiffon taffeta and carried a bouquet of white sweet peas.

The groom and best man wore the conventional suits and had buttoniers of sweet peas.

After the ceremony Mrs. Anderson sang, "An Easter song" and Miss Edna Hesse sang, "I love You Truly".

People from a distance that attended the wedding included, Mr. Hjalmer Rafteseth and Mrs. John Nakken from Thief River Falls, Clarence Clifford and Myrtle Stromberg all of Rosewood, Mr. and Mrs. John Hanson from Neilsville, Mr. and Mrs. Earl Giltvedt from Hendrum, Mr. and Mrs. Lyle Theiling and children from Poor Lake, Mr. and Mrs. Herman Day and son from Bemidji.

This is the first wedding held in the Northwood Lutheran church by Reverend Anderson who has been the only pastor.

Reception at Rostvolds

A reception for Mr. and Mrs. Russell Theiling was held at the John Rostvold home after the ceremony.

A buffet dinner was served to close relatives and friends. Honor guests at the reception included Reverend and Mrs. Anderson, Miss Racheal Anderson and Miss Edna Hesse.

Friends and relatives all join in wishing Mr. and Mrs. Russell Theiling a prosperous and long happy future life together.

Ole Nystul Dies

Last Monday morning on March 25, Ole Nystul passed away at the home of his son Hans Nystul where he has been making his home. Mr. Ole Nystul was about 84 and a half years old at the time of his death.

He leaves to mourn his passing five sons, two daughters, 24 grand children and 2 great grandchildren. One daughter, Ingeborg is doing missionary work in China and Anna resides in Minnesota, Alec and Leonard are in Leonard, North Dakota, John is in Minneapolis, Oliver in Fargo, N. D. and Hans lives west of Grygla.

The funeral will be at 2 o'clock in the St. Petri church on Thursday March 28.

Fourtown Business sold

Ray Magneson has sold his business at Fourtown to Walter Blaillie who took over Wednesday, March 20. Mr. and Mrs. R. Magneson expected leave about April first for La Crosse, Wisconsin where they have purchased a poultry farm.

It will be 14 years ago next month since Ray Magneson began his store in Fourtown. In that time Mr. Magneson has added a lot to the business. We are indeed sorry to see Mr. and Mrs. R. Magneson on leave and Best wishes in their new venture.

Beautiful Home Wedding

Miss Harriet Knutson, oldest daughter of Mr. and Mrs. Thomas Knutson Sr. of Grygla became the bride of Mr. Harold Theodore Nelsen of Nebish on Easter Sunday, at noon. Reverend S. T. Anderson officiated with the single ring ceremony. Mrs. Anderson sang, "I love You Truly."

The bride was beautifully attired in a white satin floor length gown, trimmed with buttons and pearls. She carried a white Testament and a spray of white snapdragons and streamers. She also wore a finger tip veil. Her only attendant, Miss Elda Benett of Holt, wore a floor length peach chiffon gown, and carried a white Testament, which was a gift from the Bride.

The groom wore a suit of dark green-and-the best man, Clinton Knutson, a brother of the bride, wore a dark suit.

Dinner was served to forty five guests, table decorations white candles, and a four tiered wedding cake, baked and trimmed by the brides mother.

Mrs. Nelsen was graduated from the Thief River Falls High School with the Class of '29. She then attended Teachers colleges at Bemidji and Mayville. She has taught school for several years, the last four having been spent teaching the lower grade room at Nebish.

The groom has been employed several years at Tokotna, Alaska and will leave on April 15 for there. Mrs. Nelsen will join her husband after June first.

Guests who attended the wedding were Mr. and Mrs. Pete Nelsen, Mr. and Mrs. Carl Nelsen, Jarold Nelsen, Mr. and Mrs. G. G. MOUNTING COST OF OPERATING STATE CITED BY AUDITOR

Stafford King Cites Expenditures for 1932 and for Last Year

State Auditor Stafford King reported Monday the cost of running the state had increased 58 per cent in the past eight years, with a new high of $104,508,075 set in 1939.

The report covered fiscal years from 1932 to 1939 and showed what taxpayers had to pay for their government and not what actually was spent. King said that the survey showed that the state's budget still was unbalanced but that the deficit had been cut and would continue to decrease through operation of the tax changes made in 1937 and the 1939 departmental reorganization.

Reason for the increase in the cost of the state machinery was four-fold, King explained. Most important factors in the increase were:

1. Shunting of a sizeable share of costs of local governments to state treasury.
2. Increased social welfare costs.
3. Increased cost of aiding local governments with unemployment relief problem.
4. Increased demand for greater government service.

A summary of the auditor's report showed:

Total Cost of Government

1939	$1,104,588,075
1932	66,209,275

Relief

An increase of 402 per cent in the eight-year period.

1939	$31,662,392
1932	6,897,498

General Administration

1939	$2,498,733 (legislative year)
1933	2,345,832 (legislative year)

Highway (Building and Maintenance)

1939	$19,610,263
1932	20,285,776

Payment of interest and principal on highway debts over the eight year period dropped 17.9 per cent and state aid to local governments for highway use increased 49.9 per cent, the report showed.

General education costs increased 13.4 per cent and state aid to local schools increased 56.5 per cent, according to the survey.

CANADA HOLDS AN ELECTION

Canada held an important election this week, an election that was just as important to them in some respects as our coming national election will be to us. The Canadians didn't make much fuss about it however. Compared with our blustering elections it was decidedly a pink-tea affair.

There are times when we wonder if the Canadians do not do a better job of running a government than we do. The difference in the manner in which they conduct themselves may be due to the system under which they operate. In some respects that system is more democratic than ours. The head of their government, for instance, always represents a majority. They never have a situation, as we do occasionally, where the government is deadlocked and for a long period of time is unable to act. When one leader loses the support of the majority of the representatives of the people then another leader, if he is able to get the support of a majority, takes his place. If there is a deadlock then an election is called and the voters decide the issue.

Our system is not so plant. The head of our government is elected for a certain period of time. If he has a working majority in Congress he is fortunate. Wilson was not so fortunate and during the last two years of his administration his hands were tied by the Republican majority. Hoover had the same experience during the last two years of his term. Under the Canadian system Hoover would have stepped out of office following the 1930 election but under our system he sat in the chair two extra years with a Democratic Congress sniping at him and conditions in the country growing steadily worse.

The Canadian system is not without its weaknesses of course but in some ways it is better than ours.

A "National Organization for Decent Literature," conducting an educational campaign "against" indecent literature, deserves universal support. This problem of indecent literature is not a local problem in the sense that any one local community can hope to check the flood of smutty magazines that week after week, weeps over the country. It is a national problem and only by organizing on a national scale, uniting the efforts of local communities, can any good results be hoped for. In literature, as in other arts, it is not always possible to draw a straight line between the decent and the indecent. A division that will be satisfactory to all is impossible. There need be no concern about such difficulties however for the foul weeds that by universal consent should be eradicated are easily recognized.

It won't be long now before we learn the results of the population count, the enumerators starting their [illegible] day [illegible]. In a couple of weeks the unofficial figures should be available. In the meantime there will be much [illegible] hereabouts as to the size of Thief River Falls. In order to make the guessing a little more interesting the Times is offering a few small prizes to those who guess the closest. The cost of entering the contest is nothing at all. Just clip the coupon in the Times and bring it in to the office with your guess. The contest closes on Saturday of next week and the final official figures will be used to determine the winners.

The several Lincoln High basketball [illegible] who journeyed to Benson last week to attend the regional tournament were not [illegible] disappointed with the results. It would have been more fun to win of course but [illegible] Thief River Falls [illegible] in defeat. [illegible] but never discouraged [illegible] the final whistle [illegible] won. The result [illegible] was [illegible] tory. There [illegible] athletic rivalry between [illegible] and Thief River Falls and [illegible] Prowlers are out of the running [illegible] without exception, are pulling [illegible] and his Lumberjacks at the state tournament [illegible]. It will be good news [illegible] to the top.

Our under-standing [illegible] grand jury was not [illegible] taken by [illegible] an [illegible] had [illegible] was no question [illegible] that the function of a grand jury was to determine whether there was cause for legal action and in the case of an admitted crime, had nothing to do but to recommend trial. We had thought that it was for the regular court [illegible] dence and pass judgment [illegible] ress is a [illegible] strange, after all, [illegible] a little queer after they have practiced [illegible] few years.

If the ice in the river [illegible] up by April 10th the weather [illegible] to turn on a lot of [illegible] weeks.

Possibly one of the reasons why Bernie Bierman is so successful as a coach is because he is so popular as a leader. From what we saw of him during the few hours he spent here Monday we can understand why he gets so much good football out of his teams. He possesses the qualities of leadership that inspire. His recognized ability is augmented by the likeable personality and, most important of all, he is honest, even with himself. We kinda liked him.

A round of cheers to Howard Grow for his timely reminder that with the coming of green leaves on the trees there probably will also come another crop of dangle worms. As a result of his suggestion arrangements have already been made for spraying the trees this spring at a time when the spraying will do the most good. In other years we have waited until the worms have become a nuisance before we have started the battle against them. By getting an early start on them this year, before next year's crop is planted, we may put an end to the pest it is hoped.

THE WELLS OF REACTION

(Dr. Y. O. Watts in Northfield News)

[illegible] can see that the earth is flat. Scientists had a hard job convincing men that their eyes deceived them. Some are not convinced yet.

In the same way anyone can see that when men produce more, prices and profits decline, workers are laid off and the downward spiral of deflation sets in.

The "obvious truth" is the artesian well for socialism, communism, fascism, Ham-and-Eggs, Townsendism and a host of similar reactionary schemes. Competitive voluntary enterprise seems so productive that something must be done about it. Competition must be restricted, prices and [illegible] must be regulated, money and credit must be [illegible], people must save less and [illegible] must buy more.

Since producers won't do these things voluntarily they must be coerced. To this end is set up the necessary police force, with its spies and an accommodating judiciary. This coercive policy is common to all reactionary programs, including fascism and communism. And it is none the less coercive and reactionary when voted "good" by a majority of the citizens.

The disciples of Stalin are close to the arch enemies of Hitlerism. Hitler once claimed to be the bulwark of capitalism against communism. Ham-and-Eggers and the followers of Townsend profess only to want eternal prosperity for all private business. Yet all would hamstring enterprise.

Probably none of these organizations, however, constitute a serious danger to the United States. The few thousand fanatics who belong to the Communist Party, for example, the dregs of the Socialist movement, are as likely to antagonize as convert the average citizen.

Our real danger comes from those respected citizens and leaders who bear the label of no revolutionary organization but who hold the same [illegible] economic notions as the communists or [illegible]. They, too, believe our economic troubles are due to too much competition, too much saving and too much production, the misdeeds of "money changers" and lack of spending. Therefore they promote policies which take us along the road to a coercive state—government price fixing, police control over wages and hours, restrictions on investment, a veiled dictatorship in finance, and Robin Hood tax policies.

[illegible] kind leaders of the blind honestly [illegible] saving private enterprise from itself. Yet all the while they are making private capitalism [illegible] and fostering the forces of reaction.

"Candy Men to Dance", says a Minneapolis headline. Presumably to the tune of "The Chocolate Soldier".

Altho we frequently find ourselves in disagreement with Eleanor Roosevelt's public pronouncements, we are in hearty accord with her statement last week that under no circumstances would she be a candidate for the presidency.

Easter plumage suffered from frostbite Sunday.

Our affluent minister to Canada, Jimmie Cromwell, learned following his maiden speech that it takes not only dollars but sense to make a diplomat.

The Lincoln high school basketeers did pretty well, at that, at Benson to come within two points of another trip to the state tournament.

You might as well tell all to the census enumerator, Billy Noonan advises, adding that he can find it out from the neighbors anyway.

Cast thy burden upon the Lord, and He shall sustain thee: Psalms. Under the revised version, the burdens are being cast upon the government.

Jimmie Markham, editor of the Hopkins Review, scolds himself for having such an untidy desk. We didn't think any other kind was possible in a newspaper office.

The biggest deflation on record involved the Georgia mother who announced she was going to give birth to quintuplets, and then later conceded that there probably would be only one baby.

Better have those new plates on your car by Monday, or the highway patrol may play an April Fool's Day joke on you.

Looking Backward

1930—TEN YEARS AGO

Moorhead defeated the Prowlers 26 to 21 in the regional basketball finals at Benson.—Halvor A. Lokken, engaged in the harness business in this city the past 34 years, died March 22.—David N. Winton, formerly manager of the sawmill here, died at his home in Minneapolis.—F. J. Stebbins was appointed assistant census supervisor in the Ninth district.—Sixteen motor cars were on display in the annual automobile show staged by the local Legion post.

1920—TWENTY YEARS AGO

Members of the Commercial club pledged themselves to raise $2000 to finance experiments in sugar beet culture.—The city council will open bids for paving streets in the downtown district May 1.—Under a schedule approved by the board of education, grade teachers in the local schools will receive salaries ranging from $120 to $140 a month.—Stockholders of the St. Hilaire creamery were discussing plans to erect a new building.

SHE WROTE ABOUT HITLER

Patsy Ziemer, 12-year-old girl, living in Lake City, Minn., is co-author of a book "Two Thousand and Ten Days of Hitler". She lived in Germany with her parents during a good part of the Hitler regime. Her father, Gregor Ziemer, headmaster and dean of the American school in Berlin for 11 years, helped her with the book.

WE SPECIALIZE IN THE LARGE TYPE ENGLISH WHITE LEGHORN

Owing to their superior egg producing ability the White Leghorn has always been the most in demand, and for that reason we have concentrated our efforts toward the improvement of our White Leghorn breeding stock.

All of our special grade S. C. White Leghorn breeding flocks are headed by R. O. P. males, purchased from some of the foremost breeders of White Leghorns in the world, such as Hanson, Tom Barron, Ghostley, etc.; and by crossing these famous strains we obtain the rugged vitality which is so noticeable in Land O'Lakes White Leghorns.

By strain crossing we obtain all the advantages of the hybrid, but without its disadvantages.

SPORTS Tid-Bits

By Huck Olson

Coach John Lindenmeyer brot the Prowlers to within two points of their fourth straight regional title, and that was doing an excellent job of coaching. And it was a fine performance on the part of the players, too. Lindenmeyer began the season with a squad that had been riddled by graduation, having only four boys remaining that had had varsity experience; and yet the team that lost to Bemidji in the regional finals was one of the best that Thief River Falls has ever had.

When two teams as evenly matched as the Lumberjacks and the Prowlers meet, the verdict will usually go to the team that carries the most bulk and ranginess, and such was the case Thursday night.

I've often wondered what formal position, aside from coaching, that Buck Robbins has with the Bemidji high school. And I learned that he is a supervisor in the manual training department.

My basketball prognosticating department has been turned over to Phil Larson and Ed. Johnson, and Phil and Ed are agreed that Bemidji will defeat Breckenridge in the first round state basketball tournament game being played tonight in St. Paul.

One of the redeeming features of the regional tournament was the two defeats that were handed the Twin Valley team, because that gives me an opportunity to send an insulting card to Johnny Arnold. Johnny, you know, had been up here tootling about how great and wonderful a team they had at Twin Valley. That they were regional championship stuff; that they would bump off Bemidji, perhaps. Well, they were big and burly, and on a small floor they could be stubborn opposition; but they had too much slow foot to be dangerous on a large floor.

Of Bemidji's starting five, that faced the Prowlers Thursday night, Buck Robbins will lose, for next year's competition, the two forwards, Don Mayer and George Clausen, and the stellar guard, Tony Hubbard.

There doesn't seem to be much truth in the rumor that the officials that 'worked' the regional tournament are going to be presented with the Nobel prize for expert refereeing. There's not much use in crabbing at the officials; but when referees advertise themselves as being able to officiate a regional tournament you expect these referees to reveal such ability. On Wednesday night these officials must have called six or eight double fouls, and when you run into such a situation, such a number of double fouls, you know that here is something 'lumpy' somewhere.

Chet Nelson, the high school's physical ed. instructor, will be running off the interclass basketball tournament when school resumes after Easter vacation, and it will be interesting to see what varsity prospects are on their way for the Prowlers. Mr. Nelson has had 150 or 160 boys playing intramural basketball, and drilling in fundamentals; so the percentages should bring some of these boys into the Prowler lineup next year.

Think we better send for the hockey team again, for it hasn't been as cold all year as when they went home. And the colder it gets, the more diamondball you hear from Walt McLarson and Ole Ness.

Baudette Man Is Speaker at Lions Club Meeting

Ted Rowell of Baudette, proprietor of the Burbot Liver Products company with headquarters in that town, was the guest speaker at the weekly dinner meeting of the Lions club Wednesday evening in the Palm Garden cafe. Mr. Rowell said that the business, started on a small scale a few years ago, has now developed to the point where its products are used in all states of the Union. He added that burbot liver oil, obtained from a scavenger fish in Lake of the Woods, has approximately eight times the potency of codliver oil.

111 DIPLOMAS TO BE GIVEN AT N. W. SCHOOL TONIGHT

State Director of Extension Work to Give Address

Graduation exercises scheduled for Thursday evening, March 28, will bring to a close the 34th school year of the Northwest School of Agriculture at Crookston.

P. E. Miller, director of agricultural extension work, University of Minnesota, will give the commencement address. Superintendent T. M. McCall announced that one hundred and eleven diplomas will be given to graduates of the regular course, sixty certificates of graduation will be given to advanced students and nine business training certificates will be awarded.

Commencement week activities started with the annual Senior Day on Thursday, March 21, at which time the seniors staged their annual assembly and banquet programs and distributed their class year book. The reception to the graduates, given by Superintendent and Mrs. T. M. McCall, was held at their home on Sunday, Mar. 24. The Reverend W. H. Reeves, pastor of the Presbyterian Church at Crookston, gave the baccalaureate address to the graduates on March 24. Other features of Commencement week were: Junior music recital, March 25; get-together dinner and Senior music recital, March 27; and class exercises on Thursday afternoon, March 28, preceding Commencement.

FLOWERS FOR THE LIVING

In appreciation for his service to Renville county for 72-years neighbors, friends and fellow newspapermen gathered at a testimonial dinner for Mr. and Mrs. James F. Landy at Olivia on March 17.

FARMER STOPS BURNING TRUCK

Buhl.—A burning truck driven by Aubrey Goulet was "chased" for six miles via telephone by farmers before the loaded vehicle was flagged six miles south of Hibbing. Farmers along the highway had noticed the fire and phoned ahead to stop the truck. In several instances the truckers thought they were simply being given a salutation, and proceeded to travel down the highway. Finally one farmer got out into the middle of the road and stopped them.

Dr. Glenn Frank Will be Speaker at State Young GOP Meeting in St. Paul

Dr. Glen Frank, former president of the University of Wisconsin and present Chairman of the Program Committee of the Republican National Committee, will come to Minnesota to address Young Republicans at the annual convention of the Young Republican League of Minnesota to be held in St. Paul on April 6, 1940, officers of the League announced this week. The program committee, headed by Dr. Frank, has recently completed a comprehensive study of conditions and trends throughout the country and has submitted a report to the platform committee of the Republican Party to aid in formulating the party's platform for the coming campaign. It is expected that Dr. Frank will discuss this report in his address to the convention.

Minnesota's Two-Month Traffic Death Rate Is Lowest in Seven Years

Traffic deaths in Minnesota for the first two months of 1940 were the lowest recorded in the state since the establishment of official traffic accident fatality records in 1934, M. J. Hoffman, state highway commissioner, reported this week.

More effective traffic control, elimination of physical hazards on the highways, and better safety education, better driver-cooperation all were credited as contributing factors.

Although January deaths totalled 27 as against 26 recorded in January of 1939, February figures showed only 21 fatalities as compared with 30 for the same month of a year ago. This meant a net saving of eight lives, or 48 fatalities for the first two months as compared with 56 deaths for the first two months of 1939, 76 in 1938, 59 in 1937, 57 in 1936, 50 in 1935 and, the most disastrous of all, 84 in 1934.

CRIPPLED CHILD CLINIC SCHEDULED FOR CITY MAY 11

To be Sponsored by the State Division of Social Welfare

Two new field clinics for crippled children have been added to the fourteen previously scheduled, according to an announcement made this week by Walter W. Finke, director of the state division of social welfare. This was necessitated, he explained, by the great increase in attendance at last year's clinics.

Arranged by Dr. Malvin J. Nydahl, head of the bureau for crippled children, the spring clinics will be held among other places at Thief River Falls May 11 and at Detroit Lakes June 1.

Some of the children previously reporting to the St. Cloud field center will now attend the clinic to be held in Little Falls. Clinics in Crookston and Thief River Falls, which before have been held in alternate years, are both scheduled for 1940, making the second additional clinic.

Orthopedic field clinics are open to any crippled child under 21 years of age whose parents or legal guardians are residents of Minnesota and who cannot provide necessary orthopedic treatment for the child's defect. Any new patient reporting to a clinic should have a letter of referral from his family physician.

A local advisory committee composed of a nurse from the bureau for crippled children and representatives of local groups and organizations is in charge of preparation for each clinic. This local committee makes necessary arrangements for holding the clinic in some public building, usually the local high school, and arranges for transportation, lunches, and provision for x-ray on those cases where this is necessary.

The clinics are conducted cooperatively by the bureau for crippled children, Gillette State Hospital, the division of vocational rehabilitation of the state department of education, Minnesota Public Health association and the Minnesota-Dakota Orthopedic Club.

Over Million Residents of State Still Without Facilities of Library

With library conditions in Minnesota remaining static in 1939, there are still over one million residents of the state without access to a public library, according to the annual statistical report released this week by Lee F. Zimmerman, State Director of Libraries.

On the basis of a total population of 2,563,953, there are 42 per cent or 1,089,142 people without public library service in the state, the report shows. The great majority of these are residents of small towns or rural areas.

To present a clear picture of the situation, Mr. Zimmerman points out that Hennepin, Ramsey and St. Louis counties, with a population of 1,009,102 people, provide 100 per cent library service through county libraries. While in the remaining 84 counties with a population of 1,554,861, only 30 per cent of the people have library facilities.

In these 84 counties the per capita expenditure for books and libraries in 1939 was 24 cents, which does not contrast favorably with the $1.00 per capita standard set by the American Library Association as the minimum for adequate library service.

Plan to Train 25,000 Airmen in Winnipeg for War Service in Europe

Selection of Winnipeg as the second largest training headquarters in Canada for the fitting out of air pilots and mechanics, wireless operators and technicians in the British empire's vast training plan to start early this summer, is announced by the minister of defense for Canada. Expenditure of $1,000,000 for buildings will start next week, and a great field is being incorporated for training purposes west of the city. Grain farms, dairy farm, golf courses, a race track and vacant land are all being included in the field where it is expected 25,000 airmen will be trained within one year for overseas services at a cost of $350,000,000 for the first two years.

SHE WROTE ABOUT HITLER

Patsy Ziemer, 12-year-old girl, living in Lake City, Minn., is coauthor of a book "Two Thousand and Ten Days of Hitler". She lived in Germany with her parents during a good part of the Hitler regime. Her father, Gregor Ziemer, headmaster and dean of the American school in Berlin for 11 years, helped her with the book.

Demonstrations Begun

Miss Ada Todnem came from Bemidji last Wednesday and explained in detail about the demonstration work. She began by cautioning the members to "never give up" even if they cannot carry out their first demonstration as well as they wish to. She told about the two kinds of demonstrations, the individual, oral and silent, and the teams. There is only one silent demonstration, in bread work, under the individual oral are the cake, canning, family meal, safety, conservation, handicraft, and health. Team demonstrations are used in canning, bread, clothing and all boy's projects.

The afternoon was spent on clothing work, sheep and potatoe projects, explanation being given in full on "the making of seams" and "Preparation of potatoes for planting."

Evening Meeting

The Benville Brigadiers held their meeting this same evening so that Miss Todnem might be present.

President Adeline Nygaard opened the business meeting with the Club pledge. There were no minutes read because of the absence of secretary Helen Rasmussen. Roll call was taken. Miss Todnem was called on for a few words and thanked in behalf of the club by the present for her good work during the day. The meeting was then turned over to the program committee, Audrey Hylland and Leona Moore.

The program was as follows: Song, "Charming Billy" by Jean Buchols and Margie Bush. A play, "All a mistake" by Violet Magneson, Marian Bush, Jean Holbrook and Rolf Lunde. Song, "Where are you Going Pretty Maid", by Jean Buchols and Margie Bush. Two demonstrations, "Measuring dry ingredients for a cake" by Adeline Nygaard and measuring shortening by the water displacement method" by Jean Buchols, ended the program.

New members were next initiated by a blindfold cracker feeding stunt. The balance of the evening was given over to contest and games. Lunch was served by Phyllis Teigland and Arlene Peterson.

Orvis Fladelands Honored

Mrs. C. Lunde and Mrs. J. Stewart assisted by Mmes. C. Doran, Fred Buchols, G. Armstrong, E. Hylland, and R. Thorson and Mr. John Johnson, arranged a farewell party in honor of Mr. and Mrs. Orvis Fladeland and family who are moving this week to Wadena. They are going to have a Hartz store there.

The evening diversions consisted of contests and games besides cards. Mr. F. Brown gave a farewell speech and presented the Fladelands with a purse of silver as a token of friendliness from their many friends here. Mrs. C. Lunde, Mrs. J. Stewart, J. Stewart and Mr. C. Doran all gave short talks. A delicious lunch brought by the guests was served near midnight. We wish the Fladeland's best of luck in theis new venture.

Easter Echoes

Following is the program given by the Sunday school in the Grygla Lutheran church last Sunday evening at 8:00 p. m. The program was divided into four parts, the first was "The Cross"; exercise, "For Me", Kindergarten class; Welcome by Primary class; song, "Beneath The Cross of Jesus", Sunday school; Reading, Junior Stewart; Song "Nailed to the Cross" by the High school class; Recitation, "Easter Greetings" by Marion Bush; a reading, "Meaning of Easter" by Rolf Lunde. The second part was the Resurrection; Exercise, The Resurrection Story by the Juniors, song, "Christ Arose" by Sunday school and "Our Lord Has Risen" by three pupils of the Intermediate class. The third part was "The Promise", song, "God Calling Yet" by high school class; Exercise, "Ye Shall Rise Again" five pupils of the intermediate class. The final part was "Praise" which was a song, "Beautiful Savior" by the Sunday school. Before the program began the Kindergarten class presented a vase of flowers paid for by them to the church. This was a project of their Sunday school classes which is to stimulate their interest in the church.

Reverend Anderson delivered a short sermon after which a collection was taken for the Sunday school.

BULL REVOLTS; NO HARM DONE

International Falls.— Marvin Wolfe of the Ray vicinity had a narrow escape from death when a young bull, he had hitched up to pull a stoneboat revolted. The young bullock became enraged over the idea of replacing a horse, attacked Mr. Wolfe, and butted him 15 feet through the air. Fortunately the driver still had a pitchfork in his hand and was able to subdue the animal.

PRACTICAL JOKE MAY PROVE COSTLY

Kiester.—Some people have a queer idea of fun. Recently someone deliberately knocked down almost every mail box on the road between here and Walters. The stunt was to drive along and let the front of the truck strike the mail box, knocking it from the post, and often breaking the post as well. The pranksters probably didn't realize that vandalism of this type is subject to a penitentiary sentence.

TRAFFIC CRASHES MOST COMMON ON STRAIGHT ROADS

Driver Is Still Most Important Factor, Safety Engineer Says

Where would an automobile accident be most likely to occur? W. F. Rosenwald, safety engineer of the Minnesota highway department gives this surprising answer—on a dry, straight, level paved highway.

"Contrary to what many of us would like to believe regarding the relationship of highway construction and accidents," explained Mr. Rosenwald, "the department's figures point to one inescapable conclusion—that the driver is still the most important single factor in motor vehicle accidents. The highway department's engineers may devise new and effective types of safety construction, but, without the cooperation of motorists much of this valuable and costly work is nullified."

In support of this statement, Mr. Rosenwald points out that 7,192 or 82.8 per cent of the 9,045 motor vehicle accidents reported last year took place on the straight-away. Fatal accidents in this group reached a total of 350, or more than 75 per cent of the 464 reported.

Accidents occurring on concrete and bituminous treated surfaces totalled 6,987 or 77.2 per cent of the total, with 334 of them proving fatal.

Seventy-seven per cent, or 358 of the fatal accidents, took place on dry roads. A total of 6,220 or 68.7 per cent of all the reported accidents happened under these ostensibly perfect driving conditions.

Road defects, which so often are unjustly accused of contributing to accidents, figured in only 530 or less than 6 per cent of all accidents.

"A composite picture of a perfect a stretch of highway as the skill and ingenuity of modern engineering can build," concluded Mr. Rosenwald, "reveals a sad commentary on the driving habits of present-day motorists. It shows that on a straight, hard-surfaced, dry, unobstructed highway a total of 7,227 accidents—with 367 of them fatal—would occur in the course of a year, based on the 1939 figures. That safety, construction and maintenance engineers have done all in their power to provide a perfect driving surface appears to contribute little to the saving of human lives unless the motorists themselves lend the essential factor of careful driving."

Doctors Explain Three Types Rheumatic Pains Affecting Old and Young

Rheumatism takes many forms; it may make life miserable for Junior, for his mother and his grandad. In each case it is different but all need careful watching and treatment. Otherwise it may cripple them all for life.

The three kinds of rheumatism that afflict this imaginary but not improbable family are explained briefly in a bulletin issued by the Minnesota State Medical association's committee on public health education as part of the association's education campaign on rheumatic fever and arthritis issued today.

Junior's aches and pains are caused by rheumatic fever which attacks youngsters, chiefly. He should be put to bed and his heart watched carefully because rheumatic fever nearly always damages the heart.

Junior's mother probably lays her aches and pains to "lumbago" or neuralgia or just grippe; but actually she is in the early stages of the type of arthritis called, "atrophic" in which the bones seem to get thinner, after a while, and the joints become painful and immovable. Grandad's "rheumatis" is arthritis, too, but of the type called "hypertrophic" in which the bones, instead of becoming thinner, become knotted and enlarged by additional bony growth at the joints. His hands are misshapen and his joints painful.

Only Third of Best High School Graduates Go to College, Report Reveals

Only four out of ten of the ablest students in Minnesota high schools enter an institution of higher learning within a year after graduating from high school it is shown by a study of Minnesota high school graduates that is now being completed by a joint work of the University of Minnesota's committee on educational research and the state department of education. The study covered not only entry into the University of Minnesota, but also junior colleges, teachers colleges and the independent colleges of liberal arts.

Students in the highest thirty per cent of their high scool classes made up the group that was studied. Of these students, 38.33 per cent of those graduating from high schools outside the twin cities enter a college and 41.02 percent of the graduates of Minneapolis and St. Paul high school enter, thus the percentage is approximately 40 for each group.

More than 400 high schools outside Minneapolis and St. Paul were included in the study as reported by Dr. T. Raymond McConnell, chairman of the committee on educational research.

State Highway Chiefs Getting Prepared for Annual Spring Breakup

Although the frost is only beginning to leave the ground in a few localities, the Minnesota department of highways is already making special preparation for the annually recurrent spring breakup, and this week urged shippers and heavy haulers to get in readiness for the road restrictions which this breakup makes necessary for protection and preservation of the highways.

Truckers, shippers, bus lines, and those firms which anticipate the necessity of moving exceptionally heavy loads, buildings, or machinery were urged to get them moved before spring thaws have affected highway surfaces of softened grades.

The department's experience over many years has indicated that general thaws may be expected at any time, especially in the southern section of the state, M. J. Hoffman, highway commissioner, pointed out. First load restrictions of the year were applied March 8 to short sections of four highways.

Orders have already gone out from C. L. Motl, maintenance engineer, to all 10 district maintenance engineers, instructing them to watch all road surfaces carefully, throughout their entire districts, and be prepared to post load restrictions on the highways on short notice in advance of any damage to surfaces.

Plans Announced for Annual 4-H Club Week at Northwest School

The twenty-ninth annual Red River Valley 4-H Club Week will be held at the Northwest School at Crookston on June 10-15, according to an announcement released by Superintendent T. M. McCall. Superintendent McCall states that the club week will be under the general supervision of the acting district 4-H Club leader, Miss Anne Thorbeck. The club week will be divided into two three-day camps with Red River Valley counties including east and west Polk and the southern counties in the valley meeting June 10, 11, 12 and all counties north of Polk, including Clearwater and Lake of the Woods, meeting June 14, 15, 16. Specialists in all fields of 4-H Club work recruited from the staff of the Northwest School, 4-H club state office, and agricultural extension division will be in charge of the educational and recreational program. Classes of instruction in all club projects for club members, local and county leaders will be held during the morning. The regional contest in music, dramatics and athletics will be held during the afternoons followed by educational programs in the evenings. More than 1000 boys and girls from the Red River Valley counties have annually taken advantage of the opportunity for 4-H club instruction at the Northwest School 4-H Club Week.

HIGHWAY PATROL OUTLINES DRASTIC DRIVE ON SPEEDING

Drivers Licenses of Offenders to be Suspended or Revoked

The motoring public was forewarned this week of a more rigid enforcement policy by the state department of highways in regard to the use of the driver's license suspension provision to take off the highways that decided minority of drivers who are known as the "dangerous 10 per cent."

Motorists who repeatedly commit those traffic law violations which were the most frequent causes of last year's 8,711 traffic injuries and 564 deaths are going to face a more severe penalty in Minnesota this year than merely paying a fine. They will be subject to loss of their driver's licenses.

Under the highway department's selective enforcement policy, differentiation is recognized between minor, unintentional, traffic law violations, and those violations which are established major accident causes. The infliction of more severe penalties is aimed not at the normally careful driver who may inadvertently commit an infraction of the law, but at the repeater whose repetition of dangerous driving practices make him a constant, potential peril to the driving public.

As a step to correct the bad driving practices of the few for the protection of the many, W. F. Rosenwald, highway department traffic and safety engineer, this week announced that the department will:

Suspend, for a definite period of time, the driver's license of any person who, twice within a twelve month period, forfeits bail for, pleads guilty to, or is convicted of speeding, careless or reckless driving;

Revoke outright, as required by law, without privilege of restoration until the expiration of one year unless otherwise ordered by the district court, the license of any person who within 12 months commits three offenses of speeding, careless or reckless driving;

Revoke the license of any person convicted of hit and run driving which results in any personal injury, in addition to any other penalty which the courts may impose.

Who Was Your First Friend?

Wasn't he the kindly doctor, who ushered you into the world? Then came others . . . parents who taught you love, ethics and honesty . . . youngsters who showed you how to play with teamwork and sportsmanship . . . and teachers who guided you to work with a purpose. As you journey through life, you learn to appreciate the value of friends. Today, when you count your assets, experience tells you that the most priceless of all are your friendships.

Do you know of any better place to sow the seeds of friendship than in the atmosphere of your home? Do you know of any finer symbol of hospitality than Budweiser? Making friends is what made Budweiser the Perfect Host.

It's more Fun in the car up front

IN other words, why buy a car that's content to follow along—when little, if any, more money will put you in a Buick up where the banners are flying?

For this year's automotive style pattern was cut by Buick a good twelve months ago.

This year's performance tempo was set two years back when the Buick Dynaflash engine appeared.

And this year's comfort standards still have some catching up to do to equal Buick's combination of four coil springs and recoil-mounted Knee-Action.

Eventually, others may find a way to micropoise-balance engines after assembly, heavy-up their frames, and seek to equal Buick's staunchness.

Meantime you'll have those Buick blessings to enjoy.

You'll drive the style-leader, the comfort-leader, the value-leader—a car full of things that will still be "new" a good two years from now.

And as a visit to your Buick dealer will show, you'll get it at prices like those you find on the sixes.

That gives you something real to look into. Start looking early—to get in on all the fun.

Prices begin at $895 for Business Coupe —Sedan prices start at $933— *delivered at Flint, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

RED LAKE FALLS BLAZE DAMAGES FLAX TOW PLANT

Loss Estimated at $15,000 in Fire Last Thursday Afternoon

Fire starting at the Smith Paper Co. flax tow mill in Red Lake Falls at 2 p. m. Thursday destroyed 2,000 tons of stacked hay and one home and started several smaller blazes, resulting in a loss estimated at more than $15,000.

Origin of the blaze was undetermined. Fanned by a northwest wind, the blaze sent burning embers over a wide area. The Leo St. Michel home, five blocks south of the tow mill was burned to the ground. Considerable furniture and a large number of automobile tires also were destroyed. St. Michel's loss was estimated at more than $3,000.

At the tow mill the fire was confined to straw stacks and the loss there, according to Ed Christianson, manager, was placed at $12,000.

Fire equipment from Thief River Falls and Crookston was rushed to the scene to assist the local department in battling the fire.

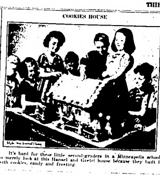
COOKIES HOUSE



It's hard for these little second-graders in a Minneapolis school to merely look at this Hansel and Gretel house because they built it with cookies, candy and frosting.

Outlook Is Promising for 1940 Game Birds Production in State

With a larger breeding stock of upland game birds on hand at the state game farms than last year, prospects for a successful hatching and production season are regarded as very good in Minnesota, according to informed observers.

In his January report to Director Lewis H. Merrill of the division of game and fish, Superintendent Frank D. Blair of game propagation and refuges, states there were 4,934 birds on hand for breeding purposes on Feb. 1. Of these 1,496 were pheasants, 1,594 quail, and 1,844 chukar partridges.

This is more in all classes than at the same period last year. According to Mr. Blair, last year's breeding stocks produced 133,450 eggs. Because of limited plant capacity, not all of these were hatched on the state farms. Late August eggs were traded to southern states on the basis of three late eggs for one June or earlier eggs. Still the division raised, hatched and distributed more than 64,000 upland game birds during the season—about 34,000 pheasants, 17,000 quail and 13,000 chukars.

The French Tricolor

A casual glance at the French tricolor gives the impression that the three stripes are of the same width. This is an optical illusion. The red stripe is the widest, the proportions being: blue, 30 per cent; white, 33 per cent; red, 37 per cent. The French flag has vertical stripes, while those on the Dutch flag are horizontal.

Cutting a Pie in Five Pieces

BAUDETTE YOUNG GOP MEMBER NEW NINTH DIST. HEAD

Alvin Christofferson Named District Secretary at Bemidji

With Governor Harold E. Stassen heading the list of guest speakers, the annual Ninth district convention of the Young Republican league was held Saturday in Bemidji. Lester Ihle of this city, district chairman, presided.

In the election of officers Ted Rowell of Baudette was named chairman for a one-year term to succeed Ihle. Other officers named included Lois Lang of Hallock, chairwoman; J. A. Anderson, New York Mills, and George Fjelde, Barnesville, vice chairmen; Alvin Christofferson, Thief River Falls, secretary; and Douglas Haugen, Pelican Rapids, treasurer.

Thief River Falls was selected as the scene of the 1941 convention. Resolutions were adopted against endorsements for any elective office and endorsing John Padden for reelection as state chairman.

Among those appearing on the program were State Auditor Stafford King, Lieutenant Governor C. Elmer Anderson, Ed Devitt, assistant attorney general; And Dr. R. C. Radabaugh, chairman of the Republican state central committee. Lyman Brink of Hallock presided as toastmaster at an evening banquet attended by 300 persons.

Name Harlow Teutonic

Harlow (or Harlowe), Harley and Hartley are of Teutonic origin and are residence names but there is some doubt as to whether the Har refers to hart or hare. Majority opinion, writes Florence A. Cowles in the Cleveland Plain Dealer, seems to favor the former. This would make Harlow mean "dweller by the deer hill", Harley or Harleigh, "from the deer lea (or meadow)" or possibly "deer hunter"; and Hartley, "dweller by the lea of the stags," obviously the same name as Harley. One authority says that Harlow means "a fortified field" and that Arlo is probably a contraction of it.

Part of German Colony

Cameroon, a French mandate, is that part of the former German colony Kamerun that was captured by the Allies in February, 1916.

SMILEY

Gran-Berg Nuptials

A pretty church wedding took place Easter Sunday at the local Bethania church when Naomi Gran, daughter to Mr. and Mrs. John Gran of Thief River Falls became the bride of Kalmer Berg, son to Mrs. Elesa Berg also of Thief River Falls. Mr. Berg is the grandson of Mr. and Mrs. Christ Larson of this community. The wedding took place at two o'clock in the afternoon. The bridal attendants were the bride's sister, Miss Gloria Gran and the groom's sister, Miss Lorraine Berg, Ove Nordahl, and Louie Larson. Rev. O. O. Bjorgan of Goodridge tied the nuptial knot. A reception was given at the home of the bride's parents following the ceremony with only the bridal party and the immediate relatives attending. The young couple will make their home in Thief River Falls where Mr. Berg is employed at the Mint cafe. Best wishes and congratulations from the Smiley folks, Mr. and Mrs. Berg! The following Monday evening, the groom's mother entertained at a dinner party at the Rex cafe for the young couple having as her guests the bridal pair and their folks.

ORGANIZE RURAL ELECTRIC HOLDING COMPANY AT G. F.

Further Steps to be Taken at Meeting in Grand Forks Tonight

Formation of a holding company to operate a rural electrification system for northeastern North Dakota and northwestern Minnesota was voted by a mass meeting of 650 members of the Nodak Rural Electric Co-operative, Inc. in Grand Forks Thursday afternoon.

The plan provides for the following:

Organization of a federated power co-operative, with nine directors, one from each of the four original units of the Nodak system and one from each of five rural [illegible] in Minnesota.

The new co-operative to own the central power plant at Grand Forks and transmission lines and to sell power to the various "distribution co-operatives."

Nodak units are the former Traill co-operative and the Forks Electric, combined as the Red River Electric; the Five Star lines Grand Forks to Devils Lake, and the Walsh co-operative.

Minnesota is to have one director each from the Polk, Kittson and Marshall county electric co-operative, the Red Lake county co-operative, the Wild Rice co-operative, the Red River Valley co-operative at Halstad, and the Hubbard County co-operative, Park Rapids.

A meeting was set for 8 P. M. tonight in the Grand Forks Forks courthouse to organize the new federal power co-operative and designate a name for it.

SEARCH FOR CATTLE RUSTLERS AT PRESTON

Preston.—Recently, thieves entered the barn of Ed Fitzgerald of Irish Ridge and made off with four calves averaging between 125 and 225 pounds in weight. The calves were taken from the barn and loaded into a truck about a quarter of a mile away. County authorities have clues which may lead to the capture of the culprits.

Grover Whalen, first choice of tailors for the Best Dressed Man in America title in 1932, dropped to 10th place in the current ratings. Reason: He had not replenished his wardrobe.

It's a damning thing for the man who runs the World of Tomorrow to be dressed in the Clothes of Yesterday.

There seems to be a desire to build increasingly larger battleships. We could probably scare off a lot of other nations by merely putting a turret on Maine, one on Oregon and possibly one in the middle and saying to other countries:

"Look, it's not a continent really; it's a battleship."

The theater goer admires a view.

The headline announcement, "First Mosquito Boats Ready Soon," causes "Buffan" to wonder if they can go through smoke screens.

We wouldn't know — but our guess is that the enemy might get somewhere by launching a cruiser named "Citronella."

As Carl Sandburg said, "That Son-of-a-Gun Lincoln Grows on You"

We can't say whether this horse's mother was frightened by a picture of Lincoln or not, but the fact remains that the horse had a good likeness of the Civil War President on its head.

The horse, owned by B. H. Benson, of Bald Eagle Lake, appropriately issues an emancipation proclamation every time any one tries to ride it.

Sir: Masefield wrote all those sea poems, you know, and on his last trip to New York his wife met reporters and said, "Mr. Masefield is below. He isn't feeling very well." (Sea sick. Catch on?)

It would have been a good time to quote "I must go down to the sea again"—HEJ.

Simple Home Treatment Advised by Physicians to Relieve Arthritis

The fact that there is no specific medicine or operation which will cure arthritis is no reason for arthritis sufferers to resign themselves to pain and disability.

Reassurance as to the effectiveness of the carefully supervised use of rest, heat and exercise in the patient's own home is given in the final bulletin issued today in the March series of bulletins on rheumatic fever and arthritis prepared by the Minnesota State Medical Association's Committee on Public Health Education.

Rest is a treatment of first importance, the doctors say. A basic minimum of ten hours in bed at night and one hour of rest morning and afternoon is usually required. Exercise is important too, though it should never be aimless nor repeated until the joints are irritated. Definite exercises should be prescribed and carried out each day under a physician's orders.

Heat can be applied at home, also, according to the bulletin, by means of hot baths in the patient's own tub and by simply constructed electric bakers which any tinsmith can make at a trifling cost. Where electricity is not available, warm paraffin heated in a double boiler and applied alternately with bandages on the affected joint will provide heat for an hour or more plus a good splint that can be kept on, if prescribed, for a longer period.

RURAL POWER CO-OPS VOTE TO UNITE FORCES

S. E. Hunt Vice President of New Federated Project

RED LAKE UNIT VOTES TO JOIN ENTERPRISE

Adopts Name of Minn-Kota Electric Power Cooperative

Organization of the Minn-Kota Electric Power Co-operative, to direct farm electricity units in Minnesota and North Dakota counties along the Red river was completed at a meeting in Grand Forks Thursday night.

P. J. Donelly, Grafton, a director of the Nodak co-operative, was named president. Other officers will be S. E. Hunt of Thief River Falls, a director of the Red Lake Rural Electric association, vice president; Victor Edman of Alvarado, P K and M co-operative, secretary-treasurer; Einar Johnson of Lakota, N. D., attorney and A. L. Freeman of Grand Forks, acting superintendent. Engineers will be Ellerby and Co. of St. Paul.

Ninety-eight members of the Red Lake Electric Co-operative, Inc., met at the court house in Red Lake Falls the previous evening, and authorized the board of directors of the co-operative to take any and all steps necessary for joining with other REA co-operatives in Northwestern Minnesota and northeastern North Dakota in forming a federal power co-operative, says the Red Lake Falls Gazette.

This special meeting was called to order by E. E. Hill, president of the co-operative at the request of George J. Long, assistant director of the engineering and operations division of the REA administration of Washington, D. C.

Mr. Long addressed the meeting and explained its purpose. He discussed the various difficulties which REA projects of this section have been having in securing a satisfactory wholesale rate for electric energy. He then stated that four REA co-operatives in North Dakota and five REA co-operatives in Minnesota were forming a federal power co-operative. Each member co-operative has selected one of the members of the board of directors to serve on the board of directors of the newly formed federal power co-operative. It is proposed that the federated co-operative secure an allotment from the REA administration for the purpose of constructing a central generating station to be erected in Grand Forks.

The members of the Red Lake Co-operative Inc., voted unanimously to become a member of this federated power co-operative. After the meeting of the members had adjourned, the board of directors met and selected S. E. Hunt of Thief River Falls to represent the Red Lake Electric Co-operative, Inc., as a member of the board of directors of the newly formed co-operative.

Service Men to Rally in City Next Monday

with Veterans

LEROY BERNDT
Of the American Legion Hospital association in Rochester, who will be stationed in the veterans memorial room in the Auditorium next Monday beginning at 11 o'clock in the morning to interview former service men seeking hospitalization or other aids, and who will speak at a Ninth district meeting in the Civic and Commerce rooms in the evening.

Approximately 150 former service men from throughout the northern counties in the Ninth district are expected to attend an American Legion rehabilitation conference in the Civic and Commerce association rooms next Monday evening, April 8, beginning at 8 o'clock. Arrangements for the meeting were made by Joseph Kise of Moorhead, Ninth district commander, and O. E. Lewis of Bagley, district service officer.

Walter Johnson of the U. S. veterans hospital at Fargo, will outline benefits to which former service men are entitled from the federal government, and LeRoy Berndt of the American Legion Hospital association at Rochester will discuss services available from that organization.

Mr. Kise will discuss services rendered by the American Legion to veterans, the community, state and nation. O. E. Lewis will give details on preparation of evidence in service claims, and he will also preside over the session.

The evening program will close with a question box and the showing of sound movies of the national Legion convention held in Chicago. Lunch will be served by a committee of auxiliary members.

MAY 1 DEADLINE FOR SUBMITTING 1940 FARM PLAN

1200 County Farmers to Participate in New AAA Farm Program

More than 1200 farmers in Pennington county have already indicated they intend to participate in the 1940 AAA program, reports Carl R. Anderson chairman of the county AAA committee. This number will be increased somewhat by April 30, deadline for signing the "farm plan" and indicating intentions to participate, Anderson predicted.

Under provisions of the 1940 AAA program, complete participation will enable a farmer to earn:

19 cents (9 cents conservation, 10 cents parity) per bushel on the normal yield of his wheat acreage allotment.

Approximately $1.10 per acre on the acreage available for general crops.

Special payments for carrying out approved soil-building practices.

Corn and wheat loans as authorized by the AAA.

Eligibility for full advantages of the federal crop insurance program.

The county chairman urged this week that Pennington county farmers wishing to participate in the 1940 AAA program complete and sign "farm plans" soon, since no conservation or parity payments will be made on any farm for which a "farm plan" has not been signed before May 1. Those unable to sign-up this week in the county office should contact their local AAA committeeman as soon as possible.

Last year, 1500 farmers, operating 96 per cent of the cropland of Pennington county, participated in the 1939 AAA program. Indications now are that the 1940 sign up in the county will be about the same as last year, Mr. Anderson said.

Four Speakers Address Rotary Club on Tuesday

Rotarians W. M. Ferguson and Norbert Holzknecht gave autobiographical talks at the Rotary club luncheon Tuesday noon in the Evelyn hotel. Smoked glasses will be in vogue Sunday, April 7, due to the fact that local people will be treated to a partial eclipse of the sun, which will be visible for more than 2½ hours. The eclipse will begin here at approximately 2:27 p. m. and will continue until 5 p. m. with maximum eclipse at 3:58 p. m. when the sun will be 46 per cent blotted out.

NINTH DISTRICT GOP CONVENTION TO BE HELD HERE

Chairman W. L. Peterson Sets Tentative Date at May 14

W. L. Peterson of Lancaster, district chairman, last Thursday issued a call for the Ninth district Republican convention to be conducted in Thief River Falls on a date tentatively set for Tuesday, May 14, starting at 11 o'clock in the morning, the official call being published elsewhere in this issue.

In addition to electing district officers, the convention will name two delegates and two alternates to the Republican national convention to be held in Philadelphia beginning June 24. Pennington county will be represented at the district meeting by seven delegates, Marshall eight and Red Lake six.

County Republican Chairman Theodore Quale states that precinct caucuses will be held May 1, while the Pennington county convention is set for May 7.

C.C. GROUP HOST TO 4-H CLUB MEMBERS AT BANQUET APR. 17

R. M. Douglass, Once County Agent Here, Will be Speaker

The Civic and Commerce association will again be host to 4-H club members and leaders at the annual banquet Wednesday, April 17, in the Auditorium. R. M. Douglass, former Pennington county agent, will be the main speaker of the evening.

Awards will be made to clubs, adult leaders, and club members for the work done during the 1939 club year. Entertainment for the banquet will be given by groups representing the various 4-H clubs of the county.

A committee was chosen at the leaders' meeting to assist the agricultural committee of the Civic and Commerce Association in drawing up plans for this banquet. The committee selected was: Mrs. R. F. Hayes, Northfield club; Mrs. A. W. Okl, Mavie club; Mrs. S. O. Prestegaard, Star club; Elfie Hanson, Silverton-Smiley club; and Joyce Meyer, Steiner club.

Aunt Jemima, Famous for Her Pancakes, to Perform at Independent Saturday

Aunt Jemima, Southern mammy famous for her pancake-making ability, will appear in person at the Independent store all day Saturday, making pancakes and serving them with coffee to store patrons, A. M. Magnuson, proprietor, announced today. He stated that she is coming to the city, one of only two places in the state to be visited by her this year, under the auspices of the Quaker Oats company, millers of Aunt Jemima pancake flour. Display tables at the rear of the store will be cleared away Saturday to make room for Aunt Jemima and her huge electric griddle.

SALVATION ARMY LAUNCHES ANNUAL DRIVE FOR FUNDS

Campaigners Set Their Goal at $1,000, the Same as Last Year

The financial and advisory board of the Salvation Army is launching the annual drive for funds to support the work of The Salvation Army in the City of Thief River Falls. The goal of $1,000.00 has been set which is the same as last year, Carl B. Larson, board president, said today.

Emphasizing the injunction, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me", this organization offers a social work with a religious aim and a religious work with a social aim.

"Aid is given solely on the basis of need without discrimination against class, color, or creed," said Mr. Larson. "It is kept as free of red tape as it is possible for relief work to be. On the grounds of its universal application it asks the support of every citizen who has the interest of the community at heart. Plans are carefully laid to contact every business firm and individual that the goal may be reached quickly."

WOMAN'S CLUB TO STAGE CARNIVAL FRIDAY EVENING

Local Group to Present Annual Event in City Auditorium

A general invitation was extended to local citizens today by Mrs. Lloyd Bennes, president of the Woman's club, to attend the club's carnival which will be staged in the municipal Auditorium Friday evening, April 5, with the doors opening at 7 o'clock.

Featuring the carnival will be a wide variety of concessions in charge of committees of club members. Included are a country store, penny pitch, grab box, fortune telling and other attractions.

In addition there will be a stage show beginning at 8:30 and continuing for more than an hour. Offerings will include a skit by club members, tap dancing and other entertainment.

Load Restrictions on Trucks in Force Friday on Roads in This Area

With the spring breakup season at hand, trucks on certain highways in this section of the state will be restricted in weight to seven tons effective Friday morning at 9 o'clock, Lee Boyd of Crookston, district maintenance engineer, notified H. A. Baumann, chairman of the road committee of the Civic and Commerce association. The restricted highways include T. H. 32 from Thief River Falls to Greenbush and from Roseau to Roosevelt; T. H. 92 from the junction with Highway 32 thru Red Lake county; and Highway [illegible] from Warren to Hallock and from Beltrami to the south Norman county line.

EVANGELIST TO CLOSE CAMPAIGN HERE SUNDAY

Evangelist Rockstad of Minneapolis is closing a three week Evangelistic campaign at the First Baptist Church of this city on Sunday evening.

Population Guessing Contest Gets Hundreds of Entries Past Week

An excellent response was received during the past week in the Times contest to determine who can guess closest to the population of Thief River Falls as indicated in the 1940 official census returns. Several hundred guesses have been brought in by readers of the paper and many have been mailed from points as far away as in Wisconsin. Those who have not yet submitted an estimate will find a coupon on page nine of last week's issue of the Times. The contest closes Saturday, April 6, the winner to receive a $5 cash prize, while the next five closest guessers will receive a year's subscription to the Times.

PENNINGTON CO. IS ALLOTTED $56,500 STATE ROAD FUNDS

Gets Share of State Gas Tax Funds and One-Mill Road Tax

Pennington county this week was allotted $56,500 of state funds for local highway improvements, as the state board of allotment announced the disposal of $11,373,000 of 1940 highway tax revenues to pay county road benefits and to meet trunk highway and county reimbursement bond charges. Included was $43,500 in gas tax funds and $13,000 from the one-mill tax. Marshall county receive a total of $97,750 and Red Lake county gets $56,500.

Since $460,000 already had been set aside by legislative action to pay for the cost to the secretary of state's office of this year's motor vehicle registrations and license inspection, the allotment board's action brought to a total of more than $11,800,000 the amount of this year's state highway tax revenues which already have been allocated and earmarked for purposes which in actuality produce no current benefit or improvement to the state's 11,000 mile trunk highway system.

The board, comprising State Treasurer Julius Schmahl, State Auditor Stafford King, and Highway commissioner M. J. Hoffmann, first set aside $4,273,000 of this year's trunk highway revenues, to meet principal and interest payments coming due on state highway and county reimbursement bonds, the proceeds of which were expended for highway improvements in the past. This total is divided: $1,525,000 for principal and $1,142,156.25 for interest on state bonds, and $1,400,164.90 for principal and $205,187.88 for interest on county reimbursement bonds.

Most significant, however, to Minnesota's 87 counties were the allotments of $5,800,000 in gas tax money and $1,300,000 in 1-mill tax revenues, or a total of $7,100,000 for local road improvements.

This is [illegible] less than the total for 1939. One mill tax allotments were [illegible] higher than last year, but gas tax allotments were [illegible] lower, due to the fact that the four cent gas tax rate will drop to three cents on September 1.

WILL SHOW MOVIES AT TOWNSEND RALLY APR. 16

At a Townsend rally to be held in Thief River Falls Tuesday, April 16, J. A. Spence of Minneapolis, in charge of Townsend educational films, will show motion pictures and explain details of the pension bill now before Congress.

ENUMERATORS START CENSUS WORK TUESDAY

Receiving Full Cooperation of Citizens, Supervisor Chommie States

SIX TAKE CENSUS IN THIEF RIVER FALLS

U. S. Director of Census Stresses Secrecy of Information

An army of 144 enumerators Tuesday began taking the census in the northern half of the Ninth congressional district, and H. O. Chommie, district supervisor, stated today that early reports indicate they are receiving the full cooperation of citizens in completing the decennial tabulation.

Enumerators selected following the school of instruction held late last week include the following for Thief River Falls: First ward, Henry P. Storhaug; second ward, Oren W. Brandon and Kenneth H. Halldin; third ward, John M. Munt; fourth ward, Oreal H. Halland and Catherine E. Leverson.

In other parts of Pennington county the enumerators include H. Gilbert Scholin, John Vraa, Glenn L. Tasa, Einar Jensen, Edwin J. Hustan, S. E. Hunt, Mae F. Connelly, Patrick W. Culkins, Iver H. Iverson, A. C. Matheson and Lloyd R. Johnson.

Included in the enumerators for Eastern Marshall county are Chester S. Larson, Excel; Reuben A. Haugen, Marsh Grove; John O. Pearson, Middle River village; Vaclav F. Kruta, Moose River; Norman L. Johnson, Newfolden; T. John Luoto, New Maine; David A. Drotts, New Solum; Ardith A. Jansen, Viking; Karl G. Hoff, West Valley; and Bertha L. Armstrong, Grygla.

In Red Lake county Walter J. Lonergan will be the enumerator in Plummer; Katherine H. Melby in Oklee; Godfred Husby in Equality township; Napoleon E. Hince in Lambert; and Archie A. Kuappala in Emardville.

MRS. CHARLES W. ERICKSON PASSES AWAY WEDNESDAY

Rites for Wife of Local Pastor to be Conducted Saturday

Mrs. Charles W. Erickson, wife of the pastor of the First Lutheran Church of this city, died at her home at 421 N. LaBree Ave., at 11:25 a. m. Wednesday following a lingering illness. She was 52 years of age.

Funeral rites will be conducted in this city Saturday, brief services at the Larson Funeral chapel at 1:30 p. m. being followed by rites at 2 p. m. from Trinity Lutheran church. Dr. Oscar O. Gustafson of Alexandria will officiate. The body will be taken to St. Peter, where final rites will be held at 2 o'clock Sunday afternoon and interment will be made in the Lutheran cemetery there.

Born December 10, 1887, in Nicollet county, Minnesota, Stella Charlotte Sjostrom was graduated from Winthrop high school and taught school for six years at St. Hilaire, Hector, and Lafayette, after which she spent two years in training at the Mankato Lutheran hospital. She was married to Rev. Charles W. Erickson at Bernadotte, Minnesota, on October 12, 1913, and as a bride went with her husband to Duluth where they resided for two years. Then they lived at Rock Island, Ill., for three years and in Clearwater county for eight years, and in 1925 moved to Iron River, Mich. There they resided until 1936, when they came to Thief River Falls, where Mrs. Erickson had since made her home.

The surviving family includes her husband and six children, Ralph of St. Louis, Mo.; Everett of Waubun; Ruth at home; Eleanor, University of Minnesota student, Minneapolis; Lester, attending Gustavus Adolphus college, St. Peter; and Willis at home.

Also surviving are Mrs. Erickson's father Andrew F. Sjostrom of St. Peter and her brothers and sisters, Herman, Edwin, and Emma Sjostrom, all of Los Angeles, Calif.; Walter Sjostrom of Minneapolis; Victor Sjostrom, of LaFayette; E. L. Sjostrom of Winthrop; Mrs. Harley Langman of Fairmont; Amandus and Clara Sjostrom, both of St. Peter. Her mother preceded her in death.

HENRY SCHNEIDER RETIRES AS RURAL CARRIER IN CITY

Retires on Pension Following Third of Century of Service

Traveling countless miles over all kinds of roads in a wide variety of vehicles, Henry E. Schneider Saturday ended his service as a mail carrier on Rural Route 3 after being employed in the postal service here and in Wylie for more than 33 years. He retires on pension at the age of 63.

After carrying the mail on the Wylie route for nearly thirty years, Mr. Schneider on July 1, 1937 assumed the post of carrier on Route 3 out of Thief River Falls, continuing there until his retirement. Michael Cosgrove has been designated as temporary carrier on the route, pending the making of a permanent appointment.

A native of Germany, Mr. Schneider came to the United States with his parents in 1889, first settling in Southern Minnesota and coming to the Wylie community in 1901. Following his retirement he plans to make his home on his farm near Wylie.

The staff of the local postoffice entertained Friday evening at a party in Mr. Schneider's honor in the Rex Cafe, and presented him with a gift in memory of his long period of service.

CIVIC GROUP GIVES SUPPORT TO CLEAN LITERATURE DRIVE

Acts Favorably on Request of Rev. Merth, Local Chairman

At the request of Rev. A. I. Merth, local chairman of a campaign to rid local newsstands of undesirable literature, the Civic and Commerce association, at its luncheon meeting last Thursday, went on record as endorsing the drive.

Mr. Hoffman, state engineer with the National Youth administration, and Russell Moldrum, area supervisor, were present to ask the cooperation of the group in obtaining furniture for the NYA center being established in the old Central school. The association promised its support as far as possible.

Dr. O. F. Mellby reported that his committee had secured the cooperation of the city council in the tree-spraying program, and E. M. Bennes reported on the projected conservation meeting here being arranged jointly by the association and the Pennington County Sportsmen's club.

Don Collins Leader of Lions Club Scout Troop

At the meeting of the Lions club Wednesday evening in the Palm Garden cafe, announcement was made that Don Collins of the staff of the Union State bank had been selected to serve as scoutmaster of the Boy Scout troop sponsored by the Lions club and now in process of organization. Boys wishing to enroll in the troop are requested to register at the Woolworth store with Ray Hartman, chairman of the club's Boy Scout committee.

COUNTY FACES CITY SUIT FOR RELIEF FUNDS

Amicable Settlement Seen Following Conference Wednesday

CITY ASKS PAYMENT OF TOTAL OF $14,522

Reimbursement Claims for Four Years Involved in Action

The city of Thief River Falls last Friday instituted suit against Pennington county to enforce payment of $14,522.94 claimed to be due the city for the years 1936-39 under the operation of state laws governing the financing of relief costs.

The county under the law is called on to reimburse the city for 75 per cent of all poor relief expenditures in excess of the amount raised by a local one-mill levy. The greater portion of the relief burden in Pennington county is centered in Thief River Falls. County Auditor A. M. Senstad stated that other political subdivisions of the county have been reimbursed except for the year 1939.

That an amicable settlement of the matter will shortly be reached was indicated Wednesday at the April session of the county board, which was attended also by City Attorney Theodore Quale, City Clerk P. G. Pederson and Council President Emil Griebstein.

After making a preliminary checkup of certain items in the city's claim which are in dispute, the board made two proposals, one to levy approximately $11,000 for 1941 to dispose of the entire claim; and the other, to levy, for one-fourth of the claim for each of the next four years, at the same time taking care of current claims for reimbursement. Mr. Quale will present the proposals to the city council at an adjourned meeting tonight.

With Pennington county already burdened by a heavy tax rate for county purposes, County Attorney Paul A. Lundgren and John X. [illegible], executive secretary of the county welfare commission, appeared last Friday before the legislative emergency committee in St. Paul to seek a special grant to cover the county's delinquency. They were informed that the committee has no authority to allot funds to cover old bills, but Mr. Lundgren indicated this week that he would make a renewed plea at the June meeting of the committee.

Mr. Lundgren declared that one of the reasons for the failure of Pennington county to receive its proper share of state aid in the past is due to the failure of political subdivisions of the county to file regular monthly reports with the welfare office covering monthly expenditures.

140 PRESENT AT SECOND ANNUAL DEMOLAY DINNER

Local Chapter Celebrates Second Anniversary of Founding

One hundred forty persons assembled at a banquet Monday evening in the Civic and Commerce association rooms to mark the second anniversary of the Thief River Falls chapter of the Order of DeMolay and the 21st anniversary of the national organization.

Lawrence Swanson, who presided as toastmaster, introduced the speakers, including C. W. Pope, Theodore Quale, Andrew Anderson, C. W. Whitchurch, Charles Gustafson and John Dahlow.

Musical numbers included songs by the audience led by Mr. Whitchurch; vocal selections by the DeMolay quartet composed of Gordon Reierson, Charles Gustafson, James Skarstad and Rodney Brodiner; and selections by a Job's Daughters trio including Marilyn Noper, Claire Myhrum and Norma Glesner. Rev. E. A. Cooke gave the invocation and benediction.

JUNIOR CHAMBER WILL HOLD MEETING TONIGHT

W. C. O. F. Conducts Installation and Initiation Exercises

The annual installation of officers of the local chapter of the Women's Catholic Order of Foresters and initiation of new members took place Tuesday evening at impressive ceremonies in the Woman's club room in the city auditorium. The Reverend A. I. Merth officiated and Miss Marie Thill acted as installing officer.

After the exercises the new members were welcomed into the lodge by Chief Ranger Christine E. Giefer. Miss Giefer gave special mention to Miss Margaret Patterson, the first juvenile member to be advanced into the senior order. Also commenting on the progress of the local lodge was the district Chief Ranger, Miss Edna Haws of Detroit Lakes, who was a special out-of-town guest.

The re-elected and new officers installed include Miss Giefer, chief ranger; Mrs. Mike Connelly, vice chief ranger; Miss Barbara Votova, recording secretary; Mrs. A. H. Dorn, financial secretary; Mrs. Fred Protz, treasurer; Mrs. Leonard Freed, senior custodian; Mrs. Anton Kezeled, junior custodian; Mrs. Joe Collins and Miss Verna Becker, sentinels.

Initiates were Miss Margaret Patterson, Mrs. Nick Bromberg, Miss Genevieve Traynor, Mrs. J. F. O'Boyle, and Mrs. Walter Nepoltz.

The rites were followed by an interesting program, including talks by Rev. Merth, Miss Haws and Miss Giefer, a reading by Mrs. Vern Korfenheim, and a piano duet by Donna May Kriel and Dorothy Zavoral, both juvenile members of the lodge.

At the conclusion of the meeting, the members were entertained at lunch at the Rex Cafe. Hostesses were Miss Giefer, Mrs. Wm. Sheedy, Mrs. J. W. Mullen, Mrs. H. J. Martin, and Miss Cyrilla Reller. An out-of-town guest was Mrs. Otto Johnson of Warren.

Valley Mission Covenant Churches Honor Rev. O. J. Lundell on His Birthday

On the occasion of his 72d birthday anniversary, Rev. O. J. Lundell was honored by the Mission Covenant churches of the Red River Valley, many of them his former charges, last Friday evening at the local Mission Covenant church. Nearly all the churches in the valley were represented, and the Mission Covenant churches of Bellingham, Wash., Ogden, Iowa, and Stillwater, which Rev. Lundell had served as pastor, and the Scandinavian Evangelical Free church of this city also participated in the service, sending gifts and greetings.

The following Covenant pastors were present: Rev. S. T. Berg of Viking, Rev. T. W. Danielson of Warren, Rev. Sigfrid Carlson of Grand Forks, Rev. Harold Peterson of Crookston, and Rev. Bjornberg of Jupiter.

Rev. R. N. Wiberg, pastor of the local church, was in charge of the program which consisted of brief talks and musical numbers, and the presentation of written greetings from distant points. Rev. J. O. Jacobsen spoke on behalf of the Scandinavian Ev. Free church congregation. Greetings from the president of the Mission Covenant church of America were read, as were greetings from the Northwestern Mission association.

A gift of money was presented to Rev. Lundell by the district leader, Pastor Sigfrid Carlson. Mrs. Lundell was given a corsage of flowers by the Ladies aid society and the Thief River Falls and St. Hilaire churches presented Rev. Lundell with a huge birthday cake, lighted with 72 candles and decorated in blue and silver. The colors were repeated in decorations of the church parlors where lunch was served by the ladies of the Thief River Falls and St. Hilaire congregations.

What QUALITIES measure its value?

CARAT WEIGHT is often the only consideration by which the layman judges the worth of a diamond. But if you seek real value and quality, these three other characteristics must also be considered:

CUTTING. The style and accuracy of cutting control the brilliance of a finished diamond—greatly affect its worth as an ornament and heirloom.

PERFECTION. The degree of perfection, or freedom from flaws, influences the value of any stone. Many classifications separate the flawless diamond from the visibly imperfect.

COLOR. Traditionally, a diamond is colorless and called white, or more often blue-white. Tinges of yellow or brown decrease its desirability.

We shall gladly show you stones in which these qualities are present to varying degrees . . . knowledge which will aid you in the intelligent choice of the diamond you are seeking.

CO. AGENT OFFERS DATA ON PLANTING TREES ON FARMS

Proper Preparation of Soil Essential to Success, Grow States

A large share of the planting stock needed for a farmstead windbreak can usually be secured without cost, close to home, says County Agent Howard E. Grow.

Cottonwood and willow can very successfully be grown from cuttings of one-year old wood, 10 to 15 inches long, and not over ½ to 1 inch in diameter. Sprouts from old stumps are very good.

Cuttings should be made now, while the wood is dormant, and packed in damp sand and kept where they will not freeze. At planting time, when the frost has left the ground, these cuttings will be in excellent condition.

One essential to success in tree planting is proper preparation of the land, continues Mr. Grow. Land in fallow should be worked down and packed. Land in intertilled crops or small grains will be in good shape for tree planting if plowed deep, properly harrowed and packed, similar to the preparation for any grain crop. Soddy land could be planted to trees if three inches of the sod were removed by making a furrow with a plow. Better success would be obtained, however, if the sod were plowed and worked for a year.

In an old grove, or where rocks obstruct the use of a plow, an area 18 inches square should be freed of all sod and roots to a depth of 8 or 10 inches, and the young tree planted in this "scalp" or hole.

Bulletin 196 "Planting the Standard Windbreak" and Folder number 85, "Tips on Tree Planting" are publications that give more information on planting. Both are available at the county agent's office.

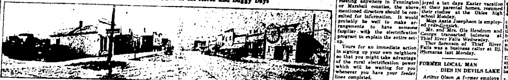
A Street Scene in Thief River Falls in the Horse and Buggy Days



Old timers will recognize this as Thief River Falls but for the information of more recent arrivals in our city the above view is Main Avenue, looking south from Fourth Street. The picture was taken by the Times photographer—from the wall of Dave Gustafson's office when Dave wasn't looking.

ENUMERATORS START DECENNIAL CENSUS IN THIS REGION TUESDAY

(Continued from page One)

The population census will cover location, age, relationship, sex, color or race, marital status, degree of education, place of birth, citizenship, employment or unemployment status, occupation, industry, class of worker, wage and salary income.

The housing survey will cover approximately 33 million dwelling units over the nation, showing the type of structure, size, water, toilet and lighting facilities, estimated value, occupancy status, owned or rented, number in home, refrigeration, heating equipment, mortgage indebtedness, interest rate, type of lender.

Facts covered in the agricultural survey will be the number of farms, acreage, acreage by crops, values of land and buildings, amount of value of crops sold, mortgage indebtedness and workers.

W. L. Austin, director of the census in Washington, D. C., this week issued a statement in which he stated in part:

"I cannot stress too strongly the confidential nature of individual census reports.

"They cannot be used for purposes of taxation, regulation or investigation. They cannot be furnished to any other agency of the government. They are made confidential by act of congress. In view of certain misstatements on this subject, I wish to point out that acts of congress cannot be set aside by executive order.

"The 1940 census will provide a standard of measurement for our country and our cities for the next 10 years.

"It is the duty of every resident to help make this an accurate, complete inventory of our people, our homes, [illegible]

"Let's all answer the questions freely and honestly, secure in the knowledge that throughout its 150-year history the census bureau has kept faith with the American people."

Ose Bros., Local Road Contractors, Awarded Marshall County Jobs

Alley and Son, Roseau, and Ose Brothers, Thief River Falls, were the successful bidders for Marshall county highway construction projects at a letting by the county board of commissioners Wednesday in Warren, says the Warren Sheaf.

Contracts awarded call for an expenditure of $26,202.46 on 33.33 miles of road work on both county aid and state aid systems. Alley and Son bid 5 cents a yard for excavation on two sections of the awards in the first and third districts, while the Ose Brothers bid was for 7 cents a yard on two sections of work in the fourth and fifth districts, said H. I. Knutson, assistant county engineer.

The Roseau firm bid for Highways 2, 27 and 29 totaled $4,780.70 and for roads 4, 5A, 6 37 and 52 the total was $8,263.68. Ose Brothers bid for roads 8 and 40 totaled $6,537.57 and for roads 42, 59 and 60 the total was $6,620.42. There may be some slight changes in the figures, as they are only preliminary.

There were eight contractors bidding for the various projects.

CHILD DRINKS GASOLINE

Detroit Lakes—Douglas Rennewanz recently underwent the most unusual experience of his young life and survived it without any apparent injury. Bees Have Crop Trouble

The honey production of bees is affected by wet and dry weather pretty much as farm crop production is.

PUBLIC OPINION

Editor the Times:

During the past five years mingling discussion with active endeavor by a number of R.E.A. enthusiasts has given to the Thief River Falls and Red Lake Falls communities the assurance of Rural Electrification.

Looking at the map and sizing up the area covered by the now proposed line, one gets the impression that a comparatively small part of the country is to be benefited. The significant thing is the fact that the R.E.A. is here and ready to serve the community people whenever they make feeder lines possible.

You hear sometimes that farmers can't afford electric power. It is considered something of a luxury. However, these same people will all agree that if farmers could receive electric energy on the same basis as city dwellers, that it would be a fine thing. Farmers wouldn't only use the electric energy for light and household furnishings, "so as to make work somewhat easier for the deserving farm women," but they would also be able to equip the farm with small motors to care for such work as pumping water, running cream separators, electric radio, etc. This would make for practical economy of power and certainly would be a welcome source of light on the farm.

Some people are unfamiliar with the cost of getting this electric power to their farm. But the fact is that there is no cost except that $5.00 membership which must be paid at the time of signing the application. When you have your buildings wired you will be hooked up and the only cost after that is your monthly bill.

The thing of importance now is to have as many of the people in these communities as possible belonging to the R.E.A. hook-up. The more members they have, the more practical will be the association. It is of the utmost importance at this time that the farmers in the communities tributary to the present line get busy, assist one another in signing up all interested farmers and have their membership application delivered to the board of directors of the Red Lake Electric Cooperative Assn. The directors then can forward to Washington these applications for a "B" allotment and possibly have an approval of same in time so that such building can be completed in connection with the main line to be built during this coming summer. If this is accomplished it will mean that a great many more than the map now shows can have the immediate benefit of Rural Electric energy in these communities.

The directors of the assn. will be glad to furnish you with full particulars as to membership applications and any other information desired before signing up. Anyone should feel free to ask the directors for any information needed. In Pennington County we have S. E. Hunt, Thief River Falls, and Stephen Singer, Goodridge, as directors. Should there be a desire for a community meeting anywhere in Pennington or Marshall counties, the above mentioned directors should be consulted for information. It would probably be well to make arrangements to have someone familiar with the electrification program to explain the entire set-up.

Yours for an immediate action in signing up your own neighbors so that you might take advantage of the rural electrification power which will be waiting for you whenever you have your feeder lines completed.

PAUL ENGELSTAD.

RATINGS GIVEN IN SPEECH CONTEST HELD ON TUESDAY

Annual Region Eight Event Conducted at Lincoln High School

In the Region 8 speech contest conducted Tuesday in the Lincoln high school auditorium, Robert Kirkconnell of St. Hilaire was given a superior rating in original oratory, while James Borreson of this city received a rating of very good in oratorical declamation.

Marian Dahl of Kennedy also was given a superior rating in original oratory, while those classed as very good included Grace Dawe, Stephen; Beata Iverson, Mahnomen; Rolland Hafdahl, Indus; and Lyman Wiberg, Gonvick.

In extemporaneous speaking Astrid Anderson of Warren and Leona Mae Sharbonne of Mahnomen were graded superior and Gordon Rasmusson of McIntosh, very good. In interpretative reading superior ratings were given Mary Jane Ogden, Park Rapids and Ardith Glain, Fertile; with ratings of very good for Lowell Helberg, Twin Valley; Francis Whallin, Stephen; Roald Eide, Fertile.

In oratorical declamation, Ruben Gull, Erskine, and Dane Nordine, Karlstad, were rated superior, while Viona Johnson, Crookston; Carley Jane Peterson, Lancaster; Howard Christianson, Fertile; and Sigrud Linseth, Borup, were given ratings of very good.

Judges of the contest were Norma Gooden Ostby of Concordia college, Moorhead; Pearl Wilmers, Moorhead high school; and J. P. Schroeder of Moorhead teachers college high school.

Thief River Motors, Inc., Gets New Ford Tractor

Thief River Motors, Inc., this week received the first carload of the widely heralded new Ford tractor with Ferguson plow, the shipment being part of a solid trainload received at Fargo. The tractor is reported to pull a two-bottom 14-inch plow with ease and to give remarkably low fuel consumption, the average being one gallon an hour. The tractor with plow attached can be turned on an eight-foot headland, and can be worked in fence corners.

Resort Workers School Slated to be Conducted at Eveleth April 15th

Minnesota's second annual school for resort workers will open on April 15th at Eveleth and be in session until May 31, according to an announcement made by Victor A. Johnston, director of the state tourist bureau. The announcement is contained in a letter sent out to all the resort owners of the state. Mervin S. Clark, head of the bureau's safety service is in charge for arrangements of the school.

This school, the only one of its kind in the country, is sponsored by the state conservation department and emphasizes tourist and vacation safety. The National Youth Administration cooperates to the extent of paying those who attend enough to cover food, lodging and incidental expenses. The students must be eligible to the NYA roster, young men from 18 to 25 years of age.

The six weeks course is manned by competent instructors who give instructions and training required by good resort employees. The students are taught first aid, life saving, outboard motor care and operation, fly casting, bait casting, general handling of fish, and other subjects the knowledge of which contribute to the making of valuable and dependable resort workers. If at the completion of the course, they meet the various tests, they are certified as qualified resort workers and available for resort employment.

VARIED WEATHER PREVAILS IN THIS AREA PAST WEEK

Nine Inches of Snow, Rain and Lightning are Features of the Week

Following a week of extremely variable weather in which this section received a snowfall of approximately nine inches, together with a heavy shower of rain and sleet Tuesday evening, accompanied by thunder and lightning, weather conditions this morning gave promise of a turn to more seasonable conditions.

Six inches of snow came last Thursday night, and two to three inches more Tuesday night. Sleet that followed Tuesday's rain placed a heavy burden on trees and shrubbery, as well as on telephone lines.

A. J. Rau, manager of the local office of the Bell system, said service out of the local office had not been impaired by the storm, altho it was reported that some poles were down west of Goodridge. The mercury reached a high mark of 40 on Monday and again Tuesday.

State Will Celebrate Winning of National Traffic Safety Award

The Minnesota Safety Council's annual award presentation dinner this year will be turned into a statewide celebration of a new high mark in the saving of human life. Occasion for the celebration will be Minnesota's national victory in having been awarded first place among midwestern states in the National traffic safety contest conducted by the National Safety Council.

M. J. Hoffman, state highway commissioner, was notified of the national honor last week. Other winning states were Rhode Island in the east, Oklahoma in the south and Washington in the west.

Minnesota's success in the traffic safety field was achieved under the slogan "Go-For Safety," adopted last year by the various governmental and civic agencies cooperating in the coordinated Minnesota safety program, inaugurated at the beginning of the year by Governor Harold E. Stassen and A. V. Rohweder, state safety council president.

Local safety leaders from throughout Minnesota, whose cooperative efforts are in great part responsible for the state's notable showing in reducing the traffic fatality rate 12.6%, saving 45 lives during 1939, will assemble in Minneapolis April 15 for the Minnesota Safety Council's award presentation dinner.

Not only will they celebrate the national award, but the program, which will be held in the Nicollet Hotel, will in turn bestow state honors upon those cities, counties, organizations and individuals whose outstanding safety records helped achieve that national honor.

Governor Stassen will present bronze plaques to representatives of four Minnesota cities and four counties having the lowest 1939 traffic death rates in their respective population classes. As announced by President Rohweder, the winners are St. Paul, Austin, Fergus Falls, and Two Harbors and St. Louis, Polk, Murray and Traverse counties. Honorable mention certificates will be given to Winona, Virginia, Chisholm and St. Peter and to Ottertail, Stearns, Winona and Clearwater counties.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

The City Council of the City of Thief River Falls, Minnesota, met in adjourned session in the Council Chambers in the Auditorium and Municipal Building on March 28, 1940, the meeting was called to order at eight o'clock P. M. with all members present.

Report of operations for the fiscal year of 1939 of the City Clerk's Office was presented and on motion of Alderman Myhrum, seconded by Baker and carried, the same was accepted and ordered filed.

The Council then proceeded with the canvass of the vote cast at the Special Election held on March 12th, 1940 on the question "Shall the City of Thief River Falls, Minnesota, issue its negotiable coupon Electric Light Plant Bonds in the aggregate principal sum of not to exceed One Hundred Thirty Thousand ($130,000) dollars maturing serially three to thirteen years from their date and bearing interest at the rate of not to exceed Four (4%) per centum per annum for the purpose of providing funds for improving the Municipal Light and Power Plant of said City" and found the question carried with the following result. Total number of votes cast and counted 471. In favor of issuance of bonds 3[illegible] and against issuance of bonds 1[illegible]. Alderman Baker introduced a resolution declaring the question carried with the aforementioned result and moved adoption of the same. The motion was seconded by Alderman Myhrum and the resolution duly adopted.

A communication signed by Rev. A. I. Merth, local Director of the National Organization for Decent Literature was presented and read the same requesting the cooperation of the City Council in its campaign for eradication of sale of undesirable literature within the city. Alderman Sande introduced a motion that the Council indicate its endorsement of such campaign which motion was seconded by Alderman Kinghorn and unanimously adopted.

Dr. O. F. Mellby representing the Civic & Commerce Association appeared before the Council with the request that the city sponsor and undertake again this year the spraying of trees for eradication of insect pests, advising that the Forestry Department of the State of Minnesota would furnish equipment and spraying materials for the sum of $[illegible]; the city to furnish a crew of men to assist in operations in addition to paying the rental of equipment. Alderman Kinghorn introduced a motion that the Clerk be instructed to advise the Forestry Department of the Council's acceptance of their proposition and that they place the name of this city on their list for early spraying at the discretion of the department. The motion was seconded by Alderman Salveson and unanimously adopted.

Application was presented by Harfield Henson for permit to construct a garage on Lot [illegible], Block 2[illegible], Original Townsite, estimated cost of $[illegible]. Motion was made by Alderman Baker that said application be approved and granted, which motion was seconded by Alderman Salveson and adopted.

Application for a reduction in assessed valuation of real estate was presented by Torbjor Nesset owner of Lot 8, Block 3[illegible] of the Original Townsite, requesting a reduction from $[illegible] to $[illegible]. Applications of Merle Lindberg and Carl M. Holland for reductions in assessed value of personal property and real estate, previously presented and referred to the Tax Committee were also brought up for consideration. Alderman Sande moved that the assessed value of property of Torbjor Nesset be reduced from $[illegible] to $[illegible] and that the application of Merle Lindberg and Carl M. Holland be rejected and that the Clerk be instructed to transmit such recommendation to the County Board of Pennington County. The motion was seconded by Alderman Baker and adopted.

In the matter of proposed sewer extensions in District No. 6, Bridge Street Crossing to Knealo Avenue and on Knealo Avenue, Bridge Street to Massey Street in which the engineer in charge presented a statement of costs in the amount of $[illegible], Alderman Kinghorn introduced a resolution approving such costs and authorized the proceeding of the work at once under the City Wide Works Progress Administration program. The motion was seconded by Alderman Salveson and the resolution was passed and adopted.

The matter of lease with Math Barzen Company covering the land in Mill Reserve on which it is the intention to locate their rebuilt seed plant, was discussed and Alderman Baker introduced a resolution determining to lease to said Math Barzen Company a certain piece of land on the west side of the present Great Northern spur tracks at a rental fee of $[illegible] per month, such lease to run for a period of ten years and moved adoption of the resolution. The motion was seconded by Alderman Kinghorn and adopted.

On motion duly made and carried the meeting was declared adjourned to Tuesday, April 2nd at eight o'clock P. M.

RESOLUTION

At an adjourned meeting of the City Council held March 28, 1940, Alderman Baker, seconded by Alderman Kinghorn introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that, whereas, the City is the owner of certain lands in Porter's Addition to the City of Thief River Falls, which has heretofore been occupied by the Math Barzen Company, and its predecessors and interests under a lease dated March [illegible], 1925, and

WHEREAS, the Math Barzen Company are desirous of entering into a new lease for a portion of said property,

NOW THEREFORE, BE IT RESOLVED That the Council do hereby determine to lease to the Math Barzen Company the following described real estate, to-wit:

A piece of ground located on what is designated as "Mill Reserve" in Porter's Addition to Thief River Falls, Minnesota, and which land is bounded on the north by Riverside Drive, on the east by the railroad track or spur, now located over and across the said "Mill Reserve" as it is presently located, on the south by the old Mill Race located on said Mill Reserve and on the west by Mill Street and being a piece of ground about 1[illegible] feet long by 100 feet wide.

ROLL CALL.

Such property is to be leased for a period of ten years at a rental of Fifteen ($15.00) Dollars per month and the lease to contain an option that said lease may be extended for an additional period of ten years at the request of the Math Barzen Company, or its successors, but at a rental to be determined by arbitration.

BE IT FURTHER RESOLVED, That the City Clerk and the Mayor are hereby authorized to enter into a lease for said premises on the foregoing basis, such lease to be in the form approved by the City Attorney.

Aldermen voting Yes: [illegible], Salveson, Baker, Myhrum, Kinghorn, Sande.

Aldermen voting No: None.
Resolution declared passed.
EMIL [illegible],
President of the Council

RESOLUTION

At an adjourned meeting of the City Council held March 28th, 1940, Alderman Baker, seconded by Alderman Myhrum introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that whereas the City Council did on the 20th day of February, 1940, determine to issue and sell the negotiable interest bearing bonds of said City in a sum not exceeding a sum of $130,000.00 bearing interest at the rate of not to exceed four per cent per annum in order to provide certain improvements for the Electric Light and Power Generating Plant of the City, and did also determine to submit the proposition of issuing said bonds to the qualified electors of said City at a special election to be held in said City on the 12th day of March 1940, and it appearing that such election has been duly and legally called and held, and that the judges and clerks appointed to officiate at said special election have heretofore made their return and the Council having duly canvassed the result of said election as returned by the judges and clerks from the various wards of the City, and it having been found that 3[illegible] electors voted "Yes" on said proposition to issue such Bonds, and that 1[illegible] voted "No."

NOW, THEREFORE, BE IT RESOLVED That such canvass is and hereby is approved and adopted.

ROLL CALL.

Aldermen voting Yes: [illegible], Salveson, Baker, Myhrum, Kinghorn, Sande.

Aldermen voting No: None.
Resolution declared passed.

City Clerk.

RESOLUTION

At an adjourned regular meeting of the City Council held March 28, 1940, Alderman Kinghorn, seconded by Alderman Salveson, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that, whereas certain property owners in First Lake Rapids Addition to Thief River Falls fronting on Knealo Avenue and on Bridge Street within Sewer District No. 6 have heretofore petitioned the City Council to extend the existing sewers along Bridge Street between Merriam Avenue and Knealo Avenue from Bridge Street north to the intersection of Knealo Avenue and Massey Street and the City Council having referred the matter to [illegible] Quist, Acting City Engineer, and the said Engineer having estimated the cost of such sewer extension and having drawn plans and specifications and tabulated the result of his estimate of the cost and having reported the same to the City Council.

NOW, THEREFORE, BE IT RESOLVED That such plans, specifications and estimates of cost be and hereby are adopted and ordered to be filed with the City Clerk of the City, and the City Council does hereby determine to construct said sewer extensions with such plans and specifications and it further appearing to the Council that all labor for the construction of said sewers may be obtained from the Works Progress Administration, and without cost to the City, and it further appearing that the probable cost of the material for such sewer extension along Knealo Avenue is $[illegible] and that the estimated cost of the material for the sewer extension along the Bridge Street is $[illegible].

BE IT THEREFORE RESOLVED That the City direct the purchase of the materials for such sewer extensions and both thereof and cause the work to be done by day labor furnished by the Works Progress Administration.

ROLL CALL.

Earlier Names of Alcatraz Island

The name Alcatraz as applied to the island on which the prison is located was first known as "White Island" or "Bird Island." As early as 1797 it was referred to as "Isle de Alcatraz." That word was applied by Mexicans to pelicans or albatross that inhabited the island. Other authorities claim that the word goes back to the Arabic, and was used to express the idea of recovery from a retort. The Mexican definition is the accepted one.

Grasshopper Plagues

A grasshopper plague occurred in the United States in 1856, and another occurred from 1874 to 1877. The latter plague, which extended over a period of three years, caused widespread ruin throughout the whole region between the Mississippi river and the Rocky mountains.

Official Paper of Pennington County and City of Thief River Falls

According to the law of averages the ice should be out of the river here by next Wednesday. It isn't likely that that will be the case this year. Those who are getting a little impatient with the backwardness of the season might get some consolation out of the fact that over in Europe the Danube River is expected to be six weeks late in opening for traffic this year.

The large number of guesses as to the size of Thief River Falls that have been registered at the office during the past week indicates a great deal of interest in the result of the census now being taken. It may take some time before the winners of the contest can be determined. The final official figures will have to be used and they will not be available until the country-wide census has been completed. The unofficial returns probably will not be changed a great deal however so in the course of a couple of weeks we should at least know who guessed close.

After Bemidji was eliminated last week, basketball fans hereabouts pulled for Breckenridge for the state championship and felt good when the cowboys came through. It was another victory for northwestern Minnesota, a corner of the state that has won top honors at least six times of the last fifteen starts.

A good idea came in over the counter this week. It was a suggestion that numbers should be given to the avenues of the city instead of their present names, thus simplifying the problem of locating places. Streets now designated by names would also be changed to numbers of course. A change of this kind cannot be effected without causing considerable confusion but that would be only a temporary result. Within a year the change would be greatly, and permanently, appreciated. The city made a good start in this direction a few years ago when Bridge and Johnson streets were changed to First and Third respectively. With these two streets already numbered, the problem of a uniform system of numerical designation on both sides of the river is comparatively simple.

If it is desirable that we find additional projects for relief labor during the coming year, consideration might be given to the building of a mausoleum and chapel at the cemetery. There is an abundance of rock in the community that could be used to good advantage in the construction of such buildings.

American domestic airlines have completed a year of service without a fatal accident. The record is attributed in part to improved equipment and in part to cooperation among competing companies in the interests of safety. During that period more than two million passengers were carried nearly a hundred million plane miles. It is an impressive record and indicates definitely that aviation has moved beyond the pioneer period of its development.

Nearly 70% of the world's total monetary supply of gold is now owned by our government and shipments continue to pour in from all parts of the world. As long as our government continues to pay $35 an ounce the yellow metal will continue to come and will be buried, with the 18 billion dollars worth that we already have, under the ground again down in Kentucky. The government is in the position of the fellow who has a bear by the tail, afraid to hold on and afraid to let go. If the buying is stopped then the price will drop and a tremendous loss will be suffered on the gold it already owns. As it continues to buy, the usefulness of gold as a medium of exchange continues to decrease. Sooner or later we probably will have to take the loss. Under the circumstances it would seem that the wise thing for the government to do would be to encourage the use of gold coins instead of putting people in prison for having them in their possession.

OF LASTING BENEFIT

(Worthington Globe)

Nobles county farmers have a [illegible] opportunity this year to [illegible] the happiness of rural life for future years. They are being urged to plant new groves of trees around the farmsteads and a way has been found to defray a good share of the expense of such plantings.

The farm is a busy place [illegible]

[illegible]

A wise man said: "It takes a hundred years to grow a great oak; for a [illegible] three months is sufficient."

A tree will pass on in its growth and its usefulness increases with the passing of the years.

Every farm wants a good grove of trees. The way to have one is to start now.

The pioneers felt that way about it and as a result Nobles farmsteads boasted many a beautiful grove. But a generation of trees has passed. We need a new generation of trees.

SILVER AT FANCY PRICES

(Detroit Lakes Record)

What a blow it will be to the western silver-producing states when and if a national administration ceases to buy minted silver at a price so far in excess of its real value—either nationally or world-wide. At the moment the New Dealers have paid out (since 1934) $167,919,383 for American mined and $912,822,539 for foreign mined silver—all to be buried in vaults at West Point and New York. How a determined bloc of much-heeded politicians can sway congress and an administration is pointed out by the fact that western senators declared 400,000 men would be employed if and when the Silver Act was inaugurated, but the true figures show only 56,000 men are engaged in the mining of both gold and silver, generally found in unison. The importance of silver is only .07 of 1 per cent in a list of 784 American commodities, and what will ever be done with the huge amount now in storage not even the New Deal braintrusters venture to say.

NOT A COMPLETE ANSWER

(Morris Tribune)

The Works Progress Administration has been to considerable trouble and expense in preparing and sending to the newspapers of the country a report on the projects carried on in the nation, and in each state, county and city. Free mats of illustrations are furnished the newspapers. The report, so far as it covers Stevens county and the city of Morris is published elsewhere in this issue.

The report is impressive of the things that have been done. 250,000 projects in the country at large, of which those done in this community are probably fair samples. The projects vary widely in their degree of usefulness, and the program is entitled to neither blanket condemnation nor blanket commendation. Certainly some of it has been useful; certainly much of it has been waste.

The report is obviously bureaucratic propaganda, issued for the purpose of "selling" the WPA to the public. It is propaganda rather than news because the report is so one-sided in that it reports only on the projects which have been undertaken with no report whatever on the cost of the undertakings. Quite naturally, no facts are presented on which an interested citizen might form a judgment as to whether the WPA policy is wise; he is shown only what has been done and invited to say that it is good.

Granting that the WPA has engaged in some useful projects and even granting that it has temporarily helped on the employment problem, yet the report provokes such inquiries as these:

Is an attempt being made by WPA officials to perpetuate their jobs by trying to create a favorable public opinion that will perpetuate the WPA?

If these projects were useful but were not undertaken because the various communities could not afford them, then how can the nation afford them when the nation is only these same communities taken together?

What will be done when the money runs out? The WPA is all part of the New Deal program of spending borrowed money, which some day will have to be paid back?

Does the country owe every man a job? If so, what is going to be done as the supply of "useful" projects is exhausted? Will the projects then become less and less useful until the only purpose is to spend the money?

These are only a few of the questions that arise in connection with WPA. People will want to know the answers but will not find them by being told that a new building, a new playground or a new dam constructed at enormous public expense is the whole answer.

ANIMAL LONGEVITY

(Duluth Herald)

Anna, a dignified lady horse of 39, which had enjoyed some fame in the cinema, theatrical and operatic worlds, working with such artists as Enrico Caruso and Rudolph Valentino, died at Hackleboro, N. J., Friday.

Her owner called her the oldest horse in the world. Yet Carl W. Neumann, who devoted much time to research in the field of animal longevity, put the maximum life span of a horse at somewhere between 40 and 50 years. This, of course, may include a long period of decrepitude which Anna was spared.

This whole subject of animal longevity is fascinating, though. Neumann listed the elder duck, giant tortoise, goose, parrot and raven as creatures which have a life span reaching to somewhere between 200 and 300 years. In the 100-200 bracket he put the elephant, falcon, pike, carp, vulture, golden eagle and swan.

Just what these figures are worth is hard to say. It is no accident that the really old human beings are nearly all persons who were born in places where no vital statistics were recorded a century or more ago. Birth records for wild animals and for the less valuable domestic ones are non-existent, as a rule, though there are ways of estimating the ages of some kinds of birds and animals.

The supposedly superior human race can still learn a few things from the animals. Certainly the goose, parrot and raven show that stupidity, ceaseless chattering and a gloomy outlook on life need not shorten it.

BASKETBALL TOURNAMENT

(St. Paul Dispatch)

Various cities and areas in Minnesota are brought into friendly competition many times during the year but no other event brings the spirit of rivalry that is to be found in the state high school basketball tournament which will take place at the St. Paul auditorium this week. Basketball has become Minnesota's major high school sport. [illegible] and the well organized district and [illegible] competition have brought a real meaning to the state championship. It is a sport in which the large and small schools can compete on an even basis. Mountain Lake with a population of 1,400, smaller than the enrollment at some of the city high schools, won last year and again has qualified for the state tournament. No other sporting event in the state brings a greater degree of sportsmanship and competition than the series of basketball games that will take place at the auditorium starting Thursday.

One should never be surprised at kindness. It is the expression of the naturalness of good people are always being kind. The story of a Canadian soldier in England who never received any mail aroused the sympathy of thousands, and now he is swamped with letters for him. A woman from "the States" traveling in Canada was able to help the only other woman passenger on the bus. Returning to Montreal, the American woman forgot her purse, but found it being smilingly handed her by the stranger she had befriended. A needy Boston taxi driver returned an envelope containing a large sum of money a girl had left in his cab. She rewarded him with enough to buy his license. A girl on a street car drops her armful of bundles. Half a dozen bend down to help her. A busy official pauses on the street to give careful directions to a bewildered woman. Kindness is not unusual or abnormal. Like "the quality of mercy," it is not forced, but "droppeth as the gentle rain from heaven."—Christian Science Monitor.

Looking Backward

1930—TEN YEARS AGO

At a PTA meeting Supt. Morris Bye cited figures showing the need of adding to the facilities of Lincoln high school.—The U. S. Senate this week passed a bill authorizing a new postoffice building for this city.—Dr. A. E. Jacobson was named to succeed H. E. Nelson as president of the Rotary club.—Robert J. Lund was appointed manager of the local wool pool.

1920—TWENTY YEARS AGO

Within a short time local businessmen pledged $1,600 of the $2,000 sought to finance local experiments in sugar beet culture.—With a total of 174 votes cast in a special school district election, the issuance of $135,000 in bonds for a new school building was approved by a vote of 137 to 37.—Frank McKnight, pharmacist at Lambert's drug store, left to accept a position in Pittsburgh.—Otto Gullingsrud and family left for Grand Forks where they plan to reside.—T. H. and W. J. Smith returned from a four-months visit in England.—Judge Mike Holm of Roseau has announced his candidacy for the office of secretary of state.

Rabies Affects All Animals

Rabies is a disease primarily of the dog, but it may also affect all other animals and man. It is caused by a virus which is found in the saliva of animals suffering from the disease. The disease is contracted when saliva containing the virus gains entrance through the skin.

Determined by Sound Alone

Parmesan cheese is believed to be the only manufactured food whose maturity is determined by sound alone. Experts ascertain the degree of ripeness by the tone produced when they tap the cheese with a little silver hammer, says Collier's Weekly.

Card of Thanks

The kindness and sympathy of neighbors and friends at the death of our beloved husband and father, will always remain with us a precious memory. We sincerely thank all who assisted us, and all who contributed to the floral offerings. Thanks to Rev. Berg for his comforting words, and the Mellem sisters for the songs. Mrs. Cleve Bergum and girls Avis and Arlene. 1tp

In Loving Memory

In remembrance of Mrs. Amelia Landman who passed away one year ago:

Gone, dear mother, gone forever,
How we miss your smiling face,
But you left us to remember,
None on earth can take your place.

A happy home we once enjoyed,
How sweet the memory still,
But death has left a loneliness,
The world can never fill.

Mr. and Mrs. Fred Landman. 1tp

In Appreciation

A sincere thanks to Rev. and Mrs. Wiberg, the Covenant church, the Scandinavian Ev. Free church, and the many friends from St. Hilaire and vicinity, Rosewood, Viking, Warren, Roseau, Crookston, Kennedy, Bronson, and Grand Forks, who braved the heavy roads to be present at the grand surprise for me on my birthday the 29th of March. For the gift, the many kind words, and good wishes, a hearty thanks. God bless you all. Rev. O. J. Lundell. 1tp

In Memoriam

In memory of our dear husband and father who passed away four years ago, April 4th:

A precious one from us is gone,
A voice we loved is stilled,
A place is vacant in our home
Which never can be filled.
God in his wisdom has recalled,
The boon his love has given
And tho' his body slumbers here,
His soul is safe in heaven,
Where neither sorrow, sin nor death
Shall ever enter more.

Mrs. Magda Blackstead, Elma and Arthur, Mr. and Mrs. I. R. Gesvig and family, Mr. and Mrs. Olvin Blackstead and family, Mr. and Mrs. Adolph Blackstead, Mr. and Mrs. Orin Drangstveit and family. 1tp

BRECKENRIDGE IS WINNER OF STATE CAGE TOURNAMENT

Defeats Red Wing 43 to 40 in Finals Saturday in St. Paul

In a state tournament at the St. Paul Auditorium characterized by evenly matched teams, a strong Breckenridge high school quintet Saturday evening won the state basketball championship by defeating Red Wing 43-40. Bemidji, winner of the Region 8 title, was eliminated in the first round by Breckenridge 38-26, losing a consolation game Friday to Chisholm 41-35.

Other first round results were: Minneapolis Marshall, 31; Chisholm, 29; Mountain Lake, 29; Tracy, 23; and Red Wing, 33; Rochester, 30. In the semi-finals Red Wing defeated Mountain Lake 30-26; and Breckenridge upset Minneapolis Marshall 32-30.

Marshall won the third place playoff by defeating Mountain Lake 32-27, and Chisholm won the consolation title game from Tracy 35-30.

SPORTSMEN HERE MAKE PLANS FOR 1940 CROW HUNT

Chairman Harry Myrom Says Contest Will Continue Until June 1

At the April meeting of the Pennington County Sportsmen's club in the Civic and Commerce association rooms, plans for the club's annual crow hunt were announced by Harry Myrom, chairman, who stated that hunting will commence at once and will continue until June 1.

Following last year's procedure, teams will be drawn from membership cards, with Art Larson and Melvin Simonson, high scorers in 1939, as captains of the two teams. Prizes will be awarded for individual high scores, and a feed will be furnished by the losing side at the close of the contest.

A challenge from the Red Lake Falls Sportsmen's club for a contest thruout the hunt was accepted, and Chairman Myrom urges all sportsmen to get out and do their part. He added that woodchucks also will be included in the hunt, and will count the same as crows.

LOCAL DEMOLAY QUINT TAKES PART IN STATE TOURNEY

Bows to South St. Paul in First Round of Event by 31-30 Score

Members of the Thief River Falls DeMolay quintet, accompanied by their coach, Roy Oen, returned Sunday to their homes here after having participated in the state DeMolay basketball tournament last week-end at Cooke hall on the University of Minnesota campus.

The local team lost out by the close margin of one point to South St. Paul in the first round of the tourney, the final score being 31 to 30.

Tracy won the championship of the tournament by defeating the Hibbing DeMolay team 30-24, and South St. Paul won third place by defeating Minneapolis Franklin by the one-sided score of 40 to 8. Teams representing Virginia and Duluth were eliminated in the semi-finals.

Lincoln Interclass Basketball Tourney Held Tonight, Friday

The Lincoln junior-senior high school interclass basketball tourney is scheduled in the high school gymnasium tonight and Friday evening, and its progress will be closely followed by local fans who are interested in noting what material is in prospect for future Prowler teams. In the first round tonight there will be contests between seventh and eighth grade teams, freshmen and sophomores, and juniors and seniors. In addition to the championship game Friday night, a consolation game will be played and there will be a thrilling exhibition game between the faculty men and the Cowboys.

Thief River Falls, With Two Fatalities, Is Given Rank of 18th in Division

With two traffic fatalities in 1939, Thief River Falls ranked 18th among 19 Minnesota cities having populations ranging from 3000 to 6000, it was revealed in the annual report of the Minnesota Safety Council. Thirteen cities in the group reported no traffic deaths during the year. Pennington county was ranked 26th among 40 counties with populations ranging from 10,000 to 20,000, only one county in the group, Murray, reporting no traffic fatalities in 1939.

Two Men Fined Monday on Drunken Driving Charge

Two men were taken into custody over the week-end on drunken driving charges, and when brought before Judge Lincoln Arnold in municipal court Monday were each given the option of paying a $30 fine or serving thirty days in jail, in addition to which their drivers' licenses were revoked. One of the men, Roy F. Erickson of Rosewood, was arrested by local police on LaBree av. N., while the other, Louis Hruby, was arrested by the highway patrol.

Social Security Board Allots State 2 Million

The regional social security board has approved more than $2,000,000 in public assistance grants to Minnesota, Fred M. Wilcox, regional director, said Monday. Wilcox said the board had approved an old-age assistance grant of $1,358,945 for the months of April and May. For aid to the blind, the board granted $42,478 and $432,144 in aid to dependent children for the quarter ending June 30.

Bitney Again in Charge of Red Lake Indian Agency

Raymond T. Bitney, superintendent at Red Lake Agency for a considerable number of years prior to September 1939, has again assumed educational work at the Red Lake post, being re-assigned in the Minnesota reservation point by the Indian bureau of the Interior department. He replaces Floyd Phillips who succeeded Mr. Bitney at the time of the latter's transfer to the west coast region early last fall. Mr. Phillips is transferred to the state of Washington to fill place made vacant by Mr. Bitney's return to Minnesota. The transfer agreeably made between the two superintendents and interior officials is effective as of April 1st.

Minnesota Fur Buyers Must Report Each Day

St. Paul.—Minnesota fur buyers now must make daily report to the division of game and fish of the number and kind of pelts bought and sold, under a recent order by Director Lewis H. Merrill. This new regulation, approved by Commissioner William L. Strunk, was issued under authority conferred by Article 136, Laws of 1939, which makes it obligatory on the part of all licensed fur buyers to furnish the director with such reports as he may require for statistical purposes.

MIDDLE RIVER APPROVES BOND ISSUE OF $4,000

By a favorable vote of 84 to 40, voters of Middle River last week approved a bond issue of $4,000 to supply the sponsor's share of a contemplated WPA project to erect a new village hall.

SPORTS

Tid-Bits

By Hack Olson

The DuChamp boys and Hemmy Sahl, on behalf of the East Side, have challenged the West Side to a baseball game. There is a foot of snow on the Fair Grounds diamond, and they are tossing around challenges for a baseball game! Comes the baseball season, and with the diamond in condition for play, and these has-beens and never-wassers will be hiding in the shrubs along the east Third street parkway.

The South St. Paul DeMolay team that defeated the local DeMolays, in the tournament in Minneapolis, last Friday, 31 to 30, had a couple of boys, Sulsdorf and Vujovich, who played against Prowlers in the state high school meet last year. This isn't sour grapes, but if the locals had been dropping only a fair percentage of their free throws, Bones Stadum missed five in a row, they would have beaten South St. Paul quite easily, and would perhaps have gone on to cop the title.

Maybe we got a break when we didn't win the regional tournament, for the Prowlers would have had to enter the state tourney without Bob Kielty. Bob was down in bed with the mumps.

It's a question whether or not John Langseth will win the high average bowling title of the City League. He's rolling a 182 average for 43 games; but the league rules require a 50 game total to be eligible for the individual championship. The Kiewels, to which team John belongs, have 9 games to bowl, and if Snort can get 7 of those games on his record he will win, because he has a 5 pin advantage over his nearest rival, Harold Olson. But in either case, whether John or Harold is declared high average bowler, the Kiewels will have a monopoly on the title, because Harold is a member of that team, too, and bowling at a 177 clip.

Ole Ness of the Kiewel's D-ball team, has had a couple of "feelers" for a trade of his right fielder. But here is the rub: Ole says that he hasn't seen or heard of this right fielder, whose initals are H. W., since Jimmy Kelly hit a homerun in that field late last fall.

The inter-class basketball games are scheduled to begin tonight and, according to Andy Anderson, the sophomores are a cinch to win. Andy has made a scoring budget for himself, and you know what that means. It provides for 15 points a game for Andy.

Coach Buck Robbins, of Bemidji, thought that it was pretty nice of the local fans, and there were quite a number, who sent telegrams and letters to him and the Bemidji players wishing them luck in the state tournament. And it was a fine gesture, for it proved that while the Thief River-Bemidji rivalry is hard-fought and intense, it isn't mean or bitter.

Who's been sending flowers to Carlo Columbo? And bearing a card that reads 'To Ferdinand'?

Hartz Store Will Open in Wadena This Week

An I. B. Hartz grocery store, the 64th store to be established by the Thief River Falls company, will be opened in Wadena late this week with Orris Fladeland of Grygla as manager, it was announced in the Wadena Pioneer-Journal. Mr. and Mrs. Fladeland and their two children recently moved to that city, and J. H. Winjum, supervisor for Hartz Stores, assisted in preparing the store for the opening.

GOOD ROADS GROUP ASKS REENACTING OF 4 CENT GAS TAX

Northwest Highway Group Convenes Friday in Crookston

Poor roads cut into the attendance of the meeting of the Northwest Good Roads association, held in Crookston Friday, but the delegations from northwestern Minnesota points which were present placed themselves on record in favor of the association's campaign for re-enactment of the state 4-cent gas tax, as a permanent measure.

The meeting included two sessions, an afternoon program at the high school auditorium and an evening dinner session at the Methodist church dining hall.

Traffic safety problems were illustrated in a film shown at the opening of the afternoon session over which S. S. Daniels, president of the Northwest Good Roads association, presided. The principal address on the afternoon program was given by F. W. Moeller, of Minneapolis, secretary of the organization. He outlined the organization's program for development of sentiment in favor of the four-cent gas tax in Minnesota, and cited statistics to show the gas taxes levied by other states. These range from two to several cents per gallon with a nation-wide average of 4.7 cents, Mr. Moeller pointed out. Minnesota's rate would be below the national average even if the four cent tax were re-enacted as a permanent feature.

A. J. Powers, of Mahnomen, state legislator, was another speaker on the afternoon program. Continuing the arguments for improved highways, from the standpoint of the rural mail carrier, Mr. Powers pointed out that the carrier traveling 6,000 miles per year can operate his car for $21 less on gravel roads than on dirt roads, and for $7 less if the roads are bituminous treated or paved.

F. A. Rinkel, Walter Jung and W. E. Dahlquist of Thief River Falls were among those present at the meeting.

Cost of Administering State Relief Reduced

Expressing a demand voiced by the 1939 legislature for a reduction in the cost of administering state relief, members of the Minnesota Legislative Emergency Committee were greatly pleased when Walter W. Finke, new director of social welfare, advised the committee, at the beginning of the present fiscal year that he would and would administer relief at a cost of $25,000 a quarter for administrative expense. Finke gave members of the committee a big surprise this past week, however, when he advised them that he would not need the $25,000 for the last quarter, that $75,000 would be enough for the whole year. Cost of administering relief under the old set-up in the previous administration exceeded $250,000 a year. By reducing personnel, reorganizing activities and adopting improved methods, Finke has been able to save much of this overhead, however.

FARMER WINS $1000

Rochester—A recent winner in the Pot of Gold radio program is George Manhart, Calendonia farmer. Mr. Manhart is about 35 years old and has a wife and two or three children ranging in ages from 6 to 12. When asked what he intends to do with the $1000, Mr. Manhart replied that he doesn't know, but will "not spend it foolishly."

FARM FIRE COSTS THREE LIVES

Mpls. Star-Journal Photo

Fire roared through the John T. Nassman farm home at Kensington, Minn., last week while most of the family unknowingly completed morning milking in the barn. Mrs. Marit Ness, 86, mother of Mrs. Nassman, sleeping on the main floor of the farm house was apparently overcome when she attempted to stagger out of the house. Two children, Romelle, 5, and Mary Lou, 8, sleeping on the second floor were trapped.

SMALL LOAN ACT IS MOST USEFUL IN LARGE CITIES

Study Shows 90 Per Cent of Borrowers Are in the Larger Centers

Effect of the small loan act passed by the last legislature is confined largely to the cities, with more than 90 per cent of the loans in St. Paul, Minneapolis and Duluth, a summary of the first seven months of operation under the law made public this week by F. A. Amundson, commissioner of banks, disclosed.

Out of 115,482 loans made under the law up to December 30th, the report pointed out, 105,391 were made through firms licensed in the three large cities and restricted to areas close to these cities. In the amount of loans about the same proportion held true. The rest of the loans were made through firms operating in nine of the other larger cities of the state.

The act was sponsored largely by labor and welfare groups from the cities, with the Minnesota Federation of Labor as its most potent champion, to combat the loan sharks which have preyed upon industrial workers and other needy borrowers of the cities. Persons in straitened circumstances, without security, often got in the grip of loan sharks and were forced to pay from 200 to 500 per cent interest and sometimes 1,000 per cent and more, investigation disclosed.

The act provides for licensing and regulation of firms making unsecured loans of $300 and less and allows these companies to charge a maximum of 3 per cent a month. Most of the companies, however, are charging only 2 per cent on loans of $150 and over and 2½ per cent on the smaller loans.

One interesting disclosure brot out by the report is that the average loan is $80. The total amount of the loans outstanding at the end of 1939 was $6,239,150.

President Roosevelt States Prospects for European Peace are Dim

President Roosevelt said in a formal statement Friday in Washington there was scant immediate prospect for a stable peace in Europe but that information gathered abroad by Sumner Welles would be valuable when the time came for establishing peace.

Mr. Roosevelt declared the undersecretary of state was neither authorized to make, nor had he made, any commitments involving the United States government. Nor was Welles empowered to offer, and he has not offered, the President said, any proposals in the name of this government.

He asserted the mission definitely had brought about, through personal contacts and conversations, "a clarification" of the relations between this country and the European nations.

TRUCKMAN LOCKED IN OWN REFRIGERATED TRUCK

Perham—A truckman from Austin, who brought in a load of supplies for the Koenecke Floral Company, had a chilly time when the door of his refrigerated truck blew shut and he was unable to get out. Mr. Koenecke, not being able to find the driver, decided that he would have a look at the flowers in the truck. He opened the door and out came the driver who, after having thawed out, experienced no ill effects from his incarceration.

REQUEST BIDS ON $750,000 OF 1940 ROAD PROGRAM

Department Calls for Bids on Projects in 11 Counties

One and one quarter million dollars worth of Minnesota's 1940 state highway construction program is now ready for competitive contract bidding, M. J. Hoffmann state highway commissioner, announced this week.

Bids on the first half million dollars worth of work, advertised two weeks ago, will be opened Friday, April 5. The second big letting of the year is being advertised this week, and bids on 20 additional jobs, estimated to cost $750,000, will be received April 19.

The newly announced projects, in 11 counties in Central and Southern Minnesota, include approximately $400,000 for 46 miles of grading, $120,000 for 18 miles of stabilization and surfacing two bridges and 28 concrete box culverts.

Folden Quits Board of Holt Co-op Creamery

Patrons of the Farmers Cooperative creamery of Holt in 1939 delivered a total of 228,270 pounds of butterfat to the plant, it was revealed in reports submitted at the recent annual meeting of shareholders of the institution. H. D. Inman was elected to the board of directors to succeed T. B. Folden, who resigned after a long period of service, and J. P. Augustine and E. O. Waagedahl were reelected. Other members of the board are Carl Johnson and O. H. Nohre.

THREE LOSE LIVES IN HOSPITAL BLAZE AT ARVILLA, N. D.

Eighty Other Inmates Escape from Destructive Fire at Arvilla

Three inmates of the Grand Forks county hospital and home at Arvilla, N. D., lost their lives in a fire that late Friday afternoon destroyed the three-story brick veneered structure, driving approximately 80 other inmates and 15 employes into a snow-covered yard.

Remains of the three are buried hospital authorities believe, under a smouldering heap of brick and charred timbers in the center of the partially standing walls—all that is left of the ancient building that for years had been home to many aged men and women.

The dead: W. L. Brown, 92, Grand Forks, former school teacher, a partial invalid; John Elhers, 75, Arvilla, an invalid; Louis Granum, 69, Northwood, a cripple with one leg and partially paralyzed.

Starting near the boiler in a basement room under the south wing of the structure, the fire was discovered at 3:15 p. m. when smoke began seeping through the first floor.

Frank Gannett Cites Losses to Minnesota Farmers Since 1931

An analysis showing the average loss in income to Minnesota farm families of $660 annually since 1931, was put forward this week by Frank Gannett, Rochester (N. Y.) publisher and candidate for the Republican Presidential nomination. He advanced a program to give farmers better prices for their products, which, he said, would enable them to buy the output of industry and prove a major step toward "recovery, full employment and balanced budgets."

Mr. Gannett, himself the son of a farmer and throughout his successful newspaper career a keen student of farm problems, said the farmers' lost buying power is "prolonging our depression and was one of its principal causes."

Minnesota farmers for the past eight years on the average have annually received $134,000,000 less for their produce than they did from 1924 to 1929, the publisher declared.

"For Minnesota agriculture as a whole," he continued, "the annual average gross income for eight years, including some government payments, has been only $311,000,000. This is a drop of about $660 per farm family from the $445,000,000 average of 1924-1929.

HAMS GO UP IN SMOKE ON CAMPBELL FARM

Breckenridge — The meat of twelve hogs estimated at 900 pounds and valued at $175, and also a smokehouse in which the meat was being smoked were destroyed by fire at the farm home of John Klindt, three miles southeast of Campbell. The fire had made a great deal of headway before it was noticed by the family at 4 A. M. The fire department came too late to save the meat or the smokehouse.

LARGE CROWD ATTENDS CO-OP. STORE MEETING

A large crowd was in town last Wednesday to attend the Cooperative Store meeting for stockholders. The business meeting was held at the R. N. W. hall and it included an election of three board members, namely: T. J. Lillevold re-elected vice president; Lewis Larson, reelected director, and Henry Nygaard elected Director to replace Eric Sundberg. The meeting was called to order by Pres. Peter Bakken. Minutes were read by Sec. Ervin Anderson who also read the financial statement for 1939 which showed a nice business increase over the preceding year.

Bill Tarmo of Superior Wisconsin, a fieldman for The Central Cooperative Co., gave a talk in which he explained that the by laws of the local organization are out-dated and do not conform with the state laws. He then gave an outline of the by-laws which should be adopted. It was decided that new by-laws should be adopted next year. Pres. Peter Bakken and Manager Carl Holbrook were chosen as Delegates to attend the Central Co-operative meeting at Superior, Wisc., next month.

Following the business meeting a co-operative moving picture was shown. This showed pictures of different co-operative business ventures both in this country and in European countries.

The local store gave out free lunch tickets to the crowd.

Joint Bridal Shower

The John Rustvold home was the scene of a joint bridal shower honoring Mr. and Mrs. Russell Thieling and Mr. and Mrs. George Hanson last Sunday afternoon. A large number of beautiful gifts were presented to both couples and after these had been opened and admired by everyone a delicious lunch which the self-invited guests had brought was enjoyed.

Progressive Whist Party

Mrs. Gordon Johnson and Miss Alice Anderson were hostesses at a progressive whist party last Tuesday evening. Guests were Mrs. Helen Moran, Miss Clara Lillevold, Miss Margaret Lillevold, Miss Edna Hesse, Miss Charlotte Lloyd and Mrs. Clarence Doran. High honors went to Charlotte Lloyd and Clara Lillevold got the consolation prize.

Funeral Rites for Pioneer Resident

Last Thursday afternoon friends and relatives gathered at the St. Petri church to attend the funeral of Ole Aslakson Nystel, Pioneer of this community who passed away at his home in Ekwall township on Monday, March 25. Rev. Anderson read a beautiful and comforting message and Mrs. Clair Rod and Mrs. G. Sandland sang two songs, "Under His Wings" and "Saved by Grace" in the Norwegian language. Pallbearers were Severin Johnson, Arthur Johnson, Erving Johnson, Adrian Johnson, Hans Akre and Ele Gilbert. Interment was made in the St. Petri cemetery under the direction of funeral director Larson. We wish to express our sympathy for the bereaved.

Birthday Party

Last Sunday afternoon a group of relatives and friends gathered at the Tollefson home east of the village to help Raymond Tollefson celebrate his 24th birthday. The guests included Charlotte, Clifford, Milton, Archie, Palmer and Ray Sandsmark, Ernest and Alfred Sorenson, Ralph and Marylyn Lund, Dagne and Gladys Tollefson and Mr. and Mrs. Toju Thorpe and family and Floran Gonder. The afternoon was spent socially after which a lovely lunch was served featuring a birthday cake decorated in pink and white.

Farewell Party

PLUMMER

Gjesdal-Knutson

Miss Cornelia G. Gjesdal, daughter of Mr. and Mrs. C. K. Gjesdal of Edmore, N. D., now teaching in the Plummer high school, and Andy Knutson, son of Mr. and Mrs. Aslak Knut Knutson of Oklee, exchanged vows at 2 p. m. Thursday, March 21, in the Concordia Lutheran church in Edmore. Rev. M. A. Braaten officiated.

The bride's gown was of white moire taffeta with a double tulle skirt, and her floor length veil of net was edged with lace. Her only jewelry was a triple string of matched pearls. She carried an arm bouquet of Johanna Hill roses. Miss Crystal Gjesdal of Minneapolis, who was her sister's maid of honor, chose a frock of pink taffeta and wore a corsage of roses and sweet peas. Mrs. Helen Reitz of Devils Lake and Miss Eva Gjesdal of Minneapolis, sisters of the bride were bridesmaids and their dresses were of net over aqua satin. They also wore rose corsages.

Attending Mr. Knutson were Torkel Knutson of Crookston, best man, Edgar Reitz of Devils Lake, and Ole Knutson of Oklee.

The couple left after the reception for a motor trip to Northern Minnesota. For traveling the bride wore a navy blue and white outfit.

Ford Tractor Operates Economically

PHOTO SHOWS the new Ford tractor with Ferguson plow in action. The operator merely steers in a straight line to obtain perfect plowing results. The Ferguson system hydraulic mechanism keeps the plows at a uniform depth and operates without attention except at the ends of the field. Then a convenient, easily-operated lever is moved to lift and lower the plow when turning. The tractor pulls a two-bottom 14-inch plow with ease, and because of its light weight gives remarkably low fuel consumption, average fuel consumption being one gallon an hour. The tractor with plow attached can be turned on an eight-foot headland, and worked in fence corners.

Olympic Games SPEED KING?
It's HARD to tell... but EASY to pick a winning oil

IN ole swimmin' holes where water has filled abandoned quarries . . . and in luxurious tile pools . . . youngsters are screaming, "Hey, Dad, Watch me!"

Which one of them will be the future speed king? Of course you can't tell, that is obvious.

But when you want to choose a winning oil for your motor, the answer is easy. You have signs as bright as a beacon to guide you . . . signs you will see all around you: Orange and Black Phillips 66 Shields.

Phillips has made a great name in the petroleum industry. Phillips has built a great reputation with car owners. And Phillips tells you frankly: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer.

So pick this winning oil, when you are making the seasonal change to rid your car of winter worn lubricant. Drain and refill with Phillips 66 Motor Oil.

YOUNG REPUBLICAN STATE CONVENTION SET FOR SATURDAY

Dr. Glenn Frank to be Principal Speaker at Ryan Hotel Banquet

Governor Harold E. Stassen will speak at the annual banquet of the Young Republican League of Minnesota at St. Paul, on Saturday, April 6th, and will introduce the principal speaker, Dr. Glenn Frank of Madison, Wisconsin, League officers announced today.

The banquet, which will be held at the Ryan Hotel in St. Paul, commences at 6:30 p. m. and climaxes the League's one day convention to be held at the Ryan Hotel on April 6.

Advance reports reaching convention headquarters indicate that all counties in the state will be represented by large groups of delegates to the convention. Dr. Frank's presence as guest speaker has stimulated great interest among Republican leaders throughout the state, and it is expected that many state Republican leaders, as well as men and women prominent in Republican affairs in adjoining states, will be in attendance at the banquet.

The convention, which convenes at 9:30 a. m. is called for the purpose of electing state officers for the coming year and the passage of such resolution as may be approved by the delegates.

WARREN YOUNG LADY IS BECKER CO. 4-H LEADER

Miss Evelyn Bierbaum of Warren, a veteran in directing club work, has been named 4-H leader for Becker county in 1940. She will succeed W. H. Turner, who resigned after serving two years. The new leader took over the post April 1, according to County Agent M. H. Ostrem, who said she comes highly recommended by the state 4-H office. The appointment was approved by the county extension board.

AID FOR INJURED PARROT

Loretta, 12-year-old parrot, owned by Mrs. Al Palm of Aitkin, recently had to journey all the way to Minneapolis to have a broken leg fixed. A cast was put on the leg to protect the bone, and the straight-jacket around the neck is to prevent her from biting away the cast.

Eggs, Like Milk, Must be Cooled for Quality, "U" Farm Expert Says

A hen usually delivers her eggs to the poultry raiser in first class eating condition, but whether they stay that way or not depends on the care they receive. Immediate cooling to remove body heat is very important, especially during hot weather, says W. H. Dankers, extension specialist, University Farm, St. Paul.

Unless cooled immediately, the whites of eggs become thin and watery and the yolks flabby. At a temperature of 50 to 60 degrees, eggs lose their body heat in five or six hours, Dankers says, provided they are placed in wire baskets or spread out on wire trays where the air can circulate around them. It requires from 10 to 12 hours for them to cool if kept in a bucket, tub or box and 24 hours if they are immediately placed in the egg case. Cooling overnight in a wire basket or tray is therefore advisable.

In order to market high quality eggs it is necessary to place the cases, flats and fillers in a cool, and fairly moist place. When the cases and fillers are dry they are inclined to absorb moisture from the eggs stored in them and thus increase the air cell and reduce the grade.

Two State H. S. Bands to Go to New York Fair

With the announcement that Governor Harold E. Stassen had designated June 18 as "Minnesota Day" at the World's Fair of 1940 in New York, it was learned today that two outstanding high school bands of Minnesota, North and South high schools of Minneapolis, will represent the state officially at the fair on that date. The Fortys Fair will open May 11. The North High Band of 120 pieces had already signified its intention of playing at the Fair. Representative business and industry in the South district of Minneapolis then began an active campaign to send its [illegible] piece organization to the fair. Plans have matured rapidly, according to Carl Nobel, Chairman of the South High Board of Education, and the band will participate June 18th.

These Trees of Mine

By Mrs. E. E. Zeh

The boxelder is a near relative of the beautiful sugar maple but a poor one, born on the wrong side of the tracks, so to speak. However, like many people who are born on the wrong side of the tracks, it has its virtues and its friends. Its rapid growth will always be a strong point in its favor, in fact the strongest. Its shapeliness is another and the abundance of seed it bears makes it valuable to many birds, especially to the large flocks of beautiful evening grosbeaks that visit us in the late winter and early spring. Its sap is sweet and I am told that it can be boiled down to make a syrup similar to the real maple but as to its relative sweetness and flavor I cannot speak.

We planted a number of boxelders when we moved on the place in 1908 because the oaks seemed so small and grew so slowly, but as the other trees grew the boxelders were cut out and used for fuel. The few that remain are very large.

I have often wondered why people with a few acres of waste land don't grow them for firewood. Their growth is so rapid that even if they were started from seed it would not be an unduly long time to wait.

On the other side of the ledger are several bad marks, chief of which is the proneness to harbor insect pests. The green aphis love the boxelder and the boxelder appears to be a complacent host. Then there is the ugly red and black bug that is called the boxelder bug, though doubtless it has other names. I have spent much time, that might have been put to better use, in studying this bug. I have never caught it on the living foliage of any tree or plant either chewing or sucking. It likes a dead boxelder stump just as well as the trunk of a living one, or gathers in solid masses on the sides of the house. All places are alike if they are sunny. When so gathered, a teakettle of boiling water will kill a million a minute and, repeated often, will keep their numbers down.

I don't need to mention the little green worm. You all know him, swinging so gracefully on his slender web down from the tree that he has stripped bare of every leaf . . . down on your hat, down on your shoulder, down on your neck by the dozen. The boxelder is his best choice in food. The worms scarcely bother me at all for my birds take care of that. I do not think I saw a dozen worms last summer and they were carried down on someone's shoulder from farther up the street.

But with all its defects, do not scorn the boxelder for it has its good points and is very useful while trees of slower growth are coming into their own. And the birds and the squirrels love both the seeds and the sap.

HOG WEIGHS 1025 POUNDS

Dawson—Terry Perkins is indeed proud of the huge Poland China stag hog which he marketed not so long ago. The hog was over four feet tall, was over six feet long, and when weighed in at the Dawson Cattle Company tipped the scales at 1025 pounds.

YOUNG LADY FALLS IN CISTERN AT ATWATER

Atwater—While working at the bottom of a soft-water cistern at the Raymond Thorp farm home, Andrew Gren was floored by the impact of a body from above. Leone Dickman, visiting at the Thorp home, innocently stepped into the opening of the cistern and fell through. Miss Dickman considers herself lucky that Mr. Gren was there to break her fall. Neither was seriously injured.

Business is Good, Thanks—so you'll get plenty for your old car and more in your new one at your Buick dealer's

Above is the Buick SPECIAL 4-door touring sedan $996*

WE'RE talking here to those thousands who have not yet achieved a lifetime ambition. That is to say, they don't yet own a Buick.

We want to point out a few facts about the Buick SPECIAL pictured here—show how it swings wide the door on a golden opportunity.

Step into this sleek sweetheart. Your treadle foot touches off a trigger-quick Dynaflash straight-eight engine that's just about the smoothest thing that runs, thanks to micropoised-balancing after assembly.

Swing through the gear changes and you find the same easy, finger-flick shifting as in the most costly Buick. And the same recoil-mounted Knee-Action soaking up bumps before they reach your hand on the steering wheel.

Take a rough road in stride. You'll find that stout BuiCoil Springs muffle out the bumps—and they'll never need lubrication.

Look out through the easy-vision Safety Plate Glass in every window. Check up on the equipment: Two-Way Direction Signal with automatic cut-off, built-in automatic choke, oil-filter, high-capacity water pump—they're all there.

Here's the smart style, the blithe performance and the solid, substantial Buick quality of materials and workmanship that make this the car you've been looking forward to.

Yet the figures on the SPECIAL make you think it's a six instead of a husky straight-eight. Indeed, when you count in the included equipment, it costs no more than some cars with lower advertised prices.

So look into the Buick SPECIAL. See if this isn't the time to "step up" to the car you've always wanted.

You can take a trial drive any time just by asking your Buick dealer.

Prices begin at $895 for Business Coupe—Sedan prices start at $935—
*delivered at Flint, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

BULL DIES IN MID-AIR ON EDEN VALLEY FARM

Eden Valley—As strange a sight as one might see greeted Mrs. Fred Reinke and her son-in-law's family as they returned to their farm. In the middle of the farmyard, impaled on a six-foot post, was their valuable bull, dead. It is believed that the 1500-pound animal, in playing with other stock in the yard, reared into the air and came down atop the post.

James Sculthorp left Tuesday for his home in Fordville, N. D. after visiting for a few days with his son and daughter-in-law, Mr. and Mrs. Ronald Sculthorp. While here he also visited with the A. J. Berg, C. E. Carlson, and Martin Carlson families. He motored here with Mr. Cloutier of Fordville.

SMILEY

Stork Shower

Mrs. Casper Wiener, Jr. was the honor guest at her home Tuesday afternoon at a parcel shower. The affair was arranged by Mrs. S. S. Nelson and Mrs. Hans Vake. A Dutch treat lunch was provided by the guests and was served after the lovely gifts had been opened and admired. Those who presented Mrs. Wiener with gifts for the coming "wee" one were the Mesdames Adam Lendobeja, Martin Rehm, Henry Altoff, Norton Nelson, Walter Lendobeja, S. S. Nelson, Jim McCrum, Melvin Gjerde, Ed Vigen, Harold Stanbridge, Johnny Nelson, Marion Cater, Hans Vake, Francis Cloutier, Casper Wiener, Sr., and Miss Signe Valsvik.

Mr. and Mrs. J. M. Lund and son Everett accompanied by Miss Delores Ekness all of Grand Forks were dinner guests at the Ted Markus home. Mrs. Lund and Mrs. Markus were girlhood chums. Miss Ekness and Mrs. Markus are cousins.

Tuesday evening visitors on the newlyweds, the Al Kraemers were Mr. and Mrs. Carl Lindholm and nephew Lloyd Lindholm, and Mr. and Mrs. Jim McCrum. The Kraemer's are very nicely settled in the redecorated house on the former J. D. Turnwall farm which the Kraemers have purchased.

Mr. and Mrs. Marion Cater and daughter Janice and Mr. Cater's mother, Mrs. Nellie Cater of St. Cloud motored to Middle River Sunday where they spent the day at the home of Mrs. M. Cater's uncle and aunt, Mr. and Mrs. Albert Stephens.

Bennie Isaacson who has spent the past winter with George Johnson left last week for Warren to visit several friends before returning to the Johnny Nelson farm for a short stay.

Mr. and Mrs. Earle Moore and children Bonnie and Franklin are spending a few days at the home of Mr. Moore's brother, Merle Moore and his family at Goodridge. The Earle Moores plan to leave soon for their home in Cheyenne, Wyoming. They have been waiting for their daughter Wanda's recovery from injuries sustained in the car accident several month's ago. She may be released this week.

Don't forget the Helperette club meets at the O. N. Olson home on Wednesday, April 10 with Clara Olson as hostess. Members are to bring pastel colored cotton material for the friendship quilt. A pattern will be cut out at the meeting as Miss Olson has a special design for her quilt. Come early.

Mr. and Mrs. Norton Nelson were hosts to a Sunday night supper at their home last Sunday having as their guests, Mr. and Mrs. Einar Barstad and daughter June, Hazel and Doris Hegrenes all of Thief River Falls and Lewis Nelson. Moving Days

Several Smiley families are moving around these fine spring days. Mr. and Mrs. George Swemby of Bejou, newlyweds, are now living with Mr. Swemby's uncle, George Johnson, and will assist in running the farm. The Hans Vake's are moving this week to Wesley McCrum's farm which they have rented for this year. The farm which the Vake's are vacating has been sold to Halvor Gran of Highlanding. Mr. Gran has rented this farm to a Langie family of River Valley. The Langies are also moving in this week.

The Willard Johnson's who have lived on the Johnny Nelson farm on the north side of the river will soon be living on the former Rudolph Lindberg farm which they have leased for this year. The vacant Nelson farm will be occupied by the Melvin Offerdahl's of Kratka. The Offerdahl's formerly lived on the old Toomey place.

The schools taking part in the Mantoux test in Hazel and at the Hummer school Monday were very well represented. The parents are to be highly congratulated in seeing to it that their child or children have this test, rather than being one of those community objectors.

Mrs. Ted Markus called on Mrs. William Grundhaus and little Wanda Moore at the St. Luke's hospital Friday.

The Smiley Community club meetings will commence again with the first meeting of the year to be held the last Friday of this month.

Hummer School Notes

The pupils having perfect attendance for the last six weeks were Maurice Steneeth, Helen Hardisty, Delores Belawenger, Ronald, Robert, and Walter Haynes. The "Bugle Call" official Hummer school paper was released last week. The cover has a very attractive Easter theme idea. The contents give data on school activities, such as Easter preparations, parties and pupils' opinions with cartoons and wise cracks. Miss Swanson is the able supervisor of the publication.

SCHOOL BOARD GETS FACULTY RESIGNATIONS

3 Teachers Resign, Including Miss Sarah Vaughan, Knox Principal

JUDGES NAMED FOR ELECTION MAY 21ST

New Band Uniforms Expected to Arrive Here Late Next Week

Contracts for the coming year have been signed by all members of the public school faculty with the exception of three who tendered their resignation and a fourth who was granted a leave of absence, Supt. Morris Bye informed the board of education at its April session Monday evening.

Those whose resignations were accepted included Miss Sarah Vaughan, principal and sixth grade teacher in the Knox school; Miss Theone Folkedahl, second grade teacher in the Knox school, who will continue her education; and Miss Selma J. Thompson, home economics and general science teacher in Lincoln high school. In accepting Miss Vaughan's resignation, which terminates 18 years of service in the local schools, the board adopted a resolution of appreciation for the excellent service she had rendered. Miss Agnes Tandberg was given a year's leave of absence to study toward an advanced degree at the University of Minnesota.

Following the opening of three bids on landscaping the Lincoln high school grounds, the contract was awarded to John Gangness of this city on his bid of $799.41. Action also was taken to apply to the state department of education for continuance of the high school teacher training department for the coming school year.

The board took favorable action on a suggestion by Mr. Bye that a janitor training school be conducted in Lincoln high school June 6, 7, and 8, for school custodians from towns in this section of the state. The school, to cover all features of janitorial work, will be conducted by L. O. Thompson, who officiated at a similar school in Grand Forks two years ago. The expenses in connection with the school will be met by charging a $1.50 enrollment fee, Mr. Bye stated.

In preparation for the annual school district election to be held in the municipal Auditorium Tuesday evening, May 21, the board named as election judges Mrs. A. C. Matheson, Herman Kjos and Mrs. Roy Kiland. Selected as alternates were Mrs. Joe Zavoral, L. G. Larsen, Ed. Hill, Miss Margaret Fabrick and Mrs. C. W. Vorachek. Terms of A. B. Stenberg and Dr. A. E. Jacobson as members of the board expire this year.

Uniforms recently ordered for 65 members of the Lincoln high school band at a total of $1,602.25 are expected to arrive late next week in ample time for the district music contest April 27, Mr. Bye reported. The uniforms were purchased thru the Oen Mercantile company, lowest of eight bidders, and will be paid for from a fund assembled from local organizations, as well as the city and school district, under the sponsorship of the Parent-Teacher association. The uniforms are made of wool whipcord and are royal blue in color with gold trim.

DR. BOE, HEAD OF ST. OLAF COLLEGE, TO SPEAK APR. 17

To Address College Alumni at Dinner Meeting in Trinity Church

Dr. L. W. Boe, president of St. Olaf college at Northfield, will be the speaker at a dinner meeting in Trinity Lutheran church Wednesday evening, April 17, it was announced today by Rev. R. M. Fjelstad, chairman of the committee in charge of arrangements. Dr. Boe will discuss the campaign now under way to provide a new library for St. Olaf college, and all alumni and former students of the institution are invited to be present. Members of the committee in charge include, in addition to Reverend Fjelstad, Miss Agnes Tandberg, Dr. O. F. Mellby, Robert J. Lund, Rev. L. E. Brynestad of Warren, Supt. Joseph Mork of Newfolden and Dr. David Berge of Roseau.

Make Sure Census Man Counts You, is Plea

Pointing out the importance of every resident being counted in the current population census so that the final figures will truly reflect the city's growth during the last ten years, Jack McKechnie, chairman of the Civic and Commerce association's census committee, today urged local citizens to make sure they and their friends are counted.

In his appeal Mr. McKechnie said, "If the enumerator has not called on you by next Tuesday, April 16, by which time it is expected the entire city will have been covered, please call T. M. Thronson, a member of our committee, telephone 978, and we will arrange for the census workers to visit you.

"It is generally believed that there is likelihood of the population of Thief River Falls reaching the 6000 mark this year, and the Civic and Commerce association is hopeful that all citizens will co-operate so that the goal may be attained."

Other members of the association's committee are Postmaster Andrew Anderson and Helmer Carlson.

44[illegible] Entries Received in Times Guessing Contest

The substantial total of 447 entries were received in the Times contest to ascertain who can guess closest to the exact population figure for Thief River Falls, to be announced following completion of the 1940 census. The winners will not be announced until the official report is available from Washington, altho it is expected unofficial figures will be given out shortly by the district office in Thief River Falls. Saturday, April 6, was the last date for receiving entries in the contest.

150 SERVICE MEN ATTEND MEETING HERE ON MONDAY

Northern Ninth District Is Well Represented at Service School

With fully 150 World War veterans from thruout this section of the state participating, the service school and rehabilitation meeting conducted under American Legion auspices in the veterans memorial rooms in the Auditorium was a highly successful affair. O. E. Lewis of Bagley, Ninth district service officer, presided at the session.

Speakers who discussed various phases of Legion projects, as well as hospitalization and veterans' legislation, included District Commander Joseph Kise of Moorhead, LeRoy Berndt of the state division of soldiers' welfare, and Walter Johnson of the Fargo veterans hospital.

Motion pictures of the national Legion convention in Chicago were shown thru the courtesy of the Anheuser-Busch Brewing company and the Thief River Grocery. A question box session was conducted by Mr. Lewis, assisted by Harley Swenson, service officer of Elmer J. Eklund post. At the close of the meeting lunch was served by the Legion auxiliary.

GIRL SCOUTS TO CONDUCT COOKIE SALE NEXT WEEK

Proceeds of Campaign Will be Used for Financing Summer Projects

A Girl Scout cookie sale, similar to the one sponsored here so successfully last year, will be held by the local Girl Scout organizations beginning April 15. Mrs. G. H. Mayer-Oakes, assisted by Mrs. Leonard Hanson, is in charge of the project, and 120 local Girl Scouts will participate in the sale, canvassing both the business and residential sections of the city.

Orders will be taken from Monday, April 15, through Saturday, April 20, the week being designated as "order week." Delivery will be made the following Saturday, April 27. Proceeds of the sale will be used to carry out summer activities of the local scouts.

In connection with the sale, an appealing cookie display has been placed in the Northern State bank window. The display, embellished from time to time with further details of the project, will be exhibited until the conclusion of the sale.

The cookies, endorsed by Good Housekeeping Institute and the national Girl Scout organization, are sold only by Girl Scouts. They are an assortment of chocolate and butter varieties, cellophane-packed forty to a box, and are designed with a replica of the scout trefoil.

Civil Service Tests to be Held Here Saturday

Qualifying examinations for 16 state employes in this locality who come under the provisions of the civil service act will be conducted in the Lincoln high school library Saturday, April 13, commencing at 9 o'clock in the morning. Supt. Morris Bye has been assigned by the civil service department to conduct the examinations.

T. R. GROCERY CO. FINISHES $5,000 IMPROVEMENTS

Augments Its Equipment for Handling Fruits and Vegetables

Completion of an extensive program of improvements in the plant facilities of the Thief River Grocery company was announced this week by N. H. Holzknecht, manager. The work, together with new equipment, represents an investment of $5,000.

Chief project was the rebuilding of the banana handling rooms, of which there are now three with a total capacity of a carload of the fruit. Constructed with four inches of cork insulation in the walls, the rooms are fitted with blower type refrigerating equipment which keeps the temperature automatically at any desired stage ranging from 54 to 72 degrees.

Other improvements carried out include added facilities in the basement for handling and storing fresh vegetables under the most favorable conditions, and also the complete rewiring of the building, all electric wires now being enclosed in metal conduits.

NORWAY VICTIM OF LATEST NAZI MILITARY COUP

German Military and Naval Forces Invade Norway and Denmark

HUGE SEA BATTLE IS RAGING ALONG COAST

Germans Occupy Oslo; British Fleet Rushes to Defense

Attention of the civilized world, and more particularly of such communities as this where the population is predominantly Scandinavian, has been centered on Norway and Denmark since Monday, when German military forces took over the latter country and occupied parts of Norway, including Oslo, the capital.

The German forces marched across the border into Denmark, meeting with little resistance. Soldiers entered Oslo and other Norwegian ports on troopships and by plane. Norwegian troops yesterday were reported to be resisting the invaders a short distance north of Oslo.

Hour-by-hour reports of a tremendous British naval offensive against the Nazi invaders of Norway, their men-of-war and their jam-packed troopships streamed yesterday out of Europe's new Scandinavian stage of combat.

Developments came with lightning-like rapidity, including a report that British warships had entered Oslofjord and had trained their guns on Oslo under threat of a bombardment unless the Germans surrendered the city.

Unconfirmed reports placed German losses in a naval engagement deep in the Skagerrak during Wednesday night at four cruisers and two or three large transports. Other naval fighting was under way at Narvik, Norway.

The British Broadcasting Corp. late Wednesday night said British warships "appear to have routed" German forces in Oslo fjord and "there has been ruthless bombing of Norwegian towns in the neighborhood by German planes". With the help of Norwegian warships and land batteries, at least 10,000 tons of German naval shipping was reported sunk in the Oslo fjord.

All day long Britain struck blow after blow at Germany with her air and naval might along the entire western coast of Norway and far into the Baltic sea approaches, fighting battles which may hold the key to the fate of Scandinavia and the European war itself.

St. Bernard Pupils to Present Operetta Today

"The Magic Piper", the legendary story of the Pied Piper of Hamelin, will be presented by the pupils of St. Bernard's school in a three-act operetta today in the city auditorium. There will be a matinee this afternoon and an evening performance at 8 o'clock. The public is cordially invited to attend both performances.

MANAGER OF TOM DEWEY CAMPAIGN VISITS CITY

J. D. Holtzermann of Minneapolis, state manager of the Thomas E. Dewey campaign for the Republican presidential nomination, was in the city this morning interviewing local Republican leaders.

3 Directors Named by Local Athletic Group

In a well-attended meeting in the Civic & Commerce room Tuesday night, the athletic association heard T. M. Thronson, treasurer of the hockey club, read the season's financial statement; elected three members to the board of directors; heard Pete Gergen, regional supervisor of recreation for the W. P. A., and had a brief discussion on plans for this season's diamondball program.

Mr. Thronson gave a detailed report on the hockey club finances, explaining fully why this season's play incurred a $848.07 deficit.

Ole Engelstad, Archie Hensrud, and Bill LaFave were the members elected to the board of directors, Mr. Engelstad and Mr. Hensrud being re-elected to these positions, and LaFave being named to the position formerly held by Melvin Peterson.

Pete Gergen discussed the advisability of the city establishing a centralized recreational board, and with a qualified supervisor to coordinate all the leisure-time activities. The association adopted a resolution expressing a favorable attitude toward such a proposal, and appointed a committee to study the program.

Ole Ness, Walter Larson and Charles Dostal were named a committee to circulate a petition seeking the installation of lighting facilities on the east side diamondball grounds.

As a means of reducing the hockey deficit, the association is planning to sponsor a wrestling show here Tuesday, April 30, and is also making arrangements for a dance in the Auditorium late this month.

5 HIGH SCHOOLS FORM FOOTBALL LOOP AT G. FORKS

Lincoln School Included in Circuit; Plan Trophy for Champion

Coaches and officials of Crookston, Warren, East Grand Forks, Thief River Falls and Red Lake Falls high schools Tuesday night organized the Northwest High School conference at a meeting of the Lake Agassiz Schoolmasters club in Grand Forks.

An invitation was also extended to Fosston high school to join the conference.

Earl Obermeyer, Crookston coach, was elected president. The conference will operate next fall as a football unit, according to the present arrangement.

During the 1940 grid season, each team in the conference will play each other team once. A trophy will be awarded to the team finishing with the highest won-lost percentage and in case of two teams tying for first, duplicate trophies will be awarded.

Spring football for this year was voted out and coaches agreed to devote the season to track.

Coaches at the meeting included Obermeyer of Crookston, George Wilson of East Grand Forks, Herschel Lysaker of Warren, John Lindenmeyer of Thief River Falls and Red Munson of Red Lake Falls.

PUPPET SHOWS IN ARENA ATTRACT MANY CHILDREN

"Tale of the Whale" Will be Presented Late This Afternoon

Enthusiastic audiences of 150 to 200 children still thrill each week to the puppet shows presented each Thursday afternoon at 4:20 o'clock in the rifle club room in the sports arena, which provides a spacious puppet theatre. The project, sponsored by the WPA with the cooperation of the city recreation board, is under the direction of Mrs. Camille Dostal, and is open to all local children for participation.

The room adjoining the rifle club rooms is used as a workshop, where the children construct their own puppets and draw the backdrops for the puppet stage. The adaptions of most of the stories dramatized are written here, also. The project room is open each week-day from 1 to 6 p. m. "The Tale of the Whale" is the story which the puppeteers will present this afternoon, and puppets are under construction for "Jack in the Bean Stock" to be presented in the near future.

The craft shop located in the basement of the sports arena is another educational recreational project sponsored in Thief River Falls by the W P A. Loran Lord is in charge, assisted by Harvey Egenes and Bernard Langevin. The shop is open daily, with evening classes for adults conducted each Monday and Thursday evenings from 7 to 10 o'clock. Projects undertaken include refinishing and reupholstering of furniture, the making of lawn ornaments, and model airplane building.

COUNCIL TAKES FURTHER STEPS IN ENGINE DEAL

Calls for Bids April 29 on Bond Issue Totaling $130,000

MINNEAPOLIS FIRM NAMED AS ENGINEERS

Several Building Permits Approved at Session Tuesday Night

The city council at its April session Tuesday evening took further necessary steps in the direction of installing a new Diesel unit in the municipal power plant. It was voted to advertise for bids on $130,000 on city bonds to finance the project, the bonds to mature serially from three to 13 years after date of issue. Sealed bids will be opened at an adjourned session Monday evening, April 29.

At the same time the engineering firm of Ralph D. Thomas & Associates of Minneapolis was appointed to supervise installation of the new equipment on the company's bid of three per cent of the cost of the project. The firm will draw plans for the addition to the power plant building and make recommendations and prepare specifications on the proper size of power unit to be installed.

The offer of Harold W. Moody of Minneapolis to act as fiscal agent for the city in connection with the bond sale was rejected by a four-to-two vote after three ballots had been taken.

The council approved the appointment by Mayor W. W. Prichard of Carl B. Larson to the cemetery commission, and of Stanley Efteland as poundmaster, the latter to serve on a fee basis.

Building permits were approved for H. S. Van Pelt covering a new residence to be erected on Horace av. N. at an estimated cost of $1,600; H. K. Strand, repairs to his building on Main av. near Third st., $300; and A. J. Rau, remodeling residence, $375.

A motion was passed to authorize the proper officials of the city to execute a two-year lease to the Math Barzen company, covering city-owned property near the power plant at a monthly rental of $15. Under the terms of the lease the company will be permitted to utilize its present office building for a period of two years.

City Engineer I. E. Quist filed a report covering sewer assessments in District No. 7 in the northeast section of the city, and a hearing on the assessments was set for Tuesday evening, May 14.

C. & C. APPOINTS GROUP TO HANDLE INDIAN RELATIONS

To Seek Closer Cooperation with Those Living on Reservation

Following a discussion of a proposal by T. J. Welsh that an area of agricultural land in the Indian reservation lying west of the Thorhult ridge be acquired from the Indians and opened to settlement, the Civic and Commerce association at its luncheon meeting last Thursday instructed President Frank Rinkel to appoint a committee on Indian relations to cooperate with those living on the reservation. Appointed were Walter Jung, chairman; Theodore Quale and Paul A. Lundgren.

H. A. Baumann, chairman of the road committee, announced that load limits for trucks operating in this section of the state would be posted the following day.

County Republicans to Convene Tuesday, May 7

The Pennington county Republican convention will be held in the Civic and Commerce room in the Auditorium Tuesday, May 7, at 2 o'clock, according to the official call for the convention published elsewhere in this issue. Delegates to the convention will be selected at precinct caucuses set for Wednesday evening, May 1. The call, issued by County Chairman Theodore Quale, lists the number of delegates to which each political subdivision is entitled.

Northrop Third Graders Get Lesson in Newspaper Production

Forty pupils in the third grade of the Northrop school who had been doing some reading about newspapers as part of their classroom work now have a clearer idea of the subject as a result of a visit to the Times plant last Thursday afternoon. Accompanied by their teacher, Miss Minerva Udstuen, they saw the big press in operation in the basement turning out last week's issue, and made a thorough inspection of the equipment in the back shop. Before leaving, they asked numerous questions, which members of the staff answered to the best of their ability.

Present were the Misses Carol Hovland, Margaret Langevin, Edna Gilchrist, Florene Schneider, and Nettie Gunderson; and the Mmes. Lawrence Nicholson, Carl Lee, and Robert O'Hara.

Foreign Mission Society

The Foreign Mission society will meet at Mrs. O. E. Taveraas' home, 721 North Knight Ave., Wednesday, April 17. Mrs. Wm. Gilbertson will be hostess and a good program is being planned.

Weight and Gravity

Neglecting the resistance of the air, a heavy object and a light object will fall to the earth with the same velocity. It was originally thought that the velocity of a freely falling body was proportional to its weight. Galileo, however, demonstrated that this was not so, by dropping various bodies from the top of the leaning tower of Pisa. It was discovered that light and heavy bodies reached the earth simultaneously.

Mmes. Malloy and Pellettiere Feted

Mrs. J. F. Malloy and Mrs. E. V. Pellettiere, who are leaving the latter part of this month to make their homes in other cities, have been feted during the past week at neighborhood parties and at a meeting of their bridge club.

Mrs. Malloy was guest of honor at a surprise party given at her home Friday evening by a group of her neighbors. Hostesses were Mrs. Jake O'Hara, Mrs. Palmer Aasoby, Mrs. C. E. Carlson, and Mrs. George Schulke and the guest list included the Mmes. Mary Kisch, Frank Kobetsky, Ed. Rupprecht, Louis Borchert, Palmer Hanson, Elmer Adolphson; and the Misses Palma Hornseth, Techla and Iris Larson, and Luella Krueger. Mrs. Malloy was presented with going-away gifts. Bingo was the diversion and lunch was served by the hostesses.

Mrs. Malloy and Mrs. Pellettiere were honored at a meeting of their bridge club at Mrs. N. A. Holen's home Tuesday afternoon. Each was presented with a gift from the club, the members of which include the Mmes. H. K. Helseth, W. L. Carlisle, A. F. Holzknecht, H. A. Baumann, H. C. Glessner, L. S. Bennes, and Holen.

Mrs. Malloy is leaving with her children to join Dr. Malloy at Mitchell, S. D., while the Pellettieres plan to go to Chicago.

Young Matrons Group Ends Season with Party

Climaxing their activities for the current club year, the Young Matrons group held a dinner party Monday evening in the dining room of the Palm Garden cafe. The banquet at 6:30 was followed by bridge, four tables of which were in play, prizes going to Mrs. Al Ellerberg, Mrs. Harold Eide, and Mrs. Vern Thompson. An April motif was carried out very fittingly in tiny umbrella favors.

Music

Mrs. E. F. Wright gave a report on Irish and Scotch folk songs and a trio composed of Mrs. G. E. Ahre, Mrs. Richard Dablow, and Mrs. Art Berg sang illustrative ditties. Piano accompaniment was played by Mrs. Walter Larson. Hostesses were Mrs. C. D. Gustafson and Mrs. Ahre.

AT THE LODGE MEETING

"Say, why don't that chap there take a seat?"

"He's on a standing committee, you know."

Returning the Hint

"So you and your neighbor are not on speaking terms?"

"No. My neighbor sent me a can of oil to use on my lawn mower when I started to cut the grass at six o'clock in the morning."

"And what did you do?"

"I sent it back and told him to use it on his wife when she started singing at eleven at night."

Feared the Answer

Unsympathetic Mother — Why didn't you come and ask me first if you wanted to go fishing?

Small Son—Because I wanted to go fishing.

Life Job of Heart

A human heart pumps 60,000,000 gallons of blood in a usual lifetime.

Just a Little Smile

MEN AT WORK

The president of Super-Colossal Pictures entered the office.

"Get out!" he howled at a young man sitting there. "While I'm boss I'll not tolerate any loafing around here."

"I beg your pardon," said the young man, "but I don't work here. I just came in looking for a position."

"Then you're engaged," growled the president.

"Oh, thank you, sir," beamed the young man.

The president pointed to the door again.

"And now get out!" he roared. "You're fired!"

The young man picked up his hat and turned to the president.

"Do you mind," he inquired, "if I ask one question?"

"Well, what is it?"

"Tell me, what kind of a job did I hold before I was fired?"

INTO THE POOL

"I've finished the swimming pool I told you I was building on my place."

"So! With that done, what will you plunge into now?"

Not in His Power

The examination papers were handed round and the students scrutinized them eagerly.

"Any comments?" asked the professor.

"Yes, sir," said one youth, putting on a pained expression. "I certainly don't think I deserve an absolute zero."

"I don't either, Smith," replied the professor, with a merry twinkle in his eye, "but it is the lowest mark I am allowed to give any member of the class."

Pleasant Dreams

The hour of midnight struck just as father appeared at the top of the stairs.

"Mary," he called down, "is that young man of yours asleep?"

"S-sh, father!" called back Mary. "He has just asked me to marry him and make him the happiest man in the world."

Father grunted.

"As I thought," he said. "Wake him up."

Demand

Bookkeeper—I'll have to have a raise, sir. There are three other companies after me.

Boss—Is that so? What companies?

Bookkeeper—Light, phone and water.

Clothes and Character

Chubb—They say you can tell a girl's character by her clothes.

Duff—I don't believe it. Girls must have more character than that.

Somebody's Error

Visitor—And this is, I suppose, one of those hideous caricatures you call modern art?

Artist—No, that's just a mirror.

Growing With Your Child

Institute of Child Welfare, University of Minnesota

Emotional Energy

Our training of children is largely a matter of trying to turn the energy aroused by all the new and complicated situations in which they are constantly finding themselves, into profitable outlets, and of helping them to discriminate between times when it is useful or useless to feel emotion. The first times a child tries to feed himself, the first few times he plays with other children, his many new experiences when he goes to school, when he learns to swim, all these are occasions likely to arouse emotions. And if wrong ways of meeting the new experience takes place, the child is on the way to the formation of a habit, a poor habit, that will get in his way and trip him up.

Emotion is given us, it seems pretty conclusive, to help us out of difficulties. But if our emotion is too strong it ceases to be a help, and becomes a hindrance. The child who is so frightened that he cannot run is a case in point, as well as the person who trembles so with rage that he cannot think clearly.

If we let a child run into too many emergency situations, he may easily acquire unskillful ways of meeting them, because of his confusion and tension. He may meet these situations with only partial success; if so, his problem is far from being permanently solved. A little boy is living with a number of grown-ups, whose vagaries subject him to any number of novel situations. Grandpa likes to trot him on his knee—but what happens when grandpa is heatedly discussing politics with a crony, and little Dick wants him to play, or mother lets him hold the telephone receiver and say "hello" to Daddy—but next time he tries it, she frowns and says, "No, no! run away, I can't hear!" The number of occasions when he feels emotionally tense grows, but unless he is carefully handled, his ability to meet these feelings of tension doesn't improve. That's why we see so many angelic looking children who are already so well-trained in how to get their way by anger that they can toss off a temper tantrum at a moment's notice.

To avoid such results, we should try to make the environment surrounding children help in the establishment of good habits of meeting emotion. An orderly home, regular meals and hours of sleep, not slap-dash confusion, is what the young child needs, when he is just beginning to try out his abilities. Without endangering the child's future by making his early years a bed of roses, where no thorns prick, we can keep in mind that we need to consider the child's powers. If, for example, we give him toys that are beyond his ability to cope with, we may expect tears and frustration. Let that sort of thing happen often, and all the child knows how to do is expect defeat. Let him have the encouragement of having successfully mastered a problem, whether it be learning to turn the handle of a door, or to await his turn at the slide, and he will be the readier to make the effort next time.

Rose Is Secrecy Symbol

For centuries the rose has been the symbol of secrecy. The expression "sub rosa" means under the rose. In places of sanctuary where confidences were to be exchanged, it was customary to carve a rose over the entrance. Literally to be under the rose was to have the benefit of secrecy.

One-Twenty-Fifth Thickness of Hair

A recent development in aluminum is a wire so fine that it requires 25 strands to equal the thickness of a human hair, the Aluminum association reports. If a pound were made it would cost $210,000,000 even though aluminum in ingot form costs only 20 cents a pound.

Darkness After Crucifixion

The "darkness over all the earth" at the time of the crucifixion could not have been caused by an eclipse of the sun for this reason: It occurred just after the passover, at the time of full moon, and an eclipse can only occur when the moon is between us and the sun, or at the time called "the dark of the moon."

Early Chinaware Popular With Lovers of Antiques

The great reputation which old English china gained for itself in Europe and America in the late Eighteenth and early Nineteenth centuries is due largely to the charm of its useful wares. By useful wares we mean the services of china made for table use, states Alice B. Rollins in the Los Angeles Times. Entire services, with all the pieces decorated to match, were not common until well after the middle of the Eighteenth century. Many of the factories producing them have long since passed out of existence. Such examples as have survived add pleasure or regret to the collector, according to his ability to classify or obtain them.

Other services were the productions of famous potters whose names have been associated with them by reason of some special form of decoration which is unique. This, together with an original limited production, has made them rare and desired by those collectors who like something out of the ordinary. In this connection we mention the unusual "Mocha" ware, first produced by the English potter, William Adams of Tunstall.

One of the best-known names among English potters is that of Adams. The family had long been engaged in the potting industry and had made many notable improvements in the manufacture of such wares. William Adams (1745-1805) was considered the most important member of this talented family. He was a close friend of Josiah Wedgwood and worked for him as pupil and associate. He began potting for himself about 1787 at Greengates in Tunstall.

PADDEN RENAMED YOUNG REPUBLICAN HEAD IN ST. PAUL

State Convention Fails to Settle Hennepin County Factional Fight

Minnesota's Young Republicans hung their factional troubles on the line Saturday in a clamorous state convention in St. Paul but emerged with their wounds still unhealed.

In a day of wrangling and snail-paced activity, the young politicians:

Awarded the next convention to Duluth;

Commended Harold E. Stassen, his administration and all Republican office-holders for their record;

Re-elected John W. Padden, Crookston, state chairman;

Named Mrs. Beryl Sederburg, state chairwoman.

The Hennepin county factional fight, source of all the convention and pre-convention hysteria, was as bitter as ever after the session was ended. The convention credentials committee returned a decision giving each side half a victory, but apparently satisfying neither. The action left Hennepin county with two opposing organizations.

The convention adopted nine resolutions, which, in addition to commending Stassen's administration and pledging "unqualified support" to him and fellow Republican office-holders;

Urged an adequate labor representation in the state delegation to the national Republican convention at Philadelphia;

Urged Young Republicans to take an active part in the caucuses and conventions of the elder group;

Demanding equalization of farm purchasing power with that of industry;

Advised senate ratification of reciprocal trade treaties;

Upheld the sacredness of state rights against national interference, and

Suggested redistricting of the state's congressional setup on the basis of the 1940 census, with segregation of rural and urban districts.

Officers elected by the convention, in addition to Padden and Mrs. Sederburg, were:

Edward D. Courtney, Waterville, first vice chairman; Mrs. Ines D. Madsen, Worthington, vice chairwoman; Robert Tyrill, St. Paul, secretary; Reuben Poston, Hibbing, treasurer; Kenneth Dawson, Minneapolis, vice chairman for labor; Robert Pye, Medford, vice chairman for agriculture, and Carl Sweet, Minneapolis, vice chairman for commerce.

Dr. Glenn Frank of Madison, Wis., chairman of the Republican party's program committee, speaking at the Young Republican league dinner, called on youth to join in a drive to furnish political leadership that will utilize scientific and technical advances which make possible the abolition of poverty.

He discussed rank and file Republicanism as he had found it in his work as program committee chairman.

SNELLING SERGEANT WRITES PLAY

Fort Snelling has its Orson Welles. Writer, producer and actor is Sergeant Matthew J. Connolly, veteran of 24 years service, shown at the left in the above picture. He has recently written a historical piece about the life and death of the much-maligned Benedict Arnold which he will play the leading role in when it is staged. He is also painting the scenery and is shown with Capt. L. H. Hagen studying a replica of Benedict Arnold's death spot.

Fred Protz Presides at Letter Carrier Session

Fred Protz, president of the Ninth District Letter Carriers association, was in charge of a meeting of the group Saturday evening in Crookston, 25 carriers being present. The principal speaker was Jerome Keating of Minneapolis. Accompanying Mr. Protz to Crookston were Mrs. Protz and Mr. and Mrs. Ed. Jarnason. The fall meeting was set for September 28 at East Grand Forks.

FIREMEN ARE SUMMONED BY TWO CHIMNEY FIRES

The fire department was called out by two chimney blazes early this week, no damage resulting in either case. Alarms were turned in from the home of Mrs. Charles Shirley on Conley av. S., and from the Christ Engelstad residence on Arnold av. S.

WPA Approves Projects Aggregating $106,789 for T. R. Falls in 1940

The Works Projects administration in Washington has approved Thief River Falls street, storm sewer and sidewalk improvement projects aggregating $106,789, the Times was informed Saturday in a message from Senator Henrik Shipstead. The projected work, which is a continuation of projects previously instituted in the city, involves a sponsor's contribution of $37,011 in the event the entire program should be carried out.

Local School Men Go to Meeting in Grand Forks

Included in a delegation that attended a meeting of the Agassiz Schoolmasters club at the Ryan hotel in Grand Forks Tuesday evening were Supt. Morris Bye, John Lindenmeyer, Harold Holmquist, William Cochrane and Maynard Tvedt. Dr. Perkins of the University of North Dakota faculty discussed the European war situation.

MERCURY DROPS ALMOST TO ZERO THIS MORNING

GOODRIDGE

Feeding the Family

The Nutrition project of Feeding the Family which will start the latter part of this month has two groups in this community, one in the township and one in the village. There were so many interested in the project in the village that it was necessary to divide the groups. Those who have signed up to date are for the township are Mrs. Johnny Erickson, Mrs. Guy McEnelly, Mrs. J. A. McEnelly, Mrs. Harold South, Mrs. Ole Easthouse, Mrs. Tom Belland, Mrs. A. B. Josephson, Mrs. Jay Payne, Mrs. Jennings Jensen, Mrs. J. A. Christianson, Mrs. Gust Ristau, Mrs. Roy Wiseth, Miss Emma Swanson, Mrs. Oliver McEnelly, Mrs. Orris Olson, and the leaders of this group will be Mrs. J. A. Christianson and Mrs. A. B. Josephson.

The village group are Mrs. Floyd Olson, Mrs. C. L. Noer, Mrs. V. C. McLeod, Mrs. R. N. Olson, Mrs. C. L Nightengale, Mrs O. O. Bjorgan, Mrs. Ed Geving, Mrs. Oled Sabo, Mrs. J. A. Sundquist, Mrs. Carl Christianson, Mrs. Olga Peterson, Mrs. R. N. McDonald, Mrs. H. I. Rod, Mrs. Owen Olson, Mrs. Elmer Peterson and the leaders for this group will be Mrs. Carl Christianson and Mrs. Olga Peterson.

Sophomore Plays

The three sophomore plays which were to have been given last Friday evening had to be postponed on account of the bad roads and disagreeable weather, but will be given this Friday evening, April 12th at the Gymnasium at 8 o'clock. Remember the plays, "Light", "Miss Manny's Bomb" and "Three's A Crowd".

"Among The Stars"

The Community club play will presented on Friday evening April 19th, at the Gymnasium at eight o'clock. Don't miss this exciting play which is full of good laughs for every one.

Born to Mr. and Mrs. Joe Belange on Thursday April 4th, a son.

Mrs. Dale Sield of Hutchinson, Kansas arrived here a week ago to visit at the home of her parents, Mr. and Mrs. George Jones and with other relatives.

Miss Doris Brunner visited over the week end at the home of her friend Miss Phyllis Prestabak in Thief River Falls.

Visitors Sunday at the home of Mr. and Mrs. Arne Markeson were, Mr. and Mrs. Melvin Nelson and son of Comstock and Mr. and Mrs. Orris Olson and daughters. Mr. and Mrs. Nelson are spending some time visiting at the Johnny Erickson and Clarence Grimley homes also.

Miss Helen Nygaard who was a graduate of the local high school last year and is now attending the normal training department of Lincoln high school in Thief River Falls spent the week-end here at the home of her brother-in-law and sister, Mr. and Mrs. Obed Sabo. Mr. and Mrs. Sabo took her back to Thief River Falls Sunday.

Vern Olson and Clayton Johnson left last week for the CCC Camp at Middle River. The boys thought perhaps they might be sent to South Dakota or to Alaska. Kenneth Olson who has been in the CCC Camp at Deer River is in South Dakota now. The Camp was moved there two weeks ago. Vernon Stephenson who was in that camp is there too.

Mrs. Hiriam Halvorson returned to her home in Thief River Falls Saturday after visiting at the home of her parents for several days.

Mr. and Mrs. Gust Ristau and Carol visited Sunday at the home of Mrs. Ristau's parents, Rev. and Mrs. E. O. Sabo at Mavie.

Miss Beth McLeod left Sunday for Minneapolis to visit with friends for a few days. She will also visit her sister Jean who is training at the Eitel Hospital.

Keep the Goodridge Community Club Play in mind for next Friday night April 19th. Come and see "Among The Stars".

Mr. and Mrs. P. O. Tvedt and daughter Marlene of Ada visited with relatives and friends Sunday afternoon. They were accompanied by A. B. Rottke of Fargo, who was a former resident here. Mr. Rottke better known as "Dutch" was employed in the Tvedt Lumber Yard here. He left here about twenty years ago and has been at Waseca for a number of years and he just moved to Fargo April 1st. His former old friends were very glad to see him again.

Mr. and Mrs Jay Payne attended church services in Thief River Falls on Sunday.

Coming this Friday evening, the Sophomore Class plays at the Gymnasium at eight o'clock, April 12th. Remember the date.

The George Jones family moved a week ago onto the farm on State Highway No. 1, which the Roy Megen family have farmed the past two years. V. C. McLeod purchased the farm where the Jones family moved from and which is known as the 'Morgan Vaughan' farm. McLeod's expect to move out there as soon as some repairs can be made.

The cast of characters for the Community club play were printed under the heading of Grygla last week. Please take note that this is to be given here in Goodridge on Friday evening, April 19 at the Gymnasium. There is one character to add to those in the last week and that is Adeline Hruby who is one of the stars.

We learned this morning that Theodore Nelson suffered a stroke last week and that Dr. H. Johnson was called out from Thief River Falls. Mr. Nelson is not in very good condition at this time but we hope a speedy recovery for him. Mrs. Johnny Johnson is assisting her mother during her father's illness.

Reports are that at the White House, Mrs. Roosevelt is known as "Public Energy No. 1"—Appleton Press.

BRAY

Farm Bureau Meeting

In spite of road conditions a very large crowd attended the Farm Bureau meeting at Dist. 160, Friday evening. The program committee presented a very fine program in the form of a radio broadcast. The first number was a musical selection by Miss Lillian Larson, Bill Strotren, and Clifford Olson. Ole Anderson also made his appearance with his bit of humor, played by Carl Lindblom. A musical selection was presented by a group of local talent representing the Fairmont Old Timers. Duet by the Pipe Whistlers better known as Clarence and Wilbert Swanson. Dr. I am, with her list of questions was played by Miss Lillian Larson. LeRoy Rupprecht and Ken Mullins of Thief River Falls presented a vocal duet with guitar accompaniment. A one act play, the NuWay Butcher Shop, was put on by the following cast, Christ Person, Emil Larson, Wilbert Swanson, Mrs. Geo. Swanson, Misses Lillian Larson and Gladys Person. The program was brought to a close with musical selection by Miss Larson, Biyl Strotren, and Clifford Olson followed by lunch and a social hour.

This vicinity had its first rain of the season last Tuesday accompanied by a high wind. The rain turned to snow and covered everything with a nice blanket of snow, making the roads very slippery and soft. A number of gatherings were called off because of weather conditions. The home demonstration project at the N. P. Schalz home was postponed from Wednesday evening until Tuesday of this week. The Luther League Friday evening and services at the Black River church Sunday were also called off.

The following members of the 4-H gathered at the N. P. Schalz home Saturday evening, Vernon, Gilbert, Melvin and Alice Scholin, Clarence, Wilbert and Dorothy Swanson and Jean Vellguth. These young people are working on a play which will be presented at a later date.

Herman and Grace Witt of Wylie visited at the S. N. Olson home Saturday evening.

Mr. and Mrs. J. A. Erickson, LeRoy Rupprecht, and Ken Mullins all of Thief River Falls were supper guests at the Emil Larson home Friday.

John Scholin and son Mauritz are employed remodeling the home of Wilbert Oberg at Angus.

Mr. and Mrs. Alex Swanson and family visited at the John Stieger home near Wylie Thursday evening.

Gilbert Scholin has been taking the census in this vicinity this week.

Sturgeon Now Rare

In the early days of this country, sturgeon were abundant in most of the rivers of the Atlantic coast. Incredible numbers of these giant fish ascended the Delaware each spring. A little more than a century ago the taking of sturgeon roe for caviar began, and now these fish are rare as a result of overfishing.

How Franking Started

Franking of the mail was brought to the American colonies from England, and among the earliest acts of the Continental congresses were provisions for its continuance. During the Revolution, the privilege was granted to soldiers in service, and after the war the succeeding congresses added the heads of the various departments and bureaus as these came into existence.

Betty Crocker KITCHEN CLINIC

Reg. U. S. Pat. Off.

prepared by
Your Newspaper—Betty Crocker Home Service Department

THIS PIE IS A HONEY

In fact, it's made with honey—light amber-colored honey combined with eggs and butter and crunchy pecan chunks. Doesn't that sound like an elegant-tasting dessert? And it's neither too sweet nor too rich—as some Pecan Pies are. All in all, it has seemed to me the most delightful Pecan Pie I've ever tasted—so I'm passing it on to you as a suggestion for a company dessert that will linger pleasantly in the memory of your guests. Here is the recipe:

Honey Pecan Pie

Pastry for 9-inch pie shell
3 eggs
1 cup light-colored honey
1 tsp. vanilla
4 tbsp. butter, melted and slightly cooled
¼ tsp. salt
1 cup pecans, coarsely chopped

Line a deep pie pan with plain pastry, and chill while preparing the filling. Beat eggs well with rotary egg beater. Beat in honey, vanilla, melted butter, and salt. Sprinkle pecans over the pastry in the pie pan. Pour egg mixture over the pecans. Bake 15 minutes in a hot oven, 450° F., then reduce heat to 325° F. slow moderate oven, to finish baking—about 20 to 25 minutes (or until a silver knife inserted in the center of the filling comes out clean).

Pastry for One Crust Pie

1 cup all-purpose flour*
½ tsp. salt
⅓ cup shortening
Ice water (2 to 3 tbsp.)

Sift flour once before measuring. Sift flour and salt together. Cut in shortening with 2 knives or a pastry blender—leaving some of the shortening in lumps the size of giant peas. Add ice water. (Sprinkle the water lightly—a little at a time—over the flour and shortening. At first, blend it in lightly with a fork; then gather dough together lightly with the fingertips. As soon as you can make dough stay together, you have plenty of water in it.) Round up dough on cloth-covered board (using flour rubbed into cloth to keep dough from sticking). Roll out to fit pan and place in pan loosely to avoid stretching. Let pan rest on table while cutting off extra pastry—leaving ½ inch extending beyond edge of pan. Build up fluted edge. Chill thoroughly. Amount: Pastry for one 9-inch pie shell.

Official Paper of Pennington County and City of Thief River Falls

Germany's invasion of Denmark and Norway followed the usual pattern of Hitler's "blitzkrieg" methods. There had been no provocation. The attack came as a complete surprise. In Denmark resistance was impossible. Norway, too, was stunned into inaction when the blow was first struck and by the time the Norwegians realized what had happened the invaders were firmly established. There is resistance now which may prove to be effective but as yet it apparently is unorganized. What happens in Norway during the next few days may have a far reaching effect not only on the course of the war but on the course of civilization.

At the present time our country, officially, is neutral, but our sympathies are with the democracies of Europe. Up to the present time our course has been guided by hard headed considerations. We are not entirely heartless however, and over a period of time our sympathies will effect our thinking. Which is as it should be. Self interest is a factor that always asserts itself and needs no encouragement. When self interest and sympathy point in the same direction there is no question as to which course we will follow.

We may now expect Russia will find it necessary to defend herself from Finland again and then the squeeze will be on the Scandinavian peninsula from both ends.

CLIMATE ON THE MOVE
(Minneapolis Star Journal)

Our winters are getting shorter and our summers longer, the United States weather bureau says. That may sound to Minnesotans like a belated April Fool joke, but the facts are interesting, and of course they relate to the nation as a whole and to a trend over a long span of years.

During the last eight decades, it is estimated, the growing season—the time between spring's last frost and autumn's first—has lengthened by northward migration of the growing season by 225 miles. That season is now as long around Indianapolis, for instance, as it was in 1857 around Nashville, Tenn.

Crops that require a longer warm season thus can be grown today where they couldn't be grown before the Civil war. Cotton is creeping northward, and corn ahead of it.

Minnesota in the last generation has seen such an increase in corn-growing that the hogs which feed on our corn now provide one-fourth of this state's agricultural income. Undoubtedly what we have learned about adapting corn to our climate and soil has been a bigger factor than the slow-moving climate itself, but the fact that our growing season has lengthened gave the impetus for experiment.

The trend to longer summers probably will reverse itself in time. It may even go to the other extreme. But our constantly advancing knowledge and skill improve our ability year by year not only to adapt our agriculture to our climate, but to foresee trends of every kind and to be ready for them.

SAFER IN THE WAR ZONE
(Fergus Falls Journal)

According to a statement just issued by the National Life Insurance company, you are in greater danger on an American highway than you are on board a merchant or naval vessel in the submarine-infested waters of the war zone. Some of the company's statements sound unbelievable, but it claims they are based on actual fatality percentage. It says:

Your chance of sudden death while crossing a busy American street in the middle of the block are the same as if you were in a European city under an bombardment for the same period of time.

The alcoholic automobile driver and his passengers are running about the same risk as though they were aboard a contrabandladen ship in the present submarine zones. If your driver has been drinking your chance of a fatal accident is increased 55 times over that of a sober driver.

A sober driver, driving 60 miles an hour at night, has a 20 per cent greater chance of being killed than an army or navy student air pilot. Even this driver is 30 per cent better off than a housewife who does her dry cleaning at home with naphtha, gasoline or benzine. The driver who goes through a stop sign is only slightly safer than if he was serving with the British Navy in the war zone.

These comparisons sound like exaggerations until the 1939 traffic accident record is considered. More than 32,400 persons were killed and 1,021,000 were injured. The cause in most cases was carelessness, speeding, drunken driving or jay walking.

UNEMPLOYED DOLLARS
(Morris Tribune)

There are too many unemployed dollars in this country as well as unemployed men. The two are closely related. The unemployed dollars are piled up in the banks. The banks are not to blame because the dollars are not working, because there is plenty of evidence that the banks are lending all the money they can without taking risks. It is not the business of a bank to take risks. Taking risks is the business of the owner of the money. Everyone who invests his money in a new building, new machinery, increased payrolls, or expansion is taking a risk, but the government policies of unsound government finance, a rubber dollar, government competition, heavy taxation all tend to discourage taking a chance, and makes the bank vault look like a better place for money than taking a chance. This feeling pertains to all owners of capital, whether it happens to be the man who has saved a few hundred or the one who has a few million. Things will not change until the country bluntly faces the question of whether or not we are going to keep right on heading into socialism or whether we believe that giving everyone a chance and the right to take a chance is the better policy. That's the big question before the country today, and it will have to be decided either at this next election or at a very early one or the country will have drifted too far to work its way back in this generation.

Right doing is an occasionally happy way of living.—Sir Henry Jones.

THE INTERSTATE WAR
(Minnesota Mascot)

In his recent summary of the findings of the Temporary National Economics committee's study of interstate trade barriers, Dr. William Yandell Elliot of Harvard urged federal regulation in a number of instances "to end a growing chaos." He urged not only increased interstate co-operative efforts to halt retaliation and check further discriminatory legislation, but also federal statutes to lay down "reasonable standards both for plant, animal, and dairy inspection and for the interstate passage of motor vehicles, chiefly trucks." He also recommended establishment of a permanent joint federal-state committee, possible restraining federal legislation recommended by such a committee, and assistance of the attorney general in bringing to trial unconstitutional state trade barrier actions.

Prompted by a misguided sense of state loyalty, many state legislatures have sought to protect local interests against out-of-state competition by discriminatory taxes and regulations. These in turn have given rise to retaliatory measures in other states until the flow of trade between the states, in many instances, is not unlike that in the Balkans where tariff walls present serious barriers to trade.

While some of these state regulations may protect certain industries, their ultimate effect is detrimental to the nation as a whole. They place an added burden on interstate commerce which must be borne by the consumer, and artificially stimulate industries in one region at the expense of those in another. One of the important reasons for the uniformly high standard of living and progress in this country has been its freedom from any restraints on interstate trade. To countenance such restraints in the proportion in which they have been increasing in recent years is to countenance a return to the trade barriers which have impeded progress in Europe for years.

Though much could be accomplished through state co-operation in remedying this situation, little progress has been made in that direction. Apparently the task of removing these barriers to interstate trade is one in which the federal government must interest itself in an increasing degree.

UTOPIAS—THE 1940 MODELS
(Duluth Herald)

Whatever the fate of the other crops there, California's reputation as a hothouse for Utopias came through the winter splendidly. The concoction and distribution of plans to give various minorities a generous whack at the public funds continues merrily.

One new plan calls for $20 a week to persons over 50 who will promise not to work, and $7 a week to persons under 21 who cannot find work. Yet another plan would pension all needy persons over 50 and everyone, needy or not, who was over 60.

Any of these, of course, would put such a burden on the whole economic plant that the general living level would fall. The possibilities of a revolt against such a crushing load are serious, too.

These plans may seem harmless enough at this stage, but they are no inducement to anyone to invest money in California businesses. They are also enough to set serious people to thinking about just what all these people learned in the schools that were provided for them at great expense, and just how ripe they would be if a really dangerous leader with a plausible plan came along.

LOWER BUILDING COSTS
(Milwaukee Journal)

Milwaukee Journal: If the justice department can clear away some of the obstructions, it may be that building costs can be really reduced.

Another important obstacle, if building costs are to be reduced, lies outside the department of justice's jurisdiction, however. It consists of the myriad outmoded requirements in local and state building codes, the various selfish bits of legislation pushed through by lobbyists for painters, for electricians, for plumbers, for various unions and supply dealers—legislation which passes as though designed to protect the public, but which, in many details, protects chiefly the trade concerned at the public's expense.

Cities and states must revise their codes, must test new materials and allow their uses as progress demands. This, plus federal prosecution to stop illegal restraints, could undoubtedly greatly reduce building costs.

NOT THE FIRST MIGRATION
(Olivia Times)

The Farmer-Labor leaders have been complaining bitterly because some men from the state of Michigan are on the payroll in the civil service department. Perhaps the state administration should be criticized for appointing to the jobs those outsiders, and perhaps it should not. We are not prepared to say. But, the point is that the criticism comes with poor grace from the third party leaders. We all remember when a horde of ambitious political workers from North Dakota came into Minnesota and took state offices during the Farmer-Labor administration, and several of that same group are holding office yet. We are not objecting so much to the criticism as we are to the idea of the kettle calling the pot black.

TWO MISSING ITEMS
(New York Sun)

President Roosevelt's figures on national economics, given a few days before without direct quotation, were repeated by him more concretely to the Youth congress:

"The national income from all sources has increased from $40,000,000,000 in 1932 to $68,500,000,000 in 1939—in other words, plus 71 per cent.

"Wages and salaries have increased from $2,100,000,000 in December, 1932, to $3,888,000,000,000 in December, 1939—plus 62 per cent."

It might have helped the education of the delegates of the Youth congress if Mr. Roosevelt had added two simple items of historical record:

1. The year 1932 used in his comparison was the nadir of the national depression.

2. The dollars of 1932 contained 25.8 grains of gold as compared with 15 5-21 grains in 1939. In other words, there was a 100-cent dollar in 1932 and a 59-cent dollar in 1939.

These little facts, we hope, will not, in Mr. Roosevelt's words, be "misstated and twisted by many newspapers and by some politicians seeking office."

CHILD DRIVERS
(Grand Rapids Independent)

There are three things that parents and the child drivers might take into consideration. The first, which concerns the parents, is vital and of great importance: If an accident occurred while a minor child who has no driver's license was driving, and in which death or injury to persons occurred, the parents, no matter how heavily they are insured, could not recover through their insurance company; secondly, the child, who may anticipate getting his driver's license when he becomes 15, may find himself unable to do so because he has been caught by the police breaking the law by driving without a license and before the legal age, and the police have recommended to the authorities not to grant a license, and thirdly, it is not nice for any youngster to have his name appear on the police office blotter even if he does not get hauled into court and acquire a court record.

Next time be wise, both to parents and to children not old enough to have driver's licenses."

Precious metal "sandwiches" made of platinum foil spread between two layers of gold are used for certain types of hammered dental fillings. The platinum is used to increase the hardness of the gold.

Man Has Animal Diseases

Man has subjected animals to his rule, but he has also subjected himself to many of their diseases, says Hygeia, the Health Magazine.

Variable Dollars

The purchasing power of the dollar has varied widely in the past 50 years, economists say. In 1896, for example, a dollar was worth the equivalent of $2.12 in 1929. In war and post-war years its purchasing power varies widely.

FACULTY CAGERS LOSE A THRILLER TO SR. COWBOYS

Winners Make It Six in Row by Defeating Teachers 21-20 Friday

In a rough-house basket-ball game that was played as a preliminary to the sophomore-junior inter-class championship game last Friday night, the 1939 senior Cowboys ran their victory streak to six straight by nosing out the high school faculty, 21 to 20. With Maynard Tvedt playing in a plaid skirt and silk blouse, and Bobby DuChamp getting five personal fouls, and Coach Lindenmeyer giving orders to play with a 'dead' clock, and Len Furuseth and Ed Flasch in disagreement on calling fouls, the game had everything.

The box score:

1939 Sen. or Cowboys	fg	ft	ftm	pf	tp
Burrell, f.	2	0	0	0	4
LaFave, f.	3	0	0	0	6

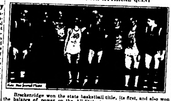
Amateur Radio Station Useful in Sleet Storm

Amateur Radio Station W9FUZ located on Lake Bemidji and owned and operated by Attorney Armond Brattland, son of Judge M. A. Brattland of this city, rendered useful service to the Bemidji community last week when wire service was disrupted by a severe sleet storm. Mr. Brattland, who has been interested in amateur radio since 1912, transmitted weather reports and other messages to Chicago and other points.

BASKETBALL ALL-STATE MYTHICAL QUINT



Breckenridge won the state basketball title, its first, and also won the balance of power on the All-State teams elected after the prep classic in St. Paul recently. Here are the All-Staters in repose, left to right: Vern Ulness, Breckenridge, guard; Orlando Bonicelli, Chisholm, guard; Don Mattson, Marshall, center; Bill Peterson, Red Wing, guard; Ray Cimbura, Breckenridge, center; Willard Rempel, Mountain Lake, forward; Victor Kulbitski, Red Wing, forward; Melvin Ruud, Breckenridge, forward.

Interclass Tournament Is Won by Sophomores

The smooth-passing and well-balanced sophomore basketball team, coached by Wayne Bredeson and Loren Jung, won the interclass tournament held in the high school gym last Thursday and Friday. In the semi-finals the sophs trounced the freshmen, 38 to 13, and in the finals on Friday night they defeated the juniors, 28 to 14. To reach the finals the juniors, on Thursday night, won a nip-and-tuck game from the defending champions, the seniors, by a 19 to 14 score.

The sophomores, who had Johnny Campbell and Nicky Carlson at the forwards, Orrin Pederson at center, and Andy Anderson and Lenny Lorentson at the guards, were easily the best team in the tournament. Andy scored 24 points in the two games, from his guard position, to be high scorer for the team and the tournament, and little Nicky Carlson, the nimble forward, chipped in with 17 points for the two games. Johnny Campbell, who set up many plays, and played a fine floor game, totaled 12 points. Teener Olson, Merle Carlson, and Denny Althoff, were the most effective players for the juniors.

In the consolation game, the bulky seniors outscored the freshmen to win an easy 28 to 11 victory.

Junior Chamber Votes $15 to Fund to Supply School Band Uniforms

With Dr. J. G. Hillard presiding in the absence of President Leo Aanstad, the Junior Chamber of Commerce at its meeting last Thursday evening in the Palm Garden cafe voted to appropriate $15 to the fund being collected by the Parent-Teacher association to finance the purchase of new uniforms for members of the Lincoln high school band. At the same time the organization endorsed the campaign for clean literature being conducted under the local leadership of Rev. A. L. Merth. With the election of officers scheduled for Thursday, May 2, the board of directors will submit a slate of candidates at the next meeting, while additional nominations may be made from the floor.

SPORTS Tid-Bits

By Huck Olson

$848.00 is a lot of money, even when using New Deal arithmetic. And that is the amount of the hockey club deficit for this year. $848.07, to be exact. Making an analysis of the statements, financial statements, for this year and last, one can readily see the reason why this season's play went so far into the red. Briefly stated, the receipts this year were $4,278.00, and the expenses, $5,126.00; while last year the receipts were $5,737.00, and the expenses, $5,707.00. And digging into the causes for the lowered receipts you will find that the home gate this year amounted to $3,272.00, while last year it was $3,642.00; this season's donations, and the button sale, came to $315.00, while last year's donations amounted to $737.00; and this year our percentage from games played away from home amounted to $695.00, while last year we received $800.00 from this source.

Of course, the payroll this year was not as large as the payroll last year, being $2,107.00 this season, and $2,770.00 last year. But this saving is offset by the fact that this year the hockey club paid $204.00 in rink rental, while none was paid last year. And this year outside teams received $1,188.00 as their percentage of our gates; and last year this percentage amounted to $955.00. A fully itemized statement of the hockey finances is available in T. M. Thronson's office, and anyone can go there and make a study of it.

It's going to cheer Clarence Offerdahl to hear that his first-baseman is in shape for the diamondball season. Howie Holum made a couple of motions at the association meeting Tuesday night. One of these motions was that the meeting should stand adjourned and that the lunch should be served.

The sophomores, as predicted by Andy Anderson, romped away with the inter-class basketball tournament. And they were easily the best team in the tourney and, on their play, they could have beaten a number of the high school teams around here. And there were prospects for next season's varsity, some of them being Johnny Campbell, Nicky Carlson, Andy Anderson, Lenny Lorentson, and Orrin Pederson, of the Sophomores, Don Berg, of the Freshmen. Denny Althoff, Merle Carlson, and Teener Olson, of the Juniors. All these are capable basketball players; but they lack size, especially the two Carlsons and Johnny Campbell. But the Prowlers will have a team next year, and they won't lose the district championship without a scrap.

No substitutes, no coach, and no defeats. That's the record of the Senior Cowboys. Somebody, somewhere, has to knock off these fellows. It's going to be a long and hot summer if I have to listen to Bob DuChamp, Red Ede, Wes Burrell, Jim LaFave, and Jewell [illegible] how they were undefeated, and how they beat Warren, and the Faculty, etc.

Plummer is trying to get Louie Benson to pitch for their baseball team this summer. Louie is pitching for the Gustavus varsity this year, and he is undecided whether or not he will come up here during the summer vacation.

Chauncy Martin, that big boy who starred with the Crosby-Ironton team when they played in the state basketball tournament in 1938, the year that the Prowlers won the state title and defeated C-I in an overtime game, has transferred to Gustavus Adolphus. Martin, who had been attending the 'U', ran into a bunch of poor grades, and wasn't such great shakes as 'U' athlete.

Ed. Kiewel, son of Ben Kiewel, rolled games of 215, 210, 191, and 169, for a 785 total, to win first place in the first annual Crookston Daily Times bowling tournament, conducted on the Crookston Bowling Center alleys.

THIEF RIVER RIFLE CLUB ENTERED IN 3 MATCHES IN WEEK

Capture First Place in Soo Line Tournament at Strandquist

The Thief River Rifle Club early last week traveled to Strandquist to compete in the Soo Line tournament. The teams represented were Strandquist, Lancaster, Bronson, and Thief River Falls. The trophy was won for the second consecutive year by Thief River Falls with a score of 1805. More than thirty shooters were present.

The Grand Forks Rifle Club came over last Thursday night for a shoulder-to-shoulder handicap match with the local club. The Thief River club came out on top 1935 to 1917.

The rifle club from Roseau was down Monday evening and won a hard fought match from the local shooters. When the smoke had cleared and the scores counted Roseau was out in front 1842 to 1837. The members of the local club to make the teams were Walter Gibson, W. G. Mayes, John Lind, Leonard Hanson, Carl Hovie, Howard Hoel, Jr., O. M. Bishop, and Carl Wennberg.

FARMERS OF STATE GET $786,000 FOR 1939 SURPLUSES

State Director Reports on Purchases of Surplus Commodities

Minnesota farmers in 1939 received $786,000.00 for products purchased by the Federal Surplus Commodities corporation, according to data received this week from the United States department of agriculture by Walter W. Finke, director of the division of social welfare. Surplus commodity distribution in Minnesota is handled by the state agency.

The data shows that during the year, 45,511,805 pounds of surplus commodities were purchased in Minnesota, and that [illegible] pounds of surplus from other states were distributed to Minnesota's needy.

Purchases of surpluses in Minnesota included 1,021,000 pounds of fresh vegetables; 267,000 pounds of butter; 3,171,000 pounds of oat cereal; 19,740 barrels of wheat cereal; 123,000 barrels of corn meal; 25,000 pounds of fat-backs; 16,500 barrels of graham flour; 36,000 barrels of white flour; 80,000 pounds of dry skim milk; and 6,427,550 pounds of onions.

Distribution in Minnesota was to the recipients of the state's various welfare programs thru county welfare agencies in urban districts and by means of the stamp plan in the two large cities.

The major purpose of the surplus commodities program is to stabilize glutted markets, to improve farm income and to provide additional food resources to those in need. It also aims to encourage the consumption of products and thus bring about the expansion of consumer outlets for the commodities distributed.

War Declarations

From the outbreak of the World war in 1914 to its close in 1918, there were 32 declarations of war by the Central and Allied Powers. The last, by Honduras against the Central Powers, was made July 19, 1918, only 3 months and 23 days before the Armistice.

BAPTISM OF A TRINITY OF BABIES

Rare in the experience of any minister of the gospel is the opportunity to baptize and christen triplet children. Rev. J. F. Laulainen, holding Joanne Marguerite; Miss Erma Mauch, holding Janice Virginia, and Mrs. J. H. Leef, holding Jeanette Kaith[illegible]. In the back row are Mr. Laulainen and Mr. Leef.

Minnesota to Adopt Uniform Markings of "No-Passing" Zones

Minnesota's method of marking no-passing zones by special lines painted on the highway surfaces, inaugurated [illegible] with marked success, has been [illegible] nationally, but with some revisions which necessitate changes on the state's trunk highways this year in order to comply with the national uniform standards.

Thirty seven states have adopted the plan, which will be put into effect in Minnesota this summer.

Under last year's system, center lines were either black or yellow; no passing zone barrier lines were marked in white. Under the new, uniform system, ultimately all center lines will be marked by solid yellow stripes, running parallel to the normal center line.

However, Minnesota has an investment of approximately [illegible] 000 in center line and "no passing" zone stripes laid last year of which $12,000 is the cost of the paint alone. In order to take full advantage of this investment, those stripes which were applied late last year and on which the paint is still bright this spring will not be repainted until they have been dimmed by traffic wear. Therefore, the transition from the 1939 color scheme to the new uniform system of pavement markings will result in some inconsistency and therefore some confusion throughout the 1940 travel season.

Duplicate Cards for Social Security Now Available at Bemidji

Wage earners who have lost their social security account number cards may now obtain duplicates from the Bemidji field office of the Social Security Board, Frank H. Daly, manager, announced today. The Bemidji office will issue duplicates, upon proper identification, to workers who have lost their card.

The service to workers was [illegible] been [illegible] to help them obtain employment. Reports from all parts of the country indicate, Mr. Daly explained, that employers are giving the preference to job applicants having account number cards. The employer is required to include both the worker's name and his account number in periodic reports of the worker's wages which he files with the Treasury.

It will be necessary for the Bemidji field office to obtain the home address and the name and address of the employer of persons requesting duplicate cards. It was explained that this additional information is required so that, if it is found necessary, the field office can communicate with the wage earner or his employer.

SAFETY HEAD ASKS SPRING CHECKUP OF LIGHTS, BRAKES

Traffic Engineer Points out Defects Caused Many Mishaps in '39

An urgent appeal to all Minnesota motorists to give a spring checkup to the lights and brakes on their cars was sounded this week by W. F. Rosenwald, traffic engineer of the state highway department. He based his plea on accident figures for last year which show that 547 motor vehicles involved in accidents in 1939, of which 11 were fatal, had defective lights or brakes.

"Too many motorists," said Mr. Rosenwald, "take for granted the various safety devices on the present-day motor cars they are driving. They fail to have faulty brakes adjusted or repaired; they turn on the light switch, never thinking that one of the headlight bulbs may have burned out. In other words, they operate their cars under the impression that, like 'Ol' Man River', they will keep rolling along without any attention at all."

He remarked that filling station operators and attendants can play a very important and helpful role in the highway department's never-ceasing campaign against faulty or improper lights if they will call such defects to the attention of motorists who stop at their stations for service. A polite suggestion that a burned out bulb be replaced will be appreciated by the motorist.

"Although it is illegal to sell or use motor vehicle lamps, reflectors, signal devices or parts for any of these items unless they have been approved by the Commissioner of Highways, recent investigations by the department have disclosed that many automotive supply stores in the larger cities have been selling such unapproved equipment. Although the stores have been requested to stop selling such equipment, it still is the responsibility of the individual motorist to buy and use only approved light equipment, Mr. Rosenwald points out.

'40 Citizens Military Training Camp at Fort Snelling Opens July 5

The annual Citizens Military Training camp for infantry will be conducted at Fort Snelling from July 5 to August 3, it was announced this week. Young men between the ages of 17 and 24 who are physically fit are eligible for the first year or basic course. All necessary expenses are paid by the government, including transportation to and from camp, food, uniforms, lodging, athletic equipment, laundry service, and medical care are furnished. No obligation for future military service is incurred by those who attend, it was stated. All who are interested should apply to the CMTC Officer, Federal Building, Omaha, Nebraska, or to any CMTC representative. These camps have been very popular in the past, and it is anticipated that the Seventh Corps Area quota will soon be reached.

Cancer Not Contagious Nor Is It Inherited, State Physicians Says

Cancers are not contagious. They are not caused by anything you eat or any type of utensil used in cooking. They are not inherited and most of them can be cured if they are discovered and treated early.

These facts about cancer are being emphasized by the Minnesota State Medical association as part of the association's campaign of education about cancer being conducted during April in cooperation with the national April educational campaign of the Women's Field Army Against Cancer.

Special emphasis will be [illegible] cancer of the digestive tract during the campaign, the doctors [illegible] because the symptoms are often dismissed as stomach [illegible].

Prompt examination by [illegible] and other modern diagnostic [illegible] and then surgery or x-ray treatment, or radium, depending upon the site and type of growth [illegible], the doctors say.

FINDS CASH LOST THREE YEARS AGO

Sleepy Eye—Three years ago Nic Kuentz lost his pocketbook containing $6.28. Recently he decided to lay a floor in his chicken coop. To do so he had to rip out several wall boards close to the floor. There neatly packed in the insulation between the walls was his pocketbook, cash and all, still in the best of condition. Apparently, it was dropped there three years ago when the building was erected.

National Hospital Day to be Observed Thruout Nation Sunday, May 12

Hospitals throughout Minnesota will join those of the entire country in observance of National Hospital Day Sunday, May 12, anniversary of Florence Nightingale, the founder of modern nursing. The date marks the 120th birthday anniversary of the woman who distinguished herself and contributed notably to the field of nursing during the Crimean war in the middle of the 19th century when she went with a small band of nurses into the Crimea to deal with disease and contagion among her English countrymen. Miss Esther Wolfe, administrator of St. Andrew's Hospital, Minneapolis, chairman of public education of the Minnesota Hospital Association and a vice-president of the association, is in charge of statewide plans for observance of the day.

National Conference of Governors Awarded to Duluth June 2 to 5

The national governor's conference will be held in Duluth June 2 to 5, Adjutant General Ellard A. Walsh announced yesterday.

The conference was awarded by Governor Stassen on the recommendation of the tourist committee, a group of resort and hotel owners working with the state tourist bureau.

Following the award, the governor and General Walsh issued a statement expressing "appreciation to the Duluth chamber of commerce and the Minnesota Arrowhead association for their help and cooperation in this project."

The conference will attract about 40 governors, General Walsh estimated, with a total attendance of approximately 200 persons. Activities will include four formal conferences at the Hotel New Duluth, to alternate with [illegible] trips [illegible] plans for the [illegible] include a side trip to Hibbing and the iron mines, a sightseeing trip to Two Harbors, and possibly a visit to Ely.

DUCK RESCUED FROM SNOW

Granite Falls—Lloyd Connor [illegible] on his way home one evening recently when he noticed the neighbor's dog barking over something buried in a snow drift. Upon investigation Lloyd found a ruddy duck, its body covered with ice. The bird, evidently one of a flock flying over, had been weighted by the ice and forced to earth. The duck will be a boarder in the Connor basement until it has recovered enough to be released.

Finnish Leaders Cite Need of Continued Aid to Heal War's Ravages

In response to assurances that relief would be extended during Finland's post-war rehabilitation period, President Kallio and Field Marshal Baron Mannerheim have sent thanks to Chairman Norman H. Davis for assistance the American Red Cross has given since the beginning of hostilities.

"Now the war is over we have before us the enormous problems of reconstruction," Field Marshal Baron Mannerheim stated in a letter to Mr. Davis. "Our towns have been burned, many of our newest hospitals have been bombarded and destroyed and a half a million of evacuated citizens, who have been living for generation on the borderland, have lost every worldly possession."

President Kallio expressed his "sincere appreciation" through Dr. H. A. Spencer, U. S. Public Health Service officer representing the American Red Cross at Helsinki.

Stressing that Finland now was burdened with the responsibility of caring for 10,000 wounded soldiers and recovering from a costly war, President Kallio told Dr. Spencer that the task would be impossible without outside assistance.

Lily Pons to Sing with Minneapolis Orchestra

With the playing of Beethoven's monumental Ninth Symphony and an appearance of Lily Pons, noted soprano, and Andre Kostelanetz, her husband of radio fame, the Minneapolis Symphony Orchestra will end one of the most successful seasons in its history. The Beethoven Ninth Symphony, with a chorus of 240 singers and four noted soloists, will be given two performances by the orchestra, the first Friday night, April 12, and the second Sunday afternoon, April 14. Both performances will be at Northrop Memorial Auditorium on the University of Minnesota campus.

Congressman Buckler Indicates He Plans to Seek Reelection Again

Congressman R. T. Buckler expects to seek reelection to his post as representative of the ninth Minnesota congressional district, next fall, unless there are unforeseen developments, according to the Crookston Times.

This announcement was made last Thursday by the congressman, who was spending a week at his farm home near Crookston. He left Saturday night to return to Washington. He accompanied Mrs. Buckler home. She will remain at the farm while Mr. Buckler will return to remain in Washington through the balance of the congressional session.

Mr. Buckler said that he did not wish to be quoted as definitely announcing his candidacy for reelection, but said that the probabilities were that he would seek his congressional post again unless there are developments to change his decision.

FARMERS PROUD OF LARGE EGGS

Park Rapids—Three unusually large chicken eggs recently made their appearance in this vicinity. Largest is an egg laid by a White Leghorn in the flock of Melvin Franks. It measures 6⅞x8¼ inches. Next largest was laid by a White Jersey Giant in the flock of Jake Becker. Its size is 6¾ by 8¼ inches. Third in line is the offering of another White Jersey Giant owned by Mrs. Paul Carey, measuring 6x7½ inches.

FACULTY CAGERS LOSE A THRILLER TO SR. COWBOYS

Winners Make It Six in Row by Defeating Teachers 21-20 Friday

In a rough-house basket-ball game that was played as a preliminary to the sophomore-junior inter-class championship game last Friday night, the 1939 senior Cowboys ran their victory streak to six straight by nosing out the high school faculty, 21 to 20. With Maynard Tvedt playing in a plaid skirt and silk blouse, and Bobby DuChamp getting five personal fouls, and Coach Lindenmeyer giving orders to play with a 'dead' clock, and Len Furuseth and Ed Flasch in disagreement on calling fouls, the game had everything.

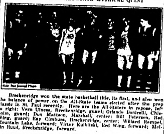
BASKETBALL ALL-STATE MYTHICAL QUINT



Breckenridge won the state basketball title, its first, and also won the balance of power on the All-State teams elected after the prep classic in St. Paul recently. Here are the All-Staters in repose, left to right: Vern Ulness, Breckenridge, guard; Orlando Bonicelli, Chisholm, guard; Don Mattson, Marshall, center; Bill Peterson, Red Wing, guard; Ray Cimbura, Breckenridge, center; Willard Rempel, Mountain Lake, forward; Victor Kulbitski, Red Wing, forward; Melvin Ruud, Breckenridge, forward.

Interclass Tournament Is Won by Sophomores

The smooth-passing and well-balanced sophomore basketball team, coached by Wayne Bredeson and Loren Jung, won the inter-class tournament held in the high school gym last Thursday and Friday. In the semi-finals the sophs trounced the freshmen, 38 to 13, and in the finals on Friday night they defeated the juniors, 28 to 14. To reach the finals the juniors, on Thursday night, won a nip-and-tuck game from the defending champions, the seniors, by a 19 to 14 score.

The sophomores, who had Johnny Campbell and Nicky Carlson at the forwards, Orrin Pederson at center, and Andy Anderson and Lenny Lorentson at the guards, were easily the best team in the tournament. Andy scored 24 points in the two games, from his guard position, to be high scorer for the team and the tournament, and little Nicky Carlson, the nimble forward, chipped in with 17 points for the two games. Johnny Campbell, who set up many plays, and played a fine floor game, totaled 12 points. Teener Olson, Merle Carlson, and Denny Althoff, were the most effective players for the juniors.

In the consolation game, the bulky seniors outscored the freshmen to win an easy 28 to 11 victory.

SPORTS

Tid-Bits

By Hack Olson

$848.00 is a lot of money, even when using New Deal arithmetic. And that is the amount of the hockey club deficit for this year. $848.07, to be exact. Making an analysis of the statements, financial statements, for this year and last, one can readily see the reason why this season's play went so far into the red. Briefly stated, the receipts this year were $4,278.00, and the expenses, $5,126.00; while last year the receipts were $5,737.00, and the expenses, $5,707.00. And digging into the causes for the lowered receipts you will find that the home gate this year amounted to $3,272.00, while last year it was $3,642.00; this season's donations, and the button sale, came to $315.00, while last year's donations amounted to $737.00; and this year our percentage from games played away from home amounted to $695.00, while last year we received $806.00 from this source.

Of course, the payroll this year was not as large as the payroll last year, being $2,107.00 this season, and $2,770.00 last year. But this saving is offset by the fact that this year the hockey club paid $204.00 in rink rental, while none was paid last year. And this year outside teams received $1,188.00 as their percentage of our gates; and last year this percentage amounted to $955.00. A fully itemized statement of the hockey finances is available in T. M. Thronson's office, and anyone can go there and make a study of it.

It's going to cheer Clarence Offerdahl to hear that his first-baseman is in shape for the diamondball season. Howie Hoium made a couple of motions at the association meeting Tuesday night. One of these motions was that the meeting should stand adjourned and that the lunch should be served.

The sophomores, as predicted by Andy Anderson, romped away with the inter-class basketball tournament. And they were easily the best team in the tourney and, on their play, they could have beaten a number of the high school teams around here. And there were prospects for next season's varsity, some of them being Johnny Campbell, Nicky Carlson, Andy Anderson, Lenny Lorentson, and Orrin Pederson, of the Sophomores, Don Berg, of the Freshmen, Denny Althoff, Merle Carlson, and Teener Olson, of the Juniors. All these are capable basketball players; but they lack size, especially the two Carlsons and Johnny Campbell. But the "Prowlers" will have a team next year, and they won't lose the district championship without a scrap.

No substitutes, no coach, and no defeats. That's the record of the Senior Cowboys. Somebody, somewhere, has to knock off these fellows. It's going to be a long and hot summer if I have to listen to Bob DuChamp, Red Eide, Wes Burrell, Jim LaFave, and Jewell [illegible] how they were undefeated, and how they beat Warren, and the Faculty, etc.

Plummer is trying to get Louie Benson to pitch for their baseball team this summer. Louie is pitching for the Gustavus varsity this year, and he is undecided whether or not he will come up here during the summer vacation.

Chauncy Martin, that big boy who starred with the Crosby-Ironton team when they played in the state basketball tournament in 1938, the year that the Prowlers won the state title and defeated C-I in an overtime game, has transferred to Gustavus Adolphus. Martin, who had been attending the 'U', ran into a bunch of poor grades, and wasn't such great shakes as 'U' athlete.

Ed. Kiewel, son of Ben Kiewel, rolled games of 215, 210, 191, and 169, for a 785 total, to win first place in the first annual Crookston Daily Times bowling tournament, conducted on the Crookston Bowling Center alleys.

FARMERS OF STATE GET $786,000 FOR 1939 SURPLUSES

State Director Reports on Purchases of Surplus Commodities

Minnesota farmers in 1939 received $786,600.00 for products purchased by the Federal Surplus Commodities corporation, according to data received this week from the United States department of agriculture by Walter W. Finke, director of the division of social welfare. Surplus commodity distribution in Minnesota is handled by the state agency.

The data shows that during the year, 45,511,805 pounds of surplus commodities were purchased in Minnesota, and that [illegible] pounds of surplus from other states were distributed to Minnesota's needy.

Purchases of surpluses in Minnesota included 1,021,000 pounds of fresh vegetables; 267,000 pounds of butter; 3,171,000 pounds of oat cereal; 19,740 barrels of wheat cereal; 123,200 barrels of corn meal; 25,000 pounds of fat backs; 16,500 barrels of graham flour; 36,000 barrels of white flour; 80,000 pounds of dry skim milk; and 6,427,550 pounds of onions.

Distribution in Minnesota was to the recipients of the state's various welfare programs thru county welfare agencies in urban districts and by means of the stamp plan in the two large cities.

The major purpose of the surplus commodities program is to stabilize glutted markets, to improve farm income and to provide additional food resources to those in need. It also aims to encourage the consumption of products and thus bring about the expansion of consumer outlets for the commodities distributed.

War Declarations

From the outbreak of the World war in 1914 to its close in 1918 there were 22 declarations of war by the Central and Allied Powers. The last, by Honduras against the Central Powers, was made July 19, 1918, only 3 [illegible] and 23 days before the Ar[illegible].

BAPTISM OF A TRINITY OF BABIES

Rare in the experience of any minister of the gospel is the opportunity to baptize and christen triplet children. Rev. J. F. Marlatte, pastor of the [illegible] Lutheran church in Minneapolis, is shown performing the service for the [illegible] triplets. Front row, left to right are Rev. Marlatte, Mrs. A. H. [illegible], holding Joanne Marguerite; Miss Lena Mauch, holding Janice Virginia, and Mrs. J. H. Leef, holding Jeanette Kathleen. In the back row are Mr. [illegible] and Mr. Leef.

Minnesota to Adopt Uniform Markings of "No-Passing" Zones

Minnesota's method of marking no-passing zones by special lines painted on the highway surfaces, inaugurated [illegible], has been [illegible] successful, but with some revision which necessitate changes on the state's trunk highways this year in order to comply with the national uniform standards.

Thirty seven states have adopted the plan, which will be put into effect in Minnesota this summer.

Under last year's system, center lines were either black or yellow; "no passing" zone barrier lines were marked in white. Under the new, uniform system, all [illegible] will be marked by solid yellow stripes, running parallel to the normal center line.

However, Minnesota has an investment of approximately $50,000 in center line and "no passing" zone stripes laid last year, of which $42,000 is the cost of the paint alone. In order to take full advantage of this investment, those stripes which were applied late last year and on which the paint is still bright this spring will not be repainted until they have been dimmed by traffic wear. Therefore, the transition from the 1939 color scheme to the new uniform system of pavement markings will result in some inconsistency and therefore some confusion throughout the 1940 travel season.

Duplicate Cards for Social Security Now Available at Bemidji

Wage earners who have lost their social security account number cards may now obtain duplicates from the Bemidji field office of the Social Security Board, Frank H. Daly, manager, announced today. The Bemidji office will issue duplicates, upon proper identification, to workers who have lost their card.

"This service to workers who have lost their cards has been established to help them obtain employment. Reports from all parts of the country indicate," Mr. Daly explained, "that employers are giving preference to job applicants having account number cards. The employer is required to include both the worker's name and account number in periodic records of the worker's wages which he files with the Treasury."

It will be necessary for the Bemidji field office to obtain the home address and the name and address of the employer of persons requesting duplicate cards. It was explained that this additional information is required so that, if it is found necessary, the field office can communicate with the wage earner or his employer.

SAFETY HEAD ASKS SPRING CHECKUP OF LIGHTS, BRAKES

Traffic Engineer Points out Defects Caused Many Mishaps in '39

An urgent appeal to all Minnesota motorists to give a spring checkup to the lights and brakes on their cars was sounded this week by W. F. Rosenwald, traffic engineer of the state highway department. He based his plea on accident figures for last year which show that 547 motor vehicles involved in accidents in 1939, of which 41 were fatal, had defective lights or brakes.

"Too many motorists," said Mr. Rosenwald, "take for granted the various safety devices on the present day motor cars they are driving. They fail to have faulty brakes adjusted or repaired; they turn on the light switch, never thinking that one of the headlight bulbs may have burned out. In other words, they operate their cars under the impression that, like 'Ol' Man River', they will keep rolling along without any attention at all."

He remarked that filling station operators and attendants can play a very important and helpful role in the highway department's never ceasing campaign against faulty or improper lights if they will call such defects to the attention of motorists who stop at their stations for service. A polite suggestion that a burned out bulb be replaced will be appreciated by the motorist.

Although it is illegal to sell or use motor vehicle lamps, reflectors, signal devices or parts for any of these items unless they have been approved by the Commissioner of Highways, recent investigations by the department have disclosed that many automotive supply stores in the larger cities have been selling such unapproved equipment. Although these stores have been requested to stop selling such equipment, it still is the responsibility of the individual motorist to buy and use only approved light equipment, Mr. Rosenwald points out.

'40 Citizens Military Training Camp at Fort Snelling Opens July 5

The annual Citizens Military Training camp for infantry will be conducted at Fort Snelling from July 5 to August 3, it was announced this week. Young men between the ages of 17 and 24 who are physically fit are eligible for the first year or basic course. All necessary expenses are paid by the government, including transportation to and from camp, food, uniforms, lodging, athletic equipment, laundry service, and medical care are furnished. No obligation for future military service is incurred by those who attend, it was stated. All who are interested should apply to the CMTC Officer, Federal Building, Omaha, Nebraska, or to any CMTC representative. These camps have been very popular in the past, and it is anticipated that the Seventh Corps Area quota will soon be reached.

FINDS CASH LOST THREE YEARS AGO

Sleepy Eye—Three years ago Nic [illegible] lost his pocketbook containing $628. Recently he decided to lay a floor in his chicken coop. To do so he had to rip out several wall boards close to the floor. There neatly packed in the insulation between the walls was his pocketbook, cash and all, still in the best of condition. Apparently, it was dropped there three years ago when the building was erected.

National Hospital Day to be Observed Thruout Nation Sunday, May 12

Hospitals throughout Minnesota will join those of the entire country in observance of National Hospital Day Sunday, May 12, anniversary of Florence Nightingale, the founder of modern nursing. The date marks the 120th birthday anniversary of the woman who distinguished herself and contributed notably to the field of nursing during the Crimean war in the middle of the 19th century when she went with a small band of nurses into the Crimea to deal with disease and contagion among the English soldiers. Miss [illegible] Wolfe, administrator of St. Andrew's Hospital, Minneapolis, chairman of public education of the Minnesota Hospital Association and a vice president of the association, is in charge of statewide plans for observance of the day.

Finnish Leaders Cite Need of Continued Aid to Heal War's Ravages

In response to assurances that relief would be extended during Finland's post war rehabilitation period, President Kallio and Field Marshal Baron Mannerheim have sent thanks to Chairman Norman H. Davis for assistance the American Red Cross has given since the beginning of hostilities.

"Now the war is over we have before us the enormous problems of reconstruction," Field Marshal Baron Mannerheim stated in a letter to Mr. Davis. "Our towns have been burned, many of our [illegible] hospitals have been bombarded and destroyed and a half a million of evacuated citizens, who have been living for generations in the borderland, have lost every worldly possession."

President Kallio expressed his "sincere appreciation" through Dr. H. A. Spencer, U. S. Public Health Service officer representing the American Red Cross at Helsinki.

Stressing that Finland now was burdened with the responsibility of caring for 40,000 wounded soldiers and recovering from a costly war, President Kallio told Dr. Spencer that the task would be impossible without outside assistance.

Congressman Buckler Indicates He Plans to Seek Reelection Again

Congressman R. T. Buckler expects to seek reelection to his post as representative of the ninth Minnesota congressional district next fall, unless there are unforeseen developments, according to the Crookston Times.

This announcement was made last Thursday by the congressman, who was spending a week at his farm home near Crookston. He left Saturday night to return to Washington. He accompanied Mrs. Buckler home. She will remain at the farm while Mr. Buckler will return to remain in Washington through the balance of the congressional session.

Mr. Buckler said that he did not wish to be quoted as definitely announcing his candidacy for reelection, but said that the probabilities were that he would seek his congressional post again unless there are developments to change his decision.

PLUMMER

F. F. A. To Present Play

The F. F. A. boys are presenting the play entitled, "The Blundering Herd", Friday, April 12, at the Plummer Auditorium, with Mr. Larvick directing.

Here is a summary and the characters of the play:

Peggy Houston, (Lorraine Lemieux) owner of Long Horn Ranch, finds herself in financial difficulties and decides to turn her place into a dude ranch. As soon as the cow-hands hear of it they are disgusted and leave—all except Walrus, (Gust Wiskstrom), Eddy (Clarence Hall) and Son-II, the Chinese cook, (Douglas Maney). As Peggy is conjecturing what she is to do to put on the grouper [illegible] for the dudes, who should appear on the scene but Timothy Tyson, (Roy Jacobson), and Lolo Zip (James Norby). Then come the tenderfeet, among them Gordon Rogers, (Clifford Thyrdr), and Miss Herring (Eileen Peterson) and her two wards, Sylvia (Alvina Fahr) and Mildred (Jean Richards).

Miss Herring is disgusted with this would-be western life. Gordon, however, has the time of his life, Peggy finds gold in the hills and Zip plans a holdup. All ends happily however, when Peggy discovers Gordon to be the son of the man who owns the mortgage on the ranch.

Willett-Hanzel

Gladiolas, roses and snapdragons and white Easter lilies were the floral setting for the wedding of Miss Gertrude Hanzel, daughter of Mr. and Mrs. Albert Hanzel of St. Paul to Andrew Willett, son of Mr. and Mrs. Frank Willett of Plummer at 9 a. m. Thursday, April 4 at St. James Catholic church in St. Paul.

The bride wore a gown of white slipper satin and her veil of white illusion fell from a halo of tiny orange blossoms. Her flowers were a cascade of white calla lilies. Miss Monica Willett of St. Paul, sister of the bridegroom, was bridesmaid and only attendant. She wore aqua taffeta and carried pink roses and lavender sweet peas. George Hanzel, brother of the bride was best man. Gerald Fahey sang "Ave Maria", "O Lord I am Not Worthy", and "On This Day Oh Beautiful Mother".

Following the ceremony a wedding dinner was served at the home of the bride's parents to the immediate families and relatives. Mr. and Mrs. Willett left for Duluth. They arrived at Plummer Saturday evening and are visiting at the home of his parents.

MODERATION.... the unseen physician

- It's more than mere luck that this young man's "check-up" has won him an O. K. for physical fitness. Day to day he has heeded the wise counsel of Nature's wise physician—Moderation.
- Moderation in all things, in work and play, in eating and drinking, promotes physical good health.
- That is why beer, the beverage of moderation, is preferred by those who cherish physical fitness. It is this sensible use of beer as a mild beverage which the Brewers of Minnesota seek to promote.
- Like all good things, its benefits are best distributed through wise regulation. The Brewers of Minnesota are cooperating with law-enforcement officers to make the retailing of beer as wholesome as beer itself.

HICKORY

Spring or What?

On Tuesday last week we had a terrible windstorm which was followed by a real cloudburst of rain in the evening with thunder, lightning and some snow. The following morning the woods looked like ice palaces as the trees were covered with glistening ice. Trees and branches broke due to the heavy burden. We have later had some thawing weather but the ground is still covered with snow in most places. The roads have been bad so that Wednesday and Thursday the Oklee school bus was unable to come. Some farmers have been hauling loads of hay on the Red Lake River while some trappers ride horseback on the ice. Flocks of ducks and geese have been seen so we hope for some real thawing as well as drying weather.

Helped Celebrate Birthday

Mr. and Mrs. Ole Rindahl, Shirley and Orlen, Mrs. Thora Brovold, Doris, Luverne, Verna, Audrey and Lloyd Brovold and Luella, Harry and Walter Hanson helped Mrs. Arnold Brovold celebrate her birthday Thursday evening. GRYGLA

Ladies Aid Meets

The Grygla Lutheran Ladies' aid Society held its regular meeting last Thursday. The meeting was opened with devotion by Rev. Anderson after which Mrs. Clarence Peterson, vice president took charge of the business meeting. In absence of the secretary the minutes of the previous meeting and the roll call were omitted. It was voted to accept Mrs. Gust Austad's resignation as president and an election of a new president resulted in Mrs. S. T. Anderson's accepting the position for the remainder of the term. Mrs. Carl Holbrook and Mrs. Ole Peterson volunteered as cleaning and decorating committee for the next months.

It was again discussed whether or not a new heatrola should be purchased for the church and a committee of five: Mrs. A. M. Lloyd, Mrs. Ole Peterson, Mrs. Elmer Hylland, Hans Peterson, and John Viking were appointed to appraise the stove. It was also decided to buy oilcloth for the serving tables.

Mrs. Noldus Nelson, Mrs. Oscar Tweeten, and Mrs. Oscar Knutson were appointed hostesses for May and Mrs. A. M. Lloyd and Mrs. John Levorson were appointed on the program committee for the next meeting.

Following the business meeting a very interesting program was given. The first number was a reading by Mrs. Ervin Nelson which forms the beginning for the new program series that will be in the form of a mission tour on which members will travel further each month. Mrs. Ole Peterson sang a solo in the Norwegian language followed by a reading by Mrs. Anna Brown. After the program a lovely lunch was served with Mesdames, Clarence Doran, Elmer Hylland, and Charles Knutson as hostesses.

Salveson-Holthusen

A beautiful wedding was solemnized at the Grygla Lutheran parsonage at five thirty P. M. Sunday when Miss Hazel Salveson, daughter of Mr. and Mrs. Severt Salveson was joined in marriage to John Holthusen, son of Mr. and Mrs. Fred Holthusen. The bridal procession marched under an archway of green and white streamers to the music of Lohengrin's wedding march played by Mrs. Anderson, where the words of the wedding ceremony were spoken. Rev. Anderson who had also both baptized and confirmed the bride officiated at her wedding. The attendants were the brother and sister-in-law of the groom, Mr. and Mrs. Herbert Holthusen.

The bride was attired in a floor length dress of Alice blue taffeta fashioned with a square neckline, fitted bodice and full skirt. The bridesmaid wore a floor length dress of peach colored taffeta with matching bolero. The groom and groomsman wore suits of navy blue and dark green respectively.

Following the ceremony the bridal party and immediate relatives were entertained at a wedding supper at the home of the brides brother-in-law and sister, Mr. and Mrs. Clarence Peterson.

UNEARTH OLD SKELETON

Eden—A crew working on the new road south of Horseshoe Lake came across some human bones. Found was the skull of a skeleton, which was buried three feet deep, was in good state, and indicated that some Indian brave had been interred many years ago. Members of the crew will undoubtedly be on the lookout for more traces of America's first residents.

FORGED CHECKS, LANDS IN JAIL

Caledonia—Verne Handy is being held in the county jail while an investigation is being made concerning his recent activities. Handy came to the jail to procure a bunk for the night. While talking to Sheriff Kelly, he complained of being unable to cash a check in Caledonia. The sheriff demanded the check, then started an investigation, which disclosed that Handy was too handy with the pen. His police record shows three convictions for forgery in the state of Wisconsin.

HAZEL

Mrs. Gust Gustafson and infant daughter, Eleanore Irene, came home Monday from a Thief River Falls hospital. Little Melba Gustafson came home Tuesday from the home of her aunt, Mrs. Edwin Nelson where she has been staying during her mother's absence.

Spring! Beautiful Spring!

Spring must be here even if the weather is preverse. Crows are very noisy, meadowlarks are singing their beautiful songs, turkey hens are laying eggs, the tulips are up along sheltered walls, the ladies are talking about chicks and tomato plants, while the men are cleaning their seed grains or getting ready to do so. The youngsters are playing marbles (mostly indoors) and auction sales are in evidence.

286 N. W. SCHOOL PUPILS PLANNING VACATION WORK

Students Will Conduct Required Projects During Summer

The farms and homes of 286 Northwest School students, scattered throughout fourteen counties of Northwestern Minnesota, eastern North Dakota will be the *laboratories for summer project* work. Students at the agricultural school at Crookston are required to do two summers of project work in order to graduate from the regular and college preparatory courses.

Registrar J. W. Milnar states that ninety-five girls have been enrolled in home economics projects and 191 boys in the agricultural projects. Twenty-eight boys have made their own equipment for the weather reporting project in which accurate rainfall and weather observation records will be kept.

Summer work for boys in progress this year includes the following projects: Building construction, baby beef production, beekeeping, combine records, corn production, dairy production, farm accounts, fertilizer, gardening, home beautification, horse labor records, insect collection, (Minnesota) seed treater, pork production, poultry production, poultry house construction, plant identification, pure seed, potato production, rocks and minerals, sheep, tractor, weed eradication, windbreak.

Project supervisors who will assist the students with their summer school work include E. R. Clark, R. J. Christgau, and J. W. Milnar. Miss Retta Bede will act as advisor of girls' project work.

Farm Security Agency Joins with Land Bank in Helping Borrowers

The Federal Land Bank of St. Paul and the Farm Security Administration have recently made arrangements to cooperate to the fullest extent to increase the effectiveness of aid available through both organizations to joint borrowers.

The agencies will work together to help borrowers analyze problems, plan sound farm and home management practices and keep records.

In planning with Federal Land Bank borrowers who also have Farm Security loans, the FSA will emphasize the advantages of providing as much of the family living as possible from the farm.

FSA experience shows, said M. G. Finlen, state director for Minnesota, that the non-cash income available from a sound live-at-home program, coupled with a carefully planned household budget, is a major factor in the rehabilitation of depressed farm families. He said that officials of the Federal Land Bank feel their distressed borrowers can greatly improve their status by adopting such a program to maintain constant check and control of their living expenses and income.

As a result of cooperation between the two agencies it is expected that many Federal Land Bank borrowers will once more regain independent ownership of their farms.

SPEEDS TO BLAZE AT HIS OWN HOME

Alexandria — Driving a fire truck to a fire in his own home was a new experience for Lou H. Cowles. The fire which started from a gas stove had gained a little headway and was burning between the kitchen walls. But quick work on the part of the firemen extinguished the blaze before much damage was done.

3 EWES PRODUCE 17 LAMBS AT McINTOSH

McIntosh.—When it comes to records for multiple births, one must consider the case of Wilhelm Johnson, who had 5 ewes that gave birth to 17 lambs. The lambs were all born within an hours time, two sets of quadruplets, and three sets of triplets, for a grand total of 17 lambs and 5 ewes.

Dreams?...well maybe...

Where did each great achievement actually start? Wasn't it with an idea? What if Edison had not dreamed of the first electric lamp? What if Fulton had not dreamed of the steamboat? Such dreams are priceless. Properly directed daydreams are as valuable as work itself . . . oftentimes providing the spark that gives the whole nation new conveniences and opportunities, thus putting millions to work.

WAR OF NO BENEFIT TO FARMERS, SAYS FARM ECONOMIST

"U" Farm Man Discusses Effect on International Trade Status

Contrary to the expectations of many people, American agriculture is getting *few, if any*, direct benefits from the European war, *says R. H. Cleland*, extension economist, University Farm. Exports of pork, lard, wheat, cotton, and other farm products appear to be smaller than would have been the case if there had been no war.

Indirectly, however, Cleland says, through the purchases of airplanes and other manufactured goods, the domestic demand for farm products has been stimulated, thus offsetting to some extent the lack of export demand for farm goods. Dairy products, pork, beef, and other meats, eggs, poultry, fruit, and vegetables are some of the items that have felt support from the increased buying power of American wage earners.

The lack of export demand for American farm products appears to be due largely to the buying policies of England and France. Where goods can be secured from Canada, Australia, or other members of the British Commonwealth, these countries are favored—partly because they will sell on credit, while the United States enforces a cash-and-carry policy—partly because of other relationships.

Another trade policy of England and France is to buy the products of certain neutral nations that otherwise might flow into Germany. In some cases it has been easier for the Allies to buy from neutrals other than the U. S. because of special credit arrangements with them. The willingness of other nations to accept British manufactured articles in exchange has also been a factor.

Farmers can well afford to watch the world situation closely. If the trends of the first six months of the war are continued, it does not seem likely that export trade can be relied on to increase demand. *If domestic and foreign trade in manufactured goods can be maintained at a strong level*, the demand for many farm products should be fairly good.

G. N. Farm Agents Open Branch Office in Fargo

Establishment of a branch office in Fargo of the Great Northern railway's agricultural development department, was announced today in St. Paul. The office will be opened April 10 in the Black building.

"In opening the Fargo office," said Edgar B. Duncan, general agricultural development agent of the Great Northern, "we will be better able to serve potato, sugar beet and other growers in the Red River valley and northern Minnesota. Too, it will afford centralization of the department's work in the two states."

Paul C. C. Wagner, for 13 years in charge of the department's work in North Dakota and Minnesota, with headquarters at Grand Forks; and E. M. Gregory, of Fargo, formerly supervisor of county extension agents in northwestern North Dakota, now will operate out of the Fargo office.

Buick prices begin at $895★ for Business Coupe (Illustrated)
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Want "in" on next year's "Big News" Now?

You can figure it out for yourself from what you see in daily traffic and what you hear when the talk turns to automobiles.

Buick's pacing the pack. Has been for several years.

It called this year's style turn a year ago. It set current performance standards in '38 with its Dynaflash engine. It still leads the crowd for riding qualities with its BuiCoil Springing, now in its third year.

So where's a more logical place to look for next year's "big news" than in *this* year's big and roomy Buick?

It may be smoother engines. Buick is the only car that now balances power plants *after* assembly.

Coil springs all around may come. Buick's never need lubrication, are practically indestructible, and even cut down skid-risks.

Maybe it'll be heavier frames—Buick has the heaviest of any car of its price. Or maybe many of the "extra touches" Buick so freely applies—safety-latches on rear doors and Two-Way Direction Signals with automatic cut-off.

You get all of these things *now* in Buick.

Get them with the *plus* of Buick quality of materials and workmanship—get them at a price that suggests a six instead of an eight.

So it's easy to start enjoying future "new features" right now.

Just go *try* a Buick. Look it over, inside and out. And get the *prices*.

Even if you've been buying in the *lowest*-price field you'll find it takes less than you think to step up to a Buick. Prices begin at $895 ★delivered at Flint, Mich.; transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

You get a "Good Deal" Two Ways from Your Buick Dealer
A good "deal" when it comes to old-car allowances—and a whale of a lot of automobile in your new Buick. See your dealer and find out for yourself.

TO STUDY FIRE RISKS IN CITY NEXT THURSDAY

Group of 20 Insurance Men Coming to City to Make Survey

DAY DESIGNATED AS FIRE PREVENTION DAY

Property Owners Urged to Clean up Premises before Thursday

Next Thursday, April 25, has been designated by Mayor W. W. Prichard as Fire Prevention Day in Thief River Falls. Co-operating in making arrangements for the occasion are local fire insurance agencies, the fire department and the Civic and Commerce association, which latter group is represented by a committee including Robert J. Lund, chairman; Reuben Johnson, Stanton R. Dahlen and George Werstlein.

In order to assist property owners of the city to discover and correct those hazards which exist as menaces to public safety and fire prevention, arrangements have been made with the Minnesota Fire Prevention association and the National Board of Fire Underwriters to bring to Thief River Falls next Thursday a group of twenty experienced men to conduct a fire risk inspection.

The group will make an inspection of every public building, church, school and business building in the city. When they inspect the various structures they will leave recommendations made by them to bring the condition of the buildings up to standard.

Following their tour of the city, the inspectors will be guests at a dinner meeting in the evening in the Palm Garden Cafe, when they will make a general report on their findings.

Boy Scouts will accompany the inspectors as they make their rounds, it was announced. The committee suggested that local churches be left open next Thursday so that the inspectors may gain access to the premises without undue delay.

As a means of enlisting the co-operation of the children of the community in fire prevention work, speakers from the visiting group will give brief lectures in the schools of the city in the course of the day.

General Chairman R. J. Lund joined with Mayor Prichard in soliciting the whole-hearted cooperation of local property owners in connection with the inspection, and they urged citizens to get their premises in the best possible shape before next Thursday.

WOMEN'S PROJECT LEADERS TO MEET HERE ON TUESDAY

'Feeding Family for Health' Will be the Topic This Season

The extension nutritionist Miss Inez Hobart, will meet the Pennington county women's home project leaders for the first meeting of the project on Tuesday, April 23, in the Civic and Commerce room in Thief River Falls; Wednesday, April 24, in the Methodist Church at St. Hilaire; and Thursday, April 25, in the Payne building in Goodridge.

The Thief River Falls meeting will be attended by the leaders of the Numedal, Norden, North I and II, Steiner I and II, Silverton, Smiley I and Thief River Falls, I, II, and III groups.

The leaders of the Rocksbury I and II, Smiley II, Hazel, Wyandotte I and II, and St. Hilaire I, II, and III groups will meet in St. Hilaire.

The Goodridge meeting will be for the leaders of the Mavie, Kratka, Highlanding I and II, Star I, and II, Goodridge village and Goodridge township groups.

Each meeting will be from 10 a. m. to 4 p. m.

Mrs. Chommie's Sister Flees Before German Push on South Norway

Mrs. Carroll Hinderlie, daughter of Dr. J. A. Aasgaard, president of Norwegian Lutheran church of America, and sister of Mrs. H. O. Chommie of Thief River Falls, fled Oslo, Norway, in an automobile when Nazis took possession of that city a week ago.

Accompanied by her husband, the Rev. Carroll Hinderlie, and Jennings Feroe, son of A. K. Feroe, Lac Qui Parle county auditor, Mrs. Hinderlie had reached Gjovik, 80 miles north of Oslo, last Wednesday.

The information was relayed to Dr. Aasgaard by Senator Henrik Shipstead after word had been sent the state department at Washington by a commercial attache at Oslo.

It was believed the Hinderlies were making their way northward, planning to seek refuge in Sweden.

Small Damage from Three Blazes During the Week

The fire department swung into action three times during the past week, no damage of consequence resulting from any of the blazes. A chimney fire developed last Friday at the home of Joe Jostal, Sr., on Schuneman st., while Monday the department was called to the Rev. Charles W. Erickson home on LaBree av. N., when rubbish in the basement caught fire, creating considerable smoke. Firemen Tuesday answered a summons from Dahl's Bakery, where grease coated exhaust paper covering a smokepipe ignited, no damage resulting.

Delinquent Personal Property Taxes Turned Over to Sheriff Apr. 23

Personal property tax assessments in Pennington county for 1939, which were unpaid and became delinquent March 1, will be turned over to Sheriff Arthur Rambeck for collection next Tuesday, April 23, unless paid in the meantime, it was announced at the office of Adolf Eklund, clerk of court. The list of delinquents, which comprises mostly small amounts, is about the same length as last year.

300 HIGH SCHOOL MUSICIANS WILL MEET HERE APR. 20

Will Hold Rehearsals for District Music Contest April 27

The band and chorus representing District 10 of the Minnesota Public School Music league will hold rehearsal sessions in the Lincoln high school auditorium Saturday afternoon at 1 and 3 o'clock respectively, Supt. Morris Bye announced today.

The district band is made up of 100 musicians selected from ten school bands in the district, while the chorus includes 200 singers from a like number of schools.

The rehearsals are a preliminary to the district music contest to be held at Lincoln high school Saturday, April 27. Schools entered to date, in addition to Thief River Falls, include Crookston, Warren, East Grand Forks, Mahnomen, Alvarado, Red Lake Falls, Fisher, Climax and Plummer.

C. and C. Hears Reports of Committee Chairmen at Meeting on Thursday

At the Civic and Commerce association luncheon last Thursday, F. A. Rokel, member of the board of governors of the Northwest Good Roads association, announced that a meeting to organize a Pennington county unit of the association would be held Thursday evening May 2. Roy Oen, chairman of the agriculture committee, reported that plans for the 4-H club banquet sponsored by the civic group were complete. Jack McKechnie, chairman of the census committee, told of steps taken by that group to insure all residents of the city being included in the 1940 census.

FIGHTING GOES ON IN SEVERAL NORWAY AREAS

Allies Win Naval Victory at Narvik, Ore Port, and Land Troops

GERMANS NOW CONTROL TRONDHEIM RAILWAY

Large Concentration of Nazi Troops in Vicinity of Oslo

Combined Allied and Norwegian forces fought hard this week to blast strong German forces out of a 20-mile stretch above the Arctic circle, from the port of Narvik to the Swedish border.

In the south the Nazis strengthened their positions behind a potential defense line all the way across central Norway.

On the northern front the Allied expeditionary force, made up of French and Canadian troops, joined the disorganized Norwegians in the offensive against the Germans. But the Germans apparently were holding the upper hand with superior numbers.

The Allied force, originally intended for the aid of Finland, is reported to have landed in the general vicinity of Narvik. But the Germans clung to the center of the ore port itself.

The Germans also were said to be in command of the ore rail line from Narvik to and including Bjoernfjell, last station on the railway just on the Norwegian side of the Swedish frontier, where 300 Norsemen were killed in a Nazi air raid.

Stories told by some of the Norwegians indicated disaffection among their officers.

The battle in the Narvik area is considered significant because it constitutes the first effort of Allied troops against the German invaders.

Foreign military observers in Stockholm believe, however, that its real military importance is secondary and that Norway's ultimate fate must be decided in the fighting at Bergen, Oslo and Trondheim and by sea and air attacks in that southern and central theater of war.

Even if successful in the Narvik sector, the Allied-Norwegian forces will face the tremendous task of pushing some 400 miles southward by land over terrain lacking good highways and rail communications.

The Germans are in control of the railway running from Trondheim, on the central west coast, to the Swedish frontier, cutting Norway in two. Swedish dispatches say the invaders also have occupied Kongsvinger, 50 miles northeast of Oslo and 15 miles from the Swedish border.

From Kongsvinger the Germans are advancing toward Elverum, 50 miles north of Kongsvinger, and have a steady stream of troops and supplies moving by air to the Trondheim air base which the British air force bombed Tuesday night.

Semi-official advices say the newly organized "government" committee in Oslo has assumed control of the German-held capital's administration with the approval of King Haakon.

The king's sanction is said to have been given on the basis of the resignation of Vidkun Quisling's Nazi approved government.

Fire Chief Hanson Urges Property Owners to Clean up Premises by April 25

Leonard Hanson, chief of the local fire department, today issued an urgent appeal to Thief River Falls property owners to clean up their premises and remove all potential fire hazards before next Thursday, April 25, when a group of twenty representatives of the fire underwriters will come to the city at the request of Mayor W. W. Prichard, supported by the Civic and Commerce association, to inspect all public buildings and business blocks and to make suggestions for the elimination of fire hazards. "The full cooperation of the public in this campaign will be greatly appreciated by the fire department", Mr. Hanson said.

At the meeting the date of the association's hockey benefit dance was set definitely at Saturday evening, April 27, while the wrestling show will be held either May 7 or 9.

2 T. R. FALLS MEN NEW OFFICERS OF REAL ESTATE UNIT

John Wold and S. R. Dahlen are Elected Friday at Crookston

Reorganization of the Northwest Farm Real Estate association was effected at Crookston Friday night at a meeting attended by approximately 30 farm managers and real estate dealers from northwestern Minnesota and northeastern North Dakota.

John Wold, of Thief River Falls, with the Minnesota rural credit department, was elected chairman of the organization, with H. H. Rogers, of Grand Forks, real estate agent, as vice chairman and S. R. Dahlen of Thief River Falls, as secretary. The group made plans to hold meetings at regular intervals throughout the year.

The meeting, a dinner session at the Red and Gold room of the Hotel Crookston, was addressed by County Agent Carl G. Ash and L. E. Gilbert, of Minneapolis, president of the Northwest Real Estate association, parent organization of the local group.

Mr. Ash outlined the 1940 agricultural adjustment administration program, and its provisions for benefit payments, together with the practices which must be followed to earn these payments. Mr. Gilbert spoke on organization matters.

Bart Wangenstein New Rotary Club President Succeeding A. J. Rau

In the annual election of officers of the Rotary club conducted at a meeting in the Evelyn hotel Tuesday noon, Bart Wangenstein was elected president succeeding A. J. Rau. Others elected include A. F. Berge, vice president, Anton Hall, secretary treasurer, F. E. Tunberg, sergeant at arms; and Roy Oen and E. B. Benson, directors. The new officers will take over their duties early in July. W. W. Prichard was the principal speaker at Tuesday's meeting, selecting the building industry for his topic.

Members of the nominating committee include Dr. W. L. Anderson, Richard Maley, Howard Grow, Leo Aanstad and Dr. Jerome Hillard.

'GONE WITH THE WIND' OPENS RUN HERE ON SUNDAY

Two Performances Each Day to be Presented Thru Next Tuesday

The recently awaited presentation of the Technicolor production, "Gone with the Wind", based on the famous novel by Margaret Mitchell, is set for the Falls theatre next Sunday, Monday and Tuesday. Due to the length of the film, there will be only two showings each day at 2 o'clock in the afternoon and 7:30 in the evening.

Production of the long-awaited film was officially begun January 26, 1939, although many of the scenes had been filmed prior to that date, while the search for talent for the various roles, particularly for the part of Scarlett O'Hara, had been underway. The film was completed last Armistice day. A total world audience of 100,000,000 is predicted for the picture, the largest potential audience that any motion picture has ever had. The picture breaks all records for the number of extras used, 1,250.

"Gone With the Wind" was so long in production and so closely watched in its preparation for the screen public that the magnitude of its scope, the talents of the players assigned to the various roles, and the authenticity of costuming and settings will be no surprise to local audiences.

Vivien Leigh as Scarlett, Clark Gable as Rhett Butler, Olivia de Havilland as Melanie, Leslie Howard as Ashley Wilkes head the cast which includes almost 100 name players, along with the more than 1,000 extras.

At the Avalon theatre the offering Sunday and Monday, with a midnight previe Saturday evening at 11:15, will be "A Child Is Born" the story of what goes on behind the scenes in the maternity ward of a great hospital. The cast includes Geraldine Fitzgerald, Gladys George and Jeffrey Lynn.

Executive Secretary of Lutheran Organization to Speak Here Tuesday

Miss Arna Njaa of Minneapolis, executive secretary of the Lutheran Daughters of the Reformation, who is speaking at a series of programs in northern Minnesota, will address a meeting at 8 o'clock Tuesday evening, April 23, in the Trinity church parlors, sponsored by the Dorcas and L. D. R. societies of Trinity church. Her topic will be "L. D. R. Consciousness".

The program will also include a piano solo by Miss Palma Jahr, a vocal solo by Mrs. O. C. Granum, and selections by the high school choir of Trinity Lutheran church, and lunch will be served.

The various L. D. R. groups of the Thief River Falls circuit have been invited to attend the meeting.

Good Music for Hockey Benefit Dance April 27

Jack Kane and his popular eleven piece orchestra from Hensley will provide music for the hockey fund benefit dance to be held in the municipal Auditorium Saturday evening, April 27, it was announced today by Alex Campbell of the committee in charge of arrangements. Plans call for an advance ticket sale to be conducted preceding the dance.

BANQUET PAYS TRIBUTE TO 4H CLUB WORKERS

Fourth Annual Dinner Served by Civic and Commerce Assn. Wednesday

MANY AWARDS GIVEN TO MEMBERS, LEADERS

R. M. Douglass, Former County Agent, Reviews Progress of Work

More than 300 4-H club leaders of Pennington county, together with their adult leaders, were honored guests of the Civic and Commerce association Wednesday evening at a highly successful banquet in the Auditorium. Robert J. Lund presided over the program as toastmaster, while arrangements for the affair were made by the association's agriculture committee, of which Roy Oen is chairman.

The dinner was served after the invocation offered by Rev. [illegible] Merth. After the well-prepared and efficiently served dinner had been disposed of there was community singing led by Miss Ruth E. Nelson and accompanied by Harold F. Harrison. Roy Oen then gave a brief welcoming talk addressed to the guests, and Bernice Halvorson responded for the 4-H members with words of appreciation.

Miss Anna Thorbeck of Crookston, district 4-H leader, presented charters and seals to heads of a group of club, and County Agent Howard Grow conferred certificates and achievement seals on the club leaders, at the same time complimenting them on their splendid contribution to club work. At the close of the program individual awards were presented by Miss Margaret Gunelson, county club agent.

Following a varied array of entertainment features supplied by club members in the guise of a radio broadcast, R. M. Douglass, district county agent leader, delivered the principal address, reviewing the Pennington county 4-H club program as it was carried out during the ten years he served as county agent here. He recalled that in 1927 there were only five clubs in the county with an enrollment of not more than 200 and with a much less complete program of club work than exists at the present time.

Mr. Douglass paid tribute to the leadership of the clubs, pointing out that some leaders have served faithfully for as long as fifteen years. The 4-H program, he said in conclusion, has definite objectives and ideals, and he predicted that the movement ultimately would become international in scope.

T. H. 32 PROJECT AWARDED AT COST TOTALING $31,876

Local Contract Included in First Lettings of the Current Season

Awards of contracts on the first 1940 letting of 13 highway construction projects, totalling $380,525, were announced this week by M. J. Hoffmann, state commissioner of highways.

Included was the award to McCree & company of St. Paul and Oscar Schenkey of the contract for gravel base and bituminous treatment on Highway 32 for a distance of 7.1 miles from Thief River Falls to one-half mile north of Steiner at a cost of $31,876.

Combined with $351,000 worth of construction jobs awarded in January as a result of the letting last December, these contracts will bring to a total of approximately $731,000 the amount of the 1940 construction program already underway. Formal highway awards are made only after approval of the U. S. Public Roads Administration and concurrence of the State Commissioner of Administration and State Auditor Stafford King.

The new projects include 21 miles of grading, 30 miles of surfacing, and two large grade separation bridges. Of the 13 projects in 10 counties, 11 will be performed with matched federal aid funds, one with federal grade crossing funds, and one with county-matched federal aid secondary money.

COMMUNITY CLUB AT GOODRIDGE TO GIVE PLAY FRIDAY

"Among the Stars," Three-Act Comedy, Is Play to be Presented

A community play, sponsored by the Goodridge Community club as an annual event, will be given Friday evening, April 19, at 8 o'clock at the community hall at Goodridge. "Among the Stars", a three act comedy, is the play to be presented.

Miss Jean Liesler of the Goodridge high school faculty and Mrs. Henry Iverson are coaching the production and the cast includes Vern Hagen, Velma Vikingson, Clarence Noer, Miss Liesler, Mrs. Gust Ristau, Mrs. Oliver Sale, Charles Josephson, Floyd Olson, Ted Kusmak, Thelma Brattland, Vernon Urdahl, Ted Rustad, and Chester Nightengale.

Special numbers will be presented between acts, and the club's new stage backdrops will be used for the first time in a community play.

Conservation Division Will Conduct Auction of Hay Lands Here May 6th

Hay leases on state trust fund lands in Pennington county will be offered at public auction to the highest bidders for cash by the state department of conservation at the court house in Thief River Falls Monday, May 6, beginning at 10 o'clock in the morning, County Auditor A. M. Senstad was notified. The leases, it was stated, will expire September 30, 1940, and will be subject to sale of the land and to cancellation on three months written notice.

Cancel C. & C. Luncheon Next Thursday, April 25

There will be no luncheon meeting of the Civic and Commerce association next Thursday noon, April 25, Secretary L. W. Rahen stated today, explaining that instead a fire prevention dinner will be held Thursday evening at 6:30 in the Palm Garden Cafe. Arrangements for the dinner are being made by a committee including George Werstlein, Stanton R. Dahlen and Reuben Johnson.

Highlanding Club Will Discuss Building Plans

Cost estimates in connection with the proposed construction of a community club at Highlanding will be discussed at a meeting of the Highlanding club next Tuesday evening, April 23, Ed Korstad, Jr., announced today. He added that to date 45 members have signed up to support of the project, which calls for the erection of a building 46 by 72 feet in dimensions.

Double Ring Wedding Ceremony Unites Goodridge Couple

On Wednesday morning, April 10, St. Bernard's parsonage was the scene of a double ring ceremony uniting in marriage Miss Emma Swanson, daughter of Mr. and Mrs. J. N. Swanson of Goodridge, and Albert Kassa, son of Mr. and Mrs. Michael Kassa, also of Goodridge. Father Cloutier officiated at nine o'clock.

The bride was attired in a street frock of light blue with matching accessories and carried a bouquet of sweetpeas. Her attendant, Miss Agnes Kassa, sister of the groom, wore a dusty pink frock with accessories in navy blue. John Swanson, the bride's brother, was best man.

The bride is a graduate of the Goodridge high school, class of 1934, and for the past three and a half years has been employed as clerk at the Goodridge post office.

Upon their return from a wedding trip to Hibbing, Duluth, and points in southern Minnesota, the couple will make their home on a farm north of Goodridge.

In Program at St. Hilaire

Miss Fern Barnett and a small group of her piano pupils from St. Hilaire and Hazel gave a program of piano solos and duets at the St. Hilaire parent-teachers meeting last Friday evening at St. Hilaire. Pupils appearing were Betty Ann Ellingson, Mae Ologaard, Beverly Nettland and Patricia Ann Jackson.

Sarah Vaughan Honored

Miss Sarah Vaughan, principal of the Knox school, was honored by the Knox school faculty at a small party given in celebration of her birthday anniversary Friday after school hours. The party was held in the school library, and there was a lovely birthday cake and other appropriate decorations.

Miss Amelia Anderson, Earl Knutson Wed at High Noon Nuptials

At high noon nuptials performed in Trinity Lutheran church Sunday, April 14, Miss Amelia Anderson, daughter of Mr. and Mrs. A. Anderson of Thief River Falls, and Earl Knutson, son of Mr. and Mrs. Albert Knutson of Kalispell, Montana, were united in marriage. Rev. R. M. Fjelstad read the service. Bridal attendants were Mr. and Mrs. Johnnie Ruud.

The bride's costume was of blue lace, with white accessories and a corsage of red roses and sweet peas. Mrs. Ruud wore pink with white accessories.

About forty guests were received at the reception for the bridal couple held following the ceremony at the home of the bride's mother. Gracing the table was a large wedding cake in pastel colors of pink, blue and white.

Mr. and Mrs. Knutson will reside east of this city on the A. Anderson farm, which they recently purchased.

The groom has been employed with a lumber company at Kalispell, Mont., the past three years. His bride had been employed in the twin cities.

Out-of-town guests at the wedding were Mr. and Mrs. Charlie Knutson of Grygla, the Johnnie Ruud family of Gatzke, Mrs. Ed Ruud of Gatzke, Tom Severson of Holt, Mr. and Mrs. Elmer Severson and family of Newfolden, Mr. and Mrs. Elmer Severson and family of Newfolden, Mr. and Mrs. Harold Williams and family of Ada, Mrs. Annie Anderson and daughter Violet of Viking.

Surprise Birthday Party is Given for Mrs. Frank Comstock

On Friday, which was her birthday anniversary, Mrs. Frank Comstock was honored at a large surprise party at her home in the evening. The hours were spent informally, and the assembled guests served a lovely lunch and presented Mrs. Comstock with birthday gifts in remembrance of the occasion. A feature of the party was a beautiful pink and white birthday cake. As the gifts were to be presented, Marlene and Betty Owen, small daughters of Mr. and Mrs. Morris Owen, sang "Happy Birthday". The party was planned by Mrs. Leon Dicken and Mrs. Oscar Bakke and the guests included the Mmes. Frank Comstock, Bill Dicken, Ross Randall, Morris Owen, Martin Owen, Amond Anse, Andrew Hagen, Chas Dicken, Halbert Evenstad, Peter Jacobson, Clarence Dicker, Ward Long, Eugene LaCoe, Bernard LaCoe, Duane Battleson, George Randall, Nelma Nelson, Aug A Johnson, Allen Merritt, Ray Jensen, Geo Rockstad, Duffy Scramstad, Olert Morken, Alvin Comstock, Alfred Olson, Orena Erickson, Oscar Arndtson, Otto Myhrer, Leo Cloutier, Lena Fogelbretson, Jake O'Hara and the Misses Nellie Nordling, Mary LaFave and Marlene and Betty Owen.

Doucette-Jablinske Vows Spoken Tuesday At Pretty Ceremony

Miss Phyllis Doucette, daughter of Mr. and Mrs. Phillip Doucette of this city, became the bride of Alvin Jablinske, son of Mr. and Mrs. R. H. Jablinske, also of this city, Tuesday morning at a pretty house wedding at the home of the bride's grandfather, S. J. Gangness. The ceremony was read by Rev. E. N. Daley of Northwood, N. D., formerly of this city.

The bride was prettily gowned in a floor-length frock of Alice blue taffeta and carried a bouquet of salmon pink gladiolas. She wore a locket, the bridegroom's gift. Miss Sylvia Nordhagen, bridesmaid, wore a pale pink organdy frock, floor-length, and sweetpeas formed her corsage. Lawrence Jablinske was best man.

After the ceremony, a reception for immediate relatives was held at the Gangness home, a three-tiered wedding cake centering the serving table.

The bridal couple left immediately on a motor trip to the southern part of the state to visit with friends and relatives.

Peter Olaf Halvorson of Goodridge Passes; Burial at Spring Grove

Peter Olaf Halvorson, long-time resident of the Goodridge community, died at his home in Highlanding township last Thursday, April 11, at the age of 54 years.

Mr. Halvorson was born April 10, 1886, in Spring Grove, Minnesota, where he grew to manhood and was married on June 22, 1911, to Nellie Nelson. In the following year he came with his wife to Middle River, and a year later, in 1913, they moved to Highlanding township. In 1914 they moved to Goodridge, where Mr. Halvorson was engaged in business for five years, and returned in 1919 to Highlanding township, where Mr. Halvorson lived until his death. He was a member of the Norwegian Lutheran church at Goodridge.

He is survived by his wife, three daughters, Mrs. Opal Stucy of River Valley, Mrs. Phyllis Berry of Oklee, and Amber, at home; three sons Percival, Lester, and Earl, all residing at home; a sister, Mrs. Peter Gran of Spring Grove; and four brothers, Helmer, Bernard, and Harry, all of Spring Grove, and Nelius of Cedar Falls, Iowa. His parents, two sisters and one brother preceded him in death.

Funeral services with Rev. O. O. Bjorgan of Goodridge officiating, were held Tuesday afternoon from the Erickson and Lund Funeral home in this city, and the remains were taken to Spring Grove where final services and interment are being held today.

Mrs. Bertha Brandon, Middle River Pioneer, Dies at Age of 86 Years

Funeral services were held on Tuesday of last week at the Thief Lake church near Middle River for Mrs. Bertha Brandon, Middle River pioneer and mother of Severn Brandon of this city, who died at her home seven miles east of Middle River on Thursday, April 4. She was 86 years of age.

Mrs. Brandon had resided near Middle River for the past 40 years, having taken a homestead there in the early days of settlement. She was born May 3, 1853, at Gubrandsdalen, Norway, where she grew to womanhood and was married to Matt Brandon. They came to the United States 58 years ago and settled in Wisconsin before coming to Middle River.

Her husband preceded her in death. Surviving relatives include her children, Ole of Portland, Ore., Matt of Saskatchewan, Severn of this city, Mrs. Harold Haugen and Mrs. Bill Thompson, both of Crookston, John of Reedsport, Ore., Oscar at home; and several grandchildren and two great-grandchildren.

FIRE DAMAGES KIEWEL PLANT AT LITTLE FALLS

EMIL GRIEBSTEIN,
President of the Council.
Attest: P. G. Pederson,
City Clerk.

Pursuant to adjournment the City Council of the City of Thief River Falls met in session in the Council Chambers in the Auditorium and Municipal Building on Thursday, April 4, 1940. The meeting was called to order at eight o'clock P. M. with all members present excepting Alderman Sande.

A proposed change in present Milk Ordinance was discussed, copies of ordinances of two cities, Crookston and Alexandria, being presented in connection therewith and on motion of Alderman Myhrum, seconded by Salveson and carried, the same was referred to the Committee of Health.

Public Liability Bond in the amount of $[illegible] was filed by Elmer C. Johnson with Adolph E. Johnson and Levi G. Johnson as sureties covering probable damages which might result in the moving of a barn thru the streets of the city and a motion was made by Alderman Salveson, seconded by Kinghorn and carried that the same be accepted and filed.

Motion was made by Alderman Baker, seconded by Kinghorn and carried that the clerk be authorized and directed to release that certain bond filed by Elmer C. Johnson, dated March 13th, 1940, in the amount of $[illegible] with Adolph E. Johnson and Levi G. Johnson, as sureties and covering the moving of two buildings thru the streets of the city.

Proposals were submitted by Ralph D. Thomas & Associates; Gausman & Moore, St. Paul, Minnesota; Henry C. Eckland & Company, Thief River Falls and W. C. Skinner, Minneapolis, to be designated engineers and architects in connection with the proposed improvement of Electric Light Plant. The same were read and filed.

On motion duly made and carried the meeting was declared adjourned.

EMIL GRIEBSTEIN,
President of the Council
Attest: P. G. Pederson,
City Clerk.

RESOLUTION

At a regular meeting of the City Council held February 13, 1940, Alderman Myhrum, seconded by Alderman Sande, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that for the purpose of providing musical entertainment in the Parks and Public places within the City of Thief River Falls, Minnesota, there is hereby appropriated from the Band Fund to the Thief River Falls High School Band, the sum of Four Hundred ($400.00) dollars to be used for equipment for said band.

The Mayor and City Clerk are hereby authorized to issue and deliver the City's warrant in accordance herewith.

RESOLUTION

At a regular meeting of the City Council held [illegible], 1940, Alderman Baker, seconded by Alderman Sande, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that

WHEREAS, the City Council having duly determined to install certain public improvements, to-wit: the construction and extension of sanitary sewers within Sewer District number Seven (7), of said City, and contracts having been let for the material for such public improvements, and the labor therefore having been furnished by the Works Progress Administration, and all expenses incurred or to be incurred in the making of such sewers and sewer extension having been calculated under the direction of the City Council, and all items of costs determinable having been taken into consideration, and from the aggregate of these items deducted the part of the costs which the City itself will pay, other than the amount, if any, which the City will pay as a property owner.

NOW THEREFORE BE IT RESOLVED, and the City Council does hereby declare the sum as calculated as the assessible costs of such improvements, to-wit:

Total District Cost $[illegible]
Total Lateral Cost $[illegible]

BE IT FURTHER RESOLVED, that the City Clerk be and hereby is instructed with the assistance of [illegible], acting City Engineer, to calculate the proper amount to be specially assessed for such sewer and sewer extension against every lot, piece or parcel of land, without regard to cash valuation, within the District number Seven (7), for District Costs, and against the lots abutting for Lateral Costs, and the amount which will be payable by the city on account of real property owned by it, or by any County or School District, or on account of any right of way, and that the proposed assessment so calculated be filed with the City Clerk, and be open to public inspection.

BE IT FURTHER RESOLVED, That Monday, the 13th day of May, 1940, at 8:00 P. M., be, and hereby is fixed as the time and place of hearing on such proposed assessment, and that the City Clerk is hereby instructed to publish in the official newspaper of the City, at least one week prior to such meeting, a notice of time and place of such hearing, that at such meeting or some adjournment thereof, the Council will hear and pass upon all objections, if any, and may if it deems it best, amend such proposed assessment as to any property therein specified.

Official Paper of Pennington County and City of Thief River Falls

Now that the river is a river again and we are approaching the hot weather days, what about the bath house project? The bathing beach will never be anything but another swimming hole until bath house facilities are provided. And a public dock would be a long step forward in the process of converting the river into a lake. Boating has become increasingly popular in recent years and a convenient dock for landing and boat storage would be greatly appreciated by many who are not now able to maintain a boat.

In that part of China that still is Chinese there is a population of 240 million people. This is the China that is still fighting under the leadership of Chiang Kai-shek, the China our government still recognizes. The Jap conquest of China apparently still classifies as "unfinished business."

Methods employed by Germany in the invasion of Norway give strength to the position of those who hold that we need to be more vigilant in our country in checking the activities of foreign agents. The extent of German power within Norway at the time of the surprise attack could not have been accomplished without years of patient preparation, corrupting high government officials and boring from within in undermining the defense forces. There is reason to believe that the same methods that proved themselves so effective in Norway are being employed in other countries, including our own. It would not be surprising if many of our good people who are making hysterical appeals for peace at any price are the innocent dupes of a well organized propaganda machine directed by the foreign powers in whose interests it is that we withhold support from all belligerants.

Pennington County will receive more than $56,000 as its share of the gas tax and the special one mill tax for road purposes this year. This large sum is sufficient to maintain our road ystem and possibly build a few additional miles each year, we are told. But it is not sufficient to build all the roads that are requested and so we spread an additional ten mill levy for this purpose. Ten mills is the limit the law allows or it probably would be still larger. We are great spenders in Pennington County, considering that we are one of the most debt burdened counties in the state. Perhaps it is time the taxpayers of the county start asserting themselves. Several hundred thousand dollars in ditch bonds must be retired. The need for debt reduction is more urgent than the need for more roads.

One thing, if nothing else, that makes the Civic & Commerce Association worth while is its annual 4-H Club banquet. Seeing three hundred of the county's young people gathered around the tables at one time is an encouraging sight. They are a fine looking lot of kids, healthy, and vigorous and intelligent. Too bad the Auditorium isn't large enough so that all the oldsters could sit in the gallery and watch the show.

Spring weather made fast work of the ice in the river this week and now we move into the season of worry. From now on for the next six months the weather will be not only an interesting topic of conversation but a highly important one too.

Mrs. Arthur Hylland of Grygla Died in a Local Hospital Sunday

Mrs. Arthur Hylland of Grygla passed away in a local hospital Sunday. Funeral services will be held this afternoon, brief services at one o'clock at the Hylland home being followed at 2 p. m. by final rites from Liner church near Grygla. Burial will be in the church cemetery.

Mrs. Hylland, the former Aslaug Satre, was born August 21, 1911, at Grygla, where she had lived all her life. She was 27 years of age at the time of her death. She was married at Grygla January 6, 1938, to Arthur Hylland, who survives her death, together with a daughter Barbara.

Also surviving are her parents, Mr. and Mrs. Nels Satre of Grygla, and three brothers and two sisters, Mary, Hilda, Magnus, Gunder, and Grant, all of Grygla.

County Assessors are Called to Meet Apr. 26

Ice Leaves River Pool This Year on April 17

In spite of the late spring, the ice in the river pool above the power plant dam went out April 16, not far from the average date for the past few years, it is revealed in records kept by Harry Schuster, secretary of the fire department. The ice last year went out April 17, the records show, while in 1938 it broke up at the unusually early date of March 19, only to freeze over again. In 1937 the date for the breakup was April 12.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

The City Council of the City of Thief River Falls, Minnesota, met in regular session in the Council Chambers in the Auditorium and Municipal Building on April 9, 1940. The meeting was called to order at eight o'clock P. M. with all members present.

Minutes of the meetings of March 12, 26, April 2nd and 4th were read and on motion the same were declared as approved.

Monthly reports of the City Clerk, Municipal Judge and Park Board were presented, accepted and ordered filed.

A petition was presented signed by Mrs. J. Robert Peterson, Mrs. Milton Hanson and others requesting that the Council take steps to protect children from the open excavation on Knight Avenue between 8th and 10th Streets. The matter was on motion referred to the Street Committee for immediate attention.

An application was presented by George Hall for permission to use the streets of the city for the purpose of moving a certain building, size 12x22, from its present location at 8th Street and Atlantic Avenue, moving the same out on Atlantic Avenue, thence east to Dewey Avenue, south one block, thence east and south to intended location, lot 1, Block 2 of [illegible] Addition. Motion was made by Alderman Mykrum, seconded by Salveson and carried that such permit be granted.

In Memoriam

In loving memory of our dear father, Joseph F. Vakoch, who passed away one year ago, April 20th.

In the graveyard safely sleeping
Where the flowers gently wave,
Lies dear daddy we loved so dearly,
In his lonely, silent grave.
He shall never be forgotten,
Never shall his memory fade,
Sweetest thoughts will ever linger,
Around the grave where he is laid.
Oh, may we meet you, dearest daddy
Where we shall no more weep,
For those who die in Jesus
Their death is only sleep.

Sadly missed by Alvin Harris, Jane Joetta and Baby Joe Vakoch. 16c

In Memoriam

In loving memory of our dear son and brother who passed away one sad year ago April 20, 1939.

Just one year ago you left us,
How we miss you dear Joe.
You shall never be forgotten,
Never from our memory fade.
You could say good-bye to no one,
We could not clasp your hand;
In silence you suffered,
In patience you bore the pain,
Till God called you home to suffer no more.

Loving hearts will always linger around your grave. Sadly missed by his parents and sisters, Mr. and Mrs. Joseph Vakoch and family. 16c

Cowboy Quintet Noses Out Faculty Men 35-34 in Thriller Tuesday

The revenge-seeking Faculty basketball team was left without a revenge when, in the last five seconds of a game played with the Cowboys in the gymnasium Tuesday night, Coach John Lindenmeyer missed a set-up shot to leave the Faculty on the short side of a 35 to 34 score. This was the second one-point defeat that the Cowboys have administered to the Faculty, having beaten them 21 to 20 a couple of weeks ago.

Red Eide of the Cowboys, and Lindenmeyer of the Faculty, were the game's high scorers, with Red tallying 14 points and Lindenmeyer counting 13 points.

SPORTS

Tid-Bits

By Huck Olson

This is only conjecture on my part, as no definite decisions have been made; but it is probable that next year's district basketball tournament will be held in East Grand Forks, and that the regional tourney will be played here. And I think that Buck Robbins' Bemidji team will be the outfit to beat for the regional championship. Bemidji will lose Tony Hubbard, Don Mayer, and George Clausen; but I think that they will be a better team with the loss of Hubbard. Hubbard was a fine defensive player, but on offense he seemed to lack basketball sense, drove only to the left, and had to set himself for his shots. Mayer and Clausen were 'spotty' players, playing hot and cold basketball. With the return of Thorbregger, Jack Johnson, and Bob Worth, Robbins will have the nucleus for a faster team than he had this year.

Here's a warning to the Land O' Lakes infield: manager Walt McLarson is planning on hitting practice grounders to you this year.

Johnny Campbell, the sophomore basketball prospect, had the tough luck to break his arm last week. He was practicing broad jumping in the gymnasium, and on one of the jumps he lost his balance and fell in such a manner as to snap a bone in his right arm.

East Side-West Side

The 'grape-vine' reveals that the battery for the East Side, in that East Side vs. West Side baseball game, will be Wally 'Line Drive' DuChamp pitching, and Bing Bergstrom catching. I use the term 'pitching' advisedly, because unbiased experts have told me that Wally is a 'thrower' and not a 'pitcher'. Playing in the East Side infield will be four loop-holes.

The only information released by the West Side authorities is to the effect that Jack Dempster will manage from the bench, for their club; and that Thor Williamson will coach from the first base box, and that Charles Chuck Dostal will be along the third base coaching line.

Hockey League Meeting

Phil Larson, president of the States-Dominion hockey league, plans on issuing a call for a meeting of the league officers and directors, for the purpose of electing officers and reviewing the past season. The meeting will be held here, perhaps next week.

I wonder if Lloyd Bennes' recent appendectomy will give his golf swing a slice, or a hook. According to Lloyd, he will have to concentrate on his short game for several months. But that was his difficulty before, his game was more short than it was long.

And speaking of appendectomies, Allen Ness, the ace pitcher of the Hartz D-ball team, had his appendix snipped off this week. The Hartz are going to have themselves quite a time in defending their league championship without Al's fine pitching. Of course they have Columbo, but Carlo won't be any good as soon as the flowers are in bloom. His Ferdinand-complex will ruin his play.

Don't forget the hockey club benefit dance that Alex Campbell is putting on the 27th of this month.

Lloyd Newland Injured When Caught Under Truck

Lloyd Newland yesterday was resting in fair condition in a local hospital following an operation Tuesday night to relieve injuries sustained last Saturday when, while jacking up a truck stuck in the mud on the Sam Hasby farm southeast of the city, the jack slipped, causing the truck to fall on him. He sustained a fractured pelvis, fractured vertebrae and internal injuries. He was pinned under the truck nearly a half-hour before being released.

Bowlers to Compete in City Singles Tourney

Entries are now being received at the Mint bowling alleys for the City Singles tourney which will get under way next Wednesday, April 24, and will continue thru Sunday. Four prizes ranging from $10 to $3 will be awarded the winners. Tuesday evening, April 23, is the deadline for entering the event.

COWBOY QUINTET DOWNS PHANTOMS BY 29 TO 19 SCORE

Lenny Helquist High Point Man of Game, Scoring 6 Field Goals

Pushing aside the rough-house Phantoms in a bruising 'grudge' game played in the old high school gym last Wednesday night, by a 29 to 19 score, the Cowboys tacked another game on to their victory streak. Lenny Helquist, of the Phantoms, with six field goals, was the high point man for the game.

The box score:

1939 Senior Cowboys (29)					
W. Burrell, f	4	1	3	1	9
B. DuChamp, f	1	2	3	1	4
J. LaFave, c	0	0	0	0	0
L. Anderson, g	4	2	0	0	10
J. Conner, g	3	0	2	1	6
Totals	12	5	10	3	29
Third Street Phantoms (19)					
L. Helquist, f	6	0	0	3	12
L. Erickson, f	1	1	1	2	3
J. DuChamp, c	1	0	0	2	2
H. Waag, g	0	0	1	2	0
C. Heeren, g	0	0	0	1	0
R. Jaranson, g	1	0	0	2	2
Totals	9	1	2	12	19

Smarting from the defeat handed them last week, the Phantoms enlisted Don Olson, Paul Dahl, and all-state Bones Stadum, as re-inforcements for the return game that was played in the new gymnasium last Monday night. But after 40 or more minutes of hammer-and-tongs basketball the Cowboys had tacked another defeat on the Phantoms, but only by the narrow margin of 2 points, 36 to 34. LaRue 'Andy' Anderson paced the Senior Cowboys, scoring 15 points, Lenny Helquist and Bones Stadum, with 11 and 10 points respectively, were the high men for the Phantoms.

Benefit Dance Saturday for Junior Baseball

A junior baseball benefit dance will be held Saturday night under Legion auspices at the Kulseth pavilion 15 miles west of Thief River Falls, it was announced today. Carnival features will mark the occasion.

Only Three Dog Licenses Issued up to This Week

With dog licenses for 1940 now due and payable, only three of the several hundred canines in this city had been licensed up to the first of the week, City Clerk P. G. Pederson announced. The fee for males is $2 and for females $6. Stanley Efteland, poundmaster, will start picking up unlicensed dogs May 1. The distinction of wearing License No. 1 goes to Topper, cocker spaniel belonging to H. A. Baumann.

Local Debate Team Loses to Duluth Central High

For the third time in the past ten years, a Lincoln high school debate team lost an interregional contest to Duluth Central high school. Competing at Duluth last Thursday evening, the local team, consisting of James Borreson and Doris Hostvet, lost the decision by a two-to-one vote of the judges.

The two students were accompanied to Duluth by Harold Holmquist, coach, and Principal W. G. Claffy.

STATE SELLS 455 FARMS OWNED BY R. C. DEPARTMENT

Department Sells Half Its 1940 Quota in First Three Months

Starting out with a larger quota for 1940, the Minnesota Rural Credit department already has sold and placed back in the hands of farmer owners this year 455 of the state's rural credit farms, George C. Jones, conservator of rural credits, announced this week, reflecting a growing interest in acquisition of Minnesota farms.

Believing that the state's vast holdings in farm lands should be put into private hands and on the taxrolls as soon as possible, Jones organized a systematic selling program when he became rural credit administrator early last year and set a quota of 777 sales for 1939. During the year, he was able to dispose of 1,025 farms for $3,133,416.

The department set a quota of 925 farms for its sales this year. A report for the first three months just compiled shows that the department has sold, with approval of the courts 455 farms, or 69,057 acres, for $1,145,629. As in 1939, about half of the sales price is being paid in at the time the farmer takes possession.

"We are finding an increased interest in the acquisition of farm lands that is very encouraging," Jones said. "Farmers who have been renting farms are finding it harder and harder to get farms. Many are coming to the state to purchase farms of their own."

The state of Minnesota had 3,886 farms for sale on January 1, 1939. It has been necessary for the state to take over some additional farms since through foreclosure of loans, Jones said, but with these additions the number held has been reduced to 3,072.

The report showed 37 farms had been sold this year in the three counties in the Roseau district; 68, in the counties in the Thief River Falls district; 136, in the four counties in the Fertile district; 41, in the four counties in the Detroit Lakes district; 13, in the Brainerd, or north central district; 69, in the Benson, or southwestern Minnesota district; 34, in the St. Paul, or southwestern district, and 27 in the Mora, or northeastern district.

Dunwoody Institute Offers Opportunities

Many young men are now confronted with the problem: "Should I go to school, or should I go to work?"

After a person has completed his general education, he must take up vocational education, or training which enables him to earn a living.

Many people get their training "on the job" where they "earn and learn" by doing.

There are available vocational schools in agriculture for the farmers; business colleges for those interested in commercial lines; and trade schools for those interested in mechanical and industrial lines.

Dunwoody Institute at Minneapolis was left as a gift to the residents of the State for training boys and men in industrial and mechanical lines.

The Institute is conducted without profit and charges only nominal fees for training in many lines like automobile, baking, building drafting, electrical, machine shop, printing, painting, paperhanging, bricklaying and sheet metal.

Students may enter at any date for any length of course in the industrial and mechanical courses available.

GOVERNOR ASKS PUBLIC TO NOTE ARBOR DAY MAY 3

Calls on Organizations and Schools to Observe Occasion

Governor Stassen today called on schools and public spirited organizations to "plant a tree" on State Arbor and Bird day which will be observed May 3.

The governor, in designating observance of the national holiday, said trees have grown from exclusively economic importance to be valued for their aesthetic and social qualities.

"To encourage public appreciation of the tree as a symbol of beauty and the natural resources that are Minnesota's, continuous planting of trees is necessary," the governor said.

"Coincident with this new appreciation for the trees, has grown a sentiment for birds. From earliest times birds have aided Minnesota by warring on insects. Equally important birds have an aesthetic value and are a prized recreational medium through the hunt, bird study and allied pursuits."

He urged schools to plant trees and hold appropriation programs.

Funeral Directors Meet in Minneapolis Apr. 23

More than 1,400 Northwest funeral directors and embalmers are expected to attend the golden anniversary convention of the Minnesota State Funeral Directors association in Minneapolis April 23 to 25. Directors from six Northwest states including Minnesota, North and South Dakota, Iowa and Wisconsin will attend to study the latest developments in the field of funeral directing and embalming, according to Henry F. Dooley, executive secretary. Two nationally-known authorities in embalming and cosmetology will feature the educational meeting of the state board of health, opening day highlight in the municipal auditorium. They are Prof. Charles A. Renouard, New York, and Prof. S. O. Fraser, Boston, Mass. Among other speakers will be Dr. E. B. Mogath, Rochester, and Gladys Cassidy, assistant director of vital statistics, state board of health. Thomas G. Bell, Duluth, will preside.

RADIO DEMOLISHED BY LIGHTNING

Atwater During a recent rain and electrical storm lightning struck at the Melvin Hokanson home and demolished the radio, scattering pieces about the kitchen where it had been placed. Dial buttons flew across the room and wires within the radio took fire. The bolt also struck the fuse box with such terrific impact that fuse plugs were driven from their sockets with such force that they opened the fuse box cover.

CO. AGENT OFFICE OFFERS HINTS ON ALFALFA CULTURE

Says Special Problems Face Crop in Some Sections of Pennington

Practically everyone now realizes that a good stand of alfalfa yields a better return of high quality feed per acre than any other crop that can be grown on sandy soils, says County Agent Howard E. Grow.

But in some sections of Pennington county where the soil is light, this high yielding crop is not grown more generally because of trouble in securing a good stand, Mr. Grow explains. Recognizing this problem, the state agricultural extension service at University Farm has prepared a new folder 84, "Getting Alfalfa Stands on Sandy Soil."

Soil Specialist George H. Nesom, author of the folder, points to six reasons why stands may be poor, and gives tips on how to easily and cheaply avoid the trouble. These are: Lack of lime in the soil, poor seed, need for inoculation of seed, poorly prepared seedbed, improper depth of planting and a lack of sufficient moisture.

Recommendations in the folder are the result of experimental work at the Coon Creek Sand Experimental Field. Free copies may be secured from the county extension office in Thief River Falls, Mr. Grow says.

Local Students Placed on Winter Term Honor Roll at N. W. School

A total of twenty-four students made the honor roll and fifty-nine students received high scholarship ratings for the winter term at the Northwest School of Agriculture at Crookston, according to figures released by J. W. Milnar, Registrar.

Steffie Pastuck, a junior from Hallock, received a straight A average, with Donald Milner, a freshmen of Clearbrook; Donald Nelson, senior of Kennedy; Dorothy Hanson, advanced, of Trail; and Ed Nason, special, of Cass Lake, leading their respective classes on the honor roll.

The Honor roll by classes includes: Juniors—Evelyn Rausch, Thief River Falls; Einar Schollin, Thief River Falls. Seniors—Ferdinand Handt, Oklee.

Warren Meeting Tonight to Discuss Finn Relief

A mass meeting in the interest of Finnish relief will be held in the high school auditorium at Warren, this evening at 8 o'clock. Rev. Frank Mangs, a native of Finland, will be in Warren for the meeting and will have a first-hand story to tell. He was in Finland during a part of and since the war. He has travelled extensively in Sweden gathering money and other means for the help of his people. The high school band will play several selections while the people assemble and the meeting will begin promptly at 8 p.m. Rev. Gilbert Otteson of Minneapolis will be present to interpret the message as Rev. Mangs will, of necessity, speak in Swedish.

EVER SPEND THE NIGHT IN A FLOATING CAR?

Carby "As idle as a painted ship upon a painted ocean" That's the way Arlen Larson and Leroy Swanell were for long chilly hours, recently, except it was not a painted ocean but a real body of water. The two men left an oil station fifteen miles north of town in Larson's car and had gone only about a mile when they came upon water, formed when three creeks overflowed their banks. It flowed over the road for a half mile. Upon deciding to navigate the water they shifted into low, and went along nicely until they neared the center of the flood, at this point they began to submerge and soon the water was above the running board and the motor which wasn't designed for submarine duty, quit. So until dawn they sat.

GRYGLA

Young Lady Passes On

The whole community was saddened to hear of the untimely death of Mrs. Arthur Hylland, who passed away early Sunday morning in Thief River Falls after a very short illness.

Aslaug Satre Hylland was born August 21, 1911 on a farm west of Grygla and she has spent her whole life in this community. She was graduated from the Thief River Falls high school and from the Teachers College in Bemidji. She spent several years teaching school in this community. She was married January 6, 1938 to Arthur Hylland and since her marriage has lived on a farm near Grygla.

She leaves to mourn her passing her husband, one daughter Barbara, her parents Mr. and Mrs. Nels Satre, three brothers, Magnus, Grant and Gunder, two sisters Mary and Hilda all of Grygla.

Funeral services will be held Thursday afternoon at one o'clock from the Hylland home and at two from the St. Petri church. Interment will be made in St. Petri cemetery.

We wish to express our sincere sympathies for the bereaved in their hour of sorrow. Long will she live in our memory.

Infant Son Passes Away

Belmont Truman Arneson, infant son of Mr. and Mrs. Halvor Arneson passed away Tuesday at the Marcy hospital in Thief River Falls at the age of three weeks.

He leaves to mourn his parents, one brother Orley, his grandparents, Mr. and Mrs. John Jelle, and other grandmother, Mrs. Ole Arneson all of this community. Funeral services were held Saturday, April 6 at the Carmel church with Reverend Anderson officiating. Interment was made in the church cemetery. We join in expressing sympathy for the bereaved mourners.

CONCRETE'S RESISTANCE TO SPRING "BREAK-UPS" IS WORTH MILLIONS TO TAXPAYERS EVERY YEAR

WHEN the frost comes out or the rain pours down, concrete pavements "can take it." They're always ready to get you through with safety.

Even after the terrible punishment of the past winter, routine inexpensive maintenance quickly puts concrete back in condition for the heavy summer traffic. There is little or no interruption of service. Aggravating detours and costly delays are avoided.

Make first-hand comparison of pavements and you'll demand dependable, all-season concrete. Concrete is safe, economical, usable—in all seasons, rain or shine, day or night.

When roads are concrete you avoid the added costs caused by delays, detours, load restrictions, and extra wear on your car or truck. That's why MINNESOTA NEEDS MORE CONCRETE.

GOV. H. E. STASSEN TO BE 'KEYNOTER' IN PHILADELPHIA

To Preside Temporarily at Republican National Convention

The men and women in charge of arrangements for the Republican national convention chose 33-year old Governor Harold E. Stassen of Minnesota Tuesday to deliver the keynote speech and recommended Rep. Joseph W. Martin Jr. of Massachusetts for permanent convention chairman.

Plunging into organization work for the presidential nominating conclave in Philadelphia June 24, the committee on arrangements of the Republican national committee made the selections.

Selection of personable Gov. Stassen as convention keynoter and temporary chairman was regarded in Republican circles as a victory for the party's progressive element. Six feet three inches tall and heavily-built, he reached his 33d birthday only last Saturday. He was elected governor in a Republican comeback in his state in 1938, and is running for re-election this fall.

CHUKAR PARTRIDGES LIKELY TO SURVIVE

Chukar partridges, the new upland game birds, apparently have adopted Minnesota as their home, Game wardens' monthly report to the game and fish division show that several plantings of the species came through the winter intact. A longer trial period is necessary, officials pointed out, to test the species.

Replacing Window Panes

A cracked or broken window pane does not necessitate calling in a repair man, for installing a new glass is a relatively simple repair job. After obtaining a pane of proper measurements, the most important need is careful application of putty. The putty should be worked with the hands to proper consistency and then carefully applied with a putty knife or similar tool. Place the putty all around the opening so the glass will be bedded in the material and separated from contact with the wood.

Foreign Employment Problems

In countries like Italy, Japan, Russia and certain of the Balkan states the number of persons of working age is growing so rapidly as to constitute a serious problem from the point of view of employment, says a study of Population and Peace issued by the Columbia University Press.

Washing Shades

To wash window shades, lay them open on a flat surface. Wash and rinse over a small area at a time. Rub with a sponge and wipe quickly with clean dry cloth. Keep the shade on the flat surface until it is perfectly dry and then rehang.

SMILEY

Don't forget that the Smiley Community club will have its next meeting of the year at the Hall next Friday evening, April 26. The complete program will be written in this column next week.

Visitors the past week at the Mark Olson home were Mr. and Mrs. Art Waller and son Arlo of Leeds, N. D., and Harry Waller of Pettibone, N. D. The two Messrs. Waller are brothers to Mrs. Olson.

The Herman Rude's are playing the role of parents again, when their second daughter arrived on Tuesday at a local hospital.

Gordon and Margaret Forfang of Hallock motored down to visit at the Gust Hallberg home Sunday.

Mr. and Mrs. W. Moore and family were Sunday dinner guests at the Ted Markus home. The Moores left Wednesday for their home in Cheyenne, Wyoming. Their daughter, Wanda, was released from the hospital in Thief River Falls a week ago.

Mr. and Mrs. Al Kraemer visited all of last week at the home of Mr. Kraemer's parents, the Fred Kraemer's near Thief River Falls.

Despite the miserable roads and the cold, blustery day Wednesday, most of the members attended the club meeting of the Helpers. They spent the afternoon embroidering names on white muslin squares for the peach and green friendship quilt for Mrs. Clara Olson, who was the hostess. The highlight of the lunch was the delicious ice cream. The next meeting will be at the home of Mrs. Mark Olson Wednesday afternoon, May 8.

S. E. MINNESOTA FARMERS REPORT VARIED EARNINGS

Net Income in 1939 Ranged from Low Mark of $321 up to $3,162

Only $321 was the net income of a "low" group of 31 farmers in southeastern Minnesota while a "high" group of the same number averaged a return of $3,162 in 1939. Why this big difference—over $2,800—asks S. B. Cleland, farm management specialist, at University Farm, St. Paul.

From a summary of the 154 individual records of cooperators in the Southeastern Farm Management association, Cleland lists a few of the farm practices that apparently resulted in higher returns for the operator's labor:

High Production Per Cow: On 34 farms, where average butterfat production per cow was less than 200 pounds, the average labor earnings for the farms was $1,242. For another group, where production averaged over 275 pounds, the farm incomes averaged $1,986. The higher producing herds used more feed but returns were proportionately larger.

Higher Returns from Hogs and Poultry: Good breeding, sanitation, feeding and care resulted in earlier and higher returns.

Larger Crop Yields: Careful attention to matters of growing adapted varieties, adequate use of manure, rotation of hay and pasture land and timeliness in tending to crops helped many farmers maintain high yields and thus increase their returns.

Better Choice of Crops: In terms of nutrients or dollar-return per acre, corn, alfalfa, sugar beets, canning crops and rotation pasture are some of the good crops for that locality. Farmers had higher incomes if they grew more of these crops and fewer low-yielding crops like oats, rye, corn fodder and timothy hay.

Larger Farms: Within limits, moderately large businesses paid best. Some small farms increased their income by raising more livestock or a larger per cent of intensive crops. The 31 most profitable farms averaged 288 acres and used 1,060 days of productive work, while the 31 least profitable averaged 203 acres and required only 671 hours of productive labor.

More Accomplishments per Worker: Not necessarily by working harder or longer hours, but by more even distribution of effort throughout the year and better planning, some farmers accomplished more per man.

Economies in Power and Equipment Expenses: Farmers who kept their machinery expenses from getting too high had a distinct advantage when it came time to settle accounts at the end of the year. Also, unless these expenses were kept in proportion to the size of the business, net incomes were reduced.

Members of the association are cooperating with county agents and the University Farm Management Division. Farmers interested in record keeping associations are advised by Cleland to see the county agent for details of how a group of this kind may be organized.

Editors are Invited to Journalism Fete at 'U'

One of the largest gatherings of important editors, writers and newspapermen ever assembled in the state of Minnesota will be brought together in the new home of the department of journalism, University of Minnesota May 2, 3 and 4 for combined meetings of the editors' short course and dedicatory ceremonies of William J. Murphy Hall. Among the speakers will be F. Edward Hebert, city editor of the New Orleans States, speaking on, "How the press defeated the Long machine."

Journalism teaching will be twenty-five years old at Minnesota this spring, Dr. Ralph D. Casey, department head announced. The new building has been erected in part with funds bequeathed by the late William J. Murphy, publisher of The Minneapolis Tribune, in part with university funds and in part with PWA money.

COUNTY BOARD PROCEEDINGS

April 2, 1940

The Board of County Commissioners of Pennington County, Minnesota met at the office of the County Auditor at 10:00 A. M. on April 2, 1940.

Members present: Race, Dredeson, Roy, Moley and Mandt.

Members absent: None.

The minutes of the meetings of March 5 and March 12 were read and approved as read.

Delegations from the following townships appeared before the board with requests for various types of road work: Black River, Smiley, Rocksbury, Smiley, Reiner, Sanders.

The board proceeded to open bids received pursuant to advertisement for the sale of two McCormick Deering Tractors, motor numbers 1079 and 1282, and one Stockland Road Grader. The following bids were received:

Renold Johnson, tractor No. 1079	126.50
Casimer W. Radnicke, tractor No. 1282	150.00
Eddie C. Anderson, tractor No. 1079	105.00
Wyandotte Township, grader	115.00
Alfred Bahbee, tractor No. 1282	[illegible]
Anderson Bros., grader	[illegible]
Anderson Bros., tractor No. 1282	[illegible]
Anderson Bros., tractor No. 1079	119.55
Jack Radnicke, tractor No. 1079	117.00
Alec Swanson, tractor No. 1282	72.00
Cedar Township, Marshall County, grader	105.00

Moved by Commissioner Race and seconded by Commissioner Dredeson that the board accept the bid of Renold Johnson in the sum of $126.50 for Tractor, motor No. 1079, and the bid of Casimer W. Radnicke in the amount of $150.00 for tractor No. 1282, and the bid of Wyandotte Township in the amount of $115.00 for the Stockland Road Grader. Carried.

Moved by Commissioner Race and seconded by Commissioner Mandt that the Road Committee and the Bridge and Culvert Committee inspect roads, bridges and culverts on April 4, 1940. Carried.

Commissioner Roy offered the following resolution and moved its adoption:

Whereas, a number of residents of Pennington and Red Lake counties have expressed the desire that the present road situated on the boundary line between Pennington and Red Lake Counties between Section Thirty (30), in the Town of Wylie, Red Lake County, Minnesota, and Section Nineteen (19), in the Town of Polk Centre, Pennington County, Minnesota, be reconstructed and improved.

And Whereas, the County of Pennington has previously constructed approximately ½ of a mile on said county line between said townships between sections 24 and 20 at a total cost to Pennington County of $1,852.16, no part of which has been paid by the County of Red Lake.

And Whereas, an equitable division of the road cost on said county line would require each county to pay one half of said road construction;

And Whereas, it is the consensus of opinion of the County Board of the County of Pennington that in order to equalize the cost of road construction along said county line that the county of Red Lake should pay for all new construction along said county line until said Red Lake county shall have expended a sum equal to one half of the expenditures heretofore by Pennington county;

And Whereas, the requested construction appears to be desirable;

NOW THEREFORE BE IT RESOLVED, That the Board of County Commissioners of Red Lake County be and they are hereby authorized to construct the above described road as requested.

BE IT FURTHER RESOLVED: That the Board of County Commissioners of Pennington County will pay one half of the cost of said construction in excess of $926.00.

The foregoing resolution was seconded by Commissioner Race and carried.

The following applications for Homestead Classification were approved and referred to the Department of Taxation for approval:

[illegible]

The following applications for reduction of assessed valuation of real estate for the year 1939 were recommended to the department of taxation for approval:

[illegible]

Moved by Commissioner Dredeson and seconded by Commissioner Moley that the Board adjourn until April 6, 1940. Carried.

PAUL ROY, Chairman.

Attest: A. M. Senstad, County Auditor.

Fun Ahead

The portly gentleman strolled up to one of the seats in the park, and, having seated himself comfortably was soon absorbed in his newspaper. After a while he began to be annoyed by a small boy who persisted in steadily staring at him, and at last he could bear it no longer.

"What are you looking at, little boy?" he inquired. "Is there anything funny about me?"

"Not yet," replied the youngster, "but there's going to be when you get up. Them seats have just been painted."

EXIT THE GROOM

Rubright—Well, I must be going. I'm leaving for Chicago tonight. I'm supposed to be married tomorrow.

Hawbecker—What, married in Chicago?

Rubright—Oh, no—in New York.

True to Form

Dawn found an Englishman, an Irishman and a Scot, three survivors of a shipwreck, drifting helplessly on a raft. Night came, and still no sign of rescue.

When things looked hopeless the Irishman knelt in silent prayer. Quickly the Englishman snatched off his hat as a mark of respect, and the Scot took a flying leap into the sea. He thought the Englishman was about to take up a collection.

Orthopedic Defined

Orthopedic is defined as "pertaining or relating to, or employed in, orthopedics," and orthopedics as the "correction or prevention of deformities in children, or in persons of any age."

Food for Thought

Irish stew did not originate in Ireland, but in Germany, and Spanish omelet, despite its name, is unknown in Spain.

Growing With Your Child

The Making of an Exhibitionist

"A bright, clever five year old boy I am taking care of is taking tap-dancing and singing, in which he takes a great interest and is doing nicely. He is in a class with older children but keeps right up with them. He is very *quick-witted*, but he is hard to manage when we have company. It must make him nervous, and then he thinks he has to have a lot of attention. What can you suggest?"

I feel sorry for this little boy, but at the same time I am mighty glad he is in the hands of someone who realizes that something is wrong, and who wants to set about changing conditions.

He illustrates a situation that exists all too often. Because he is bright, and enjoys dancing and singing, he has, unconsciously I am sure, been taken advantage of. Putting him in a class with older children keeps him under a strain, even though he does manage to keep up with them. Showing off his dancing ability, as he is almost surely asked to do, encourages to an exaggerated degree the desire for attention that all children have. Because he has found he gets applause and notice for his talents, he wants to be in the lime-light more than is good for him. He is not to blame. But unless care is taken, he will develop delight in exhibitionism which will tend to make him obnoxious. The adult who is a self-centered exhibitionist is often disliked, because he is hard to get along with. He thinks only of himself, how he is affecting other people. He has not learned the self-effacement that makes him a gracious and cooperating individual.

There is quite a bit of truth in the old saying that little children should be seen and not heard. That is, they should be allowed to develop naturally, not pushed and forced, like a hot-house flower, to premature bloom. While there is perhaps no great harm in a child of five being given instruction in dancing, it should be very casual in nature, and wholly for the child's enjoyment. He should not be encouraged to "show off" by exhibiting his powers before other people, and should certainly not be put to the nervous strain of competing with children older and better developed than himself. If there is no group of his own age, better to wait a while, until his learning can go on under better auspices.

It will probably not be easy to correct his demand for attention in company, but it can be done. He can be denied the privilege of staying in the group of older persons as long as he calls for undue attention. He is bright enough so that he will readily catch on that he must subdue his desire for attention if he is to make other people like him and want him around.

Hungry

"Hello, Moses, wot's de matter wid ye?"

"Indigestion."

"How's dat?"

"Hain't had nuthin' to digest lately."

Keep It Quiet

He—I love you.

She—Really?

He—But don't tell your husband.

She—Why?

He—It might get back to my wife.

Rotten Luck

Jimmie—If I were you, Percy, I would tell him just what I think of him.

Percy—How can I? The cad has no telephone.

Is There a Difference?

Lawyer—Now, if you want my honest opinion . . .

Client—No, no; I want your professional advice.

Going Down

Ruff—Speed? Why that old car of mine can't be stopped on the hills.

Tuff—Yes, I know; mine was that way before I had the brakes fixed.

PIG BORN WITH TWO HEADS DOWN AT OLIVIA

Olivia—An unusual freak of nature occurred at the Fritzen Brothers farm, when a pig was born with two heads. Otherwise normal in every way, the pig had two heads that converged in the middle, having two fully developed snouts and mouths. The pig had only two ears; but three eyes, a larger one growing out of the converged part of the head. The animal died at birth.

THE FRENCH MANNER

Fruit sauce with cake or cookies is a typical American family dinner dessert. Simple and good enough. At least the family usually eats it. But interesting and glamorous it never could be called. Yet give a French woman these same "makings" and she'd contrive a delightful, dainty dessert that would look like something quite elegant—and yet not take much more time to get ready than taking the cake and making the sauce.

Suppose you were planning to have apricot sauce and a fresh hot milk sponge cake for dessert. Turn these over to the French cook—and at dessert time she'd surprise you with something like this Apricot Whip Dessert that is as refreshingly delicious to eat as it is tempting to look at. Yet, I repeat, she would not spend much more time on it than you would in making the cake and the apricot sauce.

FRENCH APRICOT WHIP DESSERT

An inexpensive hot milk sponge cake baked 25 to 30 minutes in an 8-inch Mary Ann Cake Pan is the foundation of this dessert. A cake baked in this kind of a pan has a depression in the center with a narrow wall of cake rising up around it. When the cake is cool this depression is filled with a fluffy cool Apricot Whip. A thin layer of whipped cream is spread over the top of the Whip and the sides of the cake. Apricot halves that are well drained can be laid around the top of the cake as a garland or in any design one chooses. Doesn't that sound interesting and tempting?

IF YOU DO NOT HAVE THIS KIND OF A PAN

If you do not have a Mary Ann Cake pan, use a deep 9-inch round layer pan with a shallow pie pan or a little smaller pan turned upside down inside of it—and the whole lined with paper. Or if this sounds too complicated, use a deep round 9 inch layer pan and hollow out the top of the cooled cake a bit to hold the filling.

APRICOT WHIP

1 cup chopped stewed apricots
1 tsp. lemon juice
2 egg whites
½ cup confectioners' sugar
½ cup cold whipping cream

Mash the apricots, and press them through a strainer. Add the lemon juice. Chill. Beat the egg whites until they will hold a point, then beat in the sugar. Fold this egg white mixture into the apricot mixture. Fold in the cream which has been whipped until stiff.

INEXPENSIVE HOT MILK SPONGE CAKE

2 eggs
⅛ tsp. salt
1 cup sugar
1 tsp. vanilla
½ cup milk
1 tbsp. butter
1 cup sifted cake flour or all-purpose flour
1 tsp. baking powder

Beat the eggs until very light with a rotary egg beater. Beat in the salt, sugar and vanilla. Beat in the milk which is boiling hot and which has been heated with the butter. Beat in the flour and baking powder sifted together. Pour very quickly into a greased and floured pan and bake immediately in a moderate oven (350° F.).

FALSE ALARM

Young America—The shrieking sound of the fire siren broke the tranquility of the village, sending citizens scampering to find out where the fire was. Just two days late for an April Fool gag. It was a false alarm. Electricians working on the pole in front of the fire hall shorted the wire going to the siren, turning in the alarm.

GREAT NORTHERN EARNED 1 PCT. ON HOLDINGS IN 1939

Eleven Cents out of Every Dollar Received Went for Taxes

The Great Northern Railway company last year earned net income equivalent to approximately one per cent on its investments in the railroad, affiliated companies and other holdings, according to its annual report made public today. Its principal outside interests are a half interest in the Spokane, Portland and Seattle railway and an approximate half interest in the Burlington system.

F. J. Gavin, president, announced earlier this year that the company's net income of $8,686,425 for 1939 would be applied to the reduction of a $28,132,864 bond issue which matures July 1 next. The remaining $20,000,000 will be refinanced.

The report shows a net decrease of $4,621,273 in the company's funded and unfunded debt during the past year.

With a gain of about 12½ millions in operating revenues last year, the Great Northern expended $4,760,983 more on the maintenance of its property and met an increase of $1,757,235 in taxes.

The average revenue received by the railroad for hauling a ton of freight one mile dropped from .975 cents in 1938 to .918 cents in 1939.

The Great Northern's taxes last year totaled $10,121,469, an increase of $3,904,648 over 1935. Taxes were equivalent to 11 cents out of every dollar received by the railroad for the transportation of freight and passengers. State and county taxes for 1939 totaled $6,087,963; federal unemployment taxes were $1,085,187; and federal pension taxes amounted to $923,-557. Income and other federal taxes increased $1,838,166, from $116,596 in 1938 to $1,954,762 in 1939.

To Improve Highway 1 from Oslo to Alvarado

The Minnesota department of highways this week called for bids on 13 more contract construction projects and 11 traffic safety signal installations, bringing to a total of 58 the number of jobs advertised for early construction this year. The value of the new projects upon which bids will be opened May 3 was estimated at approximately $600,000, Commissioner M. J. Hoffman announced. They include 34 miles of grading, 21 miles of base stabilization and bituminous treatment, 8 bridges and 14 box culverts. Projects include: T. H. 1—Grading for 6.2 miles, between Oslo and Alvarado, comprising 118,254 cu. yds. of excavation and 5,034 cu. yds. of gravel.

FIVE-YEAR-OLD IS NOW ANCHORED TEMPORARILY

Duluth — Five-year-old Glenn Guertin is really home to stay for a while, his mother thinks this time. Within three weeks he has ventured some 177 miles from home in three different directions, all by himself. First, by foot he wandered from his St. Paul home to Minneapolis, a distance of 12 miles. A few days later he stowed away on a bus to White Bear, a distance of 15 miles, and his last trip was as a stowaway in a bus to Duluth. He was unnoticed by the bus driver for the 150 miles of the trip.

Pedestrian Deaths in Traffic Show a Marked Rise to Date This Year

Although Minnesota motorists, by heeding safety preachments, reduced their share of the traffic fatalities by nearly 16 per cent during the first quarter of 1940, an increase of 25.8 per cent in pedestrian fatalities held the state's traffic death toll for the three-month period at 82, exactly the same number as were killed *up to April 1 last year.*

Although the number of deaths remained the same, the state's death rate, based on traffic volume, was lower than that for the first three months of 1939, a year which gave Minnesota first place in north-central United States for traffic safety achievements. The rate, based on deaths per 10,000,-000 gallons of gasoline consumed, is 7.8 for the first three months of this year as against 8.7 for the same period last year and an average of 10.5 for the past three years. This is a reduction in traffic death rate of 10% from 1939 and 25.7 per cent below the three-year average.

Thirty traffic deaths were recorded in January, 25 in February and 27 in March; 43 were motorists and 39, or 47½ per cent pedestrians. Twin Cities traffic fatalities mounted from 16 in the first three months of last year to 28 this year, and accounted for most of the pedestrian deaths. Duluth had none, as against 2 last year.

Blue Geese Assemble on Lake Traverse En Route to Goal in Arctic Circle

Spring rode into Minnesota over the week-end on the thundering wings of blue geese as they re-enacted an age-old migration spectacle that has baffled scientists from earliest days.

Like a huge cloud, the birds, representing all the blue geese in America according to scientists, moved up the historic Big Stone-Lake Traverse flyway northward toward Baffin Island in the arctic circle.

Arch Klawon, game warden for the state conservation department assigned to protect the birds, said the flight was delayed somewhat by cold weather. He termed it one of the largest on record.

Thousands of snow geese and numerous Canadian honkers interspersed the blues. Observers pointed out that while the blue goose flight is concentrated, the snow geese trickle through for a month or more.

Fantastic to many is the story of the snow geese. So concerted is its migration, the University of Minnesota has pointed out, that all the blue geese in the United States fly northward through western Minnesota in a few huge flocks each spring.

Their destination is Baffin Island in the Arctic Circle—a nesting place only discovered in 1929. In the fall they move southward over two routes—the oceanic Atlantic flyway, and the midwest and Mississippi river lane.

INTERESTING FACTS ABOUT BEER AND BREWING

100 INDUSTRIES BENEFIT FROM BEER AND ALE
Did you know that the return of beer and ale brought increased business to more than 100 industries? It did. Services and materials were needed. New jobs were made for workers.

WHY BEER IS THE BEVERAGE OF MODERATION
Beer's alcoholic content is very low . . . lower than any other alcoholic beverage. That is why it is called "the beverage of moderation." You are not likely to get in trouble if you stick to beer.

OLDER THAN THE PYRAMIDS OF EGYPT
Beer has been brewed since the beginnings of recorded history in many parts of the world. It was known in ancient Egypt, in China, and the Euphrates valley.

NATURE MAKES BEER!
A simple natural process produces beer and ale from water, malted grain and hops. The brewer applies his skill to help give these beverages their fine taste.

BOUGHT BY BEER AND ALE: 25 BILLION POUNDS OF FARM PRODUCTS. Steadily, year after year, the brewing industry gives American farmers a big order for farm products. That's a help farmers appreciate.

BEER'S TAXES—$1,000,000 A DAY—COULD PAY FOR GRAND COULEE DAM IN 186 DAYS
Grand Coulee Dam on the Columbia river will be the most massive structure ever built by man. Beer's taxes—Federal, State and local—could quickly pay for it.

"CLEAN-UP OR CLOSE-UP" A NEW PLAN TO PROTECT BEER RETAILING
One of the most interesting things about beer and ale is the brewing industry's program to keep retailing wholesome. This program is now in effect in a number of states. It is being extended. We want you to know about it. Write for booklet. United Brewers Industrial Foundation, 19 East 40th St., New York, N. Y.

We rather liked the Admiral's reason for calling a ship "she." He said it was because it costs so much to keep one in paint and powder.

We often thought it was because *it's pretty difficult to steer a ship.*

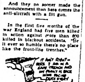
Stoff (Himself)

We knew an old sailor once in Seattle who told us that the term "she" as applied to ships was a hold-over from old sailing vessel days. "And then," he said, "they called a ship 'she' because she made her best showing in a wind."

Now they're bringing out a flying motorcycle designed for use in infantry liaison and for delivering messages.

And they no sooner made the announcement than here comes the anti-aircraft with a flit gun.

In the first five months of the war England had five men killed in action against more than 600 killed in blackout accidents. "Be it ever so humble there's no place like the front-line trenches."



IT AIN'T RIGHT—HERE I AM IN A SAFE TRENCH AND MY FAMILY IS BACK HOME FACING DEATH EVERY DAY

Cambridge, Mass., authorities have banned the use of the words "Lenin" and "Leningrad" in all printed matter within the city. Cambridge will show that old ostrich a thing or two about hiding its head.

Here at the start of what will *very likely be a lively* political year a contributor thought it would be timely to print the following poem by one T. V. Beard:

POLITICAL PIE

Sing a song of politics, pocket full of rye,
Four and twenty candidates baked in a pie.
When the pie is opened and these birds begin to sing,
You and I who made that pie have got to eat the thing.

TURN THE RASCALS OUT!

There has been some pother lately about selecting a name for the 1930's.

We have plenty of burdens, goodness knows, but we can't help putting our shoulder to the wheel at times like these. The result of our research and thinking is summed up in the term "Unthinking Thirties" which brought on, in the natural curse of events, the "Fortified Forties."

HAZEL

In a letter to Mrs. Elmer Erickson, Mrs. Alfred Thorson of Williams writes that she has suffered a badly sprained ankle and is bedridden. Mrs. Thorson, who was formerly Ines Holten of this village was alone with the children at the time as they live on a farm and Mr. Thorson who works in a camp is unable to get home except for week-ends. Fortunately she was able to summon help by telephone.

G. C. ANDERSON LOSES LIFE IN AUTO ACCIDENT

Local Accountant Killed as Car Goes off Highway East of City

FUNERAL RITES SET FOR THIS AFTERNOON

Is Survived by Wife and Four Children in Addition to Parents

Glen C. Anderson, local accountant, lost his life late Monday afternoon when the car in which he was traveling alone to his home here, left Highway 59 on the curve ten miles southeast of this city, ran into the ditch and crashed into the end of a culvert, inflicting injuries from which he died while being brought to a local hospital by William Mostrom of Trail and Joseph Loeffler, who arrived at the scene immediately following the accident.

Military funeral rites will be conducted this afternoon at 2 o'clock from the Larson chapel, with Rev. E. A. Cooke officiating, following private services at the home this morning for the immediate family.

Officers who visited the scene of the accident surmised that Mr. Anderson, while rounding the curve in the highway, had driven off onto the shoulder on the outside edge, and that he had made a valiant effort to regain control of the vehicle, only to have it dart across the road into the ditch on the south side of the highway, where it proceeded thru mud and water for some distance before crashing into the end of the culvert. In the impact Mr. Anderson sustained a skull fracture and other injuries, while the car was badly damaged. It was the first traffic fatality of the year in Pennington county.

Glen Cyril Anderson was born at Badger January 12, 1898. When he was about 14 years old he came with his parents to Thief River Falls and he graduated from the local high school with the class of 1916. At the time of the World War he was one of the first to enlist from this community, serving as chief army field clerk of the 89th Division. On June 10, 1919 he was married at Chapman, Kansas to Miss Florence Poland. He graduated from the school of business at the University of Minnesota in 1925 and was employed there for several years with Anderson, Kroeger and Company, a firm of accountants. He has been an accountant in Thief River Falls since 1933.

He is survived by his wife, Florence, two daughters, Yvonne and Virginia, and two sons, Glen, Jr., and Thornton. Also left to mourn his passing are his parents, Mr. and Mrs. T. P. Anderson, two brothers, Leigh of Grand Rapids and Forrest of St. Paul and four sisters, Mrs. H. C. Falk, of New Rockford, N. Dak., Mrs. A. W. Sitz of Grand Rapids, Mrs. L. T. Alnes and Miss Audrey Anderson of Thief River Falls.

COUNTY DECLAM CONTEST SET FOR NEXT SATURDAY

Winners in Twelve Divisions of Rural Schools to Compete Here

The annual Pennington county rural school declamatory contest will be held in the district court room in the court house Saturday afternoon at 2 o'clock, Richard Dablow, county superintendent of schools, stated today.

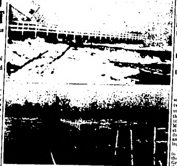
The contestants, Mr. Dablow said, will be divided into two classes, Division A including entrants up to and including the fifth grade, and Division B including those in the sixth, seventh and eighth grades. Recitations in each division will be either dramatic or humorous.

Included in the contest will be winners of twelve sectional competitions held late last week. Judges will be Hilding Peterson, Harold Holmquist and Maynard Tvedt of the Lincoln school faculty.

NO TRACE DISCOVERED OF STOLEN FORD COUPE

No trace had been discovered up to Wednesday afternoon of a 1936 model black Ford coupe stolen last Friday night from the used car lot of Thief River Motors, Inc. When taken, the car bore license number 541-440.

Smiley Bridge Goes Out as Ice Jam Breaks



In the top picture, above, is a view of the Smiley bridge shortly before it was destroyed by a flood of ice and water Friday afternoon. The picture was taken by Walter Lendobeja and shows the ice piled up to the floor of the bridge. The blur at the right is the result of a dynamite explosion. The bottom picture, taken by W. H. Borchert, shows the bridge as it was being swept down the stream. At this time only one end was loose but it quickly broke away completely and went down the river in two parts.

WILL HOLD TESTS FOR RURAL MAIL CARRIER IN CITY

Civil Service Commission to Receive Applications Until May 10

The United States Civil Service commission announced this week that it will receive applications at its office in Washington, D. C., until May 10 for the post of rural mail carrier at Thief River Falls.

The examination, it was announced, will be conducted in this city about fifteen days after the time for receiving applications has elapsed. The necessary blanks may be obtained from Gunder Legvold at the postoffice here.

The announcement says in part: "The salary of a rural carrier on a standard route of 30 miles served daily except Sunday is $1,800 per annum, with an additional $20 per mile per annum for each mile or major fraction thereof in excess of 30 miles. Certain allowances are also made for the maintenance of equipment. The examination will be open only to citizens who are actually domiciled in the territory of the post office where the vacancy exists, who have been actually domiciled there for six months next preceding the closing date for receipt of applications, and who meet the other requirements set forth in Form 1977.

"Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles."

WORK GETS UNDER WAY ON LOCAL NYA RESIDENT PROJECT

Project Expected to Start Operating in Month, Says Director

Work of remodeling the old Central school and equipping it for use as a resident project of the National Youth administration got under way Monday, following a conference last Friday between C. B. Lund, state NYA administrator, and local officials.

In charge of the project here as resident director is W. W. Christopherson, for the past four years connected with the Detroit Lakes NYA office. He stated that about a month of preliminary work will be required before the project will be in full operation.

Present plans call for two shifts of thirty young men each to be employed on the project for alternate periods of two weeks, the youths being assembled here from within a radius of 60 miles from Thief River Falls. Part of their time will be devoted to classroom work and the remainder to work of a public nature, Mr. Christopherson said.

Have You Been Counted?

The Bureau of the Census is grateful for the splendid cooperation it has received in the taking of the 16th Decennial Census in this community. Every possible means have been employed for including all persons in the census. However, in spite of all care and efforts it is possible that a few persons have inadvertently been missed.

If you have any reason to believe that you, or any member of your household, such as absent members, lodgers or servants, have not been included in this Census, it is requested that you fill in the blank provided below and forward it immediately to the Census Supervisor named below, so that steps can be taken to add your name to the schedules. If you know of any other person who has not been enumerated, here or elsewhere, such as late arrivals in the community, send in a like notice with correct address of such person.

HANS O. CHOMMIE,
Supervisor of the Census,
Thief River Falls, Minnesota.

HAVE YOU BEEN ENUMERATED?

To the best of my knowledge, I have not been included in the 16th Decennial Census of Population which has just been taken in this community. In addition to myself there are also .... members of my household who have been omitted.

800 COMING TO MUSIC CONTEST NEXT SATURDAY

High School Musicians from Twelve Schools Will Compete Here

FESTIVAL CONCERT PLANNED IN EVENING

Profs. Gerald Prescott and John Kuypers to Serve as Judges

Eight hundred young high school musicians representing twelve schools will assemble Saturday at Lincoln high school for the annual music contest of District 10 of the Minnesota Public School Music league. Both vocal and instrumental groups will participate during the morning and afternoon, and each school will be given ratings for its own group.

High schools to be represented in the district contest include those at Warren, Alvarado, East Grand Forks, Fisher, Climax, Crookston, Red Lake Falls, Plummer, St. Hilaire, Fosston, Mahnomen and Thief River Falls.

Professor Gerald Prescott of the University of Minnesota, who served here in a similar capacity several years ago, will judge the bands and smaller instrumental groups, while Professor John Kuypers of Hamline University will judge the vocal offerings.

Climaxing the day's activities, a festival program will be given in the Lincoln high school auditorium Saturday evening at 7:30. Participating in the program will be the all-district chorus of 200 voices directed by Professor Kuypers, and the all-district band of 100 musicians selected from the various schools performing under the baton of Professor Prescott. Both groups held a successful rehearsal in this city last Saturday.

Saturday morning beginning at 8 o'clock competitions will be held for small vocal and instrumental groups, glee clubs and bands of the smaller Class C schools. In the afternoon mixed choruses for all schools and bands from Class B schools will compete.

Four selections will be sung by the district chorus Saturday evening, including numbers by F. Melius Christiansen, Bach and Burleigh, while the district band also will play four numbers.

PEACE OFFICERS OF VALLEY MEET HERE ON MONDAY

Lundgren to Preside at Annual Meeting of Red River Valley Unit

The annual meeting of the Red River Valley Peace Officers association will be held here Monday, April 29, Paul A. Lundgren, president, announced today.

Business sessions will start in the Civic and Commerce association room at 4 P. M. when officers will be elected. At 6:30 P. M. a dinner program is scheduled in the Palm Garden cafe with Dr. George Abbott, of the University of North Dakota, speaking on "Science in Crime Detection." Other speakers will include Eldon Rowe, chief of the bureau of criminal apprehension; J. E. Ruddy of the state highway patrol who is stationed at Moorhead, and F. W. Hardy, federal bureau of investigation agent stationed at St. Paul.

The organization was formed a year ago to include the counties of Kittson, Roseau, Marshall, Lake of the Woods, Pennington, Red Lake, Clearwater, Beltrami, Mahnomen, Becker, Norman, Clay and Wilkin in Minnesota and Cass, Grand Forks, Walsh and Pembina in North Dakota.

The purpose of the organization, Mr. Lundgren said, is to create a better understanding among the officers of the several counties, and a greater co-operation between the officers of North Dakota and Minnesota in crime detection and prevention.

Officers in addition to Lundgren are Francis Stadsvold, Crookston, secretary, and Carl Karkel, Red Lake Falls, sergeant-at-arms.

Pennington Democratic Committee Meets Apr. 30

The Pennington county Democratic committee will hold an organization meeting in the district court room in the court house next Tuesday evening, April 30, at 8 o'clock, Joe Maruska, county chairman, stated today.

Plants Raised in City Greenhouse Soon Ready for Planting in Parks

Soon ready for setting out in the city parks are approximately 20,000 annual plants raised from seed during the winter months in the city-owned greenhouse adjoining the sewage disposal plant. The greenhouse, maintained by the park board, is operated by Carl Larson, superintendent, and Nick Waldorf, and is the only municipal undertaking of its kind in this section of the state. Fourteen varieties of flowering plants are being produced, among them being geraniums, cannas, petunias, phlox, calendulas and marigolds.

THIEF RIVER FALLS IS SCENE OF CLINIC SATURDAY, MAY 11

Orthopedic Clinic to be Held Here for Crippled Children of District

Medical examination, arrangements for hospitalization and field nursing services are among the benefits which needy crippled children of this district will receive through the orthopedic clinic to be held in Thief River Falls Saturday, May 11. Held for the third successive year, the Thief River Falls clinic will serve Kittson, Marshall, Pennington, Red Lake and Roseau counties. The clinic will be held in Lincoln high school with registration hours from 8:00 a. m. to 3:00 p. m.

Patients attending clinic for the first time should have a letter of referral from their family physicians. The facilities of the clinic are available to all crippled children under 21 from this district whose parents are unable financially to provide private orthopedic care.

The clinic in Thief River Falls is one of sixteen clinics which the Bureau will conduct during 1940. This is an increase of four over the number of clinics held when the Bureau was established in 1936. Field clinics serve two purposes. They make orthopedic examinations available to those who have not been cared for previously. They also afford a check-up examination to those who have been cared for through the Bureau or Gillette State Hospital for Crippled children.

UNIVERSITY DEANS WILL ADDRESS PTA MONDAY EVENING

Dean of Student Affairs and Dean of Women Will Give Talks

Two deans from the faculty of the University of Minnesota will be the principal speakers at a meeting of the Parent-Teacher association next Monday evening, April 29, in the Lincoln high school auditorium, Mrs. Jeanette Wright, president, said today.

They are E. E. Nicholson, dean of student affairs, and Anne Dudley Blitz, dean of women. Both speakers will address their remarks principally to students who plan to go away to college next year and to their parents.

The program for the evening also will include musical numbers by the clarinet quartet and the brass ensemble of the Lincoln high school band. At the business session plans will be discussed for the annual pre-school clinic sponsored by the association.

Smiley Bridge is Battered By Ice, Goes Out Friday

River Valley Span Is Also Badly Damaged Late Last Week

The Smiley bridge across Red Lake river in Smiley township was completely destroyed late last week when the 180-foot wooden structure was shattered by huge chunks of ice driven against the bridge by a swift current, the river being at a high stage due to the spring runoff.

The Smiley township board yesterday called a mass meeting to be held in the Smiley hall Friday evening, April 26, at 8:30 to discuss plans for replacing the bridge over Red Lake river. W. E. McCrum, member of the board, in announcing the meeting, said that boats will be available to transport residents of the community across the river to the hall.

Parts of the bridge, which had been erected in 1936 as a WPA project, came as far down the river as the outskirts of Thief River Falls, and fragments went farther down. Plans for rebuilding the bridge have not yet been mapped out.

Simultaneously with the destruction of the Smiley bridge, the span at River Valley was badly damaged, eleven pilings being broken up by the fast-moving ice. The 135-foot structure, erected in 1932, will be repaired immediately by day labor, County Highway Engineer J. A. Erickson said today.

ASSESSORS FROM THRUOUT COUNTY TO MEET FRIDAY

Will Receive Instructions from Representative of Tax Commissioner

City, village and township assessors from all sections of Pennington county, numbering 21 in all, will assemble in the district court room in the court house Friday, beginning at 10 o'clock in the morning, to receive instructions relative to the 1940 assessment of real and personal property.

The office of the state tax commissioner in St. Paul will be represented by an official whose name has not been announced, and who will explain the proper procedure to be followed in making assessments.

At the close of the session County Auditor A. M. Senstad will provide the assessors with supplies for use in conducting their duties.

Heads New Company

ROY M. BARZEN

President of the recently organized Barzen Mercantile company, which will shortly enter the wholesale grocery field in Thief River Falls. Mr. Barzen, a native son of this community, has previously had varied experience in this field of activity.

NEW WHOLESALE GROCERY STARTS OPERATIONS SOON

Barzen Mercantile Company Formed with Capital of $50,000

Following a meeting at the Palm Garden cafe recently attended by 70 grocers from thruout this section of the state, Roy Barzen announced the organization of the retailer-owned Barzen Mercantile company, wholesale grocers, with a capital of $50,000.

Mr. Barzen is president of the company; A. J. Landby, Swift, vice president; Paul Couvrette of this city, secretary-treasurer; and H. J. Gavick, Greenbush; Frank Larson, Kennedy; Henry Quam, East Grand Forks; and H. H. Bjerkness, Trail, directors.

Headquarters of the company will be in the former office building of the Math Barzen company, while the tile warehouse will be used for merchandise and a substantial addition will be built.

The new company has obtained the franchise to handle the Jack Sprat line of grocery products, featuring 400 items now sold in 20,000 retail stores thruout the country.

Twelve persons will be employed at headquarters in this city. There will be no traveling salesmen, as all orders will be placed by mail, with weekly delivery service out of Thief River Falls. Plans call for the new enterprise to begin operating shortly after May 1.

Annual Meeting of Local Red Cross Chapter to be Held on Tuesday Evening

Shown standing, left to right, are Ted Lee, Harry Roberts, Leslie Robinson, Lawrence Bjorman, Harry L. Schuster, Carlie Carlson and Morris Jarnason. Seated are Ole Ness, Chief Leonard Hanson, Morris Lasell and Philip Schmitz. Missing when the picture was taken was John Jarnason.

INSPECTION OF FIRE RISKS NOW IS IN PROGRESS

Minnesota Fire Prevention Association Making Survey Today

MANY LOCAL GROUPS COOPERATE IN SURVEY

Inspectors Will Report on Findings at Dinner This Evening

Under the auspices of the Civic and Commerce association, with the cooperation of local service clubs and the fire department, the Minnesota Fire Prevention association today is engaged in conducting a fire prevention survey in Thief River Falls.

Climaxing the day's activities will be a dinner meeting this evening at 6:30 in the Palm Garden cafe, at which A. R. Lofgren, president, and Elwood G. Harper, secretary of the state association, will speak, reporting on the findings of the inspectors.

To inspect a building and its contents, the fire preventionists carry on their work in a careful manner, disturbing none of the employes of a business house or an industrial plant. They note any dangerous accumulation of combustible rubbish on the premises, instances of defective electric wiring, or other conditions that might cause a fire, if not remedied. Following the inspection, they will list the defects they have found, indicating the improvements necessary to eliminate fire hazards.

As has been effectively done in many instances, in Minnesota and other States, inspection of Thief River Falls residences will be accomplished by means of "home inspection" blanks in the hands of the school children. Experience in this respect elsewhere has demonstrated that the children enter into the spirit of the activity, at the same time acquiring an understanding of what is meant by "fire safety" and "fire prevention" that it is believed will have lasting effects.

Members of the fire prevention association will make short talks to the pupils of the public and parochial grade schools during the day, as also to the students of the high school.

The activities scheduled here today are part of the country-wide plan, sponsored by chambers of commerce, civic and service clubs, business men's associations, and other organizations, with the purpose in view of reducing the fire waste of the nation, a large proportion of which is due to preventable causes, it is held by those who have made a study of the situation for years.

LINCOLN SCHOOL BAND MAKES BOW IN NEW UNIFORMS

600 Persons Attend Concert in H. S. Auditorium Wednesday

At a concert in the Lincoln high school auditorium Wednesday evening, members of the high school band made their debut in highly attractive new uniforms of royal blue with gold trim. Also participating in the program were the high school chorus and smaller musical groups.

In behalf of the Parent-Teacher association, which sponsored the campaign for donations that resulted in the acquisition of the new uniforms, Mrs. Jeanette Wright, president, presented them formally to the school district, in whose behalf Supt. Morris Bye accepted them.

In addition to the well-executed numbers by the school musicians, the program included selections by a trio including Mrs. A. E. Berg, Mrs. Richard Dablow and Mrs. Glendon E. Ahre.

Approximately 600 persons enjoyed the concert.

A. C. Jahr Preparing to Erect New Building

The work of razing the frame building on East Second st. housing A. C. Jahr's meat market got under way Monday. When the site is cleared the building will be replaced by a one-story brick and tile structure 30 by 36 feet in dimensions. Nels G. Olson prepared plans for the building and will carry out the contract for its construction.

Women's Project Leaders Get 1st Lesson from Miss Hobart

The leaders of 28 groups of women enrolled in the home demonstration project, "Feeding the Family" met this week to receive the first lesson from Miss Inez Hobart, extension nutritionist from University Farm.

Miss Hobart does not stress only proper food for normal good health, but also includes, posture, sunlight, and fresh air among the essentials of good nutrition. The leaders were told that the average acre of land in garden in Minnesota produces about $200.00 worth of vegetables a year. This shows that gardens are important not only for helping secure a balanced diet, but also in helping to balance the budget.

Leaders will hold group meetings during the next ten days to give this information to their members. Leaders and groups which attended the training meetings are:

The service Sunday night, April 28, 7:45 o'clock, is one that will be given in response to a large number of requests to those who are anxious to know something about the immediate future of our own country. The topic will be "What has the future in store for the United States?" The sure word of prophecy has not left us in darkness as to this matter. The Omniscient speaks and man should give heed. Without the prophetic knowledge of the word of God man is left to grope in darkness. It is indeed important. Come and hear this important topic. We extend a personal invitation to you to spend a pleasant evening in the Friendly Church. Questions will be answered and stereopticon pictures will be shown before the lecture.

Motion Picture Dealing With Life of Christ at Community Church May 1

A beautiful motion picture, "I Am the Way," dealing with the life of Christ, with Deacon Clowe's music and comments by sound amplification will be presented at the Community church on Wednesday, May 1st, at 8 P. M.

The fifty minute picture consists of sections of the [illegible] "King of Kings" production by Cecil B. DeMille, which parts were not seen in that film.

The picture will be presented as a devotional worship service with the local church and pastor cooperating with special music and Scripture selections. With the melodious Deagon Chimes music and the simultaneous commentary by sound amplification this greatest story of the ages will be set forth with an impressiveness seldom witnessed. There will be no paid admission charge, however a liberal offering is requested. The program is open to the public, and a hearty welcome is [illegible] to everyone.

COUNCIL STUDIES COUNTY POOR FUND REPAYMENT OFFER

Makes Counter Offer to Dispose of Balance Due from County

Following consideration of the offer of the county board to settle for $10,450 the balance due the city of Thief River Falls in delinquent poor relief reimbursement for the years 1936, 1937 and 1938, the city council Tuesday evening, after studying several disputed items, voted to settle its claim for $12,560, and this counter offer will shortly be submitted to the county board. Items in dispute included expenses in connection with the WPA sewing project and with the office of the city relief supervisor. Other action taken at the session included a decision to make a check of city WPA rolls to ascertain how many out-of-town people are employed on local projects.

No Luncheon Meeting of Civic and Commerce Association May 2d

Secretary L. W. Rulien of the Civic and Commerce association stated today that no luncheon meeting will be held next Thursday noon, owing to the fact that a good roads dinner is scheduled for that evening in the Palm Garden cafe. At last Thursday's meeting Andrew Anderson reported on the success of the 4-H club banquet held the previous evening, and R. J. Lund and S. E. Dahlen commented on the [illegible] banquet scheduled to be held that evening.

Doris Emanuel, 18, High School Senior, Dies; Rites Monday

Doris Catherine Emanuel, young daughter of Mr. and Mrs. E. A. Emanuel, died Friday in a local hospital. Doris, a Lincoln high school senior, was 18 years of age at the time of her death.

She was born January 29, 1922, at Berthold, N. D. In 1933 she moved with the family from her birthplace to Minot, N. D., and two years later, in 1935, to Grand Forks. She came to Thief River Falls with the family in 1937 and had since made her home in this city. She was a member of Trinity Lutheran church of this city and belonged to Bethel No. 24 of the Jobs Daughters.

Surviving relatives include her parents and two brothers, Charles and Burton, all of Thief River Falls, and her grandfather, Emil Emanuel of Augusta, Wis.

Funeral rites were conducted Monday afternoon from Trinity Lutheran church and interment was in Greenwood cemetery. Rev. R. M. Fjelstad of this city and Rev. L. M. Rotto of Portland, N. D. officiated.

Prizes are Awarded in Model Airplane Contest

Emmet Liden, Clinton Borchert and Orben LaVoie were respectively winners of first, second and third prizes in the model airplane building contest staged by the Ben Franklin store. Well over 200 entries were received and 50 prizes were awarded. Expert workmanship was the basis for the awards, the judges in the contest being Larry Berg, C. W. Pope and Loran Lord. The first two prize winners were gas engine models.

Official Paper of Pennington County and City of Thief River Falls

Insurance men who are conducting a fire prevention survey of our city today are performing a useful service that is greatly appreciated by our citizens. They are here at the request of local public officials and civic organizations. This is the second survey of this kind to be made here in recent years. Many of the recommendations that were made on the previous inspection have since been put into effect. All suggestions that are made as a result of the present survey will be given careful consideration and accepted in the spirit that they are offered, as possible ways of protecting life and property. The visitors will issue no orders. They will not tell us that we must do so and so. They will merely point out what, in their best judgment, we should do. Some of their suggestions may point the way to lower insurance costs and that too, of course, is important. So in behalf of the city we welcome the insurance men and express the hope that they will like our community so well that in a few years they will accept our invitation to return again.

It has happened before of course that the river has gone on a rampage in the spring break-up but the damage that was done last week, when one bridge was taken out completely and the props were knocked out from under another, was the first time in recent years that it has caused trouble of this kind. Steps have already been taken to repair the River Valley bridge. The problem of replacing the one at Smiley is a more difficult one however. A few years ago the Smiley community managed to get along without a bridge and because of this fact it can be argued that they will not be seriously inconvenienced if they have to get along without one again. That is not the case however. The bridge that was built at Smiley a few years ago resulted in several important changes in the community life itself. Several farmers now operate farms on both sides of the river and for them the loss of the bridge presents a serious problem. From a social standpoint the bridge is even more important, most of the community activities centering about the hall that was built on the south bank when the bridge was put in. It is unfortunate that the county is in such a wretched financial condition that an emergency of this kind cannot be met without revision to the present road program but, as we see it, the replacement of the Smiley bridge should be put on the "immediate must" list even if that makes necessary the postponement of some other new projects.

We will not know for a few days exactly what the new population figures for the city will be but they probably will total close to the 6,000 mark. It is estimated that at least another 1,000 people, really a part of the urban population, reside beyond the city limits. At any rate we have definitely moved into the 5,000 or more classification and that change of classification will affect us in several ways. One immediate effect probably will be the changes in our relief status and the hour wage of those employed on government grant projects. By and large however the change will be no more noticeable here at home than an extra inch of growth is to any young person. Such changes are more evident to the outside observer. To the people who live here, the city and its problems will continue to be pretty much the same.

One of the things we expect to be told by the insurance men who are conducting the fire prevention survey is that we need more fire fighting equipment. There might be some differences of opinion as to the type of equipment we need but that our fire department is under equipped now there can be no question.

"City, Country Doctors Mix at State Medical Sessions" was the headline in a big city daily that aroused our curiosity but the story was disappointing. There wasn't any fight. The big idea was that country doctors and big city clinicians "rubbed elbows on common ground." We borrowed that word clinicians from the story too. It was nice of the big city guys to rub their elbows in common ground with ordinary country doctors. Imagine the thrill the Docs who work in a small town like Rochester must have gotten out of being able to associate with professional men from Minneapolis.

Northwest Campaign for Norwegian Relief Opens in Minneapolis

A drive for funds to aid victims of war in Norway was launched in the northwest Monday with formation of a committee headed by Dr. J. A. Aasgaard, Minneapolis, president of the Norwegian Lutheran church of America.

Twelve national officers of Norwegian-American organizations with headquarters in Minneapolis set up the committee to coordinate efforts in behalf of Norway.

The committee assailed the German invasion of Norway and announced they will cooperate with a nationwide committee working in an organization known as Norwegian Relief, Inc.

R. R. Valley Augustana Synod Convention to be at Moorhead May 2 to 5

Pastors and lay delegates to the annual convention of the Red River Valley Conference of the Lutheran Augustana Synod of North America will be the guests of the Bethesda Lutheran Church of Moorhead, when they meet on May 2-5 at which time the Bethesda congregation, Rev. O. G. Berg, pastor, will celebrate its 60th anniversary.

Prior to the opening of the convention proper the pastors will meet to discuss problems of the ministry. Rev. H. G. Holmes of Hoffmann, Minnesota will lead in the discussion of the subject, "an Approved Ministry". Rev. Harold Lundgren of Leonard, Minn., will be in charge of the educational period. Simultaneously the laymen attending the convention will meet in a special session.

Using the convention theme, "The Holy Spirit The Power of the Church"—a feature of the convention will be two daily devotional periods centering in that theme.

O.K.—LET'S TALK PRICE!

If you're buying that way this year—let's forget the fun you find in a Nash and just compare it dollar for dollar with cars in its class.

Nash is bigger and *better built*—the only car with the thrilling smoothness of that Arrow-Flight Ride . . . the Convertible Bed . . . the terrific pick-up of a Manifold Sealed engine (yes—a class winner in the 1940 Gilmore-Yosemite Run with 23.76 miles per gallon).

The extra value Nash gives you in finer engineering . . . in 300 pounds more weight than the small cars (for extra comfort and safety)—means higher resale value years from now.

Come in—drive a 1940 Nash today—the biggest new car value in town!

CERTIFICATE OF INCORPORATION OF BARZEN MERCANTILE CO.

We, the undersigned, residents of the State of Minnesota, acting for ourselves as individuals, do hereby associate for the purpose of organizing and incorporating a cooperative Association under the provisions of chapter 326 of the laws of the State of Minnesota for the year 1923 and Acts amendatory thereto, and to that end we do hereby adopt and sign the following certificate of incorporation:

ARTICLE I

The name of this association shall be Barzen Mercantile Co.

The purpose of this association shall be to establish and conduct a general mercantile enterprise on a co-operative plan. The general nature of its business shall be to engage in and conduct a general mercantile business and as such to buy and sell, both at wholesale and at retail, every kind and form of merchandise and to do and perform every act and thing necessary and proper in the conduct of its business and the accomplishment of its purpose.

The principal place of transacting the business of this association shall be in the City of Thief River Falls, in the County of Pennington and State of Minnesota.

ARTICLE II

The period of the duration of this association shall be thirty (30) years.

ARTICLE III

The amount of authorized capital stock of this association shall be Fifty Thousand Dollars ($50,000.00). Thirty-five Thousand Dollars ($35,000.00) of such stock shall be common stock and shall be divided into three hundred fifty (350) shares of the par value of One Hundred Dollars ($100.00) each. The voting power shall be vested in the owners of the common stock exclusively. Owners of common stock, and only such, shall be deemed members of this association.

The remaining Fifteen Thousand Dollars ($15,000.00) of said stock shall be preferred stock and shall be divided into one hundred fifty (150) shares of the par value of One Hundred Dollars ($100.00) each. Owners of preferred stock shall have no voting rights.

Stock of both classes shall be paid in either money or property, at such times and in such manner as the by-laws or the board of directors of this association may prescribe.

Ownership of common stock of this association by any individual stockholder shall not exceed the par value of One Thousand Dollars ($1,000.00).

Individual stockholders shall be restricted to only one vote in the affairs of this association.

Shares of stock of this association shall not be transferable except with the approval and consent of the board of directors of this association.

Interest shall not be paid on outstanding or paid up capital stock of this association in excess of six per cent (6%) per annum.

The net income of this association, except such amounts as are required to be set aside as a reserve fund or permanent surplus or may be set aside by vote of the stockholders of this association, available for distribution, among the members, or patrons, or both, as the case may be, shall be distributed only on the basis of patronage.

Owners of preferred stock shall be entitled to receive annual interest before any interest is paid to the owners of common stock but annual interest shall not be cumulative.

In case of dissolution of this association the owners of the preferred stock shall be entitled and limited to receive the par value of their shares and any current unpaid interest before any distribution is made to the owners of the common stock. The preferred stock outstanding may be retired in whole or in part by this association at any interest date upon paying to its owners the par value of their shares and any accrued current unpaid interest, and this association may select what particular shares of preferred stock it will so retire.

ARTICLE IV

Raspberry for Philadelphia

No drink was so characteristic of old Philadelphia as raspberry vinegar. Once it was brought out with cookies to serve at the afternoon's end to the children rushing home hungry as wolves from school. About a half inch of the vinegar was poured into a tumbler which was then filled with ice water.

A view of Puget Sound, Washington, where the main line of the Great Northern railway follows the shores of the Pacific Ocean for the last thirty miles into Seattle.

"Paid in Full"

Into almost every discussion of the railroads—whether in the village store or in national forums—there comes, almost inevitably, the matter of "land grants."

And you hear amazing things about these land grants – even from persons who should know better.

Did you know that out of the 240,000 miles of railroad in the United States, only 17,627 miles were built with the aid of land grants? In other words, *less than 8 per cent*.

It is this so-called "subsidy" (which helped to make possible the building of less than 8 per cent of the railroad mileage) that is urged today as an excuse for *continuously* subsidizing highway and water and air transportation in competition with *all* of the railroad mileage.

Did you know that the Land Grants were not *"gifts"* at all? That the government has been repaid for them many times over?

For under the terms of the land grant contracts, the government has received a reduction of *one-half* of the regular freight charges and passenger fares on all government business moved over land-grant railroad, excepting mail, and on mail the reduction has been one-fifth.

Did you know that the Great Northern Railway extended its lines from Minnesota to the Pacific Coast without any land grants whatsoever?

If there is any justification at all for requiring other forms of transportation to be only PARTIALLY self-supporting while the railroads must be WHOLLY self-supporting, the justification is NOT to be found in the grants of land to a few of the early railroads which contributed so magnificently to the building of the West.

Arrests Ordered for 1939 License Plates

Following receipt last week of notice from Secretary of State Mike Holm that all 1940 license plate applications have cleared through that office, state Highway Patrol Chief Elden Rowe has passed out the word to all highway patrolmen to arrest motorists operating motor vehicles with old 1939 license plates. At the same time Chief Rowe ordered intensive patrol operations to stop all vehicles being operated with only one headlamp or no tail lamp burning, and all trucks which fail to meet state law requirements for clearance lamps.

DOG TRAVELS EIGHTY MILES TO OLD HOME

Red Wing—Cannon Falls has a real booster story in telling the tale of a little dog who had been an inhabitant of the town for several years. Recently the Schneider family, owners of the little fellow moved to Gaylord, about 80 miles away, taking the dog along with them. Not so long after the move the dog appeared back at the Nick Bever meat market which his master had formerly operated. A distance of 80 miles meant nothing to him to return to a good town.

Nagurski Here May 9

Bronko Nagurski versus Andy Moen, in the main event; Abe 'King Kong' Kashey against Bob Foster, in the semi-final; and Stanley Myslajek meeting Ray Graham, in the preliminary. That's the card that promoter Bill LaFave has signed up for the wrestling program that is to be held in the Auditorium Thursday evening, May 9.

Nagurski, who is one of Minnesota's football immortals, having been All-America tackle in 1928, only recently was dethroned as world's heavyweight wrestling champion, losing to Ray Steele, and is now engaged in a campaign that will bring him a return match with Steele. Meeting Andy Moen, from Fergus Falls, he will be up against a comparatively young wrestler, but one who is very aggressive and who has intentions of 'going places' in the wrestling game.

In the semi-finals, Abe Kashey will tangle with Bob Foster, a first rate 208 pound wrestler from Des Moines, Iowa. Kashey needs no introduction to the wrestling fans in this community, for it was only a couple of years ago that he was the center-man in a mob riot at the Arena. Kashey maintained, after that harrowing experience, that he would never again wrestle in Thief River Falls, but he relented when he was assured of adequate police protection. There should be many fans on hand to 'greet' Abe when he returns here. Jack Sampson of St. Paul will officiate as referee.

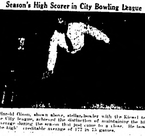
80,000 Mile Average

Most estimates are to the effect that the average car is driven around 75,000 and 80,000 miles before being discarded.

Salute the City League Bowling Champions!

The Kiewel bowling team, shown above with Ben Kiewel of the Kiewel Products company, team sponsor, at left, was crowned champion of the City Bowling league on the Mint alleys during the past week, following completion of the season's schedule. Mr. Kiewel is shown holding the sponsor's trophy, while the expert keglers, each of whom was awarded a belt buckle, include, left to right, Morris Jaranson, Harold Eide, Severn Brandon, Roy Swanson, Gordon Storholm, Harold Olson and John Langseth.

Season's High Scorer in City Bowling League



Harold Olson, shown above, stellar bowler with the Kiewel team in the City league, achieved the distinction of maintaining the highest average during the season that just came to a close. He bowled for the high creditable average of 177 in 75 games.

WEST SIDERS WIN OVER EAST SIDE IN FIRST BALL GAME

West Side Scores 3-2 Victory at Fair Grounds Last Sunday

Playing smart, heads-up baseball the West Side nine punched over three runs to nose out the scrappy East Side team, 3 to 2, in a well-played game at the fair grounds last Sunday afternoon.

After two scoreless and hitless innings the East Siders, on an error, a fielder's choice, and Bob DuChamp's long double, scored a run; but in the fourth inning the West Side bunched Roy Lee's walk, Len Helquist's double, and a single by Andy Anderson to chase two tallies across the plate. The West Side added a run to their lead in fifth when Roy Lee's left field double sent Heinie Waag home. Two West Side errors gave the East Siders a run in the seventh, Jim LaFave scoring from second on an overthrow at first base.

Hemmy Sahl, pitching for the East Side, had 7 strikeouts in the four innings that he 'worked'.

Kay Kyser, Band Leader, at Falls Theatre Next Sunday in Musical Film

Followers of the radio feature supplied by Kay Kyser, popular dance band leader, will find added interest in his screen debut in "That's Right—You're Wrong," to be presented at the Falls theatre Sunday, Monday and Tuesday, with a midnight preview Saturday evening at 11:15. Others in the cast are May Robson, Lucille Ball and Edward Everett Horton.

In "Granny Get Your Gun", which will be shown at the Avalon theatre Sunday and Monday, May Robson takes a one-woman stand against a band of assorted ruffians and gives a small western town a taste of what the old days must have been like.

GRAIN BELTS TAKE SECOND POSITION AS SCHEDULE ENDS

Carlo Columbo Rolls Season's Highest Score of 267 In Past Week

CITY BOWLING LEAGUE

Winning Streak of the Senior Cowboys Broken by Phantoms on Tuesday

Losing to the Phantoms, 31 to 25, in a hard-fought game played in the high school gymnasium Tuesday night, the Senior Cowboys had their once proud winning streak broken. With the game tied at 23 points each, Jess Dorchamp [illegible] the ball away from the Cowboys. Andy Anderson [illegible] court and dribbled in to score the game winning basket [illegible]. The Phantoms' [illegible] Helquist and Andy Anderson [illegible] of the Cowboys [illegible] 12 points.

SPORTS Tid-Bits

By Huck Olson

You can't have track practice so long as the snow-flakes keep swirling around one's head. And so instead of track, Coach Lindenmeyer has been sending a large squad of Prowlers through informal basketball drills. While the drills have emphasized fundamentals rather than team strategy, Lindenmeyer has used a five that had Ed Flasch and Tommy Carlisle at the forwards, Teeny Olson at center, and Babe Peterson and Andy Anderson at the guards. Flasch, Carlisle, and Peterson are the only lettermen that will be back next year. Others who have shown up well in the drills are Len Lorentson, Denny Althoff, Don Berg, Orrin Pederson, and Nicky and Merle Carlson. A fellow can keep his fingers crossed on Babe Peterson, Teeny Olson, and Andy, though, because those guys may be ineligible for next season's play.

That wrestler you have all been waiting to see will be here on May 9th. Bronko Nagurski, Minnesota's all American tackle, the Chicago Bears all-American fullback, and former world's heavyweight champion, will head-line the wrestling card that Bill LaFave is promoting for the athletic association.

Carlo Columbo waited until the last match of the season before putting on his bowling exhibition for the boys: Had a 267 game, breaking the previous high game total by 20 pins, held by John Langseth. Carlo started with two strikes, picked up a spare, and then slammed home seven straight strikes. One of these strikes, the one that filled the 10th frame, was a 'delayed action' strike, the pins wobbling and tottering before they fell, but it looked as nice as the others when it was marked up on the score sheet.

Mary Jam, anchor on the Fitger's team of the Women's Nitehawk league, picked up the 'big four' split last week.

All things happen to Bobby DuChamp. Several weeks ago, in a basketball game, he took a potshot at the wrong basket; and Sunday, in the second inning of the baseball game, playing in left field, he was nearly hit on the head by Abby Jaranson's high fly; and in the third inning, after hitting a double, Bob was tagged out when Roy Lee pulled the hidden ball trick on him.

Bowling a 177 average for 75 games, Harold Olson, anchor man on the league champion Kiewel's, was declared to be the winner of the high individual bowling trophy of the City Bowling League. John Langseth, also of the Kiewel's, had a 181 average, but he bowled in only 46 games, being 4 games short of the required total for consideration for the league championship.

It was Johnny Campbell's left arm that was broken. The way I heard it, he had snapped his right arm; but he was throwing a kittenball around yesterday with that right arm, while the left was wrapped up in splints.

There may be a baseball game at the fair grounds Sunday, if the weather is warm, and if the Thief River Falls team doesn't go to Plummer for a game. A game with Plummer is pending, but if that doesn't materialize the East Side and the West Side will have a game at the fair grounds.

The city bowling tournament is now in progress on the Mint alleys, and to continue until Sunday. As a hunch I'll say that Morky Jaranson will roll a 780 total, for the four games, and win the ten dollar first prize.

TOWNSEND CLUB TO MEET ON SUNDAY AFTERNOON

The local Townsend club No. 1 will hold a regular meeting in the Civic and Commerce association room next Sunday afternoon at 2:30. Lunch will be served at the close of the program.

Diamondball Meeting Is Slated for Next Tuesday

Ole Engelstad, president of the local diamondball league, announced today that all players are urged to attend an organization meeting in the Civic and Commerce association room next Tuesday evening, April 30, at 7:30. Playing rules to be in effect during the coming season will be acted on at the meeting, and other necessary action taken.

Ade Lorentson St. Olaf Hockey Team Co-Captain

Ade Lorentson, sophomore from Thief River Falls, was recently elected co-captain and coach of the St. Olaf college hockey team for the 1940-41 season. Lorentson has starred for the St. Olaf icemen at a wing position for the past two years, and last winter was the team's leading scorer.

'CLEANUP WEEK' TO BE OBSERVED WEEK OF MAY 5

State Board of Health Urges Public to Put Premises in Good Order

Governor Harold E. Stassen has designated the week beginning May 5 and ending May 11 as "Clean-up Week." The state board of health joins with the governor and requests the cooperation of all civic organizations in Clean-up Week, and in aiding local health authorities in securing the removal and disposal of all accumulations of refuse and filth and the correction of other unsanitary conditions.

The State Health regulations providing for an annual sanitary inspection are:

Regulation 228—"The health officer of each city and village in the state of Minnesota shall make a thorough sanitary inspection of his municipality in the month of May, and present a written report of such inspection, together with his recommendations, to the council on or before the first day of June of the year in which the inspection is made. The health officer shall send a copy of this report to the Minnesota state board of health before July 1st. Other sanitary inspection shall be made each year if deemed necessary."

Regulation 229—"Preceding the regular May sanitary inspection, the health officer of each city and village shall publish in a local paper, or by means of bills posted in two or more conspicuous places an order for the citizens to thoroughly clean all yards, vaults and cesspools, also all sheds or barns containing manure, on or before a given date. If upon inspection this general order is found not to have been carried out, then like individual notices shall be served."

They Served the Food at the 4-H Banquet

There was personality plus in the service at the 4-H Club banquet at the Auditorium April 17. The service couldn't have been better if the waitresses had been selected by a Hollywood scout. And the young ladies seemed to enjoy the experience. At any rate they were extremely good natured when they assembled for this picture as they were finishing their own dinners—after all the rest had been served.

Fourth Annual Junior-Senior School Circus Was Distinct Success

Complete with elephants, monkeys horses and peanuts, the circus came to town in a big way Friday April 12. The occasion was the fourth annual Tom Thumb circus presented by the Lincoln junior-senior high school before a near-capacity crowd of children and their elders in the high school gymnasium.

The program, presented under the supervision of Chester A. Nelson and Miss Katheryn Fossum, physical education instructors, with William Cochrane as ringmaster in high silk hat, included eleven stunts showing the gymnastic ability of junior and senior high school boys and girls.

Adding much to the festive nature of the occasion was spirited music supplied by the Lincoln high school band directed by Glendon Ahre.

TWIN MULES ARE BORN NEAR BROOKS VILLAGE

Red Lake Falls—An unusual event took place recently at the Jos. Bruggeman farm east of Brooks when twin mules were born to a mare. Both babes are healthy and give every evidence that they are going to grow up and do their share of pulling the plow and other farm equipment about the farm, unless their mule nature is too strong and they refuse to do their share of the work that has been done by their mother in the past.

HEAVY DEATH TOLL IN NEW YORK TRAIN WRECK ON FRIDAY

More Than 30 Lives Lost as Fast Chicago Limited Leaves Tracks

The Lake Shore Limited, luxury express train which jumped the track and piled into a cliff at Little Falls, New York, Friday night, was running 14 miles faster than regulations permitted, the New York Central railroad said.

State police said at least 33 persons were killed as pullman coaches piled atop each other and the charging locomotive exploded.

Coroner Fred C. Sabin announced officially 22 bodies had been recovered. He said four to six bodies still were in the wreckage.

The bodies were under two cars, which must be moved before they can be recovered. He said it was possible more bodies were concealed in the wreckage.

In a violent snow storm hundreds of rescue workers continued digging into the wreckage for additional bodies of dead and injured. Snow piled up and hampered the work.

Officials indicated the train, a crack New York to Chicago flyer, roared into Little Falls at high speed. It was running behind time.

Greenbush Farm Youth Loses Life in Mishap

Keith Kuehn, son of Mr. and Mrs. Charles Kuehn, farmers southwest of Greenbush, was killed when his horse threw him into a water hole formed by a beaver dam. Some time after the youth had gone riding his saddled horse returned to the farm and a hunt was started for the youth. The horse's tracks were followed to the water hole and revealed the animal shied. The body of the boy was found in three feet of water. Indications were that the horse's flying hoof caught the boy on the head as he was thrown from the animal and that he fell unconscious into the water.

Minnesota's Good Roads Draw Tourist Business Valued at $133,927,000

Motorists of this state, who have invested many millions of dollars in automotive taxes to provide good roads running to all parts of Minnesota, are the "supersalesmen" of the state, Joseph R. Schroeder, Secretary of the Minnesota Petroleum Industries Committee, said today, asserting that the $133,927,854 of tourist trade generated annually in Minnesota has been developed chiefly by the good roads provided by the motorists.

"The U. S. Travel Bureau reports that in 1938 the tourist trade brought $133,927,854 to the business men of this state. These millions of dollars," said Mr. Schroeder, "provide immense economic benefits that are shared by all groups of population, every section of the state. Jobs are provided by the thousands. Business flowing into hotels, stores and other business establishments from the tourist trade provides money from which to pay taxes which are of direct benefit to every community".

Waterfowl Migration Thru State This Year Among Biggest to Date

One of the largest waterfowl migrations in recent years is coursing through Minnesota on the basis of reports reaching the state game and fish division.

From the recently thawed backwaters of the Mississippi in the Winona-Red Wing area, to the ice-locked headwaters of the rivers' tributaries, reports indicate the flight is exceptional.

Thousands of bluebills, vanguard of the puddle ducks that followed, moved into the Mississippi river at the Twin Cities area in mid-April. Observers pronounced the flight one of the heaviest ever recorded here.

Game wardens along the western boundary of the state said the flight which started with migration of the blue and snow geese is now in "full force" with thousands of waterfowl. Shorebirds will follow in May.

Forestry Division to Plant 6,000,000 Trees

Six million trees will be planted by the state division of forestry during the season ahead. Objectives of the far-flung reforestation program include restoration of state forest areas, presently unproductive, to tree reserves; roadside beautification and improvement operations in state parks and other public places. Several projects are expected to be well under way by May 3, which has been designated as state Arbor Day in honor of tree planting. All the seedlings are coniferous or of the cone bearing species.

HELPS DRAG OWN CAR FROM RIVER

Mankato—When H. G. Cavanaugh, Tracy, was asked by night officer Hubert Herring to assist in getting out a car that had plunged into the Redwood river, he remarked, "It would be a joke if it was my car." And it was his car! His wife, the driver, had missed a curve and plunged over an embankment into the river, which was at half flood stage.

A girl is as strong as her weakest wink.

SMILEY

The Smiley community club meeting has been postponed to a later date because of the loss of the bridge and very high river making it impossible for the northsiders to come over for the meeting. The program committee prepared an excellent program including a one act play with a local cast and many other interesting items. At this time of writing, no date had been set for the meeting, but the date will be announced in this column next week.

The Bridge Goes

The entire neighborhood is mourning the loss of the Smiley bridge which went rampant Friday and broke from its moorings on the Red Lake river by the Smiley hall. The men folks nearby have been blasting the ice with dynamite around the bridge the entire week previously. Friday morning, no ice was to be seen for quite a distance on either side of the bridge up and down the river, so the men heaved a sigh of relief that the ice was gone and the bridge safe. Without warning, Friday afternoon, came the tons and tons of ice, traveling at terrific speed over the ice crakers, over and under the bridge, tearing the pilings out from under the bridge and the bridge broke in two. The men tried desperately to save it, but to no avail. One half of the bridge was caught near Helgelands and is tied up on the shore. The other half sailed on down the river almost to Tindolph Park in Thief River Falls where it is tied up on the shore.

The South Smiley group of the project "Feeding the Family" will meet May 1, at 1 o'clock with Miss Clara Olson. All members south of the River to meet there.

Mr. and Mrs. Adam Lendobeja and daughter Dianne accompanied by Mrs. Lendobeja's sister, Mrs. Lloyd Johnson of St. Hilaire made an enjoyable pleasure trip over the week-end. They drove to Grand Forks Friday where they spent the day and evening at the home of relatives. From there, they motored to Fargo Saturday to remain until Sunday evening. While in Fargo they attended the Shrine Circus which was something to see. Alfred Olson of Mavie is taking care of Lendobeja's chores during their absence.

Dale Johnson and his bride, Lillian are up here now visiting his folks, the Louis Johnson's. They arrived from their home in Long Beach, Calif., Sunday, making the trip by car in three days, by way of Yellowstone Park. It is four years since Dale left the community for the United States Navy. He is a machinists mate in the engine rooms of the naval cruiser, U. S. S. Louisville. He has signed up for another four year term in the Navy and will return to Long Beach next week.

Farewell Party at Local School

The children in the lower grade room honored the three Teigland children, Ronald, Dale and Beverly, who are leaving this district, at a farewell party Friday. The afternoon was spent in playing games and contests after which ice cream and cookies were served by Miss Lillevold. The honor guests each received a lovely memento of their school days here. Children of pre-school age who attended were LeRoy and Audrey Austad, Patricia Horan and Sharlene Holbrook.

Honored at Bridal Shower

Mrs. Harry McLean and Mrs. Bervyn Jacobson were hostesses at a miscellaneous bridal shower for Mrs. Alvin Samuelson (Mildred Paulson) last Saturday afternoon at the Paulson farm. A large crowd of friends were present and the honor guest received a variety of lovely and useful gifts. The afternoon was spent socially after which a bounteous lunch provided by the self-invited guests was served by the hostesses.

P. T. A. Entertains for Children

The annual children's party sponsored by the P. T. A. was held at the local school auditorium last Friday evening and about one hundred people were present. The program opened with a song entitled "Jimmy Our Puppy" by a group of lower grade pupils followed by a 4-H club demonstration "Making Cocoa" by Jean Holbrook and Marion Bush. Mrs. Ole Peterson then sang a solo "Was There Ever a Pal Like You", accompanied by Miss Clara Lillevold at the piano. Mrs. Robert Thorson gave a brief presentation of the picture "The Gleaners" by Millet in which she outlined the story of the picture and the artist's life. A novelty number in form of a folk dance "Bonnie My Lass", was given by Marjorie Bush and Jean Holbrook. The last number on the program was a one-act play "Seeing Ma Off"; characters were: Dorothy Miller, Dorothy Holbrook, Alice Anderson, Clara Lillevold, Ruth and Yvonne Walle, Dolores Paulsen and George Holbrook.

Following the program stunts and games were enjoyed by the children after which a lovely lunch brought by the parents was served.

Local Sportsmen Meet

A large number of local sportsmen met at the H. W. A. Hall last Thursday evening. Meeting was opened by President Clifford Lunde and the secretary's report was read followed by a report from the treasurer. After the business meeting Carl Holbrook and Leonard Haack who are the captains of the two teams for the annual hunt signed up new members. Lunch was eaten at the different cafes in town after which the remainder of the evening was spent playing cards.

Mrs. Arthur Hylland Laid to Rest

Funeral services were held for Adina Bathe Hylland Thursday afternoon at one o'clock from the home and at two o'clock at St. Petri church. Pallbearers were six brothers-in-law of the deceased Elmer and Gilman Hylland, Alfred Rasmusson, Alton Anderson, James Teigland and Adolph Erickson. The St. Petri Choir rendered two songs "Face to Face" and "I Need Thee Every Hour". Rev. Anderson conducted the services and spoke comforting words in both the English and Norwegian languages. Great regard for the departed was shown by the beautiful floral offering and the number of generous donations which included a sum of ten dollars donated by her parents, Mr. and Mrs. Nels Bathe to the Norwegian Relief Fund; five dollars to a home for the aged and five dollars to an orphanage by the North Star ladies aid; seven dollars to foreign missions from a group of friends and four dollars to an orphanage from another group of friends.

Interment was made in St. Petri Cemetery. Relatives from a distance who attended were: Mrs. Emil Gustafson, Mrs. John Toftrup, Mr. and Mrs. Ole Urdahl and Alvin Urdahl all of Viking, Mrs. T. Hemnestvedt, Helen and Truman and Einer Hemnestvedt all of Goodridge.

The departed will be greatly missed in our community for she was a diligent worker in both church and community affairs. She was the secretary of the Grygla Ladies' Aid, leader of the Valle Home Furnishings Project and a member of the Grygla P. T. A. Blessed be her memory!

Twin Boys Die

Twin boys, Ronald and Richard were born to Mr. and Mrs. Leo Svenpladsen Tuesday, April 16. They died shortly after birth and were buried Wednesday, April 17. Interment was made in St. Olaf cemetery. They leave to mourn their passing their parents, Mr. and Mrs. Leo Svenpladsen, grandparents, Mr. and Mrs. J. Smith of Baudette, and their grandmother Mrs. Peter Bakken. They were preceded in death by a sister. We wish to express our heartfelt sympathy for the mourners.

Shower For Bride

Mrs. Jack Holthusen, a recent bride was honored at a miscellaneous shower given at the William Holthusen home at Thorhult last Sunday afternoon. About fifty friends were present and the honor guest received a large number of beautiful gifts. MECHANIZED
FARMING
IS REALLY HERE

Ford Tractor with Ferguson System
"The Ford tractor with Ferguson system will displace the horse on the farm—just as the automobile has displaced him on the road" is what Henry Ford says about this entirely new idea of farming.
For here at last is a practically automatic unit of mechanized farm equipment that will work on your farm. It does more work (two-plow, two-row, capacity) . . . Does it easier (finger-tip hydraulic implement controls) . . . Does it at lower cost (one gallon per hour fuel consumption).
The features of the unit are as new and revolutionary as the way it performs. But you've got to see the Ford tractor with Ferguson system work. See it work in tight places . . . hard ground . . . hillsides . . . wet lands . . . fields full of rocks and roots. It's amazing what it can do! We'll be glad to arrange a demonstration on your farm.
You Get These Features At No Extra Cost
Ferguson System of Hydraulic Controls • Pneumatic Tires • Self-Starter • Power Take-Off • Generator • Battery and Generator • Oil Bath Air Cleaner • Muffler • Independent Brakes on Rear Wheels • Oil Filter • Adjustable Tread on Front and Rear Wheels (48" to 76")

STATE-WIDE WAR ON SIGNS ORDERED BY HIGHWAY CHIEF

To Remove All Signboards on Right-of-Way on Highways

Backed by resolutions and petitions of women's clubs, civic groups, and tourist and resort organizations, the state department of highways will launch a "spring house cleaning" campaign of its own on May 5. The drive, to be carried out on a larger scale than perhaps ever before in the state's history, will have as its objective the elimination from state trunk highway routes of all private roadside advertisement signs and billboards erected on highway right-of-way.

These signs, the highway department warns, are not only illegal and unsightly, but are an important factor in the state's safety campaign because they frequently distract the motorist's attention when he needs it most in the business of driving, and because they sometimes tend to obscure visibility. Numerous resort signs littering the roadsides also have been found to destroy their own purpose because they destroy the very natural beauty which the resort patron—the tourist—visits Minnesota recreational regions to see.

The department of highways is giving the owners of such signs and billboards until May 5 to voluntarily remove them from trunk highway rights-of-way. After May 5, in view of the obvious impossibility of calling personally on all individuals concerned, every Highway department district maintenance engineer has been explicitly instructed to have the regular crews go out on all trunk routes and remove such signs. If they appear to be of valuable construction, they will be removed and left near the site where they were erected, where owners can pick them up. If they are small signs that appear to have little value, they will be disposed of.

It is not the purpose of the campaign to discourage the erection of uniform directional and travel guide signs. Resort owners, or groups of resort owners or residents located off trunk highways, will be granted permission to erect group sign posts with the names of resorts, post offices, country stores, or other locations neatly printed in black on small white panels of uniform size, such as those installed in many areas last year by the forestry division.

'Magic' Operates Toy Plane

A model remote control airplane toy which can be made to soar and turn in the air by the waving of a wand has been invented. The plane is made of aluminum metal foil which is magnetically sensitive to the wand after the latter has been rubbed on a piece of wool.

This Kitchen Crew Prepared the Food for the 4-H Club Banquet

Food is practically a necessity at any banquet and especially so when the guests are 300 hungry youngsters. There was no hitch in the production end of the food department at the recent party for 4-H Club members at the auditorium and credit for having dinner ready at dinner time must go to the members of the kitchen crew pictured above. Left to right, standing, they are Louis DeCremer, Bob Carlisle, Frank Rinkel, Larry Ruben, Red Berglund, Waldie Christianson, Walt Jung and Carl Brabs. Seated are Andy Anderson, Mrs. M. Carlson; Mrs. Alma Anderson, Helen Bakke, Stan Dahlen and Bill Ferguson.

You'll be No. 1 in the Hit Parade!
Look at Buick First...you can afford it and you can't know what your 1940 money ought to buy until you've seen this really modern automobile.
1940

Yes sir, something pretty special happens when you turn the ignition switch, and drive away for the first time in your very own 1940 Buick.
In that little act, you get a years-long jump on the other fellow. You step out in a car that is not only 1940's biggest news but the pattern for many a season to come.
Style? Just look the others over and see how they mirror the trend Buick began a good twelve months ago!
Size? Just try to find a car as long as Buick, bumper to bumper, for the same money—or one with a frame as husky and rigid.
Comfort? Performance? Appointments?
No one else on the highway has soft, gentle coil springs all around that never need lubrication, with the steady rolling firmness of torque-tube drive.
No one else gives you a gas-thrifty Dynaflash valve-in-head straight-eight engine, much less a power plant electro-balanced after assembly.
No one else has a Two-Way Direction Signal with automatic cut-off—or standard equipment so complete that even a lock for the gas tank is included in the price.
The Buick SPECIAL 4-door touring sedan $996*
And with the whole range of Buick's six dozen 1940 features you'll be No. 1 in the automotive hit parade, leading the way in a car that will still be full of big news many a season hence.
You'll be driving a Buick, staunch and solid in its tested metal, fashioned with Buick craftsmen's skill, a car you can count on to keep its value, lose mighty little through either use or depreciation.
And the price? Unbelievable as it sounds, the Buick SPECIAL carries a price lower than some sixes —which spells "buy" in any man's language. Why not learn more from the nearest Buick dealer?
Prices begin at $895 for Business Coupe —Sedan prices start at $955—
*delivered at Flint, Mich. Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

CHEATS THIEF OF SUM OF SIX DOLLARS

Blooming Prairie — Gladys Orwick, while crossing the railroad tracks in the northern part of Owatonna, was forced by a man to stop and was told to hand over her money. Although Miss Orwick had seven dollars in her purse at the time, only one of these went to the thief, for the money was kept in two compartments in the purse. After receiving the money, the man fled down an alley. Had Miss Orwick not given him the dollar, the thief had threatened her life.

Friends drop in by Telephone

Yes, that's the way friends drop in most frequently. And it's the way you drop in on them, too.

Our aim is that your telephone service shall be dependable, courteous, friendly and helpful. If we are not serving you to your complete satisfaction, won't you please call our Business Office or tell any employee?

NORTHWESTERN BELL TELEPHONE COMPANY

Do you keep your friendships in constant repair?

All who knew wise old Sam Johnson, the author of the first great English dictionary, were awed by his capacity for hard work and charmed by the witty company he drew around him to relax when work was done. *Sam Johnson said* that a man should always keep his friendships in "constant repair." He was right. A man is known by the ~~company~~ he keeps. *friends*

You know what friends mean…how they rally 'round you when your skies are gray…help untangle your thoughts and restore clear thinking…squelch your foolish fears…bolster your confidence and give new strength to your courage. And when skies are bright again, what a pleasure it is to gather your friends together to laugh over the past, enjoy the present and plan for the future with fortitude. With your friends about you, if you feel that you're rich…you're right. • • •

THE LOVELIEST CHIFFON PIE OF ALL

It was a lemon pie that started the style, I mean the vogue for chiffon pies. That was quite a few years ago when some enterprising cook thought of the idea of folding the meringue into the pie filling instead of piling it in a *frothy mass* on top of the pie. The innovation took like wild fire—and it wasn't long before we began meeting all sorts of these frothy, frivolous, light-as-air chiffon pies such as—chocolate, pumpkin, pineapple and even caramel. But the very loveliest of all, it seems to me, is this strawberry chiffon creation. It looks as fluffy and pink as a sunset cloud. And what's even more important, it is ever so refreshing and delightful to eat.

STRAWBERRY CHIFFON PIE

One cooled baked 9-inch pie shell
1 tbsp. gelatin
¼ cup cold water
3 eggs
⅔ to ¾ cup sugar (depending on sweetness of berries)
⅛ tsp. salt
2 tsp. lemon juice
1 pt. fresh strawberries (this will make 1½ cups crushed berries)
¼ tsp. cream of tartar
For Decorating:
½ cup whipping cream
A few extra strawberries

Soak gelatin in cold water (about 5 minutes). Beat egg yolks slightly in top of double boiler. Blend in ⅓ cup of the sugar, the salt, and the lemon juice. Cook over hot water (stirring constantly) until smooth and thickened (5 to 10 minutes). Blend in the soaked gelatin and crushed strawberries, and beat with rotary beater 1 minute. Remove from heat. Cool. Chill mixture in refrigerator until thickened (about 15 minutes). Beat mixture with rotary beater until smooth. Make a stiff meringue by beating egg whites with cream of tartar until stiff enough to hold a point, then gradually beating in the remaining sugar—continuing beating until mixture is stiff and glossy. Fold this meringue into the strawberry mixture and pile lightly into cooled baked pie shell. Chill in refrigerator until "set" (about ½ hour). Keep cool until ready to serve. If desired, spread stiffly whipped cream over the top of the pie and decorate with a ring of sliced berries around the edge.

PASTRY FOR ONE-CRUST PIE

1 cup sifted all-purpose flour
½ tsp. salt
⅓ cup shortening
Ice water (2 to 3 tbsp.) (just enough to make dough stay together)

Sift flour and salt together. Add most of shortening to flour . . . cutting it in with pastry blender or 2 knives until mixture looks like meal. Then add remaining shortening . . . cutting it in particles the size of giant peas. Sprinkle water lightly over mixture . . . blending it in until dough can be just pressed together into a ball. Roll out to fit pie pan on lightly floured cloth-covered board. Place loosely in 9 inch pan . . . leaving ½ inch extending over edge of pan. Build up fluted edge. Prick thoroughly with fork to prevent puffing. Chill thoroughly. Bake 10 to 12 minutes in a very hot oven (500° F.).

Mrs. Zeh's Modeling Work Gets Attention

Recent visitors at the University of North Dakota ceramics department viewed a collection of tiny animals and wondered why students were specializing in miniature models until they were informed that the pieces were there only for glazing and firing and had been made by Mrs. Della B. Zeh of Thief River Falls, says the Grand Forks Herald.

The real story behind the collection is this: Several years ago, Mrs. Zeh, through illness, lost the use of her right hand and knew that her activities probably would be limited to the range of her wheel chair. While her interests were wide, she concentrated upon developing the skill of her left hand until it was as good as her right had been.

When difficulties in routine manual efforts were overcome, she turned to the finer skills. From the University ceramics department, she obtained clay and with the one hand modelled whatever she saw, dogs, pigs, squirrels, birds, a nest with eggs and even a mouse.

Art is not a new field for Mrs. Zeh since at one time she attended a Minneapolis art school, but it is not the field where she has obtained the most recognition. A poem, submitted in a contest for the Minnesota PTA two years ago, placed first. Other verses have appeared in the Poetry magazine and most recently in "Listen My Children", published by Henry Harrison. Another will appear soon in "Contemporary Religious Verse."

Miss Orpha Overvold left Wednesday for Fargo for a visit with her sister, Mrs. W. J. Karges, and other friends. She will return in a few days.

Miss Effie Hamry had as her guests for the week-end, her brother-in-law and sister, Mr. and Mrs. Charles Cohick and their daughter Effie Grace of Bagley.

Mrs. Jack McKechnie's parents, Mr. and Mrs. Robert Westacott, who spent the winter at the McKechnie home, have moved to their new farm home southeast of this city. They formerly resided near Grand Forks.

Oscar Johnson returned Friday to his home in this city, where he is convalescing following his release from Asbury hospital, Minneapolis. Mr. Johnson an employe of the Great Northern railroad, was injured nearly two months ago while at work.

Word has been received here of the birth of a daughter, Kay Elizabeth, to Mr. and Mrs. Karl Kolitz of this city. The child was born Sunday, April 21, at St. John's hospital in Fargo. Mrs. Kolitz' mother, Mrs. Arthur Wilson, left Tuesday to spend the rest of the week in Fargo with her daughter.

The Walter Quists, former residents of Thief River Falls who have been making their home at Redwood Falls, where Mr. Quist has been stationed as a game warden, plan to reestablish their home in Thief River Falls. They arrived here this week, Mrs. Quist is visiting with their daughter, Mrs. Norman Anderson, residing near this city, and Mr. Quist left Wednesday night for a ten days visit to the Anoka vicinity before returning here.

HOW IS IT PRONOUNCED?

With a new zone of war opened in Europe's struggle recently, news broadcasters must pronounce the names of new places and new persons. George Grim, Minneapolis Star-Journal radio director, and Bob Murphy and Brooks Henderson of KSTP's staff, left to right above, take a lesson in Scandinavian pronunciation from Prof. Otto E. Ruud, head of the University of Minnesota's department of Scandinavian languages.

GOODRIDGE

The long looked for Community play was presented to a full house on Friday night at the Gymnasium, and the waiting was well worth while, as there wasn't a single minute from the time the curtain was drawn for the first act that every one wasn't interested. Each character was so well chosen and acted their parts so well that we cannot give any one any extra credit, but the two leading parts which were taken by Jean Lierboe and Clarence Noer really were exceptionally well done. They kept the audience in laughter whenever they were on the stage. A program of instrumental music was furnished by the Sextette before the play and little Doris Becker, five year old daughter of Mr. and Mrs. Henry Becker sang two numbers which was enjoyed very much, and Raymond Iverson and Lynn Josephson also sang "Scatter-brain" between the acts. The sum of $47.90 was taken in for the two performances and there will be about ten dollars expense to come out of this.

Luther League

The Luther League of the First Lutheran church met on Sunday evening at the church and the following program was given:

Scripture Reading, R. N. Olson
Lord's Prayer—Audience lead by Mr. Olson
Vocal Solo—Dorothy Urdahl
Reading—Mrs. Noer
Reading—Marjorie Swanson
Vocal Solo—Russell South
Talk, "Giving"—R. N. Olson
Secretary's Report—Ernest Swanson.

Lunch was served by Mrs. Geo. Jones and Mrs. Ernest Swanson at the close of the program.

Coffee Party

Mrs. Chester Nightengale entertained a few ladies last week on Thursday and Friday afternoons at a coffee party. A social time and fancy work passed the time until a delicious lunch was served at four o'clock. The guests Thursday were, Mrs. O. O. Bjorgan, Mrs. Elmer Peterson, Mrs. Jay Payne, Mrs. J. A. Sundquist, Mrs. A. H. Josephson, Mrs. Olga Peterson, Mrs. Carl Christianson, Mrs. Carl Edseth, Mrs. Gena Stephenson. The ladies present on Friday afternoon were, Mrs. R. N. Olson, Mrs. C. L. Noer, Mrs. Floyd Olson, Mrs. V. C. McLeod, Mrs. R. H. McDonald, Mrs. Olaf Sabo, Mrs. J. A. Christianson.

Red Cross Meets

The ladies who have helped make the Afghan for the Red Cross met on Thursday afternoon, April 11th, at the home of Mrs. Roy Wiseth and sewed the blocks together. Since then the crocheting around it has been done and it is all completed now. Anyone who wishes to see it may do so this week-end, as it will be on display at the Christianson store.

Mrs. Wiseth and Mrs. John Kast served lunch to the ladies and those present were, Mrs. R. N. Olson, Mrs. C. L. Noer, Mrs. Floyd Olson, Mrs. Carl Christianson, Mrs. Olga Peterson, Mrs. H. I. Rod, Mrs. J. A. Christianson, Mrs. O. O. Bjorgan, Mrs. V. C. McLeod, Mrs. Gust Kistau, Mrs. R. H. McDonald.

Mr. and Mrs. Harold Olson and children of Eveleth and Mr. and Mrs. Edwin Olson of Hibbing were visitors here Sunday and Monday at the home of their brother and sister-in-law, Mr. and Mrs. Owen Olson.

"The Magic Piper", an operetta in three acts recently presented in Thief River Falls by the pupils of St. Bernard's school, will be presented in the Goodridge auditorium Friday, April 26 at 8:30 p. m.

Mr. and Mrs. Olaf Munson of Fertile and Mr. and Mrs. Lawrence Weninger of Kathstad visited here on Sunday at the home of Supt. and Mrs. R. N. Olson.

Mrs. Anna Mork and Miss Carrie Roe are moving into Thief River Falls this week where they will make their home.

George Sundquist who is employed in Thief River Falls spent the week-end here at the home of his parents, Mr. and Mrs. J. A. Sundquist.

Mr. and Mrs. Ray Parnow of Erskine visited on Sunday at the home of Mrs. Parnow's parents, Mr. and Mrs. J. M. Johnson.

Miss Sena Christianson spent the week-end visiting at the home of her friend Miss Carrie Urdahl in Thief River Falls. While there she attended the show "Gone With The Wind". Portia Christianson motored to Thief River Falls on Sunday afternoon and also went to the show. She returned home with him.

Mr. and Mrs. Jennings Jensen and children attended church services in Thief River Falls Sunday.

Kenneth and Henry Sunsdahl and Orlin Hanson met on Sunday evening at the J. M. Johnson home and they planned the Four-H Club program for this year.

Miss Thelma Bratland returned home on Saturday from Plummer where she has been employed the past month.

Mr. and Mrs. John Kast transacted business matters in Thief River Falls Wednesday.

Jay Payne received word Saturday of the death of his sister, Mrs. Henry Brown at Edwards, N. York. Mr. Payne was unable to go to attend the funeral as he has been in poor health the past six weeks. Mrs. Brown was an aunt of Mrs. V. C. McLeod, too.

Mrs. Ernest Swanson, Betty Johnson and Johnny Swanson all attended the Four-H Club banquet in Thief River Falls Wednesday.

Mr. and Mrs. J. M. Johnson and son Harold and Anne Lindquist were business callers in Thief River Falls Monday.

Mrs. Floyd Olson and Tommy and Jane, Mrs. C. L. Noer and Dicky and Bobby, and Mrs. J. A. Christianson and Marilyn all motored to Climax Wednesday, where they visited with relatives and friends. Marilyn Christianson remained to visit for a few days at the home of her grandparents, Mr. and Mrs. John Tofsley. Mrs. Wes Fadden of River Valley accompanied them and visited at Crookston.

Glennes Johnson left last week for Middle River where he joined the CCC Camp. His brother Clayton and Vern Olson who are in the CCC Camp there spent the week end here at their homes.

Elling Jorgenson and Henry Thorsbison of Argyle visited on Sunday at the home of Mr. Jorgenson's aunts Mrs. Anna Mork and Miss Carrie Roe.

Mr. and Mrs. John Hoppe and children moved into Thief River Falls on Saturday where they will make their home.

Mr. and Mrs. Albert Halverson and Mr. and Mrs. Hiriam Halverson of Thief River Falls attended the Community Club play here on Friday night.

Mr. and Mrs. Carl Christianson were business callers in Thief River Falls Saturday where Mrs. Christianson received medical attention.

Mrs. Carl Narveson and children of Lake Park have been visiting at the home of Mrs. Narveson's mother, Mrs. A. Kriecbek.

Mr. and Mrs. Harold South, Mr. and Mrs. C. L. Noer and Ted Rustad were some of the folks, who were in Thief River Falls Monday on business.

Mrs. Elmer Peterson and Edith returned home Wednesday from Grand Forks, North Dakota where they had been visiting with relatives.

Mrs. Carl Johnson left Saturday for Thief River Falls where she will undergo an operation at a hospital this week. We wish for her a speedy recovery.

Mr. and Mrs. Floyd Olson and Tommy and Jane visited Sunday at the home of Mr. and Mrs. Wes Fadden at River Valley.

Some of the business callers in Thief River Falls Saturday were, Mr. and Mrs. Chester Nightengale and Chester, Misses Helen Bowers, Velma Vistington and Vern Hagen.

Mr. and Mrs. Jay Payne attended the funeral Saturday of Earl Johnson at Middle River. Mr. Johnson was the youngest brother of Mrs. Dan Payne and has been ill with infantile paralysis since last summer. Will Wayne and Mr. and Mrs. Charles Swensgaard of Mavie also attended the funeral.

Ringneck Pheasants Least Expensive of Upland Game Birds to Rear, Is Report

That welcome alien, the Chinese ringneck pheasant, appears to be the least expensive to rear of all Minnesota's upland game.

Statistics released by the state game and fish division covering 1939 show that ringnecks were raised at the state game farm at a production cost of 77 and one half cents per bird.

During the year 39,000 birds were released to replenish selected areas in 78 of the state's 87 counties. The plantings ranged from 20 birds to 2,000 birds. The production cost was 90 cents a bird in 1938.

Production records of other birds in 1939:

Bob white quail, 87 and a half cents per bird; 22,480 produced at Carlos Avery, 21,182 released. Cost one dollar per bird in 1938. Plantings in 54 counties.

Chukar partridges, a newcomer with costs as yet unavailable; 13,798 produced at Carlos Avery refuge and released in all counties.

NIGHT LIFE TOO MUCH FOR MUSKRAT

Princeton—A brave little muskrat made a fatal error in stepping onto Main Street, the last evening of the open season—in fact, just twenty minutes before the season closed, he made the venture which cost him his life. Attracted by the lights of a bowling alley he stood beaming at the entrance of the building when Roy Iliff opened it to step out into the street and Mr. Muskrat stepped in. Iliff seized a broom and gave chase to the little animal who was quickly cornered and killed.

BABY BORN WITH TWO TEETH AT SPRINGFIELD

Springfield—Darla Mae Wendland, who with her mother, Mrs. Otto Wendland, left St. John's hospital recently, has the distinction of being one of the few babies in the world to be born with teeth. Two pearly white lower front teeth were fully developed when she was born on March 27. Little Darla weighed four pounds and seventeen ounces at birth.

LOCAL NEWS

Mrs. A. J. Oden and Mrs. W. P. Patterson spent Friday in the twin cities.

Mrs. Abbie Wangren left Tuesday night to spend several days in the twin cities.

Phil Amon has arrived here from LaMoure, N. D., and will make his home in this city.

Mrs. J. E. Bloomquist left Sunday night for the twin cities to visit for a week with her sister.

Visitors at the Philip Hawkins home Tuesday were Mrs. Albert Miller and children Dorothy and Douglas, Miss Helen Moran, and Mrs. Ferdie Brown, all of Grygla.

Superintendent of Schools Morris Bye was in Minneapolis Saturday for a meeting of the executive committee of the Minnesota Education association at the University of Minnesota.

Week-end guests at the home of Mr. and Mrs. C. K. Geston were Mr. Geston's brother and sister-in-law, Mr. and Mrs. August Geston and their children of Park River, N. D., formerly of Thief River Falls.

Charles Emanuel of Fargo, son of Mr. and Mrs. E. A. Emanuel of this city, was summoned here last week by the illness and death of his sister, Doris. Other relatives and friends from out of town here to attend funeral rites Monday were Mrs. H. A. Emanuel of Crosby, N. D.; Mrs. H. W. Emanuel of Berthold, N. D.; Mrs. A. E. Washburn of Manitou, Colo.; Rev. and Mrs. Rotto of Portland, N. D.; Roger Emanuel, Mr. and Mrs. Hugh Skelley, Mr. and Mrs. Harold Skelley, Mr. and Mrs. A. T. Lommetz, Mr. and Mrs. H. J. Schoenberg, O. Lee, G. Reed, D. McDowell, and J. Van Dusen, all of Fargo.

Stream Trout Fishing Becomes Legal May 1st

The sport of the whip-like rod and the feather fly will roll up the curtain on Minnesota's parade of fishing seasons May 1. At that time stream trout fishing will be legal. The daily limit is 15, with 25 fish not to exceed 20 pounds permitted in possession. Lake trout fishing is already open in the northern lakes. The hardier anglers will brave the raw spring winds in quest of the deepwater species as soon as the ice leaves the lakes.

COLT BORN WHILE MOTHER IS KILLED

Alexandria—A mare owned by Balthasar Wagner had gotten out of the pasture and crossed the highway just as Harold Philamlee of Carlos drove along. He hit the horse and knocked it into a post. The driver got out to see how badly the mare was hurt and found that it had been cut open and died. Noticing movement nearby, he discovered that the colt the mare was carrying had been born when its mother was killed. The colt was uninjured and will live.

OLD-FASHIONED NAIL DISCOVERED

Aitkin—It was discovered during the Potter Company remodeling operations. An old-fashioned, hand-made nail, die cut from a solid sheet of metal, it had held a counter together for 50 years. A hardware man estimated that the last time such nails were advertised was in 1883. Today it is an object of curiosity and is on display at the Aitkin Republican office.

PUBLIC OPINION

April 22, 1940

Editor the Times:

There is not a great deal to report at this time relative to the Red Lake and Clearwater rivers flood control project. No particular news or progress has been made since the time we attended the National Rivers and Harbors Congress at Washington, D. C. on March 12th to 15th. However, it is apparent that Congress is struggling with appropriations of all kinds and in view of the complicated European situation it is already evident that a large appropriation for the Army and Navy will be passed within a short time.

We shall not censure the wisdom of our national congress or our present administration in providing for a more adequate national defense. As yet, there can be no foreign complications which will involve our country in the present war. While it is not easy to stand by and see innocent, industrious, and honorable European nations slaughtered by the advance of dictatorial steam rollers, yet, that condition does not warrant any intereption on our part. We may, however, from recent events in Northern Europe realize the futility of not being reasonably well armed and equipped.

On the other hand, while necessary national defense equipment is being provided for we must not forget to build our own country from the inside, morally as well as materially. While in Washington we were informed that the appropriations for any flood control project would not be approved this year. While our Red Lake and Clearwater River project is not advanced sufficiently to receive any such appropriation this year, we believe that funds should be provided for such projects whenever they are needed. Such projects should proceed at a normal pace from year to year. The money used for such purposes is not an expenditure, but an investment, and every project approved by the National Rivers and Harbors Congress is economically sound and important to its respective locality as well as to the country as a whole. I would encourage that we contact our senators and congressmen, urging them to support all worthy flood control projects as well as rivers and harbors improvements now being promoted.

If my present information is correct there are bills in the House of Representatives which seek to appropriate some 70,000,000 dollars for flood control projects, 20,000,000 dollars for the development of the lower Mississippi, 66,000,000 dollars for rivers and harbors improvements, and 20,000,000 dollars for the Panama Canal. While these figures may be large, they are small in comparison with bills for the strengthening of our military status.

While in St. Paul a few days ago, I called on Captain Moreland of the U. S. District Engineers office in St. Paul. He informed me that the field surveys of the Red Lake and Clearwater rivers are now completed and that the office work on these surveys is 25 per cent complete. This constant progress will no doubt assure a scheduled completion by July 1st, at which time the project will be presented to the St. Louis office at St. Louis, Mo., from where it will be forwarded to Washington by October.

We wish to express our sincere appreciation to Captain Moreland and his fine staff of engineers in St. Paul for the continued effort which they have put into this project.

Senator E. L. Tungseth.

11 LOSE LIVES IN AUTO WRECK NEAR SLAYTON SUNDAY

Two Others Near Death in State's Worst Traffic Accident

Twenty northwest persons were killed in traffic accidents over the week-end, 11 losing their lives in a head-on collision between two cars near Slayton, Minn. early Sunday.

The Slayton crash victims: Wayne Gamble, 17, Hadley. Irene Schwab, 17, and Ruth Fisher, 17, both of Fulda. Harold and Lorens Tuynmans, brothers, 18 and 19, respectively, of near Slayton. Everett Johnson, 17, Slayton. All were riding in one car.

Killed in the second machine and all of Jackson were: George Larson, 20; Carl A. Falk, 21; Gordon Meyers, 23; Leo Egge, 18; Hollis Luff, 21.

Also in the same machine were Cyril Jensen, 17, Jackson, who suffered five crushed vertebrae, and Elmer Meyer, 18, Jackson, who suffered a broken arm and severe shock. Jensen also was found to have the ribs on one side all broken.

The Slayton crash, worst traffic accident in Minnesota history, sent county and city officials on a searching investigation in an effort to determine the cause. The tragedy left the highway near Slayton a shambles.

Highway police capt. Ralph Potvin estimated both machines were traveling "up to 80 miles an hour."

Two light sedans were involved in the crash—a terrific head-on collision that scattered gears and other parts of the machines over the road, strewed some of the victims on the blacktop and crushed others in the tangled wreckage.

Dairying Authority Defends Sweet Clover as Profitable Pasture

Sweet clover won't take a back seat for any of the common pasture crops when yields and production costs are considered, declares J. B. Fitch, dairy division chief at University Farm.

At least this conclusion is proved for sweet clover pasture in the Red River Valley. For three years, this crop gave yields equal to 34 bushels of corn, 70 bushels of oats, 42 bushels of barley or one and one-half tons of alfalfa per acre, in terms of feed or digestible nutrients. In direct contrast a mixture of quack and native grasses yield only half as much.

That 126 days of pasture were grown for a cow on an acre of sweet clover, while native grasses lasted only 57 days during a season, was also shown by the experiments, recently completed at the Northwest Agricultural Station, Crookston, under the direction of O. M. Kiser. The grass and sweet clover from fenced enclosures of equal size were clipped several times during each of three years to measure the growth of the crops and as a basis of comparison with the nutrients obtained by grazing cows.

In addition to high yield of nutrients, sweet clover pasture had the advantage of being harvested by the cows at little or no expense.

Traffic Arrests Double 1939 Total to Date in Highway Safety Drive

Minnesota's state highway patrol is out to redouble its contribution to the highway accident prevention efforts which last year won for Minnesota national recognition and top place among 17 north-central states for traffic safety achievements.

Elden Rowe, patrol chief, in a report this week to M. J. Hoffmann, state highway commissioner, showed that during the first quarter of 1940 arrests for those traffic law violations which have been the major causes of accidents and deaths have more than doubled the number of arrests made in the same period of 1939, and have cost offending motorists $20,637 in fines.

At the same time, under the new enforcement policy of suspending driver's licenses for two offenses of speeding, careless or reckless driving, and mandatorily revoking them after three offenses within a 12-month period, driver's license revocations and suspensions so far this year have increased 169 per cent over the first three months of last year, with a combined total of 1,351, as against 502.

January, February and March summaries of the patrol and driver's license divisions of the highway department show that under the tightening-up of motorist restrictions 1,939 arrests have been made for major traffic law violations as compared with 987 last year, and 682 driver's licenses have been revoked and 669 suspended as against 290 revocations and 212 suspensions during the first quarter of 1939.

"The Patrol is not after a record for the record's sake," Chief Rowe said. "In fact, the Patrol would prefer not to have it necessary to make a single arrest. This would permit more time for its activities in aiding and directing motorists, especially Minnesota's tourist guests. But the patrol has a very definite responsibility to protect the 90 percent of the motorists who are safe drivers, and their families, from the 10 percent who are habitually careless or offensive drivers and who therefore repeatedly imperil the lives of others.

Secretary Wallace Will Speak in St. Paul Apr. 27

M. W. Thatcher, chairman of the National Farmers Union legislative committee, this week made the prediction that farmers from eighteen midwest and northwest states will come to St. Paul Saturday, April 27th, to hear Secretary Wallace discuss the Farmers Union debt adjustment bill, and to join in the mass meeting at the Auditorium. The meeting will start in the St. Paul Auditorium at 10:30 a. m. Secretary Wallace will address the audience and go on the air over a national hook-up, at 11:35 a. m. This is the regular Farm and Home Hour. All the stations which carry the regular Farmers Union broadcast, and many in addition, will carry Secretary Wallace's address.

OFFER ADVICE ON REDUCTION OF FIRE RISKS

Inspectors Report Thursday on Findings at Dinner Meeting

WASHINGTON SCHOOL CONDITION CRITICIZED

Staff of 26 Inspectors Visit 193 Buildings Last Thursday

As a climax to the fire risk inspection conducted in Thief River Falls last Thursday by a group of 26 men, nearly 100 persons assembled that evening in the Palm Garden Cafe to hear general reports on the findings of the inspectors, together with their recommendations for improving the local situation.

Elwood G. Harper, secretary of the Minnesota Fire Prevention association, sponsor of the event in cooperation with the Civic and Commerce association and other local agencies, stated that of 193 premises inspected, 76 per cent were found faulty in varying degrees, and 566 recommendations were made, most of which can be carried out with small outlay of money.

Mr. Harper stated that written suggestions would be sent to all of the affected property owners with the request that the defects be corrected within thirty days if possible. He added that following the last local inspection made in 1932 slightly less than half the suggestions were carried out, and he requested a greater degree of cooperation at this time.

H. V. Himsl, deputy state fire marshal, who inspected the schools praised the condition of all structures except the Washington building, oldest public school building in the city. Pointing out some of the notable defects in the building, he recommended that it be replaced at the earliest opportunity.

S. W. DeWard, underwriter who has made a special study of city fire control, called attention to shortcomings in local firefighting facilities, and made numerous recommendations for improving the situation.

Among his suggestions relating to water supply were elimination of dead-ends in the water main system; placing of hydrants at each street intersection; and increasing water storage facilities to 1,000,000 gallons from the present capacity of approximately 600,000 gallons.

Preliminary arrangements were made for the annual swimming and life-saving course to be conducted at the Tindolph park pool this summer under auspices of the local chapter.

REPUBLICANS OF COUNTY TO MEET IN CITY TUESDAY

Party Members in Rural Precincts Urged by Quale to be Present

The Pennington county Republican convention will be held next Tuesday evening, May 7th at 8 o'clock in the Civic and Commerce association room in the Auditorium, Theodore Quale, county chairman, announced today.

The number of eligible delegates, the convention call reveals, is almost evenly divided between the city of Thief River Falls and the remainder of the county, it being provided that there shall be one delegate-at-large and one other delegate for each 25 votes cast for the Republican candidate for governor in 1938.

Mr. Quale urged that party members in the rural areas of the county make every effort to attend the convention even tho caucuses have not been held in their precincts for the selection of delegates.

Principal business to come before the convention will be the election of delegates and alternates to the district and state conventions. The district meeting is scheduled to be held in the Civic and Commerce room in this city Tuesday afternoon, May 14, one week after the county meeting.

SMILEY FARMERS MEET TO DISCUSS BRIDGE PROBLEM

To Look into Possibility of Getting Aid from State on Project

Nearly fifty residents of the Smiley community assembled at Smiley hall last Friday evening to discuss ways and means of replacing the Smiley bridge across Red Lake river which was destroyed when the ice went out two weeks ago. As a first step it was decided to communicate with Al. Graves, district highway engineer at Bemidji, to ascertain if it will be possible to secure the cooperation of the state highway department in installing a bridge span to replace the old piling structure. The likelihood of being able to obtain a used span also was discussed.

Sportsmen's Club Sponsors Meeting Next Monday Evening

Several men eminent in the field of conservation next Monday evening, May 6, will be guests jointly of the Civic and Commerce association and the Pennington County Sportsmens club. They will be guests at a dinner sponsored by the former group at 6:30 in the Palm Garden cafe, following which they will speak at a public meeting sponsored by the sportsmens club in the Auditorium at 8 o'clock. Walter Jung, president of the club, will preside.

The visitors will include Dr. William A. Strunk, Minnesota conservation commissioner, who will be the principal speaker at the evening program; E. V. Willard, an official of the conservation department and an authority on drainage and water control; and George Tonkin of Des Moines, Iowa, regional director of the bureau of biological survey. The officials are coming to Thief River Falls in the course of a tour of inspection of the Mud lake, Thief lake and other conservation projects, their tour to continue until Thursday, May 9.

Invitations to attend the meeting have been extended to sportsmen's organizations in various communities in this section of the state. At the same time John Dokken, president of the Northwestern Minnesota Association of Conservation clubs, announced a meeting of officers and directors to be held in the Auditorium Monday afternoon.

The regular meeting of the local sportsmen's club scheduled for next Tuesday evening, May 7, has been canceled, Mr. Jung stated.

PRESCHOOL CLINIC IS SCHEDULED FOR SATURDAY, MAY 18

Parent-Teacher Association Hears Two University Deans Monday

Preliminary plans for the annual pre-school clinic to be conducted in Lincoln high school this spring were discussed at a meeting of the Parent Teacher association Monday evening in the high school auditorium.

The date for the event was set at Saturday, May 18, and Mrs. Jeanette Wright, president of the association, appointed a committee to take charge of the project, including Mrs. Clara G. Paulson, chairman; Mrs. Andy Williamson, Mrs. Tom Mehegah and Mrs. Clarence Knudsen.

In preparation for the annual election of PTA officers to be held at the next meeting Tuesday, May 14, a nominating committee was named to submit a slate of candidates, the group including Mrs. Will Korstad, Mrs George Werstlein and Mrs. H. W. Miller.

The program for the evening included brief addresses by E. E. Nicholson, dean of student affairs, and Anna Dudley Blitz, dean of women, both of the University of Minnesota. They discussed some of the problems faced by young men and women going away to college, and pointed out some of the matters they should consider before deciding to enter a higher institution of learning.

In its business session, the association also voted to endorse the local campaign for clean literature being conducted under the chairmanship of Rev. A. I. Merth. With only two dances a year scheduled to be held in the school gymnasium, it was suggested that the number be increased to an average of one a month as a means of providing recreation for students under the most favorable conditions. The question of making a recommendation on the matter to the board of education was deferred to the next meeting of the association.

The musical portion of the program included selections by the clarinet quartet and the brass ensemble of the Lincoln high school band. Refreshments were served at the close of the evening by a committee of PTA members.

Are Veteran Assessors in County

This is the week the assessors start their annual inventory of property for taxation purposes but for these three veterans the job is just another routine chore. Left to right are Christ Tangen of Reiner, O. O. Hafdal of Kratka and Ed. Rustan of Deer Park. With the exception of one year Mr. Tangen has made the assessments in Reiner over a period of 27 years. Mr. Rustan's record is nearly as good, he having missed only 4 years in the last 27. For Mr. Hafdal this will be the sixteenth consecutive year. The picture was taken by the Times photographer at the meeting of assessors held in the court house last Friday.

Delores Sigurdson is Rural Declam Winner

The district court room in the court house was filled to capacity Saturday on the occasion of the annual rural school declamation contest conducted under the supervision of Richard Dablow, county superintendent of schools.

In the Group A division, comprising pupils of the third, fourth and fifth grades, Delores Sigurdson fifth grader, won first place with the selection, "Willie's Missionary Gift". She is a pupil in District 11, and her teacher is Miss Evelyn Jorde. Second honors in Group A went to Delores Helswenger of District 31.

In the group B division, embracing pupils from the sixth, seventh and eighth grades, Elfa Chester won first honors with her reading, "Ma's Monday Wash." She is in the eight grade in District 26, of which Miss Geneva Overum is teacher. Cleo Alberg, pupil in Dist. 12, won second place in this division.

In the sweepstakes event, Delores Sigurdson went on to win first place in the contest, while Elfa Chester was awarded second honors. Serving as judges were Hilding Peterson, Harold Holmquist and Maynard Tvedt of the Lincoln high school faculty.

Other contestants included Dorothy Lutz, Dist. 63; Esther Steinbrink, Dist. 99; Marjorie Swanson, Dist. 38; Betty Mae Foldoe, Dist. 127; Richard Radniecki, Dist. 62; Ardith Copp, Dist. 210J; Edna Linde, Dist. 88; Eileen Johnson, Dist. 38; Alpha Anderson, Dist. 60; Arlene Rude, Dist. 34; Robert Borvig, Dist. 99; Mae Odegaard, Dist. 12; Edna Lieske, Dist. 10; Alan Weckwerth, Dist. 12; Erling Lundeen, Dist. 62; Doris Helgeland, Dist. 28; and Lois Copp, Dist. 210J.

80 VALLEY PEACE OFFICERS ATTEND ANNUAL MEETING

Moorhead Chief Named to Head Group Succeeding Paul Lundgren

With Paul A. Lundgren, retiring president, presiding, a highly successful annual meeting of the Red River Valley Peace Officers was conducted in this city Monday, the day's program including a business session in the afternoon followed by a banquet in the Palm Garden in the evening. Eighty men from thruout the valley were present for the occasion.

In the annual election officers A. J. O'Laughlin, Moorhead chief of police, was named to succeed Mr. Lundgren as president; while County Attorney Elteswold of Wilkin county at Breckenridge was elected secretary and Sheriff John Dietz of Wahpeton, Richland county, N. D., sergeant-at-arms.

Banquet speakers included S. W. Hardy of the St. Paul office of the Federal Bureau of Investigation; Dr. George Abbott of the chemistry department of the University of North Dakota; Eldon Rowe, chief of the state bureau of criminal apprehension; and J. E. Ruddy of the state highway patrol. L. W. Rullen, secretary of the Civic and Commerce association, welcomed the group to the city.

Dr. Abbott discussed the important role played by science in criminal apprehension, while Mr. Hardy gave details of the scientific laboratory maintained by the FBI in Washington, and told of the methods used in the solution of some puzzling cases.

Guests introduced at the banquet included Charles Gebeke, deputy state fire marshal; Gustav Schilling of the immigration service; Mr. Telander, parole officer in this district; Max Raines of the state bureau of criminal apprehension; and Mr. Andrews of the state liquor control commissioner's office.

SCHOOL CHORUS ENTERS STATE EVENT FRIDAY

Lincoln Mixed Group of 60 Voices Leaves Today for Minneapolis

WON TOP RATING IN DISTRICT CONTEST

Three Instrumental Soloists Also Entered in State Competition

As a result of its achievement in winning an A rating in the district high school music contest in this city last Saturday, the Lincoln high school mixed chorus directed by Miss Ruth E. Nelson is being rewarded by a trip to Minneapolis, where it will compete Friday morning in the state music contest at Northrop Memorial auditorium on the University of Minnesota campus.

The 60 members of the chorus left this morning for Minneapolis in a school bus and several automobiles, accompanied by Supt. Morris Bye and by Mrs. Blanche Korstad as chaperone. They will return to their homes here Saturday.

Three local instrumental soloists who also achieved A ratings in the district contest left Wednesday with their instructor Glendon Ahre to participate today in statewide competition. They are Paul Senstad, saxophone; Charles Gustafson, clarinet; and James Skarstad, French horn.

In the district event Saturday, the Lincoln high school band received a B rating, the highest score given any instrumental group by Gerald Prescott of the University of Minnesota, who served as judge. The girls' triple trio also received a B rating, while the brass ensemble, clarinet quartet and boys' octet were graded C.

Mr. Prescott and John Kuypers of Hamline university, who judged the vocal entries, were guest conductors Saturday evening for the music festival concert, in which a massed chorus of 200 voices and a massed band of 100 musicians selected from the participating schools presented a varied program of selections.

Mr. Kuypers paid high tribute to the quality of the day's vocal competition and to the excellence of the massed chorus, which he declared to be "the finest massed chorus I have ever directed in the state of Minnesota." Mr. Prescott spoke well of the massed band, which he likewise termed an outstanding group.

These Trees of Mine

By Mrs. E. P. Zeh

I call my little pin cherry tree Merry Cherry. If you are given to humanizing your friends of the animal or vegetable kingdom you will understand why, especially if you see her in bloom or fruit. If not you will say, "Oh what poppycock," which translated means "little nonsense." Oh well, I can't any more help being silly than you can helping being sensible and I am just as sorry for you as you are for me.

Anyway she is one of the most cheerful, charming little trees anyone ever saw. I have other pin cherry trees that grow among bushes on the hillside but, tho I have been fond of them, I have not paid them any special attention. But this little tree has from the first demanded attention because she stands where no tree ought to stand, in the open garden in the middle of a tangle of daisies and oriental poppies. She picked this place out herself. I would not have chosen it for a tree, not even a little tree. But it was a wise choice from her standpoint because ordinarily she would have fallen to the hoe in the very early days of her life, but in the tangle of other plants she had grown so large and so attractive that no one had the heart to destroy her.

She didn't do a thing but grow, no killing down to the ground each winter, no coy hesitation as to whether to live or die. She had found an ideal place and she intended to do her best. From the first she showed the will to live—priceless quality in man, beast or plant.

I think she was not more than two years old when she began to blossom and now at blooming time she is a thing of beauty, like a little girl in her fluffy white confirmation dress. Her bark shines like dark, wine red satin, her leaves glossy and every branch full of grace. Her practical value lies in providing food for my birds but her spiritual value is much greater.

Some day when I have moved on and the Goths and the Vandals have moved in she will be cut down and burned, for the orders will be, "Cut down all the brush and half the trees." She will be only brush. But in the meantime she will have fulfilled a useful mission in life. She will have been greatly loved and will have given all she had to give, including much happiness to others. What finer record can any of us leave behind I ask you. Oh dear, I really forgot to say that pin cherry jelly is one of the most delicious jellies in the world but I never have more of the cherries than my birds need so I can't make any.

How about "perfection" in diamonds?

The degree of perfection is something you should know about any diamond you consider buying.

A dozen or more categories separate the flawless, so-called "perfect," diamond from the visibly imperfect, the lowest grade of jewelry. The worth of a stone decreases with each descending classification.

In your diamond purchases it is important to deal with a firm of unquestioned integrity. We shall gladly show you how stones vary in perfection and shall explain the other factors which affect the value of any diamond you buy.

'U' Farm Man Discusses Vaccination of Horses for Sleeping Sickness

To vaccinate or not to vaccinate—that is the question facing thousands of horse owners this spring who are worried about the possibility of a sleeping sickness epidemic.

W. L. Boyd, chief of the division of veterinary medicine at University Farm, St. Paul, says that it's dangerous and difficult to predict the future, but he leans toward the belief that vaccination pays in the long run. Although the disease was relatively scarce last year with only about 8,000 cases in the United States, he points out that 691 of these were reported in 75 counties of Minnesota, so it was present in practically all communities.

Each new crop of colts is very open to infection because of a lack of resistance or built-up immunity. Vaccinated animals are protected for only about 10 months.

The veterinarian feels that the vaccination of three million horses—about one-fifth of our country's horse population—with chick embryo vaccine was an important aid in quelling the disease last year. A natural resistance of some horses to the sleeping sickness germ exists.

A very reliable preventive vaccine is available from veterinarians at reasonable prices, says Boyd. It is a form of insurance, but the horse owners must decide which is better—to pay the fee or take the risk. May is the best time to vaccinate.

Charged With Arson in Roseau Warehouse Fire

Hearing will be held in Fargo today for J. T. Lyell, former Moorhead potato buyer, released under $2,000 bond after being arrested for Roseau authorities on a charge of arson in connection with the burning of a potato warehouse.

Lyell is already under a 2½-year sentence to Leavenworth penitentiary for aiding misapplication of funds of the American State bank, Moorhead.

It has also been asserted that John Igo, Detroit, Mich., a former convict, alleged to have set the Roseau fire under Lyell's direction, is being held at Crookston where he was reported to have confessed the crime.

Two Blazes This Week Bring Out the Firemen

The fire department was summoned Saturday morning to the Gunvald Storhaug home at 510 La Bree av. N., when sparks from a pile of burning grass and rubbish ignited a lumber pile. The blaze was quickly extinguished. Tuesday morning excelsior in which light fixtures were packed caught fire in the basement of the L. W. Bo[illegible] residence at 816 Main av. N., some damage resulting from the fire and accompanying smoke.

TRUCKER KICKS PIG TOO HARD

Redwood Falls—This little pig went to market, but it caused LeRoy Woodford, trucker, an injury which will keep him from heavy work for a month. Woodford was loading hogs when one of them wouldn't do what he told it to, so he kicked it a little too hard. The big toe of his left foot was broken.

Give Pastures Chance to Develop Before Turning Cattle Out, Grow Urges

This is the time of year when farmers are anxious to turn their stock to pasture because they feel that the grass is a stimulus to production, states Howard E. Grow, County Agent.

There is no question but what grass does increase production when there is a sufficient amount of it for the cows to eat. The all-too-common practice which practically ruins many pastures is the habit of turning the cows to pasture before the grass has reached a growth of 4 to 6 inches. Mr. Grow continued that pastures that are given a chance to develop before the herd is turned in, will yield more grass, last longer, and withstand heavier grazing than will pastures where grazing starts before the grass turns green.

A good pasture produces more feed per acre and more butterfat at lower cost than any other crop except alfalfa. The cow harvests the crop with her own free labor. Wind, rain, or hail may ruin grain, hay or corn crops, but not a pasture crop. When more effort is given to good management of native pastures and the seeding of adaptable supplementary pasture crops, the daily income will be considerably increased.

Sweet clover pasture trials at the Crookston station showed that a yield of feed per acre equaled a 70 bushel yield of oats, or a 34 bushel yield of corn. These facts should encourage greater use of cultivated land for rotation and supplementary pastures, to supply an abundance of feed from early spring to late fall.

PENNY BALLOON TRAVELS 75 MILES

LeSueur. — N. E. Anderson, Norseland farmer, picked up a deflated balloon in his field last week and upon examination discovered it was just a small advertising balloon. It held a tiny piece of tissue paper, bearing the name and address, "Irving Elliott, 3300 Forty-Fifth Avenue, So. Minneapolis." Upon writing to the address farmer Anderson learned Elliott is a high school student who just last fall discovered how to manufacture hydrogen at his home. He had inflated the penny-balloon with the lighter-than-air gas and sent it aloft.

LABOR CANDIDATE WINS ELECTION AS MAYOR OF ST. PAUL

McDonough Defeats Fallon, Incumbent, by Margin of 3,451 Votes

John J. McDonough was elected mayor of St. Paul in Tuesday's election by a majority of 3,451 over the incumbent, William H. Fallon, and three incumbent labor councilmen were re-elected to give labor progressive indorsed candidates a four to three majority in the city council.

All incumbent councilmen were re-elected for the first time since St. Paul adopted the commission form of government in 1914.

Comptroller Harold F. Goodrich also was re-elected, his majority of 14,831 votes over labor indorsed Herman C. Wenzel approaching landslide proportions for a St. Paul election.

The complete unofficial tabulation of the vote for mayor in the city's 154 precincts gave:

McDonough, 49,244; Fallon 45,793.

For comptroller:

Goodrich, 52,512; Wenzel, 37,681.

The new mayor, who was labor indorsed, lost to Fallon two years ago by a margin of 239 votes.

Seeding Work Further Delayed in This Area by Nearly Inch of Rain

Seeding operations on farms in this locality were further delayed by steady rains early this week, and favorable weather conditions will be required if field work is to become general early next week. A total of .98 in precipitation was recorded Sunday, Monday and Tuesday on the rain gauge at the power plant, while the total for the month of April was 1.86 inches. Roads have been in bad condition following the rain, including Highway 32 north of Red Lake Falls and Highway 59 in the vicinity of Brooks.

Fargo Woman Addresses Local Townsend Club

Miss Josephine Efteland of Fargo, N. Dak., was a week-end guest of her cousin Miss Effie Hanry.

Miss Efteland is secretary to the Norwegian vice consul for the State of North Dakota, whose office is in Fargo. She is active in the Townsend movement, being a Legionnaire in the organization. While here Miss Efteland spoke to the local Townsend club in the Civic and Commerce rooms on Sunday afternoon. She expressed herself as favorable to any candidate for Congress who would vote for the Townsend bill, regardless of his political affiliation, and urged all members of the Townsend Club to do likewise. She will attend The National Townsend Convention in St. Louis in June.

Marshall Declam Event Set for Saturday, May 11

Rural school sectional declamatory champions from 15 or more Marshall county communities will compete for county honors in declamation in Warren on Saturday, May 11, Miss Thora Skomedal, county superintendent of schools, announced this week.

The sectional winners are being selected in a series of contests now under way throughout the county.

Ivan McIvor, Dist. 28, 4th grade, won the South Newfolden contest held at Dist. 60 April 26, Class A event with the selection "Little Black Sambo," while Gladys Bakke, Dist. 9, 7th grade, won the B event with the selection "The Travel Talk".

4-H Ton Litter Contest Is Challenge to Skill

For a real test of skill and efficiency, try raising a ton of pork from a single litter of pigs in 180 days, H. G. Zavoral, extension animal husbandman, advises Minnesota 4-H club members.

The Minnesota 4-H Ton Litter contest is open to youngsters of 10 to 21, Zavoral says, but entries close May 1 and enrollments must be received before the pigs are 7 days old. County agents and club leaders have entry blanks and rules. Each litter of pigs entered must be identified with a distinctive ear mark in the presence of witnesses.

Special county and state awards are made on the basis of pounds of pork produced in 180 days and the feed record and story of the contestant. Prizes are offered for the heaviest litters and for the largest average weight per pig, providing the litter reaches a total weight of a ton or more.

Grouse Will be Reared at Madelia Game Farm

Experimental work with the artificial propagation of native Minnesota upland game intensified this week when 34 pairs of sharp-tailed and pinnated grouse were received at the Madelia game farm as the result of a trade with the Province of Manitoba. In exchange the game farm will send 12,000 Chukar partridge eggs to Manitoba. It is the hope of Frank Blair, superintendent of game propagation and refuges, that eggs hatched at the farm will supplement natural production.

SILVERTON

Silverton Luther League will hold their annual meeting with election of officers next Sunday, May 5th at the church parlors. Rev. Sabo will conduct church services at 11 o'clock and directly after services are concluded the League members will serve lunch followed by the business meeting. Present officers are Evelyn Peterson, President; Gladys Hanson, secretary; Ove Nordahl, Treasurer; Effie Hanson, vice president.

On Saturday of last week the Banner school held their sectional declamatory contest. Delores Beiswinger from Dist. 31, won first place in Group A and Dorothy Lutz, Dist. 53, won first place in Group B. These two represented this section in the county contest held in Thief River Falls Saturday.

Banner school will hold their closing day picnic on Friday, May 3rd after a very successful term of school under the guidance of Miss Iva Howe.

Hard on Sheep

The tariff question, puzzling to many Americans today, was an issue in a political campaign in 1829, and one candidate wrote of it: "The people knew little about it, but what they had heard was decidedly against it. One old fellow said he had never seen one, but he believed it was hard on sheep."

District Luther League Convention at Bemidji

Four or five hundred delegates, pastors and leaguers are expected at the tenth annual Northern Minnesota Young Peoples Luther League convention at the First Lutheran church, Bemidji. WARDEN LOSES RACE WITH GIRL POACHER

Lamberton.—When Ross Dougherty, Marshall game warden, sets out to get his man he gets him, but when he sets out to get a woman—well, he isn't so sure. Warden Boysen of Redwood Falls and Dougherty recently came upon a young woman and a male companion shooting pheasants. The girl darted over hill and dale, over fences, through brush, thru a slough and finally out of sight. Dougherty returned to the car, with the conclusion that any girl who could out-distance him deserved freedom from arrest for once, anyway. However, her companion was less fortunate, being fined $15 and having his gun confiscated.

PLANS COMPLETE FOR CLINIC TO BE HELD HERE MAY 11

Crippled Children from Five Counties Will Receive Assistance Here

With the approach of Saturday, May 11, date set for the Thief River Falls clinic for crippled children, the advisory committee is bringing preparations to completion. Conducted by the bureau for crippled children of the state division of social welfare as one of sixteen field clinics scheduled for 1940, the Thief River Falls clinic will serve Kittson, Marshall, Pennington, Red Lake, and Roseau counties. W. G. Claffy, principal of Lincoln high school, has turned over the facilities of his building to the bureau for the clinic location May 11.

Resources of the clinic are available to all crippled children under 21 whose parents cannot provide private orthopedic care. Those reporting to Thief River Falls for the first time should have a letter of referral from their family physicians.

Activities of all participating groups are correlated under the leadership of Mrs. Clara G. Paulson, local school nurse, and her advisory committee. Morris Bye, superintendent of schools here, and school systems throughout the district are assisting with transportation arrangements and other details. Recommending of patients and other technical details are being worked out with the Bureau by the welfare boards of the five counties concerned, through their executive secretaries who are John X. Lynskey, Pennington county; Mrs. Lena Brendal, Kittson county; Paul Steen, Marshall county; Miss Viola Sauve, Red Lake county; and Mrs. Martha Baitz, Roseau county.

Public health nurses of this area, Julia Uggen, Kittson County nurse, Margaret Hesburg, Oakland Park Sanatorium field nurse, and Miss Audrey Johnson, Red Lake county nurse, are cooperating with the advisory committee and will be in attendance at the clinic. Luncheon will be served to patients and their families by the Thief River Falls Woman's Club.

Miss Elizabeth Goodrich, field nurse from the bureau for Crippled Children, arrived in Thief River Falls this week and will remain until after the clinic. While here she will contact patients who have received care from or are otherwise known to the Bureau, and notify those who are expected to attend the clinic. Patients from Gillette State Hospital in this area who are to report to clinic for a check-up will also be notified.

Biologist to Speak Here

GEORGE TONKIN

Regional director of the bureau of biological survey, with headquarters in Des Moines, who will discuss conservation issues at a dinner meeting in the Palm Garden cafe next Monday evening, May 6.

INSPECTORS OF FIRE HAZARDS REPORT ON FINDINGS THURSDAY

(Continued from page One)

Referring to the fire department Mr. DeWard recommended employment of a full-time fire chief under civil service; provision for more paid firemen; purchase of second firefighting unit, together with a hook-and-ladder truck; purchase of another 1000 feet of hose; installation of an automatic alarm operated from the telephone switchboard; and enactment of a complete building ordinance.

Fire Chief Leonard Hanson spoke briefly, thanking property owners for the cleanup work they carried out previous to the inspection, and urging that careful heed be given to the recommendations of the inspectors.

L. L. Law of Minneapolis, first secretary of the fire prevention association, cited annual fire losses during the past twenty years ranging from 250 to 500 million dollars and called attention to the tremendous loss of life resulting. As ways to fight fire losses he recommended full insurance coverage, better building construction and better fire protection. The vast majority of fires, he pointed out, are preventable.

W. E. Dahlquist presided over the dinner program, which opened with an address of welcome to the visitors by L. W. Rulien, secretary of the Civic and Commerce association, following which R. J. Lund in behalf of local insurance men, expressed appreciation to the cooperating agencies, and urged local property owners to carry out the recommendations made for eliminating existing fire hazards.

Hay Leases on Trust Fund and Tax Forfeited Lands Auctioned Here May 6th

Hay leases of trust fund land and on unclassified tax forfeited lands in the Conservation areas and the Red Lake game preserve will be offered for sale at public auction between April 29 and May 21. It will be the first time hay leases have been auctioned. Private sales were held previously.

"The new policy will encourage the purchase of desirable state hay land and will give all prospective leases an equal opportunity to obtain a hay lease at public sale," explained Ray D. Nolan, director of the division of lands and minerals. All leases will be sold for cash at the time of the auction.

There are 137,400 acres of state hay land available, distributed as follows: 4,000 acres in the Red Lake Game Preserve; 19,000 in the Conservation Areas; 114,400 on Trust Fund lands.

The auction schedule: May 3, 1:00 P. M., Warren; May 6, 10:00 A. M., Thief River Falls.

"I'm an American" Topic of New Radio Program to Start Saturday, May 4th

The National Broadcasting Company in cooperation with the Immigration and Naturalization Service of the United States Department of Labor will present a new radio series entitled "I'm an American," beginning Saturday, May 4 at 2 p. m. E. S. T. Archibald MacLeash, Librarian of Congress, will sound the keynote of the purposes of the program by reading his own poem "America Was Promises." In the following 12 weks distinguished naturalized Americans will appear as guests. Among them will be Miss Luise Rainer, the actress; Hans Kindler, symphony conductor; Dr. Anton Lang, German professor and former player with the Oberammergau Passion Play; Charles Pergler, former Czechoslovakian diplomat and lawyer; and many other well-known Americans of foreign birth.

Thatcher Will Discuss Co-op. Elevator May 11

Farmers interested in the organization of the local cooperative grain and seed association will meet at the Auditorium Saturday evening, May 11, to hear a discussion of the project by M. W. Thatcher, general manager of the Farmers Union Grain Terminal association, with which more than 300 cooperative elevators in the spring wheat states are affiliated.

Operator Is Unhurt When Dragline Tips Backward

Nick Drees, operator of the Clifford Hedeen dragline, narrowly escaped injury last Thursday afternoon when the machine was being removed from the Jahr meat market excavation. A caterpillar tractor had been hooked on to the dragline, and the machine had been raised to the ground level when the chain broke, causing it to fall over backward into the excavation. Drees was uninjured, but the dragline was damaged by the impact.

Taxes Termed Biggest Item of Expense for Citizens of the U. S.

Americans spend more for taxes in a year than for food and clothing combined, Norman A. Borgen, Minnesota Taxpayer Association secretary, asserted in a statement just issued.

"Taxes constitute the largest single item of expense carried by the American people," Mr. Borgen stated. "Food, the most vital of all necessities, costs the nation $7,600,000,000 a year. Clothing takes $3,600,000,000. Rent dips into our income to take $3,600,000,000. Automobiles use up about three billions.

"On the other hand, the tax bill of America is over twelve billion dollars a year, if we count Federal, state and local expenditures.

"No other cost weighs so heavily on individuals and business," he added. "Yet a great part of this high cost is concealed in the price tag of goods we buy and we fail to realize we are paying taxes at at the time we buy. Cost of government are infinitely higher because of the ease with which these indirect taxes can be collected."

Numerous High School Musicians to Compete at "U" This Week-end

More than 1,000 high school musicians, including every type of performer, either vocal or instrumental, will gather at the University of Minnesota this week-end for the sixteenth annual State High School Music Contest and Festival. The College of Education of the University and the Department of Music cooperate annually in conducting this festival with the Minnesota Public School Music League. The contest will continue through Thursday, Friday and Saturday, May 2, 3, and 4.

During these three days each spring the campus of the University of Minnesota is a riot of colorful costumes, blue, yellow and red capes, fancy caps of band members and the like, and a blast to the ear as scores of cornets, drums, bugles, clarinets, trombones and French horns send their glad tidings along the educated zephyrs that waft about the classic halls.

During the past two weeks district contests to select the performers who shall enter the finals have been held in a dozen or more Minnesota cities.

Officers of the Minnesota Public School Music League this year are: President, Superintendent A. M. Wisness of Willmar; vice-president, Superintendent Morris Bye of Thief River Falls; secretary-treasurer, Hazel B. Nohavec, University of Minnesota; members of board, William A. Abbott, South High school, Minneapolis and Maurice F. Carr, Glenwood.

Radio and Essay Contest to Boost Hospital Day

Radio stations throughout the state will carry numerous programs in the interests of National Hospital Day, Sunday, May 12, beginning at once. An essay contest among senior high school students throughout the state is now in progress on the subject, "How Can I Help My Hospital". Cash prizes will be awarded winners and the two high-placing contestants will be given a trip to the Twin Cities to read their prize-winning essays over station WMIN early in May.

"U" Farm Specialist Fears Rough Season for Turkey Producers

Unless feed prices are unusually low this summer and fall, turkey growers are likely to find a less favorable year ahead, predicts W. H. Dankers, extension marketing specialist at University Farm, St. Paul.

Latest reports of turkey growers to the U. S. Agricultural Marketing Service show that:

They intend to buy 1 per cent fewer poults from commercial hatcheries.

They expect to hatch 9 per cent more poults at home.

They had 7 per cent more breeding stock on hand than a year ago.

Cold storage holdings of turkeys on March 1 were 64 million pounds compared to 27 million a year ago and a five-year average of 26 million, Dankers reports. Later developments may change growers plans but the present outlook is not favorable to high profits this fall.

Official Paper of Pennington County and City of Thief River Falls

THERE IS ONLY ONE THING TO DO

The representative of the state fire marshal's office who spoke at the Fire Prevention banquet last week served notice on the local audience that the Washington school building would have to be replaced in the near future. It is worn out. It is structurally unsafe. This information came somewhat as a surprise to us. We had thought our school building problems had been solved for a few years.

Inquiries made later lead us to believe that the deputy state fire marshal knew whereof he spoke when he reported the bad news. The building is nearly fifty years old. It was poorly constructed at a time when construction standards were not high. Because of this a repair job is not practical. In order to bring it up to a reasonable standard of safety both the inside and the outside would have to be rebuilt. Which means that it would be cheaper to build a new building.

If it is true that the building must be replaced in a few years then there is merit in the idea of considering the building problem at once. In a few years government grants will not be available. We can use a relief project to good advantage now. In a few years interest rates will be higher. At the present time we can borrow at very favorable interest rates. At the rate we are now paying, our present school debt will be liquidated in less than twenty years. An additional obligation, if it is necessary and cannot be postponed more than a year or two at the most, will be no more burdensome if contracted now than it would be if we wait a couple of dozen months.

It never is pleasant to receive bad news but now that the facts are known we cannot evade responsibility. As individuals it is our privilege to take chances. As a community however, to ignore a condition that we know is a menace to 250 of our school children, is to be guilty of criminal negligence.

If what the deputy state fire marshal told us is true, and there is no reason to believe it is not true, then there is only one thing to do and that is to proceed at once to eliminate a serious hazard.

TIME-PIECE TINKERERS

We have known individuals who deliberately fool themselves by tinkering with the clock. It is not uncommon for these timepiece tinkerers to set the alarm clock a few minutes ahead. Then, when the alarm awakens them in the morning, they steal a couple of extra winks. The practice seems to give them some satisfaction and as long as no one else is inconvenienced by their silly idea there is no reason for anyone else to complain.

We do feel however that we have a right to a gripe when a large portion of the population gets foolish in this way and upsets the hour arrangement for the entire country. Because of the so called daylight saving schedules that are adopted at this season of the year by many large cities the entire time structure of the nation is thrown into chaos.

It is easy to understand why people prefer to start their work an hour earlier during the summer months so that they may enjoy more leisure in the daylight hours of the evening and, incidentally, save a few pennies on the light bill. But that simple procedure can be put into practice simply by starting an hour earlier. The noon hour can just as well start at eleven as at twelve. It shouldn't be necessary for intelligent people to set their clocks ahead an hour to effect so easy an adjustment.

Don't make the mistake of thinking the Nazi officials are stupid just because their claims about England being ready to invade Norway are so ridiculous. Such charges are not made for the purpose of converting reasonable people to the Nazi cause but rather to strengthen the morale of Nazi supporters at home and abroad. The German government maintains an extensive propaganda organization in this country. Most of the efforts of this organization apparently are directed toward the encouragement of the idea that our country should remain strictly neutral regardless of what may happen abroad. Material of this kind is well prepared and appeals to high ideals of American citizenship. We do get an occasional outright appeal to prejudice but such material probably is mailed to us by mistake.

Next week is official clean-up week. Don't be a slacker.

The time limit on parking is in effect again. This time limit may inconvenience you at times but it also will make it easier for you to find a place for your car when you need it. The advantages outweigh the disadvantages. Of course if you are wealthy and a dollar doesn't mean much to you then you won't need to worry about the time limit.

Your circumstances may be uncongenial, but they shall not long remain so if you but perceive an ideal and strive to reach it. You cannot travel within and stand still without. James Lane Allen.

AFTER SEVEN YEARS

(Long Prairie Leader)

The government is now assembling the rules and regulations issued for the five year period ending June 30, 1938, by all the government departments having to do with the regulation of business. The compilation fills seventeen (17) volumes, each containing from 1,000 to 1,200 pages. Accompanying the volumes is a supplement containing regulations promulgated during the period June 30, 1938, to December 31, 1938, and this, it is announced, will contain about 800 pages.

The compilation illustrates the extent to which the government now interferes with business and the enormous growth of bureaucracy (government by bureaus) under Roosevelt. Bureaus have sprung up like mushrooms. In a short time they are employing thousands and have become a permanent institution. *They issue orders which have all the effect of law and they regiment America in all directions.* On January 1, 1940, there was a total of 987,000 employees in the executive department alone.

During recent debates in congress it was brought out that for every $11 of CCC funds used, $5 of it goes for salaries and other administrative expense.

In 1912, only 28 per cent of all taxes went for the support of the federal government, 14 per cent went to the state governments and 58 per cent went to local governments close to the people. In 1938, only 33 per cent went to local governments, 26 per cent went to state governments, but the federal share had jumped to 41 per cent. The change shows the centralization of governmental activity in Washington.

In the past eight years since Roosevelt became president, the federal government has collected more than 36 billion dollars in taxes. And it has spent in excess of 60 billion dollars, leaving the appalling deficit of 24 billion dollars.

The annual interest on the federal debt, including U. S. guaranteed securities, is now past the one billion, one hundred million dollar mark. In 1905, the entire cost of running the federal government was less than the present bill for interest on what the government owes or has guaranteed.

If all net income of every citizen in the United States earning $5,000 a year or more was confiscated by the federal government it would not equal present federal appropriations.

Just where are we heading?

WILD RICE POSSIBILITIES

(Deer River News)

Tens of millions of people in this nation have never known wild rice as a substantial and healthful article of food for all the people. Perhaps as students in the elementary schools they read of it in their history lessons as a food for the Indians. Perhaps in their casual reading they have noted mention of it, though rather meaningless. But they have never seen or tasted it.

Now all this seems destined for an early change. The food value and edibility of wild rice is definitely established and acknowledged. A campaign of publicity will sound its praises throughout the nation. Careful supervision of present stands will double or treble the crop within the next few years. Ordinary forms of cultivation will double it again.

Then there must be established a better set-up for marketing the crop. This will go hand in hand with its development. It is probably safe to conjecture that less than 1 per cent of the people of this country are eating wild rice in any form at any time. This means millions yet to be supplied.

The state can well afford to lend a helping hand. Dozens of less worthy proposals are now sharing public funds. Lack of support must not impede progress.

Members of the Wild Rice Producers' association deserve congratulations. Their efforts deserve encouragement. They are pioneering a great movement.

EXPLAINING THE MESS WE'RE IN

(Fairmont Sentinel)

A man elected to a position in the legislature was asked to speak to a service club on the important matters for action at the coming session. He asked to be excused for the reason that he had not studied these problems and was not well enough informed to discuss them now. He hoped after the session is over he might comply. He seemed to look forward to the session as a sort of school of instruction. The legislature will be filled with men just like that, always has been. No wonder the affairs of state get all muddled up, the inescapable result of sending muddled men to undertake duties of high responsibility for which they are utterly unprepared.

WHAT A CHANGE

(Fergus Falls Journal)

It is less than a year since people of the United States extended a warm welcome to the Crown Prince and Princess of Norway. Fergus Falls was especially pleased to honor them, and a great gathering was held here. At that time, the Crown Prince stated that Norway greatly feared Hitler and his Nazis and that in the line up that was developing in Europe, the sympathy of the Norwegian people was all with the allies.

Had the Norwegian government cooperated with the allies earlier the situation over there would have been different today. Instead of cooperating, the Norwegian government maintained a neutrality so straight that it leaned over backwards. It protested more vigorously when the British entered Norwegian waters and rescued prisoners from the German warship Altmark than it did when Nazi submarines torpedoed dozens of Norwegian ships without warning and sent them to the bottom, in many cases with their crews. It was the strict policy of neutrality that enabled Nazi warships and merchant ships loaded with thousands of soldiers disguised as civilians to sail along the Norwegian coast, keeping inside territorial waters, and at the appointed moment, to seize Norwegian ports without the slightest warning.

The Crown Prince, who was being honored here ten months ago, with the King and government, are now fleeing from place to place before Hitler's Nazis, and the Crown Princess has become a refugee in Sweden which is likely to be attacked next.

Norwegian soldiers are fighting and dying to defend their country against a foe that has seized it through deceit, and without any declaration or notice of war.

And the question is, who will be next?

CERTIFICATE OF INCORPORATION
OF
HARREN MERCANTILE CO.

We, the undersigned, residents of the State of Minnesota, acting for ourselves as individuals, do hereby associate for the purpose of organizing and incorporating a cooperative association under the provisions of chapter 326 of the laws of the State of Minnesota for the year 1923 and laws amendatory thereto, and to that end we do hereby adopt and sign the following certificate of incorporation.

ARTICLE I

The name of this association shall be Harren Mercantile Co.

The purpose of this association shall be to establish and conduct a general mercantile enterprise on a cooperative plan. The general nature of its business shall be to engage in and conduct a general mercantile business and as such to buy and sell, both at wholesale and at retail, every kind and form of merchandise and to do and perform every act and thing necessary and proper to the conduct of its business and the accomplishment of its purpose.

The principal place of transacting the business of this association shall be in the City of Thief River Falls, in the County of Pennington and State of Minnesota.

ARTICLE II

The period of the duration of this association shall be thirty (30) years.

ARTICLE III

The amount of authorized capital stock of this association shall be Fifty Thousand Dollars ($50,000.00). Thirty-five Thousand Dollars ($35,000.00) of such stock shall be common stock and shall be divided into three hundred fifty (350) shares of the par value of One Hundred Dollars ($100.00) each. The voting power shall be vested in the owners of the common stock exclusively. Owners of common stock, and only such, shall be deemed members of this association.

The remaining Fifteen Thousand Dollars ($15,000.00) of said stock shall be preferred stock and shall be divided into one hundred fifty (150) shares of the par value of One Hundred Dollars ($100.00) each. Owners of preferred stock shall have no voting rights.

Stock of both classes shall be paid in either money or property, at such times and in such manner as the by-laws or the board of directors of this association may prescribe.

Ownership of common stock of this association by any individual stockholder shall not exceed the par value of One Thousand Dollars ($1,000.00).

Individual stockholders shall be restricted to only one vote in the affairs of this association.

Shares of stock of this association shall not be transferable except with the approval and consent of the board of directors of this association.

Interest shall not be paid on outstanding or paid up capital stock of this association in excess of six per cent (6%) per annum.

The net income of this association, except such amounts as are required to be set aside as a reserve fund or permanent surplus or may be set aside by vote of the stockholders of this association, available for distribution, among the members, or patrons, or both, as the case may be, shall be distributed only on the basis of patronage.

Owners of preferred stock shall be entitled to receive annual interest before any interest is paid to the owners of common stock but annual interest shall not be cumulative.

In case of dissolution of this association the owners of the preferred stock shall be entitled and limited to receive the par value of their shares and any current unpaid interest before any distribution is made to the owners of the common stock. The preferred stock outstanding may be retired in whole or in part by this association at any interest date upon paying to its owners the par value of their shares and any accrued current unpaid interest, and this association may select what particular shares of preferred stock it will so retire.

ARTICLE IV

The highest amount of indebtedness or liability to which this association shall at any time be subject shall be Three Hundred Thousand Dollars ($300,000.00).

ARTICLE V

The names and residences of the persons forming this association acting for themselves as individuals are as follows, to-wit:

Name	Residence
A. J. Landis	Swift, Minnesota
H. J. Gavick	Greenbush, Minnesota
Frank Larson	Kennedy, Minnesota
Henry Quam	East Grand Forks, Minnesota
H. B. Bjerknes	Trail, Minnesota
Paul G. Courcelle	Thief River Falls, Minnesota
B. M. Harzen	Thief River Falls, Minnesota

ARTICLE VI

The government of this association and the management of its affairs shall be vested in a board of directors consisting of a number not less than five (5) nor more than seven (7) persons, which number shall be determined by the common stockholders at their annual meeting each year, and who shall be elected annually by ballot at the annual meeting of the stockholders. The term of office of such directors shall be one year and until their successors are chosen and qualify. The incorporators above named shall be the first board of directors and shall hold office until the first annual meeting of the stockholders and until their successors are elected and qualify.

The annual meeting of the stockholders of this association shall be held in the City of Thief River Falls, Minnesota, at this association's principal place of transacting its business therein at two o'clock in the afternoon on the second Tuesday of February in each year.

ARTICLE VII

The fiscal year of this association shall be from January first to December thirty-first, both dates inclusive, in each year.

IN TESTIMONY WHEREOF, We, the said incorporators have hereunto set our hands this 13th day of April, 1940.

CITY COUNCIL PROCEEDINGS

Pursuant to due call and notice thereof the City Council of the City of Thief River Falls met in session in the Council Chambers in the Auditorium and Municipal Building on April 22, 1940, with all members present.

The meeting was called for the purpose of considering the offer of the County of Pennington in the matter of claim of the City against the County for 75% reimbursement for relief expenditures covering the years 1936, 1937 and 1938, legal action having been instituted by the City for the recovery of such reimbursement. County Attorney Lundgren, on behalf of the County, offered a judgment of $10,630.00 in settlement of such action. On motion of Alderman Baker, seconded by Alderman Kinghorn and unanimously adopted, the City Attorney was authorized and instructed to offer a compromise on the part of the City in the amount of $12,[illegible]; such compromise being based on expenditures as originally billed with deduction from claim of the costs of operation of the Relief Sewing Project for such years 1936-1938.

On motion duly made and carried the meeting was declared adjourned.

EMIL [illegible],
President of the Council.
Attest: P. G. Pederson,
City Clerk.

South St. Paul, Minn., April 30, 1940—Prices for slaughter steers and yearlings came in for severe price pounding at the start of this week. Steers lost heaviest, declines of 25-40c being the rule, while instances were 50c under the high time of last week according to the Federal State Market News Service. A load of choice mediumweight steers brought $11.25 Tuesday, but there was not much above $10.50 with bulk medium to good steers and yearlings at $9.00-10.25. She stock also felt the pressure with cows closing 15-25c lower on Tuesday. Bulls ranged steady to 25c off. Vealers were fully steady for the week, prices strengthening on Tuesday after showing weakness Monday. Good to choice vealers bulked at $9.00-10.00 with practical top $10.50 and a few selects $11.00-11.50. Supplies of stockers and feeders did not increase even with the seasonal rise at the very doorstep. Choice fleshy feeders reached $9.25, with bulk medium to good kinds at $7.00-8.50.

Hog receipts expanded rather sharply this week at practically all central markets and values were depressed as a result. Local values on butchers and sows are generally 30-35c lower than last Friday. The tendency of producers to liquidate stock [illegible] assessment of animals on farms accounted for part of today's local surplus supplies. A few lots of choice 190-210 lb butchers cashed Tuesday at $6.00 on shipping account but the bulk of good to choice 180-240 lb weights sold from $5.80-5.90. Healthy feeder pig demand prevented declines in that class.

Dwindling runs locally and in the aggregate, played into the hands of salesmen and fat lambs advanced 15-25c. Other killing classes also finished in a slightly stronger position. The two day salable run at twelve markets dropped to around [illegible]. Clipped lambs predominated locally and the supply of ewes was confined to scattered lots. Clipped lambs grading good and choice reached $9.25, selling within 25c of the top last week. The majority had been recently shorn. Wooled lambs brought $10.25 in a small way but a little more is quotable, in trade opinion, for strictly good and choice kinds. Wooled ewes topped at $5.50 and most shorn ewes went to killers at $3.50-4.50, the latter price taking around 125 lb. weights.

HAZEL

Repairs are being made on some of the farm buildings in the vicinity. Arne's are reshingling their barn and Freeman Allen's are planning to add a porch to the south side of their residence. A brooder house is being built at Oscar Borgies'.

Mr. and Mrs. Albert Helmer, Marcella and Julius Helmer and Nels Hanson, Jr., spent Tuesday evening at Albert Carlson's in honor of Marcella Helmer's and Hazel Carlson's birthday anniversaries which occurred within a day of each other.

Mrs. Owen Weckwerth, Mrs. Oscar C. Peterson, Naomi Johnson and Mrs. M. K. Ellingson attended the leaders' meeting for the "Feeding the Family" project. The meeting was held at St. Hilaire on Wednesday from 10 a. m. until 4 p. m. On April 23 the Hazel group met at the Ellingson home for an organization meeting. Officers chosen were: Chairman, Mrs. Walter Odegaard; secretary, Mayme Anderson; reporter, Mrs. Ted Johnson. The first meeting of the Hazel group was held at the Martha Loken home on April 30th. Hostesses were Mrs. Arnt Wedul, Mrs. Pete Nelson, Mrs. Martha Loken, Miss Margaret Loken.

Mrs. Adrian Anderson was taken to a Thief River Falls hospital Saturday for treatment. She is reported as feeling much better. Arthur Anderson of Gryglа came Saturday evening to remain until Sunday. He also visited his mother at the hospital.

Joyce Roese and Hazel Mehn of Thief River Falls spent the week-end at the Clarence Roese home.

Adrian Anderson leaves today for Moorhead to attend the R. R. Valley conference, as a delegate from the St. Hilaire church.

In a letter from Irma Hillgren, she writes that the welcome moisture from the winters snow has all gone and dust has already started blowing. Miss Hillgren lives in the drought area in the western part of North Dakota. She also mentions that her grandfather, of Malmo, Sweden, has written recently saying that they experienced the worst winter weather there that they have had since 1888. The letter had gotten through before the invasion of Scandinavia by the Germans.

Mr. and Mrs. Walter Odegaard moved this week onto the former Ed Knutson farm which they now own. The farm residence has been remodeled and redecorated. Mr. Odegaard will also farm the Bruce place. The Gunstad brothers having rented only the house on the latter farm.

Mrs. Carl Alberg, who has not been feeling at all well, was at Thief River Falls Tuesday and Saturday for medical attention. Gladys Alberg came home Saturday from the Carl Finstad home where she has been housekeeper during Mrs. Finstad's stay at the Oakland Sanitorium. Mrs. Finstad came home Sunday.

Mr. and Mrs. Harry Ranum of Thief River Falls visited Sunday at the home of Mrs. Ranum's parents Mr. and Mrs. Carl Alberg. Mrs. Ranum remained until Tuesday.

The Clara Luther League had a good attendance at its meeting on Friday evening. A program of prayer, scripture reading, selected readings and hymn singing was given after which lunch was served by group number two. The next meeting will be at the church Friday evening, May 10, with Norma Carlson, Wallace Erickson and Helge Larson on the program committee. Lunch will be served by group number three. Next Sunday morning services will be conducted by a student from Gustavus Adolphus college due to the absence of Rev. Larson who will be in attendance at the Red River conference meetings at Moorhead. John Peterson, who is the delegate from Clara congregation will also attend these meetings.

Mr. and Mrs. Orville Snyder (Ida Loken) and three children moved this week from Willmar to the Ole Peterson house at Hazel, which was formerly rented by the Chas Walls family. They were accompanied here by Margit Loken who spent the past week with them at Willmar helping them get packed up for moving. Mr. Snyder will return to Willmar where he is employed for the summer.

Mr. Stohlberg, the blacksmith who was due in Hazel in April will not come to Hazel in about a week after being able to satisfactorily dispose of some property at Strathcona, where he lives. Mr. and Mrs. Stohlberg and family plan to live in a house trailer.

CO. AGENT URGES EARLY ATTENTION TO TREE PLANTING

Grow Suggests Precautions to Take in Setting out Trees

With the frost now out of the ground, it's time for treeplanting, says County Agent Howard E. Grow. He suggests a few simple precautions which, if followed, will insure a much higher percentage of survival.

If several days will elapse after trees are received and before they can be planted, they should be "heeled in" a trench dug in a damp, shaded spot.

Spread the trees out along the trench, taking care that all the roots will be thoroughly covered, and pack the soil firmly about the roots. If the soil is somewhat dry, it should be watered, Mr. Grow warns.

While planting, care must also be taken not to permit the roots of the young trees to become dry. Keep the stock in a bucket about half full of muddy water, removing a tree only after the hole has been prepared to receive it. A good practice while planting is to shade the tree and the hole with one's body, thus further reducing the possibility of excessive drying of the roots and the soil of the open hole.

During the planting operation it is very essential to get the soil firmly packed about the roots of the tree. Wild stock dug on the farm needs the same care as nursery stock.

Nagurski and Kashey Head Wrestling Card Here Next Thursday, May 9th

The attractive wrestling program which promoter Bill LaFave has scheduled for the Auditorium next Thursday night, May 9, the net proceeds of which will go into the Athletic Association treasury, is creating a great deal of interest. And well it might, for it is seldom that two such sterling and first-rate wrestlers as Bronko Nagurski and Abe Kashey appear on the same card. Nagurski, as befits a former world's heavyweight wrestling champion, has the main-event match, meeting Andy Moen, a 231 pound wrestler from Fergus Falls. Kashey will wrestle in the semi-windup, meeting Bob Foster, a Des Moines grappler. The preliminary bout will have Stan Mysinjek, a Polish-American boy, meeting Ray Graham.

In Nagurski, the fans will be seeing one of Minnesota's greatest athletes in action, for his athletic feats, especially in football, are already on their way to becoming legends. Attending the University he played three years of varsity football, under Doc Spears, in 1926, '27 and '28. And in 1928, while he played much of the season at fullback, he was placed on the All-American team, at tackle. Completing his college career, he joined the Chicago Bears of the National Professional league, and for many years he was the outstanding performer in that league, being given the most valuable player awards, and being placed on the all-professional team numerous times. It was while Nagurski was a member of the Bears that sports writer Grantland Rice, after seeing the Bronko run over his opponents from the fullback position, stated that Nagurski was the only backfield player that he had seen who ran his own interference.

Several years ago he quit football, to concentrate on wrestling, and because of his tremendous strength and rugged physique, he was an immediate success. Being trained and managed by Tony Stecher, he reached the top rung when he won the world's championship.

Abe Kashey who will wrestle in the semi-windup, is a main-event attraction in himself. Abe, otherwise known as 'King Kong' or 'Syrian Bad Man', has wrestled here before, and those in attendance at that match will never forget the furore that he caused. His rough stuff riled the crowd, and it was only by good fortune that Abe got out of the arena without receiving a mob beating. Promoter Bill LaFave has attempted to lure Kashey up here for a match since that eventful occasion, but Abe has refused to come, being adamant in his contention that there isn't enough police protection in Thief River Falls. Mr. LaFave has assured Kashey that this time there will be ample law enforcement, and 'King Kong' has consented to appear.

Bronko Nagurski, until recently world's heavyweight wrestling champion, will be the headliner in a mat card in the Auditorium next Thursday evening, May 9, when he will be pitted against Andy Moen, promising Fergus Falls wrestler. In addition to his prowess on the mat, Nagurski is one of football's immortals, having been an all-time star on the University of Minnesota football team, followed by outstanding exploits in professional football.

LOCAL LIONS CLUB PICKS CONVENTION DELEGATES

Cowboys Vs. Faculty

And the Cowboys are still playing basketball. Tonight, in the high school gym, they are to play the Faculty. But for this game the Faculty has been strengthened by the addition of Rip Dahlow to their line-up. That addition will mean a six point win for the Faculty.

Hockey League Meeting

The States-Dominion hockey league directors are having a meeting here tonight, with league president Phil Larson presiding. I wonder if Walt Grinols will be here. And if he will bring along his arguments on why Crookston should be declared champions of the league. I'm in the mood for a joke or two, and a couple of laughs, so I hope that he has these arguments with him.

Northern Minny Baseball

The Northern Minny baseball league is being organized for the season's play, with Plummer, Oklee, Red Lake Falls, St. Hilaire, and Grygla, as prospective members. There is a team vacancy, and the league officials have hinted that they would like to have Thief River Falls as the sixth member. But there is one thing that prevents the boys from asking for admittance into the league: no money in the treasury. The boys have uniforms, catcher's equipment, etc., but they lack the moderate sum that is needed to buy bats and balls. So long as the boys are willing and anxious to play ball, and to enter the league, there should be enough baseball enthusiasm in town to provide bats and balls for the team.

Hockey Club Deficit
